PROXY STATEMENT
Annual Meeting of Shareholders May 1, 2006

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Tootsie Roll Industries, Inc. of the accompanying proxy for the Annual Meeting of Shareholders of the Company to be held on Monday, May 1, 2006, and at any adjournments thereof. The purpose of the meeting is for the shareholders of the Company to: (1) elect five directors to terms of office expiring at the 2007 Annual Meeting of Shareholders; (2) consider and vote upon a proposal to approve the Tootsie Roll Industries, Inc. Management Incentive Plan; (3) consider and act upon a proposal to ratify the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm for the Company for the fiscal year ending December 31, 2006; and (4) transact such other business as may properly come before the meeting and any adjournments thereof.

Proxies in the accompanying form, properly executed and received by the Company prior to the meeting and not revoked, will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees, for the proposal to approve the Tootsie Roll Industries, Inc. Management Incentive Plan and for ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. The Board of Directors does not know of any other matters to be brought before the meeting; however, if other matters should properly come before the meeting it is intended that the persons named in the accompanying proxy will vote thereon at their discretion. Any shareholder may revoke his or her proxy by giving written notice of revocation to the Assistant Secretary of the Company at any time before it is voted, by executing a later-dated proxy which is voted at the meeting or by attending the meeting and voting his or her shares in person.

The Board of Directors has fixed the close of business on March 10, 2006 as the record date for the determination of shareholders of the Company entitled to receive notice of and to vote at the Annual Meeting of Shareholders to be held on May 1, 2006, and at any adjournments thereof. As of the close of business on March 10, 2006, there were outstanding and entitled to vote 35,050,241 shares of Common Stock and 17,989,290 shares of Class B Common Stock. Each share of Common Stock is entitled to one vote and each share of Class B Common Stock is entitled to ten votes, and therefore the Common Stock will be entitled to a total of 35,050,241 votes and the Class B Common Stock will be entitled to a total of 179,892,900 votes. The Common Stock and the Class B Common Stock will vote together as a single class with respect to the election of directors, the approval of the Tootsie Roll Industries, Inc. Management Incentive Plan and all other matters submitted to the Company's shareholders at the meeting. This Proxy Statement and the enclosed form of proxy are being mailed to shareholders of the Company on or about March 24, 2006.

The entire cost of soliciting proxies in the accompanying form will be borne by the Company. Proxies will be solicited by mail, and may be solicited personally by directors, officers or regular employees of the Company who will not receive special compensation for such services. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of shares of the Company's Common Stock and Class B Common Stock.

VOTING INFORMATION

A shareholder may, with respect to the election of directors (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the shareholder withholds authority to vote by so indicating in the appropriate space on the proxy. A shareholder may, with respect to each other proposal to be considered and voted upon at the meeting (i) vote "FOR" the proposal, (ii) vote "AGAINST" the proposal or (iii) "ABSTAIN" from voting on the proposal. Proxies properly executed and received by the Company prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees, for the proposal to approve the Tootsie Roll Industries, Inc. Management Incentive Plan and for ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. If a proxy indicates that all or a portion of the votes represented by such proxy are not being voted with respect to a particular matter, such non-votes will not be counted in connection with the vote on such matter, although such votes may be counted in connection with the vote on other matters and will count for purposes of determining the presence of a quorum.

The affirmative vote of a plurality of the votes present in person or by proxy at the meeting and entitled to vote in the election of directors is required to elect directors. Thus, assuming a quorum is present, the five persons receiving the greatest number of votes will be elected to serve as directors. Withholding authority to vote for a director(s) and non-votes with respect to the election of directors will not affect the outcome of the election of directors. If a quorum is present at the meeting, in order to approve the Tootsie Roll Industries, Inc. Management Incentive Plan and to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm, the number of votes cast favoring the action must exceed the number of votes cast opposing the action. Accordingly, non-votes and abstentions with respect to such matter will not affect the determination of whether such matter is approved.

