PROXY STATEMENT

Annual Meeting of Shareholders July 28, 2004

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished by the Board of Directors of Christopher & Banks Corporation (the "Company") in connection with the solicitation of proxies to be used at the Annual Meeting of Shareholders (the "Meeting") of the Company to be held on Wednesday, July 28, 2004, at 3:00 p.m. Central Time, at 2800 LaSalle Plaza, 800 LaSalle Avenue, Minneapolis, Minnesota, and at all adjournments thereof for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the Notice of Meeting and Proxy are being mailed to shareholders on or about June 9, 2004.

The close of business on May 21, 2004 has been fixed as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting. At that date, the Company's outstanding voting securities consisted of 37,091,196 shares of common stock, par value \$.01 per share (the "Common Stock"). On all matters which will come before the Meeting, each shareholder or his proxy will be entitled to one vote for each share of Common Stock of which such shareholder was the holder of record on the record date. The aggregate number of votes cast by all shareholders present in person or by proxy at the Meeting will be used to determine whether a motion is carried. Thus, an abstention from voting on a matter by a shareholder, while included for purposes of calculating a quorum for the Meeting, has no effect on the item on which the shareholder abstained from voting. In addition, although broker "non-votes" will be counted for purposes of attaining a quorum, they will have no effect on the vote. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. This would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which include the election of directors, but not on non-routine matters.

Any Proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by (i) delivering to the principal office of the Company a written notice of revocation, (ii) filing with the Company a duly executed Proxy bearing a later date or (iii) attending the Meeting and voting in person.

The costs of this solicitation will be borne by the Company. The Company will request brokerage houses and other nominees, custodians and fiduciaries to forward soliciting material to beneficial owners of the Company's Common Stock. The Company will reimburse brokerage firms and other persons representing beneficial owners for their expenses in forwarding solicitation materials to beneficial owners.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The following table sets forth certain information regarding the beneficial ownership of the Company's Common Stock as of May 21, 2004: (i) by each of the executive officers included in the Summary Compensation Table set forth under the caption "Executive Compensation;" (ii) by each director; (iii) by all directors and executive officers of the Company as a group; and (iv) by each person known to the Company to be the beneficial owner of more than 5% of the outstanding shares of the Company's Common Stock.

CORPORATE GOVERNANCE AND BOARD MATTERS

Governance Principles; Code of Ethics

The Board of Directors is elected by the shareholders to oversee our business and affairs. Members of the Board monitor and evaluate our business performance through regular communication with our Chairman, our Chief Executive Officer and other members of management, and by attending Board and Board committee meetings. In addition, the Board advises management regarding a broad range of subjects including the Company's strategies and operating plans.

The Board believes in the value of effective corporate governance and adherence to high ethical standards. As such, in May 2004, the Board adopted Corporate Governance Guidelines and the Christopher & Banks Code of Business Conduct and Ethics, both of which may be viewed on our web site at www.christopherandbanks.com under "Our Business" select the "Investor Relations" link and then the "Corporate Governance" link.

Director Independence

With the adoption of our Corporate Governance Guidelines, the Board established independence standards in accordance with the requirements of the New York Stock Exchange ("NYSE") corporate governance rules. To be considered independent under the NYSE rules, the Board must affirmatively determine that a director or director nominee does not have a material relationship with the Company (directly, or as a partner, shareholder or officer of an organization that has a relationship with the Company).

Pursuant to the Corporate Governance Guidelines, the Board reviewed director independence. As a result of this review, the Board determined that five of the seven current directors (including the two directors being nominated for re-election at the annual meeting) are independent of the Company and its management under the standards set forth in the Corporate Governance Guidelines. The independent directors are Mr. Barenbaum, Mr. Beeler, Mr. Ezrilov, Mr. Fuld and Ms. Jones. Mr. Prange and Mr. Pennington are considered inside directors because of their continued employment as senior executives of the Company.

Lead Director

In January, 2004, the Board created a new position of lead director, whose primary responsibility is to preside over periodic executive sessions of the Board in which management directors and other members of management do not participate. Larry C. Barenbaum is serving in the position of lead director. During fiscal 2004, our Board met in executive sessions on two occasions.

