**INTRODUCTION**

A notice of the annual meeting of shareholders of TravelCenters of America LLC, a Delaware limited liability company, or the company, is on the preceding page and a form of proxy solicited by our Board of Directors, or our Board, accompanies this proxy statement. This proxy statement and a form of proxy, together with our annual report to shareholders for the year ended December 31, 2009, are first being made available, and a Notice Regarding the Availability of Proxy Materials, or the Notice of Internet Availability, is first being mailed, to shareholders on or about February 24, 2010.

The annual meeting record date is February 21, 2010. Only shareholders of record on February 21, 2010, are entitled to notice of, and to vote at, the meeting and at any postponement or adjournment thereof. We had 17,269,316 common shares, no par value, outstanding on the record date and entitled to vote at the meeting. Our common shares are listed on the NYSE Amex LLC, or NYSE Amex. The holders of our outstanding common shares are entitled to one vote per common share.

A quorum of shareholders is required for shareholders to take action at the meeting, except that shareholders entitled to vote at the meeting may adjourn the meeting if less than a quorum is present at the meeting. The presence, in person or by proxy, of holders of a majority of our outstanding shares entitled to vote at the meeting will constitute a quorum. Common shares represented by valid proxies will count for the purpose of determining the presence of a quorum for the meeting. Abstentions and broker non-votes, if any, will be treated as shares present for purposes of determining whether a quorum is present. Failure of a quorum to be present at the meeting will necessitate adjournment of the meeting and will subject us to additional expense. Under our governing documents, the chairperson of the meeting may adjourn the meeting if less than a quorum is present at the meeting.

The affirmative vote of a majority of our outstanding common shares will be necessary to approve proposal 2 and the affirmative vote of a majority of the votes cast at the meeting on proposal 3 will be necessary to approve proposal 3. If the proposed amendment to our limited liability company agreement described in proposal 2, or the Proposal 2 Amendment, is approved by our shareholders at the meeting, we may make that amendment effective before voting on proposal 1 is concluded, in which case, the affirmative vote of a majority of the votes cast at the meeting on proposal 1 will be necessary to elect the nominee for Independent Director described in proposal 1. If the Proposal 2 Amendment is not effective before voting on proposal 1 is concluded, the affirmative vote of a majority of our outstanding common shares will be necessary to elect the nominee for Independent Director described in proposal 1.

The individuals named as proxies on a properly completed proxy will vote in accordance with your directions as indicated thereon. If you properly complete your proxy and give no voting instructions, your shares will be voted "FOR" the nominee for Independent Director in proposal 1 and "FOR" proposals 2 and 3.

Shareholders of record may authorize a proxy to vote their shares over the internet or by telephone in the manner provided on the website indicated in the Notice of Internet Availability they

---

received in the mail, or, if they requested and received paper or email copies of proxy materials, by completing and returning the proxy card, or by attending the meeting and voting in person. Proxies submitted by mail, over the internet or by telephone must be received by 11:59 p.m. eastern daylight time on May 12, 2010.

Broker non-votes occur in respect of shares held in street name when the broker indicates that voting instructions for a particular matter have not been received from the beneficial owners or other persons entitled to vote those shares and the broker does not have discretionary voting authority to vote those shares on that particular matter. Abstentions and broker non-votes will have the effect of a vote against proposal 2 and will have no effect on the outcome of proposal 3. If the Proposal 2 Amendment is effective prior to the voting on proposal 1 being concluded, abstentions and broker non-votes will have no effect on the outcome of proposal 1. If the Proposal 2 Amendment is not so effective, abstentions and broker non-votes will have the effect of a vote against the nominee for Independent Director in proposal 1. A proxy marked "WITHHOLD" will have the same effect as an abstention.

The record date for the meeting will apply to any adjournment or postponement of the meeting unless our Board fixes a new record date for the adjourned or postponed meeting. If we adjourn the annual meeting, we will announce the time and place of the adjourned meeting at the original meeting, but we do not intend to deliver another notice of the meeting unless we fix a new record date for the adjourned meeting. At any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as they would have been at the original convening of the meeting (except for any proxies which have been effectively revoked or withdrawn).

**IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares. If you have any questions or need assistance in voting your shares, please call the firm assisting us in the solicitation of proxies:**

**PROPOSAL 1  
ELECTION OF ONE INDEPENDENT DIRECTOR**

The number of our Directors is currently fixed at five, and our Board is currently divided into three groups, with two Directors in Group I, two Directors in Group II and one Director in Group III. Directors in each group serve for three years and until their successors are duly elected, or until their earlier death, resignation or removal.

Our current Directors are Patrick F. Donelan in Group III with a term of office expiring at the meeting to which this proxy statement relates, Barry M. Portnoy and Arthur G. Koumartzelis in Group I with a term of office expiring at our 2011 annual meeting of shareholders, and Thomas M. O'Brien and Barbara D. Gilmore in Group II with a term of office expiring at our 2012 annual meeting of shareholders. The term of the Group III Director elected at the meeting will expire at our 2013 annual meeting of shareholders.

Our Directors are categorized as Independent Directors and Managing Directors. Our Independent Directors are Directors who: are not employees of ours or Reit Management & Research LLC, or RMR, our business management and shared services provider; are not involved in our day to day activities; and qualify as independent under applicable rules of the NYSE Amex and the Securities and Exchange Commission, or SEC. Our Managing Directors are Directors who: are not Independent Directors; and have been employees of ours or RMR or have been involved in our day to day activities for at least one year prior to their election. Our Board is currently composed of three Independent Directors and two Managing Directors. Messrs. Koumartzelis and Donelan and Ms. Gilmore are our Independent Directors, and Messrs. O'Brien and Portnoy are our Managing Directors. Biographical information relating to our Directors and other information relating to our Board appears elsewhere in this proxy statement.

Our Board has nominated Mr. Donelan for election as the Independent Director in Group III, whose nomination was recommended to our Board by our Nominating and Governance Committee. The term of the Independent Director in Group III elected at the meeting will expire at our 2013 annual meeting of shareholders. The persons named in the accompanying proxy intend to exercise properly executed and delivered proxies "FOR" the election of Mr. Donelan, except to the extent that properly completed proxies indicate that the votes should be cast against Mr. Donelan's election or withheld for Mr. Donelan.