PROPOSAL 1

ELECTION OF DIRECTORS

It is the intention of the persons named in the accompanying proxy to vote for the election of each of the five persons named in the table below as a director of the Company to serve until the 2007 Annual Meeting of Shareholders and until his or her successor is duly elected and qualified. All of such nominees are now directors of the Company, having been previously elected as directors by the shareholders of the Company or appointed by the Board of Directors. In the event any of the nominees, all of whom have expressed an intention to serve if elected, fail to stand for election, the persons named in the proxy presently intend to vote for a substitute nominee designated by the Board of Directors. The information concerning the nominees and their shareholdings has been furnished by them to the Company.

The following table sets forth information with respect to the five nominees for election as directors:

- (1) Member of the Executive Committee. When the Board of Directors is not in session, the Executive Committee has the powers of the Board in the management of the business and affairs of the Company, other than certain actions which under the laws of the Commonwealth of Virginia must be approved by the Board of Directors.
- (2) Melvin J. Gordon and Ellen R. Gordon are husband and wife.
- (3) Member of the Audit Committee.
- (4) Member of the Compensation Committee.

Director Independence and Corporate Governance. The Company has determined that non-management directors are independent under the New York Stock Exchange ("NYSE") listing standards because they have no relationship to the Company other than through their service on the Board of Directors. Shareholders and other interested parties who wish to communicate with the non-management members of the Board of Directors may do so by writing to Tootsie Roll Industries, Inc., 7401 South Cicero Avenue, Chicago, Illinois 60629, Attention: Audit Committee Chairman, c/o Corporate Secretary. The Company's Corporate Governance Guidelines, which are posted on the Company's website at www.tootsie.com and are available in print to any shareholder who requests a copy, provide that the Chair of the Audit Committee shall preside over executive sessions of the non-management directors. The

Company has also adopted a Code of Business Conduct and Ethics, which applies to all of the Company's directors and employees, and which meets the SEC's criteria for a "code of ethics." The Code of Business Conduct and Ethics is posted on the Company's website and is available in print to any shareholder who requests a copy.

Audit Committee. The Audit Committee operates under a written charter approved by the full Board, a copy of which is posted on the Company's website and is available in print to any shareholder who requests a copy. The Audit Committee held seven meetings during 2005. The Audit Committee is composed of three directors who qualify as "independent" under the NYSE listing standards. The Board of Directors has determined that no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by rules of the Securities and Exchange Commission ("SEC") and the Company does not believe that given the capabilities of the members of the Audit Committee it has been necessary to have or recruit a member who would qualify as an audit committee financial expert as defined by the SEC.

Compensation Committee. The Compensation Committee's function is limited to the administration of the Tootsie Roll Industries, Inc. 2001 Bonus Incentive Plan and in this capacity makes awards under such plan. The Compensation Committee will administer the Management Incentive Plan, which will succeed the 2001 Bonus Incentive Plan if it is approved by shareholders at the 2006 Annual Meeting. The Compensation Committee held one meeting during 2005. The Compensation Committee is composed of three directors who qualify as "independent" under the NYSE listing standards. As a "controlled company" under the NYSE listing standards (see "Controlled Company Status" below), the Company chooses to avail itself of an exemption afforded under the NYSE listing rules with regard to a compensation committee. Accordingly, the Compensation Committee does not maintain a written charter and does not have responsibility for making all compensation decisions with regard to the Chief Executive Officer or making recommendations regarding the other executive officers to the Board. Instead, except for the limited function of the Compensation Committee noted above, the entire Board of Directors is responsible for determining the compensation structure and amounts for the executive officers of the Company, including the Chief Executive Officer, except that Mr. and Mrs. Gordon recuse themselves from votes regarding their own compensation, or in circumstances where their participation, as an executive officer of the Company, would affect compliance with the securities law or Section 162(m) of the Code.