Meeting Attendance

Each of our directors is expected to make a reasonable effort to attend all meetings of the Board, applicable committee meetings and our annual meeting of shareholders. Six of our directors attended the 2003 annual meeting. During the fiscal year ended February 28, 2004 the Board of Directors held five meetings. Each director attended at least 75% of the aggregate total number of meetings of the Board of Directors plus the total number of meetings of all committees of the Board on which he or she served.

Committees of the Board of Directors

The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these committees has a written charter which may be viewed on our Web site at www.christopherandbanks.com under "Our Business" select the "Investor Relations" link and then the "Corporate Governance" link. The charters include information regarding the committees' composition, purpose and responsibilities.

The Board has determined that all members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee qualify as independent directors as defined under the NYSE corporate governance rules.

The following table summarizes the membership of the Board and each of its Committees as well as the number of times each met during the year ended February 28, 2004.

Director	Board	Audit	Compensation	Corporate Governance and Nominating
Mr. Prange	Chair			
Mr. Pennington	Member			
Mr. Fuld	Member		Chair	Chair
Mr. Beeler	Member	Chair		Member
Mr. Barenbaum	Member	Member	Member	Member
Ms. Jones	Member		Member	Member
Mr. Ezrilov	Member	Member		Member
Number of Meetings in Fiscal 2004				
Regular	4	8	3	2
Special	1	0	0	0

Audit Committee

The Audit Committee oversees the accounting and financial reporting process, the internal control function and the audit of the financial statements of the Company. The Audit Committee is directly responsible for the selection of the independent accountants and reviews the scope and results of the annual audit and any accompanying reports of the independent accountants. The Audit Committee pre-approves all audit and non-audit services provided by the independent accountants. Mr. Ezrilov has been designated as Chairman effective July 28, 2004. All members are "financially literate" for purposes of the NYSE listing standards. Additionally, Mr. Ezrilov qualifies as a "financial expert" as defined in the recently issued SEC rules. Members serving on the Audit Committee do not currently serve on the audit committee of more than three other public companies.

Compensation Committee

The Compensation Committee evaluates the performance of the Chief Executive Officer, determines the compensation for executive officers of the Company and establishes the Company's compensation policies and practices. The Compensation Committee also approves stock option grants to employees of the Company, including officers who are not directors of the Company, pursuant to the Company's Stock Option Plan. Ms. Jones has been designated as Chairman effective July 28, 2004.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee identifies and presents qualified persons for election and re-election to the Board of Directors, establishes the Company's Corporate Governance Guidelines, and oversees an annual review of the Board's performance by its members. The Committee will consider qualified director nominees recommended by shareholders. The process for receiving and evaluating Board member nominations from shareholders is described below under the caption "Nominations".

Shareholder Communications with the Board

The Board of Directors has implemented a process by which our shareholders may send written communications to the Board's attention. Any shareholder desiring to communicate with our Board, our lead director or one or more of our other non-management directors, may send a letter addressed to the Christopher & Banks Board of Directors, c/o Christopher & Banks Corporation, 2400 Xenium Lane N., Plymouth, Minnesota 55441. The Board of Directors has instructed the Company to promptly forward all communications so received to the full Board or the individual board members specifically addressed in the communication. Comments or questions regarding the Company's accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to members of the Nominating and Corporate Governance Committee.

Director Nominations

The Nominating and Corporate Governance Committee is the standing committee responsible for identifying and recommending nominees for election to the Board of Directors. All director nominees approved by the Board are required to stand for election by our shareholders at the next annual meeting.

The Nominating and Corporate Governance Committee does not currently utilize the services of any third party search firm to assist in the identification or evaluation of Board member candidates. However, the Committee may choose to engage a third party to provide such services in the future if it deems it necessary or appropriate at the time.

