Item 1.01 Entry Into a Material Definitive Agreement.

On May 15, 2018, in connection with a periodic review of its existing indemnification agreements, the Board of Directors of FirstEnergy Corp. (the “Company”) approved the new form of Director and Officer Indemnification Agreement (the “Indemnification Agreement”) to be entered into by and between the Company and its directors and officers (each, an “Indemnitee”). The Company intends to enter into a new indemnification agreement with each current member of the Board, the Company’s current executive officers and certain other Company officers as approved by the Chief Executive Officer of the Company. Each new indemnification agreement with a current director or officer will replace and supersede the prior indemnification agreement between the Company and such director or officer, if such director or officer was a party to a prior indemnification agreement.

In general, the Indemnification Agreement provides that, subject to the procedures, limitations and exceptions set forth therein, the Company will indemnify, defend and hold harmless the Indemnitee against all claims, damages, losses, liabilities, judgments, fines, penalties and amounts paid in settlement based upon, arising out of or resulting from (i) any actual, alleged or suspected act or failure to act by the Indemnitee in his or her capacity as a director or officer of the Company or as a director, officer, employee, member, manager, trustee or agent of any other corporation, limited liability company, partnership, joint venture, trust or other entity or enterprise, whether or not for profit, as to which the Indemnitee is or was serving at the request of the Company as a director, officer, employee, member, manager, trustee or agent, (ii) any actual, alleged or suspected act or failure to act by the Indemnitee in respect of any business, transaction, communication, filing, disclosure or other activity of the Company or any other entity or enterprise referred to in clause (i) of this sentence, or (iii) the Indemnitee’s status as a current or former director, officer, employee or agent of the Company or as a current or former director, officer, employee, member, manager, trustee or agent of the Company or any other entity or enterprise referred to in clause (i) of this sentence, as well as alleged or suspected act or failure to act by the Indemnitee in connection with any obligation or restriction imposed upon Indemnitee by reason of such status.

The Indemnitee will generally be entitled to indemnification if the Indemnitee is either successful on the merits or otherwise in defense of any claim covered by the Indemnification Agreement or if the Indemnitee has met the applicable standard of conduct under Ohio law that is a legally required condition precedent to indemnification.

The Indemnitee will generally have the right to advancement by the Company of expenses as they are actually paid or incurred or are reasonably likely to be paid or incurred in connection with defending a claim covered by the Indemnification Agreement prior to the final disposition of such claim.

The above description of the Indemnification Agreement does not purport to be complete and is qualified in its entirety by reference to the Indemnification Agreement, the form of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

As described in Item 1.01 of this Current Report on Form 8-K, the Company intends to enter into a new indemnification agreement with each current member of the Board, the Company’s current executive officers and certain other Company officers as approved by the Chief Executive Officer of the Company. Each new indemnification agreement with a current director or officer will replace and supersede any prior indemnification agreement between the Company and such director or officer, if such director or officer was a party to a prior indemnification agreement with the Company.