Director Nominations. The Company does not have a nominating or corporate governance committee. As a "controlled company" under NYSE listing standards, the Company chooses to avail itself of the exemption afforded to have the entire Board of Directors discuss and determine the Company's nominees for election to the Board and oversee the Company's corporate governance. The Company does not believe that given the current size and composition of its Board that it needs to have a separately-designated nominating committee to perform this function. The Board will consider director candidates recommended by shareholders, but the Board does not otherwise have a policy with regard to the consideration of director candidates recommended by shareholders, nor has it established any specific minimum qualifications that it believes must be met by a nominee for director, whether recommended by it or by a shareholder, or any specific qualities or skills that it believes are necessary for one or more of its directors to possess, as it believes that it can adequately consider the suitability and qualifications of any such candidates on a case by case basis. The Board does not currently have a policy for identifying or evaluating nominees for director, including nominees recommended by shareholders. If a candidate for nomination is recommended by a shareholder the Board would evaluate that candidate in the same manner as all other candidates to be nominees for director. Any shareholder wishing to submit such a recommendation should do so in writing addressed to Tootsie Roll Industries, Inc., 7401 South Cicero Avenue, Chicago, Illinois 60629, Attention: Ellen R. Gordon, President. See "Shareholder Proposals For 2007 Annual Meeting" below in this proxy statement for information regarding procedures that must be followed by shareholders in order to nominate directors at the 2007 annual meeting.

Controlled Company Status. The Company is a "controlled company" under the NYSE listing standards since the Gordon family collectively holds more 50% of the total voting power of the outstanding capital stock of the Company as of the Record Date.

Board Meetings and Compensation. The Board of Directors held four meetings during 2005. Mr. and Mrs. Gordon do not receive fees for their service on the Board of Directors or committees. Non-management directors receive an annual fee of \$43,000, \$1,250 per meeting attended, a \$5,000 annual retainer for serving on the Audit Committee and \$1,250 for attending each meeting of the Compensation Committee. The Chairman of the Audit Committee receives an additional annual fee of \$5,500. During 2005, all of the directors attended at least 75 percent of the meetings of the Board of Directors and the Committees of which they were members. Mr. and Mrs. Gordon attended the Company's 2005 Annual Meeting of Shareholders.

The Board of Directors recommends a vote FOR the election of all named director nominees.

Such persons are also required to furnish the Company with copies of all such reports.

Based solely on its review of the copies of such reports received by the Company, and written representations from certain reporting persons, the Company is pleased to note that its directors, executive officers and greater than ten percent shareholders filed all required reports during or with respect to fiscal year 2005 on a timely basis, except for Barre Seibert who filed a Form 4 with respect to 500 shares nine days late.

(1) "All Other Compensation" includes (i) contributions to the Company's pension, profit-sharing and excess benefit plans, (ii) annual awards to the Company's Career Achievement Plan ("CAP") in the form of deferred compensation with vesting and forfeiture provisions and (iii) benefits under the Company's split-dollar life insurance plan (see note 3 below).

(2) For 2005, (i) contributions to the Company's pension, profit-sharing and excess benefit plans, (ii) CAP awards and (iii) split-dollar life insurance benefits were, respectively, as follows: \$240,786, \$0 and \$914,000 for Mr. Gordon; \$229,194, \$0 and \$914,000 for Mrs. Gordon; \$171,234, \$208,000 and \$3,848 for John W.

Edgar Filing: TOOTSIE ROLL INDUSTRIES INC - Form DEF 14A

Newlin, Jr.; \$166,166, \$201,000 and \$1,274 for Thomas E. Corr; and \$121,554, \$150,000 and \$987 for G. Howard Ember, Jr.

- (3) In 1993, the Board of Directors approved a split-dollar life insurance program for Mr. Gordon and Mrs. Gordon that replaced benefits that were already earned under the Company's CAP and a previous split-dollar insurance program pursuant to which Mr. and Mrs. Gordon received awards during the years 1982 through 1992. In 1993, 1996 and 1997, the Board of Directors approved additional split-dollar life insurance arrangements for Mr. and Mrs. Gordon, a portion of which replaced benefits previously earned under deferred compensation and excess benefit plans. The Company is entitled to fully recover all premiums paid by it for the split-dollar life insurance upon termination of the respective arrangement or sooner upon death of the insured or otherwise under the terms of the arrangements.
- (4) Mr. and Mrs. Gordon use both commercial and Company aircraft to travel between corporate headquarters and other locations where they also maintain both executive offices and personal housing. Although the Company's Board of Directors has approved the use of commercial and Company aircraft and an apartment by Mr. and Mrs. Gordon associated with travel between these locations because it has determined that such expenditures benefit the Company, such benefits could be considered perquisites to Mr. and Mrs. Gordon under a recently issued SEC interpretation. Accordingly, the amounts in this column include the aggregate incremental costs to the Company of (i) approximately \$311,800 for each of Mr. Gordon and Mrs. Gordon during 2005, \$310,900 for each during 2004, and \$256,600 for each during 2003 for commercial and Company aircraft associated with the travel by Mr. and Mrs. Gordon between locations, exclusive of other business travel made by on behalf of the Company, and (ii) \$59,700 in 2005, \$59,100 in 2004, and \$52,400 in 2003 for each of Mr. and Mrs. Gordon for use of the apartment.