Mr. Donelan has agreed to serve as the Independent Director in Group III if elected. However, if Mr. Donelan becomes unable or unwilling to accept election to our Board, the proxies will be voted for a substitute nominee designated by our Board. Our Board has no reason to believe that Mr. Donelan will be unable to serve.

If the Proposal 2 Amendment is approved by our shareholders at the meeting, we may make that amendment effective before voting on proposal 1 is concluded, in which case, the affirmative vote of a majority of the votes cast at the meeting on proposal 1 will be necessary to elect Mr. Donelan as the Independent Director in Group III. If the Proposal 2 Amendment is not effective before voting on proposal 1 is concluded, the affirmative vote of a majority of our outstanding common shares will be necessary to elect Mr. Donelan as the Independent Director in Group III.

**Our Board requests you vote "FOR" the election of Mr. Donelan as the Independent Director in Group III.**

**PROPOSAL 2  
PROPOSAL TO AMEND OUR LIMITED LIABILITY COMPANY AGREEMENT  
TO CHANGE THE VOTE REQUIRED TO ELECT DIRECTORS IN  
UNCONTESTED ELECTIONS**

Our Board proposes to amend our limited liability company agreement by adding the following at the end of Section 9.1(b):

"Notwithstanding anything in this Section 9.1(b), the election of a Managing Director or an Independent Director in an uncontested election (which, for purposes of this Agreement, is an election in which the number of nominees for election equals or is less than the number to be elected at a meeting) shall require the affirmative vote of a Share Plurality."

In our limited liability company agreement, "Share Plurality" means a majority of our outstanding shares of all classes and series of our shares with voting power, voting together as a single class, that have voted on the matter in question at the conclusion of voting thereon, as prescribed or determined by our Board.

Recent New York Stock Exchange rules changes prohibit brokers from voting for the election of directors unless they receive specific directions from the beneficial owners of shares held in "street name". Historically, in uncontested elections, many shareholders have not bothered to vote or to instruct their brokers how to vote. This proposed amendment to our limited liability company agreement will allow uncontested elections for Directors to be decided by the majority of shares actually voted, provided a quorum is present at the shareholders meeting. Our Nominating and Governance Committee (composed entirely of Independent Directors) and our entire Board both unanimously determined that this proposed amendment likely will save us additional expenses of soliciting shareholders or of adjourning annual meetings in order to obtain required votes to elect Directors in uncontested elections.

This proposed amendment will not change the vote required to elect Directors in contested elections. This proposed amendment also will not change your right to vote against, or to withhold your vote from, a nominee for election to our Board in either contested or uncontested elections.

The affirmative vote of a majority of our outstanding common shares will be necessary to approve proposal 2. If the proposed amendment to our limited liability company agreement is approved by our shareholders at the meeting, we may make that amendment effective before voting on proposal 1 is concluded.

**Our Board requests you vote "FOR" proposal 2.**

**PROPOSAL 3**  
**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED**  
**PUBLIC ACCOUNTING FIRM**

On January 25, 2010, our Audit Committee voted to appoint Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010 (our fiscal year being a calendar year). Ernst & Young LLP acted as our independent registered public accounting firm for 2008 and 2009. A representative of Ernst & Young LLP is expected to be present at the meeting, with the opportunity to make a statement if he or she desires to do so. This representative will be available to respond to appropriate questions from shareholders who are present at the meeting. Proposal 3 is non-binding. If the appointment is not ratified, our Audit Committee will consider whether it is appropriate to appoint another independent registered public accounting firm. If the appointment is ratified, our Audit Committee in its discretion may appoint a different independent registered public accounting firm at any time if it determines that such a change would be advisable.

The fees for services provided by Ernst & Young LLP to us for the last two fiscal years were as follows:

	2008	2009
Audit fees	\$ 877,137	\$ 1,074,351
Audit related fees		
Tax fees	25,000	25,000
All other fees		
<b>Total fees</b>	<b>\$ 902,137</b>	<b>\$ 1,099,351</b>

Our Audit Committee has established policies and procedures which are intended to control the services provided by our independent registered public accounting firm and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent registered public accounting firm unless the engagement is specifically approved by our Audit Committee or the services are included within a category which has been pre-approved by our Audit Committee. The maximum charge for services is established by our Audit Committee when the specific engagement or the category of services is approved or pre-approved. In certain circumstances, our management is required to notify our Audit Committee when pre-approved services are undertaken and the Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible to report to our Audit Committee regarding compliance with these policies and procedures.

Our Audit Committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered public accounting firm to cease to be independent within the meaning of applicable SEC or NYSE Amex rules. In other circumstances, our Audit Committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the Public Company Accounting Oversight Board Rules.

All services for which we engaged our independent registered public accounting firm in 2008 and 2009 were approved by our Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2008 and 2009 are set forth above. The tax fees charged by Ernst & Young LLP during 2008 and 2009 were for tax compliance services related to our income tax returns for the fiscal years ended December 31, 2007 and 2008, respectively. Our Audit Committee approved the engagement of Ernst & Young LLP to provide these non-audit services because it determined that Ernst & Young LLP's providing these services would not compromise its independence and that its

familiarity with our record keeping and accounting systems would permit it to provide these services with equal or higher quality, more quickly and at a lower cost than we could obtain these services from other providers.

The affirmative vote of a majority of the votes cast at the meeting on proposal 3 will be necessary for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

**Our Board requests you vote "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.**

We are paying the costs of this solicitation, including the preparation, printing, mailing and website hosting of proxy materials. We will request banks, brokers and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of our common shares and to obtain their voting instructions. We will reimburse those firms for their expenses. In addition, we have retained Innisfree M&A Incorporated, or Innisfree, to assist in the solicitation of proxies for a fee of \$15,000 plus reimbursement for out of pocket expenses. Prior to that time, Mr. Richards served us and our predecessor as a Regional Vice President since January 2007. Prior to that, Mr. Richards served our predecessor as a District Manager since 2001.

**MARK R. YOUNG, Age: 47**

Mr. Young has been our Executive Vice President and General Counsel since August 2007. Previously, Mr. Young served as Vice President of Leasing and Associate General Counsel of RMR from November 2006 to July 2007. Prior to that time, he served as Assistant Vice President and Associate General Counsel of RMR since November 2001.