The Nominating and Corporate Governance Committee determines the required selection criteria and qualifications of director nominees based upon the needs of the Company at the time nominees are considered. A candidate must exhibit strong personal integrity, character, ethics, and judgment. When evaluating prospective candidates, the Committee will consider, in accordance with its charter, such factors as:

The candidate's business skills and experience

The candidate's satisfaction of independence and qualification requirements of the NYSE

Principles of diversity

The mix of directors and their individual skills and experiences

Core competencies that should be represented on the Board

When current Board members are considered for nomination for re-election, the Nominating and Corporate Governance Committee shall assess the contributions of those directors, their performance and their attendance at Board and respective Committee meetings.

The Nominating and Corporate Governance Committee will consider qualified candidates for possible nomination that are submitted by shareholders. Any shareholder wishing to propose a nominee should submit a recommendation in writing to the Company's Secretary, indicating the nominee's qualifications and other relevant biographical information and providing confirmation of the nominee's consent to serve as a director. Such proposals for nominees will be given due consideration by the Corporate Governance and Nominating Committee for recommendations to the Board based on the nominee's qualifications.

Edgar Filing: CHRISTOPHER & BANKS CORP - Form DEF 14A

No candidates for director nominations were submitted to the Nominating and Corporate Governance Committee by any shareholder in connection with the 2004 annual meeting. Any shareholders wishing to present a nomination for consideration by the Nominating and Corporate Governance Committee prior to the 2005 annual meeting must do so prior to January 31, 2005 in order to provide adequate time to duly consider the nominee.

Compensation of Directors

Compensation of the Company's directors is reviewed and determined by the Compensation Committee on an annual basis, with consideration given to industry comparisons of directors' compensation. A portion of director compensation is linked to the Company's stock performance in the form of annual stock option grants. Employee directors do not receive compensation for their services as directors.

In the first and second quarter of fiscal 2004, the Company compensated directors who are not employed by the Company \$6,250 per quarter plus expenses. Committee chairpersons received \$1,000 per quarter. Directors who served on more than two committees received an additional \$500 per quarter.

In the third and fourth quarters of fiscal 2004, the Company compensated directors \$6,250 per quarter plus expenses. Committee members received \$250 per quarter for each committee on which they served. Committee chairpersons received \$1,000 per quarter.

On July 30, 2003, the Company granted each director an option to purchase 18,000 shares of Common Stock at an exercise price of \$25.70 per share under the 2002 Non-Employee Director Stock Option Plan.

The Company's Bylaws provide that the Company will indemnify its directors and officers to the fullest extent permitted by the Delaware General Corporation Law. Pursuant to these Bylaw provisions, the Company has entered into indemnity contracts with its directors and certain of its officers.

2002 Non-Employee Director Stock Option Plan

On April 11, 2002, the Board of Directors of the Company adopted the 2002 Non-Employee Director Stock Option Plan (the "2002 Director Plan").

The 2002 Director Plan provides for the granting of options ("Director Options") to purchase Common Stock to each member of the Board of Directors who is not an employee of the Company (each, a "Non-Employee Director"). The amount, timing and other material terms of the Director Options are fixed under the 2002 Director Plan. Each Non-Employee Director who is serving on the Board of Directors as of the date immediately following each annual meeting of shareholders will receive a Director Option to purchase 18,000 shares of Common Stock. The aggregate number of shares of the Company's Common Stock authorized to be issued under the 2002 Director Plan is 315,000, subject to adjustment in the event of a change in capitalization of the Company. The exercise price of each Director Option will be equal to the fair market value of the underlying shares as of the grant date of such Director Option. The ordinary term of each Director Option is five years, but a Director Option may terminate sooner if the Non-Employee Director ceases to serve on the Board.