Change in Control Agreements

The Company has entered into severance agreements (the "Agreements") with five executive officers, excluding Mr. and Mrs. Gordon but including the other executive officers named in the Summary Compensation Table. The Agreements generally provide that in the event the executive's employment is terminated by the Company without "cause" or by the executive for "good reason" within two years after a "change in control" (as such terms are defined in the Agreements), the executive will receive a pro-rated bonus for the year of termination plus three times his annual base salary and three times the higher of his incentive bonus for the last fiscal year or his average incentive bonus over the prior three fiscal years. The executive would also be eligible for three years of coverage under the Company's health, life and disability benefit plans and for a "gross-up" payment as reimbursement of any federal excise (but not income) taxes payable. The executive would also become vested in, and be paid, any unvested accrued benefits under the Company's Pension, Profit Sharing and Excess Benefit Plans and the maximum award under the CAP Plan. In the event of such a termination, each executive has agreed to a noncompetition and nonsolicitation covenant applicable for one year following the termination of his employment. The Board of Directors believes that the foregoing arrangements are frequently part of executive compensation practices at major public corporations. Mr. and Mrs. Gordon have advised the Board of Directors that the Gordon family intends to maintain voting control of the Company and, therefore, the Board of Directors believes that it is unlikely that the Agreements would be utilized.

Report on Executive Compensation

During 2005, the entire Board of Directors was responsible for determining the compensation structure and amounts for the executive officers of the Company, except that Mr. and Mrs. Gordon recuse themselves from votes regarding their own compensation, or in circumstances where their participation, as an executive officer of the Company, would affect compliance with the securities law or Section 162(m) of the Code. The Compensation Committee of the Board of Directors (the "Compensation Committee") was responsible for administering and determining the bonus amounts under the Tootsie Roll Industries, Inc. 2001 Bonus Incentive Plan. This report describes the policies and rationale for the Board and the Compensation Committee in establishing the principal components of compensation for the executive officers during 2005.

Executive Compensation Policy

The Company's compensation program is designed to encourage and reward both individual effort and teamwork leading to improvement in the Company's financial performance and attainment of the Company's principal long-term objective of profitably building the Company's well-known brands.

The Company's executive officer compensation program is balanced between short-term and long-term compensation and incentives. The Board of Directors believes that too much emphasis on incentive compensation can lead to behaviors that are not necessarily in the long-term best interests of shareholders. Therefore, the compensation program has been designed intentionally to avoid a mix of pay elements that places too much weight on the role of incentive pay. As a result, the Company's compensation program carries a heavier weighting on salary than is typical in the competitive marketplace. However, when comparing the Company's executive compensation program as a whole to that of its direct competitors for executive talent, the primary focus should be on total compensation. The Board of Directors believes that this program will lead to increased shareholder value on a long-term basis.

The program is comprised of base salary, annual cash incentive bonuses, annual awards under the Company's Career Achievement Plan ("CAP"), continued split-dollar life insurance coverage, and pension, profit-sharing and excess benefit plans generally available to employees of the Company.

Base Salary

The Board of Directors annually reviews each executive officer's salary. The Board considers the following with respect to the determination of an individual executive officer's base salary:

Performance and contribution to the Company, including length of service in the position;

Comparative compensation levels of other companies, including periodic compensation studies performed by independent compensation and benefit consultants;

Overall competitive environment for executives and the level of compensation considered necessary to attract and retain executive talent;

Historical compensation and performance levels for the Company; and

A desire to adhere to Internal Revenue Code Section 162(m) regulations on deductible compensation, thus maximizing the Company's ability to receive federal income tax deductions.

