This Proxy Statement and the WHITE proxy card are first being furnished to Shareholders on or about May 2, 2006.

At the Annual Meeting, the Participants will seek to elect Robert B. Goldstein (the "Nominee" or "Mr. Goldstein") to the Board of Directors of Federal Trust (the "Board"). The Nominee has consented, if elected, to serve as a director of Federal Trust and to being named in this Proxy Statement and in the Participants' other soliciting materials as a nominee for election as a director of Federal Trust.

The Nominee is committed to acting in the best interest of all shareholders. We believe that your voice in the future of Federal Trust can best be expressed through the election of the Nominee. Accordingly, we urge you to vote your WHITE proxy card for Robert B. Goldstein.

If your shares are held in the name of a brokerage firm, bank, bank nominee or other institution on the record date, only it can vote such shares and only upon receipt of your specific instructions. Accordingly, please contact the person responsible for your account and instruct that person to execute the WHITE proxy card on your behalf as soon as possible.

IMPORTANT

The election of the Nominee requires the affirmative vote of a plurality of the votes cast by Shareholders present in person or represented by proxy, assuming a quorum is present or otherwise represented at the Annual

Meeting. As a result, your vote is extremely important in deciding the future of Federal Trust. We urge you to mark, sign, date and return the enclosed WHITE proxy card to vote FOR the election of Robert B. Goldstein.

We urge you not to sign any proxy card sent to you by Federal Trust. If you have already done so, you may revoke your proxy before it is voted by delivering to Federal Trust a written notice of revocation, or a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Any shareholder holding common stock through a brokerage firm may change or revoke previously given voting instructions by contacting the brokerage firm, or by obtaining a legal proxy from the brokerage firm and voting in person at the Annual Meeting. REASONS FOR KEEFE'S SOLICITATION

Keefe, on behalf of several entities for which it provides investment advisory services, has been an investor in Federal Trust since February 2002, and is currently one of the largest shareholders, beneficially owning approximately 9.6% of the outstanding Shares reported to be outstanding as of December 31, 2005. Consistent with the leadership of Keefe's late founder, Harry Keefe, Keefe specializes in investing in the securities of U.S. based banks and thrift institutions. Keefe is asking for your vote in order to elect Robert B. Goldstein to the Board. Mr. Goldstein is committed to monitoring closely and promoting the accountability of senior management, enhancing corporate governance and encouraging and overseeing efforts to maximize shareholder value. Keefe believes that the following examples demonstrate neglect on the part of Federal Trust with respect to corporate governance, accountability and the maximization of shareholder value:

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

- o Federal Trust's operations are overseen by a six-person Board, one member of which, James V. Suskiewich, is Federal Trust's Chairman of the Board, Chief Executive Officer and President. Another director, George W. Foster, who is 77 years of age, is the former chief executive officer of Federal Trust Bank. A third director, A. George Iglar, chairs the Company's Compensation Committee and we understand is, and has been since 1993, corporate counsel to the Company. Mr. Iglar has also been the subject of a cease and desist order and civil money penalty from the Office of Thrift Supervision, which is the primary federal regulator of Federal Trust Bank. The biography in Federal Trust's Proxy Statement for Federal Trust's newest director, Eric J. Reinhold, age 41, who was appointed by Federal Trust's Board, does not indicate that Mr. Reinhold has any experience as a director or executive officer of a banking institution. In our opinion, this six-person Board would benefit to a significant extent from the addition of a director with significant banking experience and with no prior business relationships with Federal Trust.

- o In 2005, Federal Trust's Proxy Statement reported that James Suskiewich, Chairman of the Board, Chief Executive Officer and President, received a salary of \$325,000, a bonus of \$222,856, directors fees of \$37,000 plus other annual compensation of \$248,473 for a total of \$833,329. For a financial institution that, in Keefe's professional opinion, exhibits significantly underperforming results of operations, this compensation level seems excessive. For instance, according to SNL Financial DataSource, for 2005, the median performance for publicly traded banks and thrifts in Florida between \$700 million and \$5 billion in assets showed the following attributes as compared to Federal Trust:

	Peer Group	Federal Trust
Return on Assets	1.22%	0.66%
Return on Equity	15.13%	10.70%
Non Performing Assets to Total Assets	0.15%	0.36%
Price to Tangible Book Value	293.7%	212%

- o Mr. Suskiewich receives a bonus payment according to his contract, which is a portion of the bonuses for which he is eligible, for any quarter in which Federal Trust Bank's after-tax earnings are at least 0.50% of its average quarterly assets on an annualized basis, a return that Keefe believes is exceptionally low for banks such as

Federal Trust Bank when compared to its peer group. For instance, according to SNL Financial DataSource, for 2005, the median return on assets for publicly traded banks and thrifts in Florida with between \$700 million and \$5 billion in assets was 1.22%. The threshold for Mr. Suskiewich's bonus is less than half of this median.