Each of our executive officers is elected by, and serves at the discretion of, our Board. Each of our executive officers generally devotes substantially all his business time to our affairs, although Messrs. O'Brien and Rebholz may from time to time devote some of their business time to RMR.

RMR, RMR Advisors, HRP, HPT, SNH, Five Star, GOV and each of the RMR Funds may be considered to be affiliates of us. RMR is a privately owned company that provides management services to public and private companies, including us, HRP, HPT, SNH, Five Star and GOV. HRP is a publicly traded real estate investment trust, or REIT, that primarily owns office buildings and industrial properties. HPT is a publicly traded REIT that primarily owns hotels and travel centers. SNH is a publicly traded REIT that primarily owns senior living properties and medical office buildings. Five Star is a publicly traded real estate based operating company in the healthcare and senior living services business. GOV is a publicly traded REIT that primarily invests in properties that are majority leased to government tenants. Each of the RMR Funds, except for RMR Funds Series Trust, is or was a closed-end investment company registered under the Investment Company Act of 1940, as amended, or the 1940 Act. RMR Funds Series Trust was an open-end investment company registered under the 1940 Act prior to its dissolution in 2009.

**BOARD OF DIRECTORS**

Our business is conducted under the general direction of our Board as provided by our limited liability company agreement, our bylaws and the laws of the State of Delaware, the state in which we were organized on October 10, 2006.

Three of our Directors, Messrs. Koumantzelis and Donelan and Ms. Gilmore, are our Independent Directors within the meaning of our limited liability company agreement and bylaws. Two of our Directors, Messrs. O'Brien and Portnoy, are our Managing Directors.

Our limited liability company agreement and bylaws require that a majority of our Board be Independent Directors. In determining the status of those Directors who qualify as Independent Directors, each year our Board affirmatively determines whether the Directors have a direct or indirect material relationship with us, including our subsidiaries, other than serving as our Directors. When assessing a Director's relationship with us, our Board considers all relevant facts and circumstances, not merely from the Director's standpoint, but also from that of the persons or organizations with which the Director has an affiliation.

Our Board has determined that Messrs. Koumantzelis and Donelan and Ms. Gilmore currently qualify as independent directors under applicable NYSE Amex rules and are Independent Directors under our limited liability company agreement and bylaws. In making these determinations, our Board considered each of these three Directors' service in other enterprises and on the boards of other publicly traded companies to which RMR and its affiliates provide management services. Our Board has concluded that none of these Directors possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Director or that could otherwise be a direct or indirect material relationship under applicable NYSE Amex standards.

During 2009, our Board held seven meetings, our Audit Committee held eight meetings, our Compensation Committee held four meetings, and our Nominating and Governance Committee held one meeting. During 2009, each Director attended 75% or more of the total number of meetings of our Board and any committee of which he or she was a member during the time in which he or she served on our Board or such committee. All of our Directors attended last year's annual meeting of shareholders.

Pursuant to our Governance Guidelines, our Independent Directors meet at least once each year without management. The presiding Director at these meetings is the Chair of our Audit Committee, unless the Independent Directors in attendance select another Independent Director to preside.

On February 1, 2008, a purported holder of our shares, Alan R. Kahn, filed a purported derivative action in the Delaware Court of Chancery on behalf of us against members of our Board, HPT and RMR. This action alleges that our Directors breached their fiduciary duties in connection with our May 30, 2007, acquisition of Petro Stopping Centers, L.P., which we refer to as the Petro Acquisition, and seeks an award of unspecified damages and reformation of the lease we entered with HPT in connection with the Petro Acquisition, which we refer to as the Petro Lease. This action also appears to allege that RMR and HPT aided and abetted our Directors. Under our limited liability company agreement and agreements with RMR and HPT, we are liable to indemnify our Directors, HPT and RMR for liabilities, costs and expenses incurred by them in connection with this litigation. On May 6, 2008, we moved to dismiss this complaint. On June 20, 2008 the plaintiff filed an amended complaint making additional allegations regarding the members of our Board and withdrawing his request for reformation of the Petro Lease. On July 2, 2008, we moved to dismiss the amended complaint. On October 30, 2008, Mr. Kahn's claims against RMR were voluntarily dismissed. On December 11, 2008, our motion to dismiss the amended complaint was denied and a previously imposed stay of discovery was lifted. On January 21, 2009, HPT sent a letter to the plaintiff demanding arbitration of his claims

pursuant the terms of the Petro Lease. We believe that the plaintiff and HPT have agreed to defer the arbitration demand. This case is now in the early stages of discovery. We continue to believe the plaintiff's allegations are without merit.

### **BOARD COMMITTEES**

We have a standing Audit Committee, Compensation Committee and Nominating and Governance Committee, each of which has a written charter. Each of the above committees is currently comprised of Mr. Koumantzelis, Ms. Gilmore and Mr. Donelan, who are independent under applicable NYSE Amex listing standards and each committee's respective charter, and, in the case of our Audit Committee, the applicable independence requirements of the SEC. Our Audit Committee, Compensation Committee and Nominating and Governance Committee are delegated the powers of our Board necessary to carry out their responsibilities.

Our Audit Committee was established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, or the Exchange Act. The primary function of our Audit Committee is to assist our Board in fulfilling its responsibilities for oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent registered public accounting firm's qualifications and independence; and (4) the performance of our internal audit function and independent registered public accounting firm. Our Board has determined that Mr. Koumantzelis is our Audit Committee financial expert and is "independent" as defined by the rules of the SEC and the NYSE Amex. Our Board's determination that Mr. Koumantzelis is our Audit Committee financial expert was based on his experience as: (i) a member of the audit committees of other publicly owned companies; (ii) the chief financial officer of a company which was required to file reports with the SEC; and (iii) a certified public accountant who was responsible for auditing companies which filed SEC reports. Under its charter, our Audit Committee has the final authority and responsibility to select our independent registered public accounting firm.