Companies used in comparative analyses for the purpose of determining each executive officer's salary are selected periodically with the assistance of professional compensation consultants. Selection of such companies is based on a variety of factors, including market capitalization, revenue size and industry classification. The companies used in these comparative analyses include some of the companies in the Peer Group used in the Performance Graph, as well as other companies. The Board of Directors believes that the Company's primary competitors for executive talent are companies with a similar market

capitalization and, accordingly, relies on a broad array of companies in various industries for comparative analyses.

Annual Incentives and Other Awards

Effective January 1, 1997, the Compensation Committee established the Tootsie Roll Industries, Inc. Bonus Incentive Plan. In 2001, the shareholders approved the 2001 Bonus Incentive Plan to replace the previous Bonus Incentive Plan for 2001 and future years. The 2001 Bonus Incentive Plan was adopted to comply with tax deduction rules applicable to performance based compensation under Section 162(m). Under the Plan, certain key employees (including employees who are also directors) designated by the Compensation Committee may receive annual incentive compensation determined by pre-established objective performance goals. This year, all executive officers named in the summary compensation table included in this proxy statement were eligible for the 2001 Bonus Incentive Plan. Performance goals were based on certain measures, objectives and financial criteria discussed below.

The Company provides executive officers, in its sole discretion, annual incentive awards, CAP awards (except for Mr. and Mrs. Gordon) and split-dollar life insurance in order to recognize and reward their contribution to the Company's overall performance in terms of both financial results and attainment of individual and Company goals.

The annual cash incentive bonus is designed to reward executives, as well as other management personnel, for their contributions to the Company's financial performance during the recently completed year.

The annual CAP award and split-dollar life insurance programs are principally designed to provide an incentive to executive officers to achieve both short-term and long-term financial and other goals, including strategic objectives. These programs are also designed to provide an incentive for the executive to remain with the Company on a long-term basis. These awards are determined by the Board of Directors based on the performance of the Company and the executive's contribution to the growth and success of the Company.

The Board of Directors considers both achievement of strategic objectives and financial performance measures in determining compensation levels. The following measures of Company performance were considered in the determination of 2005 bonuses and awards:

Consolidated pre-tax income;

Return on average assets, and

Return on average equity;

In exercising its discretion whether to reduce payments under the formula, the Board of Directors considered the following measures:

Earnings per share;

Increase in sales of core brands and total sales;

Net earnings as a percentage of sales;

Performance in accomplishing successful acquisitions;

Compliance with the requirements of the Sarbanes-Oxley Act including the assessment of internal controls, and

Other strategic objectives that may be determined from time to time.

Edgar Filing: TOOTSIE ROLL INDUSTRIES INC - Form DEF 14A

The awards for 2005 recognize the Company's achievement of the Company's highest year of profitability as measured by earnings per share, highest level of sales, and the high level of achievement on other measures of financial performance in 2005.

Rationale of CEO Compensation

The Board of Directors established the compensation of Melvin J. Gordon, Chairman of the Board of Directors and Chief Executive Officer, using the same criteria that were used to determine the other executive officers' compensation as discussed above. In addition, the Board considered Mr. Gordon's leadership of the Company in achieving the Company's strategic and long-term objectives. Mr. Gordon did not receive any salary increase during 2005. Instead, the Compensation Committee increased the amount of pay at risk through his bonus opportunity. A substantial portion of Mr. Gordon's compensation is at risk. As discussed above, the Compensation Committee determined pre-established objective performance goals to determine Mr. Gordon's bonus. It is the Board's opinion that Mr. Gordon's compensation package was based on an appropriate assessment of the Company's performance, his individual performance and competitive standards.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits the tax deductibility of compensation paid to certain executives, unless certain exemptions apply. One of the exemptions is performance-based compensation. The 2001 Bonus Incentive Plan, which was approved by the stockholders, is designed to qualify for this exemption. The Compensation Committee's policy is to preserve corporate tax deductions attributable to the compensation of executives while maintaining flexibility to approve, when appropriate, compensation arrangements that it deems to be in the best interest of the Company and its shareholders, but which may not always qualify for full tax deductibility.