- o Mr. Suskiewich recently renegotiated his employment contract with Federal Trust and now receives a base salary of \$325,000 (compared to \$250,000 in 2004). In the event of a change of control, Mr.

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

Suskiewich will receive a severance payment equal to 2.5 times his base annual salary and his bonus in the last fiscal year, which Keefe believes is not unusual, and a change in control performance bonus of 3.0 times the premium multiple paid for Federal Trust over book value times \$250,000, which in Keefe's experience is extraordinarily high and, Keefe believes, a waste of corporate assets. In other words, if Federal Trust were to be sold for 3.0 times book value, which Keefe believes would be a reasonable sale price for a banking institution in Federal Trust's market, Mr. Suskiewich would receive 3.0 times 3.0 times \$250,000 or \$2,250,000 plus a "gross up" to pay certain excise taxes arising from such payments. Keefe believes this benefit is unreasonably large.

For comparison, the following are summaries of the primary components of the severance payments, or closest equivalent, in Keefe's estimation, due upon a change in control to the chief executive officers of all other publicly traded banks and thrifts domiciled in Florida with assets of between \$700 million and \$5 billion based upon information contained in the most recent definitive proxy statements for those entities filed with the SEC; please note these banks and thrifts constitute the higher performing peer group listed above:

Name of Registrant -----	Change of Control Payment -----
Capital City Bank Group, Inc.	Additional two years of credited service retirement plan
CenterState Banks of Florida, Inc.	2.99 times base salary
Commercial Bankshares, Inc.	Three times salary plus cash incentive during the prior 12 months, together with fringe benefits for three years or 6 months of salary and cash incentive compensation
Fidelity Bankshares Inc.	Three times highest salary and bonus during the prior three years, plus the present value of salary and benefits under specified benefit plan if continued working for three years
Florida Community Banks, Inc.	Immediate vesting of options
Harbor Florida Bancshares, Inc.	Three times salary and bonuses during the prior 12 months, together with the cost of all options during the prior 12 months
Seacoast Banking Corporation of Florida	Salary and bonus for balance of change in control period (period expiring December 24, 1999, with one-year extensions thereafter)
TIB Financial Corp.	Three times average salary during prior 12 months
Federal Trust	2.5 times base annual salary and bonus plus a change in control performance bonus of 3.0 times the premium multiple paid for Federal Trust over book value times \$250,000

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

- o At Federal Trust's 2005 Annual Meeting, the 2005 Federal Trust Corporation Directors Stock Plan (the "Directors Stock Plan") received the following vote:

For the Plan:	2,964,721 shares
Against the Plan:	2,257,429 shares
Withheld:	1,964,362 shares

Based upon the results above, 31.4% of the shares represented on the issue in person or by proxy voted against the Directors Stock Plan and another 27.3% withheld their votes. In other words, almost 59% of the shares present did not vote in favor of the Directors Stock Plan. Federal Trust's Board, to the derogation of our interests as Shareholders, nevertheless implemented the new plan.

Keefe believes that Federal Trust's Shareholders need someone in the boardroom who will work to address:

- o the accountability of senior management,
- o enhancement of corporate governance; and
- o maximization of shareholder value.

Mr. Goldstein has significant community bank experience and has a demonstrated record of maximizing shareholder value. As such, he is well suited to work with and monitor Federal Trust and its management. While Mr. Goldstein has no current plans to propose any specific actions or initiatives, if elected, Mr. Goldstein will closely examine and bring financial analysis to all initiatives proposed by management and directors of Federal Trust, and if appropriate, will propose his own initiatives concerning Federal Trust, including among other matters, executive compensation, corporate governance and the best uses of Federal Trust's resources. While no assurance can be made that the election of Mr. Goldstein will make senior management more accountable, enhance corporate governance or maximize value, Keefe expects that Mr. Goldstein would help bring more accountability and discipline to the way Federal Trust is managed.