Our Compensation Committee's primary responsibilities include: (1) reviewing and approving the compensation paid by us to our President and Chief Executive Officer; (2) evaluating the performance of our Director of Internal Audit and determining the compensation paid by us to our Director of Internal Audit; (3) recommending to our Board the cash compensation paid by us to individuals who serve as our executive officers other than our Chief Executive Officer; (4) recommending to our Board the compensation paid to other officers and key employees of ours; (5) reviewing, evaluating and approving our business management and shared services agreement with RMR and payments made under that agreement; and (6) administering and making grants under our equity compensation plan.

The responsibilities of our Nominating and Governance Committee include: (1) identification of individuals qualified to become members of our Board and recommending to our Board the Director nominees for each annual meeting of shareholders or when Board vacancies occur; (2) development, and recommendation to our Board, of governance guidelines; and (3) evaluation of the performance of our Board.

The charter of each of our standing committees provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Subcommittees are subject to the provisions of the applicable committee's charter.

Our policy with respect to Board members' attendance at our annual meetings of shareholders can be found in our Governance Guidelines, the full text of which appears at our website at [www.ttravelcenters.com](http://www.ttravelcenters.com). In addition to our Governance Guidelines, copies of the charters of our Audit, Compensation and Nominating and Governance Committees, as well as our Code of Business Conduct and Ethics, may be obtained free of charge at our website, [www.ttravelcenters.com](http://www.ttravelcenters.com), or by writing to our Secretary, TravelCenters of America LLC, 24601 Center Ridge Road, Westlake, OH 44145.

## COMMUNICATIONS WITH DIRECTORS

Any shareholder or other interested person who desires to communicate with our Independent Directors or any Directors, individually or as a group, may do so by filling out a report at our website (www.tatravelcenters.com), by calling our toll free confidential message system at (800) 758-9705, or by writing to the party for whom the communication is intended, care of our Director of Internal Audit, 400 Centre Street, Newton, MA 02458. Our Director of Internal Audit will then deliver any communication to the appropriate party or parties.

## SELECTION OF CANDIDATES FOR DIRECTORS; SHAREHOLDER RECOMMENDATIONS, NOMINATIONS AND OTHER PROPOSALS

Our Board has established Governance Guidelines which, together with our limited liability company agreement and bylaws, set forth the qualifications for service on our Board. Our Governance Guidelines may be changed from time to time by our Board upon the recommendation of our Nominating and Governance Committee. Our Board makes nominations of persons to be elected by shareholders as Directors. Our Board also elects Directors to fill Board vacancies which may occur from time to time. In both these circumstances, our Board will act upon recommendations made by our Nominating and Governance Committee.

In considering candidates to serve as Directors, our Nominating and Governance Committee seeks individuals who have qualities which the Committee believes may be effective in serving our long term best interests. Among the characteristics which the Committee considers are the following: their integrity, experience, achievements, judgment, intelligence, personal character, ability to make independent analytical inquiries, willingness to devote adequate time to Board duties, likelihood that they will be able to serve on our Board for a sustained period and other matters that our Nominating and Governance Committee deems appropriate. In connection with the selection of nominees for Directors, due consideration is given to our Board's overall balance of diversity of perspectives, backgrounds and experiences. Also, depending on whether the position to be filled is that of an Independent Director or a Managing Director, the qualifications of the candidate to meet the criteria for each such category of Director is considered. In seeking candidates for Directors who have not previously served as our Director, the Nominating and Governance Committee may use the business, professional and personal contacts of its members, it may accept recommendations from other Board members, and, if it considers it appropriate, the Nominating and Governance Committee may engage a professional search firm.

In 2009, we did not pay any third party to identify or to assist in the evaluation of any candidate for election to our Board. We did not receive any shareholder recommendations or nominations for our Board for the 2010 annual meeting of shareholders, except the nomination made by our Board and recommendation by our Nominating and Governance Committee, each of which includes Board members who are shareholders of record.

*Shareholder recommendations for nominees.* A responsibility of our Nominating and Governance Committee is to consider candidates for election as Directors who are properly recommended by shareholders. To be considered by our Nominating and Governance Committee, a shareholder recommendation for a nominee must be made: (i) by a shareholder who is entitled under our limited liability company agreement and bylaws and applicable state and federal laws to nominate the nominee at the meeting and (ii) by written notice to the Chair of our Nominating and Governance Committee and our Secretary given within the 30 day period ending on the last date on which shareholders may give a timely notice of nomination for such meeting under our limited liability company agreement and bylaws and applicable state and federal laws, which notice must be accompanied by the information and documents with respect to the recommended nominee which the recommending shareholder would have been required to provide in order to nominate such nominee for election at the shareholders

meeting in accordance with our limited liability company agreement and bylaws, including those described below, and applicable state and federal laws. Our Nominating and Governance Committee may request additional information about the shareholder recommended nominee or about the shareholder recommending the nominee. Shareholder recommendations which meet the requirements set forth above will be considered using the same criteria as other candidates considered by our Nominating and Governance Committee.

The preceding paragraph applies only to shareholder recommendations for nominees. A shareholder nomination must be made in accordance with the provisions of our limited liability company agreement and bylaws, including the procedures discussed below.

*Shareholder nominations and other proposals at annual meetings.* Our limited liability company agreement and bylaws require compliance with certain procedures for a shareholder properly to propose a nominee for election to our Board or other business. If a shareholder who is entitled to do so under our limited liability company agreement and bylaws wishes to propose a person for election to our Board or other business, that shareholder must provide a written notice to our Secretary. The shareholder giving notice must: (i) have continuously held at least \$2,000 in market value (as determined under our bylaws), or 1%, of our shares entitled to vote at the meeting on the election or the proposal of other business, as the case may be, for at least one year from the date the shareholder gives its advance notice and continuously hold such shares through and including the time of the meeting (including any adjournment or postponement of the meeting); (ii) be a shareholder of record at the time of giving notice through and including the time of the meeting (including any adjournment or postponement of the meeting); (iii) be entitled to make nominations or propose other business and to vote at the meeting on the election or proposal of other business, as the case may be; (iv) be present in person or by proxy at the meeting to answer questions about the nomination or other business, as the case may be; and (v) have complied in all respects with the advance notice provisions for shareholder nominations and proposals of other business set forth in our limited liability company agreement and bylaws.