In order to allow cash bonus payments to continue to be fully deductible as performance based compensation under Section 162(m), the Company is seeking stockholder approval of the Tootsie Roll Industries, Inc. Management Incentive Plan (which has been authorized by the Company's Board of Directors, subject to such stockholder approval) at the Company's Annual Meeting to be held on May 1, 2006, as described in more detail under Proposal No. 2 to this proxy statement.

The foregoing report has been approved by the entire Board of Directors, the members of which are:

Compensation Committee Interlocks and Insider Participation

As indicated above under "Report on Executive Compensation," during 2005 the Board of Directors of the Company was responsible for determining the compensation of the executive officers of the Company. Mr. Gordon is the Chairman of the Board and Chief Executive Officer of the Company and Mrs. Gordon is President and Chief Operating Officer of the Company.

Certain Relationships And Related Transactions

The Company directs the majority of its charitable giving through a foundation in which Mr. and Mrs. Gordon are the sole directors. The foundation supports a number of medical research, educational and other charitable organizations principally located in cities where the Company has operations, as well as a matching gifts program for employees of the Company. The Company believes, due to the well-known and long-standing affiliation of Mr. and Mrs. Gordon with the Company, that any private or public recognition of them, which donee institutions sometimes give, provides a benefit to the Company. In 2005 the Board of Directors approved a donation of \$900,000 to the foundation, which is generally consistent with amounts given in prior years.

Performance Graph

The following performance graphs compare the Company's cumulative total shareholder return on the Company's Common Stock for a ten-year period (December 31, 1995 to December 31, 2005) and a five-year period (December 31, 2000 to December 31, 2005) with the cumulative total return of Standard & Poor's 500 Stock Index ("S&P 500") and the Dow Jones Industry Food Index ("Peer Group," which includes the Company).

FIVE-YEAR CUMULATIVE TOTAL RETURN

PROPOSAL 2
APPROVAL OF THE TOOTSIE ROLL INDUSTRIES, INC.
MANAGEMENT INCENTIVE PLAN

At the 2006 Annual Meeting, the Company's shareholders will be asked to approve the Tootsie Roll Industries, Inc. Management Incentive Plan (the "Plan"). The Plan provides officers and certain key employees of the Company with cash incentives contingent upon obtaining a pre-established performance goal as defined below. Effective as of January 1, 2006, the Board of Directors authorized the Plan and recommended it for shareholder approval. If approved by the shareholders, the Plan will replace the Bonus Incentive Plan approved by the shareholders in 2001. No additional disclosure or approval of the performance goal will be required unless the Compensation Committee (the "Committee") changes the material terms of the performance goal.

Shareholder approval of the Plan is being sought to qualify awards granted under the Plan as performance based compensation that is exempt from the \$1 million deduction limit under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). If a quorum is present at the meeting, in order for shareholders to approve the Plan, the number of votes cast favoring the action must exceed the number of votes cast opposing the action.

Future amounts, if any, payable under the Plan for 2006 and future years are dependent on performance and are therefore not determinable at this time. Awards under the predecessor Bonus Incentive Plan during fiscal 2005 to the Company's Chief Executive Officer and four other most highly compensated executive officers of the Company are reported in the Summary Compensation Table appearing above.

The following is a summary of the proposed features of the Plan, which is qualified in its entirety by reference to the Plan, a copy of which is annexed hereto as Appendix A.

Material Features of the Plan

Purpose. The purpose of the Plan is to advance the interests of the Company and its shareholders by providing performance-based incentives to officers and certain key employees of the Company.

Eligible Participants. All officers and key employees of the Company and its subsidiaries and affiliates, a group of approximately 5 persons, are eligible to receive awards under the Plan. Within 90 days of the start of a performance period, the Committee will determine which employees will be eligible to receive awards, but it is anticipated that award recipients will be employees holding positions that most significantly affect operating results and provide the greatest opportunity to contribute to current earnings and the future success of the Company.

Award Types. Awards under the Plan will be paid in a lump sum or installments in cash as determined by the Committee no later than the 15th day of the third month following the end of the applicable performance period, unless subject to deferral under a deferred compensation arrangement with the Company.