The 2002 Director Plan provides that if there is any change in the outstanding shares of Common Stock by reason of any stock split, stock dividend, recapitalization, reorganization or combination of shares or other similar event, then appropriate adjustments shall be made to the number of and/or class of securities for which automatic grants of Director Options are to be subsequently made to each newly-elected or continuing non-employee director, as well to the purchase price per share relating thereto; provided, however, in no event shall an annual grant of a Director Option exceed 22,000 shares of Common Stock. The 2002 Director Plan is administered by the Board of Directors. Unless previously terminated by or with the approval of the Board of Directors, the 2002 Director Plan will terminate on April 10, 2012.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 as amended (the "Securities Act") requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership on Form 3 and changes in ownership on Forms 4 or 5 with the Securities and Exchange Commission (the "Commission") and the New York Stock Exchange. Such officers, directors and ten percent shareholders are also required by the Commission's rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or representation from certain reporting persons that no Form 5's were required for such persons, the Company believes that during the fiscal year ended February 28, 2004 all Section 16(a) filing requirements applicable to its executive officers, directors and ten percent shareholders were complied with, except for Messrs. Barenbaum, Beeler, Fuld and Ezrilov and Ms. Jones who filed a late Form 4 on one occasion in connection with the grant of stock options, and Mr. Barenbaum who filed a late Form 4 on four occasions for stock trades.

**PROPOSAL ONE
ELECTION OF CLASS 1 DIRECTORS**

General

The Company's Certificate of Incorporation provides that the Board of Directors be divided into three classes of directors of as nearly equal size as possible. The Company's Bylaws further provide that the total number of directors will be determined exclusively by the Board of Directors. Directors are elected for a term of three years and the terms are staggered. Anne L. Jones and Robert Ezrilov are the directors in the class whose term expires at the Meeting. The Board of Directors have nominated and recommended that Ms. Jones and Mr. Ezrilov be reelected as Class 1 directors, to hold office until the 2007 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified. Each of the proposed nominees for election as directors has agreed to serve if elected.

There is no family relationship among the nominees or between any nominee and any of the Company's other directors.

Voting Information

Proxies solicited by the Board of Directors will, unless otherwise directed, be voted to elect Ms. Jones and Mr. Ezrilov. The affirmative vote of the majority of shares of Common Stock present and entitled to vote at the Meeting is necessary to elect each nominee. A shareholder submitting a Proxy may vote for all or any of the nominees for election to the Board of Directors or may withhold his or her vote from all or any of such nominees. **IF A SUBMITTED PROXY IS PROPERLY SIGNED BUT UNMARKED IN RESPECT OF THE ELECTION OF DIRECTORS, IT IS INTENDED THAT THE PROXY AGENTS NAMED IN THE PROXY WILL VOTE THE SHARES REPRESENTED THEREBY FOR THE ELECTION OF ALL OF THE NOMINEES.** All of the nominees have agreed to serve the Company as a director if elected. However, should any nominee become unwilling or unable to serve if elected, the Proxy Agents named in the Proxy will exercise their voting power in favor of such other person as the Board of Directors of the Company may recommend. The Company's Certificate of Incorporation prohibits cumulative voting and requires that each director be elected by a majority of the voting power of the shares represented and voted at the Meeting.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Decisions and recommendations regarding the compensation of the Company's executives are made by a three member Compensation Committee (the "Committee") composed entirely of "independent" directors as defined in the corporate governance listing standards of the NYSE. The Committee has responsibility to review, establish and change compensation programs for the Company's officers to most accurately reflect the current needs of the Company and best measure and reward the performances of its executives. The following is a report of the Compensation Committee of the Company describing the compensation policies and rationale applicable to the Company's executive officers with respect to the compensation paid to such executive officers for the year ended February 28, 2004.

To the Board of Directors:

Compensation Philosophy

The Company's executive compensation programs are designed to attract and retain highly qualified executives and to motivate them to maximize shareholder value by achieving strategic Company goals. The Committee attempts to balance short and long-term considerations in appropriately rewarding individuals who are responsible for the Company's profitability, growth and enhancement of shareholder value. Compensation for executive officers consists of: (i) base salary, (ii) an annual cash incentive award, and (iii) a long-term incentive, through a stock option plan. The Committee strongly believes that management's compensation should be structured to emphasize the relationship between pay and performance by placing a meaningful portion of compensation at risk and subject to the achievement of financial goals and objectives. Additionally, such qualitative factors as leadership skills, planning initiatives, technical skills, and employee development have been deemed to be important factors to take into account in considering levels of compensation.