For example, Federal Trust recently issued 850,000 shares of common stock in a private placement transaction managed by Ryan Beck & Co. ("Ryan Beck"). This placement was priced at \$10.00 per share when the stock was trading on the American Stock Exchange at \$11.15 per share. Federal Trust also paid a fee of 6.5% of the gross proceeds raised in the offering to Ryan Beck. The shares of common stock sold in the placement must be registered under the Securities Act of 1933 within 45 days of the closing of the placement. Keefe, Federal Trust's largest outside shareholder, was never contacted by Ryan Beck to solicit Keefe's interest in participating in this offering. Keefe regularly participates in bank securities transactions with Ryan Beck. If Mr. Goldstein had been a director at the time that this transaction was under consideration by Federal Trust's Board, he would have suggested, at least, that all logical potential purchasers should be contacted to assure the best possible pricing. Furthermore, due to Mr. Goldstein's substantial active bank management experience, Mr. Goldstein would have required a complete analysis from Federal Trust's management and from the selected investment banking firm as to the

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

efficacy of issuing common stock which, of course, dilutes the voting power of shareholders at the time of the issuance, rather than a non-dilutive alternative to accomplish management's expansion goals.

Mr. Goldstein intends, if elected to the Federal Trust Board, to share his considerable banking experience with his fellow Board members, suggesting alternative capital raising strategies and sharing branch office expansion strategies that have proven effective in banks that Mr. Goldstein has managed. Mr. Goldstein, in a cooperative fashion, will assure that the Federal Trust Board fully considers all aspects of expansion strategies and other appropriate Board considerations possibly overlooked by the existing directors not possessing his background and experience. Mr. Goldstein will seek to persuade open-minded fellow directors as to the wisdom of his questions and suggestions. As is the case with other boards of directors on which he serves around the country, Mr. Goldstein will attend Federal Trust Board meetings in person.

Keefe believes that Mr. Goldstein will provide a voice completely independent of Federal Trust. Mr. Goldstein will, if elected, constitute a minority of the Board. Accordingly, Mr. Goldstein will not currently be able to adopt any measures without the support of at least some members of the current Board. Nevertheless, Mr. Goldstein will have the opportunity to articulate and raise his concerns about Federal Trust's business activities with the rest of the Board members.

BACKGROUND

Keefe, on behalf of entities for whom it acts as investment adviser, first purchased Shares that it currently beneficially owns in February 2002 and by November 1, 2004 had acquired approximately 8.0% of the then outstanding Shares. Beginning in November 2004, Keefe became increasingly concerned about Federal Trust's performance and about the make-up of its Board.

On or about April 15, 2005, Federal Trust mailed its Proxy Statement for its 2005 Annual Meeting of Shareholders. Among the proposals were the election of two directors to serve for three-year terms, including James V. Suskiewich, Federal Trust's Chairman of the Board, President and Chief Executive Officer, and a proposal to adopt the Directors Stock Plan. Prior to the 2005 Annual Meeting, Keefe contacted approximately six institutional investors that owned Federal Trust common stock and informed them that Keefe would be withholding its votes for the election of Mr. Suskiewich and voting against the Directors Stock Plan. At the 2005 Annual Meeting, by proxy, Keefe withheld its votes for the election of Mr. Suskiewich and voted against the Directors Stock Plan.

In November 2005, Keefe began to consider the nomination of a candidate for election as a director who would represent the interests of all of Federal Trust's Shareholders. Keefe's consideration of this alternative arose from its concern about Federal Trust's performance and what Keefe perceived to be self-interested decisions made by Federal Trust's Board with respect to executive officer compensation and the Directors Stock Plan, all as described under "Reasons for Keefe's Solicitation." In November 2005, John J. Lyons, Keefe's President, called Mr. Suskiewich to suggest the nomination of an independent director without any past business relationship with Federal Trust. Prior to making the suggestion, Mr. Suskiewich informed Mr. Lyons that no further verbal communications would be forthcoming between Federal Trust management and Keefe (its largest outside shareholder). Mr. Lyons had previously regularly met with Mr. Suskiewich to discuss Federal Trust's performance, as Mr. Lyons does with management of other financial institutions in which Keefe

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

maintains investments. On November 28, 2005, Keefe sent a letter to Federal Trust's Board regarding a request that the Board consider the appointment or the nomination for election of Robert B. Goldstein to Federal Trust's Board not later than the Annual Meeting and, if such request was denied, Keefe's reservation of its rights to take any action necessary to assure that the Shareholders would have the right to consider the candidacy of Mr. Goldstein, including directly nominating him for director in accordance with Federal Trust's established procedures and engaging in a proxy contest. A copy of this letter was filed with a Schedule 13D filed by Keefe with the SEC on November 30, 2005.