The notice must set forth detailed specified information about the nominee and the nominee's affiliates and associates, the shareholder making the nomination and affiliates and associates of that shareholder, and provide to the extent known by the shareholder giving the notice, the name and address of any other shareholder supporting the shareholder's nomination or proposal. With respect to nominations, the notice must state whether the nominee is proposed for nomination as an Independent Director or a Managing Director. In addition, at the same time as or prior to the submission of a shareholder nomination or proposal for consideration at a meeting of our shareholders that, if elected or approved and implemented by us, would cause us to be in breach of any covenant in or in default under any debt instrument or agreement or other material agreement of ours or any subsidiary of ours, the shareholder must submit to our Secretary: (i) evidence satisfactory to our Board of the lender's or contracting party's willingness to waive the breach of covenant or default or (ii) a detailed plan for repayment of the applicable indebtedness or curing the contractual breach or default and satisfying any resulting damage, specifically identifying the actions to be taken or the source of funds, which plan must be satisfactory to our Board in its discretion, and evidence of the availability to us of substitute credit or contractual arrangements similar to the credit or contractual arrangements which are implicated by the shareholder nomination or other proposal that are at least as favorable to us, as determined by our Board in its discretion. Additionally, if: (i) the submission of a shareholder nomination or proposal of other business to be considered at a shareholders meeting could not be considered or, if elected or approved and implemented by us without our or any subsidiary of ours, or the proponent shareholder, the nominee, the holder of proxies or their respective affiliates or associates filing with or otherwise notifying or obtaining the consent, approval or other action of any governmental or regulatory body, or a governmental action; or (ii) such shareholder's ownership of our shares or any solicitation of proxies or votes or holding or exercising proxies by such shareholder, the

nominee or their respective affiliates or associates would require governmental action, then, at the same time as the submission of the shareholder nomination or proposal of other business, the proponent shareholder shall submit to us: (x) evidence satisfactory to our Board that any and all governmental action has been given or obtained, including, without limitation, such evidence as our Board may require so that any nominee may be determined to satisfy any suitability or other requirements or (y) if such evidence was not obtainable from a governmental or regulatory body by such time despite the shareholder's diligent and best efforts, a detailed plan for making or obtaining the governmental action prior to the election of the nominee or the implementation of the proposal for other business, which plan must be satisfactory to our Board in its discretion.

Under our limited liability company agreement and bylaws, in order for a shareholder's notice of nominations for Director or other business to be properly brought before an annual meeting of shareholders, the shareholder must deliver the notice to our Secretary at our principal executive offices not later than 5:00 p.m. (Eastern Time) on the 120th day, and not earlier than 5:00 p.m. (Eastern Time) on the 150th day, prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. If the annual meeting is called for a date that is more than 30 days earlier or later than the first anniversary of the date of the preceding year's annual meeting, then a shareholder's notice must be so delivered not later than 5:00 p.m. (Eastern Time) on the tenth day following the earlier of the day on which (i) notice of the date of the annual meeting is mailed or otherwise made available or (ii) public announcement of the date of the annual meeting is first made by us. In addition, no shareholder may give a notice to nominate or propose other business unless the shareholder holds a certificate for all our shares owned by the shareholder during all times described in the first paragraph of this section *Shareholder nominations and other proposals at annual meetings*, and a copy of each certificate held by the shareholder must accompany the shareholder's notice. Also, we may request that any shareholder proposing a nominee for election to our Board or other business at a meeting of our shareholders provide us, within three business days of such request, with written verification of the information submitted by the shareholder as well as other information.

The foregoing description of the procedures for a shareholder to propose a nomination for election to our Board or other business for consideration at an annual meeting is only a summary and is not complete. Copies of our limited liability company agreement and bylaws, including the provisions which concern the requirements for shareholder nominations and proposals, may be obtained by writing to our Secretary at 24601 Center Ridge Road, Westlake, Ohio 44145. Any shareholder considering making a nomination or other proposals should carefully review and comply with those provisions. Under our limited liability company agreement and bylaws, a shareholder is obligated to indemnify us for costs and expenses we incur arising from the shareholder's breach or failure to fully comply with any covenant, condition or provision of the limited liability company agreement or bylaws, including costs and expenses we may incur as a result of the shareholder's failure to comply with the requirements to make nominations and proposals.

*2011 Annual Meeting Deadlines.* Shareholder proposals intended to be presented pursuant to Rule 14a-8 under the Exchange Act at our 2011 annual meeting of shareholders must be received at our principal executive offices on or before October 27, 2010 in order to be considered for inclusion in our proxy statement for our 2011 annual meeting of shareholders. Our limited liability company agreement and bylaws currently require that shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act must be submitted, in accordance with the requirements of our limited liability company agreement and bylaws, not later than October 27, 2010 (which is also the date, after which, shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would be considered "untimely" within the meaning of Rule 14a-4(c) under the Exchange Act) and not earlier than September 27, 2010.

## COMPENSATION DISCUSSION AND ANALYSIS

On January 31, 2007, HPT acquired our predecessor, TravelCenters of America, Inc., restructured this acquired business and distributed all of our then outstanding common shares to the shareholders of HPT. In this proxy statement, these transactions are sometimes referred to as the HPT Transaction.

Since January 2007, there has been a transition in our management team from executive officers of our predecessor to our current executive officers. At December 31, 2009, we had four executive officers: Thomas M. O'Brien, President and Chief Executive Officer; Andrew J. Rebholz, Executive Vice President, Chief Financial Officer and Treasurer; Michael J. Lombardi, Executive Vice President; and Mark R. Young, Executive Vice President and General Counsel. Mr. Larry W. Dockray was an executive officer of ours at December 31, 2008, but resigned as Executive Vice President of Operations effective February 1, 2009, and was then employed by us on a part time basis until June 30, 2009. Mr. Ara A. Bagdasarian and Mr. Barry A. Richards, each an Executive Vice President, became executive officers of us effective January 1, 2010. Additional biographical information about our executive officers appears elsewhere in this proxy statement.