Components of Compensation

Base Salary Compensation levels for each of the Company's executive officers, including the Chief Executive Officer, are generally set within the range of salaries that the Committee believes are paid to executive officers with comparable qualifications, experience and responsibilities at similar companies. In setting compensation levels, the Committee takes into account such factors as (i) the Company's past financial performance and future expectations, (ii) individual performance and experience, (iii) competitive pressures to retain key employees and (iv) past salary levels. The Committee does not assign relative weights or rankings to these factors, but instead makes a determination based upon the consideration of all of these factors as well as the progress made with respect to the Company's long-term goals and strategies. Generally, salary decisions for the Company's executive officers are adjusted as specified in employment agreements or are made near the beginning of each fiscal year.

Cash Incentive Awards To encourage performance and to provide a direct link with executive compensation, the Company pays annual cash bonuses in accordance with the Company's bonus plans. Under the bonus plans, senior executive bonuses are primarily based on the Company's performance as measured against an increase in the Company's pre-tax, pre-bonus earnings. Annual pre-tax, pre-bonus earnings targets are set by the Committee based on the Company's pre-tax, pre-bonus earnings budget and prior year earnings.

Long-Term Incentive Compensation The Committee believes that granting stock options to executive officers and key employees provides an incentive for them to make decisions which are in the long-term best interest of the Company. In determining stock option grants, the Committee considers the executive's current option program; his or her contribution to the Company's performance and anticipated future contributions toward meeting the Company's long-term strategic goals; and competitive industry practice.

Chief Executive Officer's Fiscal 2004 Compensation

A majority of the total potential compensation for William J. Prange, the Company's Chief Executive Officer, is in the form of an annual incentive bonus and stock option awards that varies in value according to the Company's financial performance. Mr. Prange's fiscal 2004 incentive bonus and stock option award compensation were earned under the same plans made available to other executive officers of the Company.

Salary. Mr. Prange's fiscal 2004 base salary was established by the terms of his employment agreement, which was entered into with the Company on March 1, 2000 and amended and restated on March 1, 2002 and provided for an annual base salary of \$800,000 in fiscal 2004. Mr. Prange's fiscal 2004 annual base salary represented an increase of 14.3% over his fiscal 2003 base salary of \$700,000.

Bonus. The annual incentive bonus portion of Mr. Prange's compensation is awarded under the 2001 Senior Executive Incentive Plan which is based on a formula which compares actual pre-tax, pre-bonus earnings to the Company's pre-tax, pre-bonus target earnings as determined on an annual basis by the Compensation Committee. For fiscal 2004, Mr. Prange did not receive a bonus.

Stock Awards. Mr. Prange was awarded a stock option grant on January 6, 2004 to purchase 375,000 shares of the Company's Common Stock. With respect to the stock option grant, the Committee, in determining the size of the award, took into account market data from companies similar to the Company, the number of options previously awarded to Mr. Prange and the timing of previous awards.

Compliance with Section 162(m) of the Internal Revenue Code of 1986

The Omnibus Budget Reconciliation Act of 1993 added Section 162(m) to the Internal Revenue Code of 1986, as amended. Section 162(m) limits deductions for certain executive compensation in excess of \$1,000,000 in any given year. Certain types of compensation are deductible only if performance criteria are specified in detail and payments are contingent on shareholder approval of the compensation arrangement. The Company believes that it is in the best interests of its shareholders to structure compensation arrangements to achieve deductibility under Section 162(m), except where the benefit of such deductibility is outweighed by the need for flexibility or the attainment of other corporate objectives. The Committee will continue to monitor issues concerning the deductibility of executive compensation and will take appropriate action if and when it is warranted. Since corporate objectives may not always be consistent with the requirements for full deductibility, the Committee is prepared, if it deems appropriate, to enter into compensation arrangements under which payments may not be deductible under Section 162(m). Thus, deductibility will not be the sole factor used by the Committee in ascertaining appropriate levels or modes of compensation.

Employment and Other Agreements

On March 1, 2002, the Company amended and restated its employment agreements with Messrs. Prange, Pennington and Neal. These employment agreements extend the terms of employment for Mr. Prange to March 1, 2007 and for Messrs. Pennington and Neal to March 1, 2006. Under these employment agreements, the base salaries for Messrs. Prange, Pennington and Neal for fiscal 2005 are \$900,000, \$520,000 and \$485,000, respectively.