On December 20, 2005, Federal Trust sent Keefe a letter indicating that Federal Trust would not be nominating Mr. Goldstein as a director.

On January 24, 2006, Keefe sent a letter to Federal Trust requesting an opportunity to inspect and copy Federal Trust's record of Shareholders. On February 27, 2006, Mr. Lyons and Mr. Goldstein visited Federal Trust's corporate headquarters and Mr. Lyons was provided with a copy of the record of Shareholders. During this visit, Mr. Goldstein met with Mr. Suskiewich and Gregory E. Smith, Federal Trust's Executive Vice President and Chief Financial Officer.

On March 16, 2006, Keefe sent a letter to Federal Trust's Board requesting that the Board again consider the nomination of Mr. Goldstein for election to Federal Trust's Board at the Annual Meeting and, if such request was denied, Keefe's intention to nominate him for director in accordance with Federal Trust's established procedures. A copy of this letter was filed with a Schedule 13D/A filed by Keefe with the SEC on March 16, 2006.

On April 21, 2006, a notice was sent to Federal Trust for the purposes of nominating Mr. Goldstein for election as a director of Federal Trust at the Annual Meeting. A separate notice was sent to Federal Trust on April 21, 2006 proposing that the Shareholders consider an amendment to Federal Trust's Amended and Restated Bylaws at the Annual Meeting. The purpose of the amendment was to make ineligible to be elected as a director of Federal Trust any person who has been the subject of a cease and desist order issued by a federal bank regulatory agency or who has paid or been subject to a civil money penalty imposed by a federal bank regulatory agency for personal or professional conduct involving a banking institution insured by the Federal Deposit Insurance Corporation.

Federal Trust has stated in Federal Trust's Proxy Statement that the bylaw proposal was not timely noticed and will not be placed on the agenda for the Annual Meeting. Keefe continues to believe that this amendment is important for corporate governance purposes to assure that only the most appropriate candidates for director are considered by the Shareholders. Accordingly, if the proposal is not made earlier by Federal Trust's Board, Keefe currently intends to reintroduce the proposal at Federal Trust's 2007 Annual Meeting of Shareholders.

PARTICIPANTS IN SOLICITATION OF PROXIES

In addition to the Nominee, Robert B. Goldstein, Keefe is a participant in the solicitation of proxies (together, the "Participants"). Keefe-Rainbow Partners L.P. PROPOSAL I: ELECTION OF DIRECTORS

According to Federal Trust's Proxy Statement, two Class I directors are to be elected to Federal Trust's Board at the Annual Meeting. The Participants propose that the Shareholders elect Robert B. Goldstein as a director of Federal Trust at the Annual Meeting. Mr. Goldstein, if elected, would hold office until the 2009 Annual Meeting of Shareholders and until a successor has been duly elected.

Background information about Mr. Goldstein is set forth below. The Nominee is not receiving any compensation from any of the Participants or any of their affiliates in connection with this proxy solicitation. Neither the Nominee nor any associate of the Nominee has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to other plans or other compensation from, or related to, services rendered on behalf of Federal Trust, or is subject to any arrangement described in Item 402 of Regulation S-K. If elected by the Shareholders at the Annual Meeting, it is expected that the Nominee could receive compensation similar to the compensation received by the other independent directors of Federal Trust.

Robert B. Goldstein, 65, has served as Chairman of the Executive Committee of Great Lakes Bancorp, Inc. (known until a May 2006 merger as Bay View Capital Corporation ("BVCC")) since May 2006. Mr. Goldstein joined BVCC in March 2001 as President, Chief Executive Officer and a director. In October 2002, he resigned as President and was elected Chairman and, in December 2002, he resigned as Chief Executive Officer. He served as Chairman of BVCC until the May 2006 merger. Prior to joining BVCC, Mr. Goldstein served as President of the Jefferson Division of Hudson United Bank in Philadelphia from 2000 to 2001, when Hudson United Bancorp acquired Jeff Banks, and was President of Jeff Banks Inc., from 1998 to 2000. Prior to these positions, Mr. Goldstein held several President and Chief Executive Officer positions with banks in Pennsylvania and Connecticut. Mr. Goldstein currently also serves on the boards of directors of F.N.B. Corporation, Hermitage, Pennsylvania; Luminent Mortgage Capital, Inc., San Francisco, California and RS Group Holdings, Inc., a privately owned trust services company in New York City, New York.