### *Compensation philosophy and process*

Individual performance is an important factor in determining each element of compensation. Our Compensation Committee determines the total compensation of our Chief Executive Officer and the amount of share grants to all of the executive officers. Our Compensation Committee recommends to our Board and the Board determines all compensation, other than share grants, for our executive officers other than our Chief Executive Officer. There is no formulaic approach to the determinations of an executive officer's compensation as it is in the sole discretion of our Compensation Committee and our Board and determinations of an executive officer's compensation are not made as a result of benchmarking compensation against that of other companies. We believe it is important to align the interests of our executive officers with those of our shareholders and therefore have determined that a substantial portion of an executive officer's annual compensation will be paid in the form of restricted share awards that vest over a period of at least four years. We also believe that performance and retention of our executive officers is improved by paying a substantial portion of each executive officer's cash compensation as an annual bonus. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers.

In making their discretionary compensation determinations each year, our Compensation Committee's and Board's qualitative and subjective considerations of an executive's performance generally include, but are not limited to, the executive officer's:

accomplishments achieved during the year and as compared to expected accomplishments;

ability to identify areas for the company's improvement and to achieve benefits from those improvements;

quality of decisions made;

ability to lead employees both in routine activities and in special projects;

change in performance as compared to the prior year;

perceived potential for future development and for assuming additional or alternative duties in the future;

background, training, education and experience;

role with us and the compensation paid to individuals in similar roles in companies that have characteristics similar to ours;

specific areas of expertise and value to us, and the likelihood we could find a suitable replacement on a timely and cost effective basis; and

compensation compared to that of other individuals within our company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals.

In addition to the consideration of the various factors described in the preceding paragraphs, our Compensation Committee and our Board consider data regarding historical pay and available compensation data for public companies that are engaged in our industry, in related industries, or that possess size or other characteristics which are similar to ours. None of our direct competitors are public companies and so we did not have access to the compensation practices and amounts of those companies. Consequently, in order to obtain a general understanding of current trends in compensation practices and ranges of amounts being awarded by other public companies, our management engaged a third party compensation consultant solely to provide comparative data regarding compensation paid by a group of public companies in the following industries: specialty retail; hotels, restaurants and leisure; food retail; and food and staples retailing industries.<sup>(2)</sup>

Our predecessor had historically set annual bonus targets by establishing various objectives for each individual, including but not limited to objectives related to company financial performance versus budgeted amounts, capital expenditures, vendor, customer and industry relations, safety measures and product improvement. These bonus arrangements were often set forth in employment contracts. Actual bonuses often differed from target bonuses based upon the level of achievement of individual objectives. The last of the legacy employment contracts originally entered with an employee by our predecessor was terminated in 2008 when we and Mr. Dockray entered into an agreement to terminate his employment contract, as is discussed further below under the heading "Compensation Components Employment contract". For bonus amounts paid to our executive officer's for 2009, there were no bonus targets established. In addition, no bonus targets have been established for purposes of bonus amounts that may be paid to our executive officers in 2010.

In September 2009, Ms. Gilmore, the Chair of our Compensation Committee, met with Mr. Portnoy, our Managing Director who is not also an executive officer of us, and the chairs of the compensation committees of other public companies for which RMR provides services. The purpose of this meeting as it concerns our compensation matters was to discuss compensation philosophy regarding, and to provide a comparative understanding of, potential share grants to be made by us and to hear and consider recommendations from RMR concerning potential share grants. Subsequent to this meeting, the members of our Compensation Committee held a meeting at which Ms. Gilmore provided a report of the information discussed at the meeting in which she participated with Mr. Portnoy and those other compensation committee chairs and made recommendations to our Compensation Committee for the general level of share grants to be awarded in 2009 to our executive officers and others who provide services to us. At a Compensation Committee meeting in December 2009 our Compensation Committee considered these recommendations, recommendations provided by management and other factors such as (1) the amounts and value of historical share awards made to each executive officer, (2) the amounts of share awards granted to persons with similar levels of

responsibility, (3) the then current market prices of our shares, (4) the performance of each executive officer throughout 2009, (5) each executive officer's expected future contributions to us, (6) each executive officer's relative mix of cash and noncash compensation, (7) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (8) our financial position and operating performance throughout 2009. There was no formulaic approach to the use of these various factors in determining the amount of the share awards to each executive officer. The share amounts are determined on a subjective basis using the various factors at our Compensation Committee's sole discretion. Our Compensation Committee did not engage a compensation consultant to participate in the determination or recommendation of the amounts or form of compensation for our executive officers. Messrs. O'Brien and Rebholz participated in the Compensation Committee meeting with regard to consideration of compensation generally and to our other officers, but they left that meeting and did not participate in the Compensation Committee's determination and recommendation of their compensation.

#### *Compensation components*

The mix of base salary, cash bonus and equity compensation that we pay to our executive officers varies depending on the executive officer's position and responsibilities with us. Our Compensation Committee does not follow a set formula or specific guidelines in determining how to allocate among the compensation components.

The components of the compensation packages of our executive officers are as follows:

#### *Base salary*

Base salaries are reviewed annually and adjusted, if appropriate, on a subjective basis based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) accomplishments achieved during the year as compared to expected accomplishments, (2) ability to identify areas for the company's improvement and to achieve benefits from those improvements, (3) quality of decisions made, (4) ability to lead employees both in routine activities and in special projects, (5) change in performance as compared to the prior year, (6) perceived potential for future development and for assuming additional or alternative duties in the future, (7) the executive officer's background, training, education and experience, (8) the executive officer's role with us and the compensation paid to individuals in similar roles in companies that have characteristics similar to ours, (9) the market demand for specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis, (10) a comparison of the executive officer's pay to that of other individuals within our company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals, (11) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (12) our financial position and operating performance throughout 2009. Currently, we limit the annual base salaries of our executive officers to \$300,000, with the exception of Mr. Lombardi whose annual base salary has been limited to \$339,000, which is the annual base salary amount that was established for him by our predecessor. Subject to the limits we have on annual base salaries, we also adjust base salaries, as warranted, for promotions and other changes in the executive officer's role which may occur from time to time. In 2009, the annual base salaries for Messrs. Rebholz and Young were increased to \$275,000.