Mr. Moller is employed under a three-year employment agreement which commenced on March 1, 2004 and provides for a base salary of \$290,000 for fiscal 2005. Mr. Moller was previously employed under a three-year employment agreement that expired March 1, 2004.

The foregoing employment agreements provide that each executive is entitled to certain severance benefits in the event that their employment is terminated by the Company "without cause" or by such executive following a "change of control" (both as defined in the employment agreements). With respect to Messrs. Prange, Pennington, Neal and Moller, the executive would receive his salary for the longer of (i) the remaining term of the employment agreement or (ii) one year from notice of termination, less any cash compensation earned by the executive by other reemployment during the period. Each of the employment agreements contains a covenant not to compete with the Company for (i) the period during which they receive severance benefits in the event of their termination by the Company "without cause" or at their election upon a "change of control," and (ii) a period of one year in the event of their termination for any other reason. The employment agreements also provide for the immediate vesting of unvested stock options in the event of a change of control.

Bonus Plans

Under the Company's Senior Executive Incentive Plan and Management Bonus Plan (the "Bonus Plans") certain key management employees of the Company, including all executive officers, are eligible to receive annual bonuses. Bonuses are based on a formula which compares actual pre-tax, pre-bonus earnings to the Company's targeted pre-tax, pre-bonus earnings as determined on an annual basis by the Compensation Committee. In the event that actual pre-tax, pre-bonus earnings are less than or equal to the hurdle rate set by the Compensation Committee at the end of each fiscal year, no bonuses are paid by the Company. In fiscal 2004, Mr. Prange, Mr. Pennington, Mr. Neal, Mr. Moller, and Ms. Gangstee did not earn a bonus.

Section 401(k) Plan

The Company has established the Christopher & Banks Corporation Retirement Savings Plan, a voluntary tax deferred retirement plan qualified under Section 401(k) of the Internal Revenue Code of 1986, as amended (the "401(k) Plan"). Pursuant to the 401(k) Plan, eligible employees (employed at the Company for more than one year) may elect to contribute up to 25% of their compensation, subject to limitations under the Internal Revenue Code, to the 401(k) Plan. The Company makes matching quarterly contributions of 50% of the first 3% of the participant's pre-tax contributions and 25% of the next 3% of the participant's pre-tax contributions. Matching contributions vest at a rate of 25% per year. Neither employee nor Company contributions to the 401(k) Plan are taxable to the employee until such amounts are distributed to the employee, and Company contributions are tax deductible by the Company at the time of contribution. On January 1, 2004, the 401(k) Plan changed its plan year to the calendar year. The Company made a contribution for the ten-month period ended December 31, 2003 in the amount of \$360,193, including \$4,000 on behalf of Mr. Prange, Mr. Pennington, and Mr. Moller and \$3,546 on behalf of Ms. Gangstee.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company consists of three non-employee directors who are "independent" as defined in the corporate governance listing standards of the NYSE. The Audit Committee operates under a written charter, which was recently amended by the Board in May 2004. The amended Audit Committee charter is attached

to this Proxy Statement as *Appendix A* and is posted on the Company's Web site at www.christopherandbanks.com under "Our Business" select the "Investor Relations" link and then the "Corporate Governance" link. As more fully described in its charter, the Audit Committee appoints and retains the independent auditors and oversee the quality and integrity of the Company's financial statements, the independent auditors' qualifications and independence, and the performance of the Company's internal audit function, the independent auditors and financial reporting processes on behalf of the Board. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon.

In this context, the Committee has met and held discussions with management and PricewaterhouseCoopers LLP, the Company's independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Company's independent accountants also provided to the Committee the written disclosures required by Independence Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed the independence of PricewaterhouseCoopers with representatives of that firm. The Audit Committee also considered whether the provision of any nonaudit services was compatible with maintaining the independence of PricewaterhouseCoopers LLP as the Company's independent auditors.

Based upon the Committee's discussion with management and the independent accountants and the Committee's review of the representations of management and the report of the independent accountants, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended February 28, 2004 filed with the Securities and Exchange Commission.