Performance Goals; Limits on Awards. If the Company has net earnings (as defined below) of greater than thirty-five million dollars during the applicable performance period, each participant in the Plan shall be deemed to have earned an award equal to \$3,500,000, or such lesser amount, including zero, as the Committee determines in its discretion. The Committee may not increase the amount of any award or waive the achievement of the performance goal, except that the Committee may provide for certain events, including but not limited to death, disability or a change in control (as defined herein). The Committee may, in its sole discretion, retroactively adjust an award in the event of a restatement of the Company's financial results.

A participant must be employed by the Company or an affiliate of the Company on the first business day following the end of the performance period to receive an award under the Plan, except that the Committee may waive this vesting requirement for a participant who terminates employment prior to the end of the Performance Period due to the participant's death, disability or retirement. Amounts, if any, payable under the Plan with respect to the performance period in which a change in control occurs, as determined in the Committee's sole discretion, shall be paid within 60 days after such change in control. The maximum dollar amount to be earned under the Plan by a participant with respect to a performance period shall not exceed \$3,500,000.

Under the Plan, net earnings is defined as the Company's earnings from continuing operations after taxes excluding (i) extraordinary items under generally accepted accounting principles ("GAAP"), (ii) restructuring and/or other nonrecurring charges; (iii) exchange rate effects, as applicable, for non-U.S. dollar denominated operating earnings; (iv) the effects of changes to GAAP required by the Financial Accounting Standards Board; (v) the effects to any statutory adjustments to corporate tax rates; and (vi) any other unusual, non-recurring gain or loss or other extraordinary item.

Transferability. The rights of participants under the Plan are not transferable other than upon the participant's death by will or the laws of descent and distribution.

Administration. The Plan shall be administered by a committee, or in certain cases its delegate, designated by the Board of Directors consisting solely of two or more members of the Board each of whom is an "outside director" within the meaning of Section 162(m) of the Code. The Committee has been designated by the Board for this purpose. The Committee shall have authority to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Plan. The determinations of the Committee pursuant to its authority under the Plan shall be conclusive and binding.

Amendment and Termination. The Committee, subject to the approval of the Board where required, may alter, amend, suspend or terminate the Plan at any time, but any amendment to the Plan shall be approved by the Company's shareholders if approval is necessary for annual bonuses to continue qualifying as performance-based compensation under Section 162(m) of the Code. No action to alter, amend, suspend or terminate the Plan may adversely affect the rights of a participant with an already outstanding award without the consent of the participant.

Certain Federal Income Tax Consequences. All amounts paid pursuant to the Plan constitute taxable income to the employee when received. If a participant elects to defer a portion of the award, the participant may be entitled to defer the recognition of income. Generally, and subject to Section 162(m) of the Code, the Company will be entitled to a federal income tax deduction when amounts paid under the Plan are included in employee income. Subject to stockholder approval of the Plan, the failure of any aspect of the Plan to satisfy Section 162(m) shall not void any action taken by the Committee under the Plan.

As stated above, the Plan is being submitted for shareholder approval at the 2006 Annual Meeting so that payments under the Plan can qualify for deductibility by the Company under Section 162(m) of the Code. However, shareholder approval of the Plan is only one of several requirements under Section 162(m) of the Code that must be satisfied for amounts payable under the Plan to qualify for the performance based compensation exemption under Section 162(m) of the Code, and submission of the Plan to shareholder approval should not be viewed as a guarantee that all amounts paid under the Plan will in practice be deductible by the Company.

The foregoing is only a summary of the effect of federal income taxation upon employees and the Company with respect to amounts paid pursuant to the Plan. It does not purport to be complete and does not discuss the tax consequences arising in the context of the employee's death or the income tax laws of any municipality, state or foreign country in which the employee's income or gain may be taxable.

The Board of Directors recommends a vote for the approval of the plan.

**PROPOSAL 3

PricewaterhouseCoopers LLP has been the Company's independent auditors since 1968. It is not expected that representatives of PricewaterhouseCoopers LLP will attend the Annual Meeting.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has discussed with the Company's independent registered public accounting firm, which is responsible for expressing opinions on (a) the conformity of the Company's audited financial statements with generally accepted accounting principles, and (b) the Company's internal control over financial reporting, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, including their judgments as to the quality of the Company's financial reporting.
