**Item 1.01 Entry into an Amendment of a Material Definitive Agreement**

On December 3, 2004, we and Pharmion GmbH, one of our subsidiaries, entered into an amendment to a Product Supply Agreement among us, Pharmion GmbH and an indirect wholly-owned subsidiary of Celgene Corporation, Celgene UK Manufacturing II, Limited. The amendment provides for a one-time payment of \$77 million by us to Celgene UK in return for a reduction in our purchase price for purchases of thalidomide from Celgene UK. At the same time, we and Celgene entered into agreements that (i) extend, from 2005 to 2007, our existing thalidomide research and development agreement and provides for aggregate payments of \$8 million by us to Celgene over the next three years to support such ongoing thalidomide development activities; and (ii) amends our Thalomid® License Agreement to provide us with additional territories and eliminate certain termination rights of Celgene relating to obtaining marketing approval in Europe, for an aggregate payment of \$3 million. A copy of the joint press release issued by the parties on December 3, 2004 relating to these amendments is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