#### *Annual bonus and equity incentive plan*

Each of our executive officers, including our Chief Executive Officer, is eligible to receive an annual cash bonus and share award. There is no formulaic approach used in determining the amount of these annual cash and share awards. The cash bonus and share awards are determined on a subjective basis by our Compensation Committee and Board, as the case may be, based upon consideration of a

number of factors including, but not limited to, the following for each executive officer: (1) accomplishments achieved during the year as compared to expected accomplishments, (2) ability to identify areas for the company's improvement and to achieve benefits from those improvements, (3) quality of decisions made, (4) ability to lead employees both in daily routine activities and in special projects, (5) change in performance as compared to the prior year, (6) perceived potential for future development and for assuming additional or alternative duties in the future, (7) the amounts and value of historical share awards made to each executive officer, (8) the amounts of share awards granted to persons with similar levels of responsibility, (9) the then current market prices of our shares, (10) each executive officer's relative mix of cash and noncash compensation, (11) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm, and (12) our financial position and operating performance throughout 2009. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers. For 2009, the increases in the annual cash bonus amounts paid to our executive officers reflect this interplay between the annual base salary limitation and annual cash bonus amounts, within the context of the other factors described above that are taken into account in determining annual cash bonus amounts.

Mr. O'Brien's annual bonus is determined on a subjective basis by our Compensation Committee, composed solely of Independent Directors, who base their decision upon their consideration and evaluation of his performance during the year. Considerations may include, but may not be limited to, our financial performance, our growth and our success in achieving strategic initiatives and objectives. For 2009, our Compensation Committee awarded Mr. O'Brien a bonus of \$1,175,000 in cash and 200,000 common shares that will vest in ten equal annual installments beginning on the grant date. The shares awarded had a value at the grant date of \$858,000 of which the vested portion was \$85,800 as of the grant date. In making this cash bonus and this share award, our Compensation Committee considered Mr. O'Brien's performance in leading the company through the difficult economic conditions existing throughout 2009 in the United States, including but not limited to his continuing our integration of the business acquired in the Petro Acquisition in May 2007, managing capital and operating expenditures in relation to the prevailing business levels in order to conserve liquidity and increase our cash balance, maintaining fuel sales and pricing activities in order to maintain fuel margin, substantially reducing selling, general and administrative expenses, developing new and enhancing existing marketing programs and leveraging competitive strengths to maintain business in a down economy and position the company for growth when the economy recovers. Our Compensation Committee determined that the share award would vest over time to ensure a continuing commonality of interest between Mr. O'Brien and our shareholders and to provide Mr. O'Brien with an incentive to remain with us to earn the unvested portion of the award. The foregoing description of the share award to Mr. O'Brien during 2009 does not include the share award granted to him in his capacity as a Director of us.

Annual cash bonuses for our other executive officers were recommended by our Compensation Committee and approved by our Board based upon the consideration and evaluation of each executive's performance and level of total compensation, and in the case of Mr. Dockray, upon consideration of the separation agreement we had entered with him during 2008 as further discussed below under the heading " Employment contract" and, in the case of Messrs. Rebholz, Dockray and Lombardi, upon consideration of their retention plan payment arrangements, as further discussed below under the heading " Retention plan". These considerations included, but were not limited to, our financial and operating performance during 2009 and each executive officer's level of total compensation.

Messrs. O'Brien and Rebholz were also officers of RMR throughout all of 2009. Because at least 80% of Messrs. O'Brien's and Rebholz's business time is devoted to services to us, 80% of

Messrs. O'Brien's and Rebholz's total cash compensation (that is, the combined cash compensation paid by us and RMR, including base salary and cash bonus but excluding retention plan payments to Mr. Rebholz) was paid by us and the remainder was paid by RMR.

No target cash bonus for 2010 has been established for our executive officers.

We made equity awards under our Amended and Restated TravelCenters of America LLC 2007 Equity Compensation Plan, or 2007 equity compensation plan, to our executive officers and others based upon factors that our Compensation Committee considered relevant to align the interests of the persons to whom awards were made with our business objectives, which primarily relate to increasing, on a long term basis, the value of the company and our shares by improving our prospects, our competitive position within our industry, and our profitability and cash generation from operations. In addition to the award of common shares made to Mr. O'Brien during 2009, our Compensation Committee awarded common shares to each of our other then executive officers who were in our employ at the grant date. These awards ranged in size and value from 45,000 shares, having a grant date value of \$193,050, to 75,000 shares, having a grant date value of \$321,750. In determining the size of each share award, the Compensation Committee considered the responsibilities of the executive, the relation of the size of the award to the size of the share award made to Mr. O'Brien and other factors, including their past and expected future performances and possible cash bonuses, prior year share grant amounts, 2009 annual base cash salaries and the Company's improved operational results during 2009. In each case, the Compensation Committee determined that the share awards would vest in five equal annual installments beginning on the date of the grant to ensure a continuing commonality of interest between the recipients and our shareholders and to provide our executives with an incentive to remain with us to earn the unvested portion of the award.

*Perquisites and other benefits*

Our executive officers are entitled to participate in our benefit plans on the same terms as our other employees. These plans include medical, dental and life insurance plans and a defined contribution retirement plan.

*All other payments*

The summary compensation table below includes amounts described as "All Other Compensation". These payments are related to a retention plan adopted by our predecessor, relocation related amounts and matching contribution payments to our 401(k) plan. The retention plan payments made in 2009 were the final payments to be made under these retention programs that date back to the HPT Transaction and are further discussed below.

*Employment contract*

Our predecessor had an employment agreement with Mr. Dockray. As of the date of the HPT Transaction, we assumed this employment agreement. In November 2008, the assumed employment agreement with Mr. Dockray was replaced with a separation agreement we entered with Mr. Dockray in connection with his resignation as an officer of us, as set forth below.

On February 1, 2009, pursuant to our separation agreement with Mr. Dockray, Mr. Dockray resigned as our Executive Vice President of Operations. Further to that agreement, Mr. Dockray remained in our employ and devoted his full working time to our business and affairs through February 1, 2009, remained in our employ on a part time basis through June 30, 2009, and thereafter was available to provide consulting services as requested by us through January 1, 2010. Mr. Dockray was paid his base salary at the time we entered the separation agreement with him, at a rate of \$301,000 per year, through February 1, 2009, and thereafter Mr. Dockray began to be compensated at a rate of \$12,500 per month plus \$75 per hour worked, up to a maximum of 40 hours per week through

June 30, 2009. While providing consulting services after June 30, 2009 and through January 1, 2010, Mr. Dockray's compensation was set at a rate of \$100 per hour worked at our request. Pursuant to the separation agreement, in January 2010 we paid Mr. Dockray a bonus of \$100,000 in connection with his service to us during 2009. Pursuant to the agreement entered by our predecessor, in December 2008 we purchased from Mr. Dockray his home in Ohio for \$810,000. Further, we made a payment to Mr. Dockray of \$1,003,153 on December 31, 2008, in satisfaction of amounts payable to Mr. Dockray under preexisting agreements between Mr. Dockray and the company.