The Nominee does not anticipate that he will have any conflicts of interest with respect to Federal Trust, if elected, and recognizes his fiduciary duty obligations to all Shareholders. The Nominee has no contract, arrangement or understanding, including, without limitation, any agreement regarding indemnification, with Federal Trust or Keefe, and no other financial interest concerning Federal Trust other than through the beneficial ownership of Shares

9

disclosed in this Proxy Statement. Approximately once a month, Keefe makes available space at its offices for Mr. Goldstein's use.

WE STRONGLY URGE YOU TO VOTE FOR THE ELECTION OF ROBERT B. GOLDSTEIN BY SIGNING, DATING AND RETURNING THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED TO YOU WITH THIS PROXY STATEMENT. IF YOU HAVE SIGNED THE WHITE PROXY CARD AND NO MARKING IS MADE, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTE ALL THE SHARES REPRESENTED BY THE WHITE PROXY CARD FOR THE ELECTION OF ROBERT B. GOLDSTEIN.

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

The Participants do not expect that Mr. Goldstein will be unable to stand for election, but, in the event that he is unable to serve or for good cause will not serve, the Shares represented by the enclosed WHITE proxy card will be voted for a substitute nominee of the Participants. The Participants reserves the right to nominate substitute or additional persons as nominees for any reason, including in the event that (1) the Board is expanded beyond its current size and/or (2) Mr. Goldstein is unable for any reason, to the extent permitted by applicable law, including by reason of the taking or announcement of any action by Federal Trust that has, or if consummated would have, the effect of disqualifying Mr. Goldstein to serve as a director.

PROPOSAL II: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

At the Annual Meeting, the Shareholders will be asked to ratify the appointment of Hacker, Johnson & Smith, P.A., as the independent auditors for Federal Trust for the fiscal year ending December 31, 2006. Federal Trust's board of directors recommended a vote in favor of this proposal. In order to be adopted, this proposal must be approved by the holders of a majority of the outstanding shares of Federal Trust's common stock present or represented by proxy and entitled to vote at the Annual Meeting. If the Shareholders do not vote in favor of the appointment of Hacker, Johnson & Smith, P.A., Federal Trust's Board will consider the selection of another registered public accounting firm. Please refer to Federal Trust's Proxy Statement for a detailed discussion of this proposal, including various arguments in favor of this proposal. The Participants recommend that Shareholders vote FOR this proposal. IF YOU HAVE SIGNED THE WHITE PROXY CARD AND NO MARKING IS MADE, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTING ALL THE SHARES REPRESENTED BY THE WHITE PROXY CARD FOR THIS PROPOSAL.

The accompanying WHITE proxy card will be voted in accordance with your instruction on such card. You may vote for or vote against, or abstain from voting on, Proposal II described above by marking the proper box on the WHITE proxy card.

PROPOSAL III: ADJOURNMENT OF ANNUAL MEETING

At the Annual Meeting, Federal Trust's Board is seeking your approval to adjourn the Annual Meeting in the event that there are not a sufficient number of votes at the Annual Meeting to approve Proposal I or II, as submitted to the Shareholders by Federal Trust. If it is necessary to adjourn the Annual Meeting and the adjournment is for a period of less than 30 days, no notice of the time or place of the reconvened meeting will be given to Shareholders, other than an announcement made at the Annual Meeting.

10

The Participants recommend that Shareholders vote AGAINST this proposal. IF YOU HAVE SIGNED THE WHITE PROXY CARD AND NO MARKING IS MADE, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTING ALL THE SHARES REPRESENTED BY THE WHITE PROXY CARD AGAINST THIS PROPOSAL.

The accompanying WHITE proxy card will be voted in accordance with your instruction on such card. You may vote for or vote against, or abstain from voting on, Proposal III described above by marking the proper box on the WHITE proxy card.

