Section 4: Matters Related to Accountants and Financial Statements
Item 4.01: Changes in Registrant's Certifying Accountant.

- (a) On November 10, 2008, U.S. Energy Corp. ("USE") dismissed Moss Adams LLP ("MA") as USE's independent accounting firm, and as of that same date, appointed Hein & Associates LLP ("HA") as the company's independent accounting firm.

The charter of USE's audit committee mandates a review of the company's relationship with its independent accounting firm every five years. MA (including its predecessor firm) have served as the independent firm for five years. In the course of its review, the audit committee determined that USE should change to a firm with particular expertise in the minerals sector.

- (i) As stated, MA was dismissed.
- (ii) MA's reports on USE's financial statements for the years ended December 31, 2006 and 2007 did not contain an adverse opinion or a disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles.
- (iii) As stated, the decision to dismiss MA, and appoint HA as the successor firm, was recommended by the audit committee and approved by the full board of directors.
- (iv) During the two most recent fiscal years (ended December 31, 2007) and through November 10, 2008, there were no disagreements with MA on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure, which disagreement(s), if not resolved to the satisfaction of MA, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its reports.
- (v) Not applicable.

We have provided MA with a copy of this Report on Form 8-K prior to filing the Report with the SEC, requesting MA to provide us with a letter addressed to the SEC, stating whether it agrees with USE's statements made in subclauses (i) through (v) above. MA's letter is attached to this Form 8-K as Exhibit 16.1.

- (b) During the two most recent fiscal years (ended December 31, 2007) and through November 10, 2008, neither USE nor anyone acting on its behalf engaged HA either as the principal accountant for USE's financial statements, or as an independent accountant to audit a significant subsidiary.

Further, during such two most recent fiscal years, and any subsequent interim period, through November 10, 2008, neither USE nor anyone acting on its behalf consulted HA regarding (i) either: The application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on USE's financial statements, and either a written report was provided to the registrant or oral advise was provided that HA concluded was an important factor considered by the registrant in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in (iv) above and the SEC's instructions related thereto as set forth in Form 8-K), or a reportable event as described in paragraph 304(a)1(v) of Form 8-K.

We requested HA to review the above disclosure as it relates to them before it was filed with the Commission and have provided HA the opportunity to furnish us with a letter to the Commission containing any new information, clarification of our expression of our views or the respects in which it does not agree with the statements made by us. HA agreed with the statements as it related to them.