OTHER PROPOSALS

The Participants and their affiliates know of no other business to be presented at the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is intended that the persons named on the enclosed

Edgar Filing: FEDERAL TRUST CORP - Form DEFC14A

WHITE proxy card will vote that proxy on such other matters in accordance with their judgment. The Participants will not use such discretionary authority to vote the proxies for matters of which the Participants had knowledge a reasonable time before the Annual Meeting.

VOTING PROCEDURES

According to Federal Trust's Proxy Statement, the voting procedures for the Annual Meeting are as set forth below.

Only holders of record of Federal Trust common stock at the shareholder record date will be entitled to vote at the Annual Meeting. Record holders representing a majority of Federal Trust's outstanding common stock present in person or represented by proxies constitutes a quorum. The Articles of Incorporation of Federal Trust do not provide for cumulative voting. Shareholders are entitled to one vote for each share owned.

In accordance with Florida law and Federal Trust's Amended and Restated Bylaws, directors will be elected at the Annual Meeting by a plurality of the votes cast. Any other matter on which shareholders vote at the Annual Meeting will be determined by the affirmative vote of a majority of the votes cast. A Shareholder may abstain or withhold a vote with respect to any matter submitted for shareholder approval. "WITHHELD" votes will be counted as being present for purposes of determining the existence of a quorum, but will be counted as not voting in favor of any proposal brought before the Annual Meeting.

The manner in which Shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares of common stock are represented by certificates or book entries in your name so that you appear as a shareholder on the records of Federal Trust's stock transfer agent, a Proxy Card for voting those shares will be included with this Proxy Statement. You may vote those shares by completing, signing and returning the Proxy Card in the enclosed postage pre-paid, pre-addressed envelope.

If you own shares through a brokerage firm (e.g., shares held in "street name"), you may instead receive a voting instruction form with this Proxy Statement that you may use to instruct how your shares are to be voted. As with a Proxy Card, you may vote your shares by completing, signing and returning

11

the voting instruction form in the envelope provided. Many brokerage firms have arranged for Internet or telephonic voting of shares and provide instructions for using those services on the voting instruction form.

If your shares are held by a brokerage firm, under certain circumstances, the brokerage firm may vote your shares. Such entities have authority to vote their customers' shares on certain routine matters, including the election of directors. When a firm votes its customers' shares on routine matters, these shares are also counted for the purpose of establishing a quorum to conduct business at the meeting. A brokerage firm cannot vote its customers' shares on non-routine matters. Accordingly, these shares are not counted as votes against a non-routine matter, but rather not counted at all for such a matter.

Whether or not you are able to attend the Annual Meeting, you are urged to complete the enclosed WHITE proxy card and return it in the enclosed self-addressed, prepaid envelope. All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item of business by marking the appropriate box on the proxy, the Shares will be voted in accordance with that specification. If no specification is made, the persons

named on the enclosed white proxy card will vote your shares "FOR" Robert B. Goldstein with respect to Proposal I , "FOR" Proposal II, and "AGAINST" Proposal III. The Participants and their affiliates know of no other business that will be presented at the Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed WHITE proxy card will vote the Shares represented thereby in accordance with their best judgment pursuant to the discretionary authority granted in the proxy.

PROXY PROCEDURES

The accompanying WHITE proxy card will be voted at the Annual Meeting in accordance with your instructions on such card.

Any Shareholder who has mailed a proxy card to Federal Trust may revoke it before it is voted by delivering to Federal Trust a written notice of revocation, or a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Any shareholder holding common stock through a brokerage firm may change or revoke previously given voting instructions by contacting the brokerage firm, or by obtaining a legal proxy from the brokerage firm and voting in person at the Annual Meeting.

Only Shareholders of record as of the close of business on the Record Date will be entitled to vote. If you were a Shareholder of record on the Record Date, you will retain your voting rights at the Annual Meeting even if you sell such Shares after the Record Date. Accordingly, it is important that you vote the Shares held by you on the Record Date, or grant a proxy to vote such Shares on the WHITE proxy card, even if you sell such Shares after the Record Date.

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK, BANK NOMINEE OR OTHER INSTITUTION ON THE RECORD DATE, ONLY IT CAN VOTE SUCH SHARES AND ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT THAT PERSON TO EXECUTE THE WHITE PROXY CARD ON YOUR BEHALF AS SOON AS POSSIBLE.