*Retention plan*

Some of the persons listed in the summary compensation table in this proxy statement were participants in an employee retention plan of ours which contemplated payments designed to encourage their continued employment by us. Under this plan, we paid \$1,003,153 to Mr. Dockray on December 31, 2008 and \$286,615 and \$1,146,460 to Messrs. Rebholz and Lombardi, respectively, on January 31, 2009. These payments represented the final payments to these executives under this retention plan.

**COMPENSATION COMMITTEE REPORT**

The undersigned members of the Compensation Committee have reviewed and discussed the Compensation Discussion and Analysis with our management. Based upon this review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into our Annual Report on Form 10-K for the year ended December 31, 2009.

### POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

In the past, we have entered arrangements with former executive officers of ours in connection with the termination of their employment with us, providing for the acceleration of vesting of unrestricted shares previously granted to the former officer under our 2007 equity compensation plan and, in certain instances, payments for future services to us as a consultant or part time employee and continuation of health care and other benefits. On February 1, 2009, pursuant to our separation agreement with Mr. Dockray, Mr. Dockray resigned as our Executive Vice President of Operations. Further to that agreement, Mr. Dockray remained in our employ and devoted his full working time to our business and affairs through February 1, 2009, remained in our employ on a part time basis through June 30, 2009, and thereafter was available to provide consulting services as requested by us through January 1, 2010. Mr. Dockray was paid his base salary at the time we entered the separation agreement with him, at a rate of \$301,000 per year, through February 1, 2009, and thereafter Mr. Dockray began to be compensated at a rate of \$12,500 per month plus \$75 per hour worked, up to a maximum of 40 hours per week through June 30, 2009. While providing consulting services after June 30, 2009 and through January 1, 2010, Mr. Dockray's compensation was set at a rate of \$100 per hour worked at our request. Pursuant to the separation agreement, in January 2010 we paid Mr. Dockray a bonus of \$100,000 in connection with his service to us during 2009. Pursuant to the

agreement entered by our predecessor, in December 2008 we purchased from Mr. Dockray his home in Ohio for \$810,000. Further, we made a payment to Mr. Dockray of \$1,003,153 on December 31, 2008, in satisfaction of amounts payable to Mr. Dockray under preexisting agreements between Mr. Dockray and the company.

Although we have no formal policy, plan or arrangement for payments to our executive officers in connection with their termination of employment with us, we may in the future provide on a discretionary basis for similar payments and matters depending on various factors we then consider relevant and if we believe it is in the company's best interests to do so.

**DIRECTOR COMPENSATION FOR 2009**

Thomas M. O'Brien	\$ <sup>(2),(3)</sup>	\$ 17,175 <sup>(3)</sup>	\$ 17,175

(1) Represents the value based upon the closing price of our shares on the date of grant. This is also the compensation cost recognized by us for financial reporting purposes pursuant to ASC 718. No assumptions are used in this calculation.

(2) Our Managing Directors do not receive cash fees for their services as Directors.

(3) The compensation listed in this table for Mr. O'Brien relates solely to compensation in his capacity as one of our Directors. Compensation received by Mr. O'Brien in his capacity as our President and Chief Executive Officer is provided elsewhere in this proxy statement and the value of Mr. O'Brien's Director share award is also included in his compensation listed in the summary compensation table appearing elsewhere in this proxy statement.

Each Independent Director receives an annual fee of \$30,000 for services as a Director, plus a fee of \$500 for each meeting attended. Up to two \$500 fees are paid if a Board meeting and one or more Board committee meetings are held on the same date. The Chairs of our Audit Committee, Compensation Committee and Nominating and Governance Committee receive an additional \$10,000, \$3,500 and \$3,500, respectively, each year. In addition, each Director received a grant of 7,500 of our common shares in 2009. We generally reimburse all our Directors for travel expenses incurred in connection with their duties as Directors.

Our Board believes it is important to align the interests of Directors with those of our shareholders and for Directors to hold equity ownership positions in us. Accordingly, our Board believes that a portion of each Director's compensation should be paid in shares. In determining the amount and composition of such compensation, our Board considers the total compensation of our Directors and Directors of other comparable enterprises, both with respect to size and industry.

In 2009 our Board reviewed the compensation paid to our Directors and determined both the amount of such compensation and the allocation of such compensation between equity based awards and cash. Our Managing Directors do not receive any cash compensation for their services as Directors, but they do receive common share grants equal to the share grants awarded to our Independent Directors. Mr. O'Brien receives compensation for services as our President and Chief Executive Officer.

**AUDIT COMMITTEE REPORT**

In the course of our oversight of the company's financial reporting process, we have: (i) reviewed and discussed with management the audited financial statements for the year ended December 31, 2009; (ii) discussed with Ernst & Young LLP, the company's independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted, amended, supplemented or superseded by the rules of the Public Company Accounting Oversight Board; (iii) received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence; (iv) discussed with the independent registered public accounting firm its independence; and (v) considered whether the provision of non-audit services by the independent registered public accounting firm is compatible with maintaining its independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC.

The following table sets forth information regarding the beneficial ownership of our common shares by: (1) each person or entity known to us to be the beneficial owner of more than 5% of our outstanding common shares; (2) each of our Directors, nominees and the persons listed in the summary compensation table found elsewhere in this proxy statement; and (3) our Directors and executive officers as a group (not including any fractional shares which may be beneficially owned by an executive officer or Director). (2)  
Our limited liability company agreement and other agreements to which we are a party place restrictions on the ability of any person or group to acquire beneficial ownership of more than 9.8% of any class or series of our shares. In addition, in order to help us preserve the tax treatment of our net operating losses and other tax benefits, our bylaws generally provide that transfers of our shares to a person, entity or group which is then, or would become as a result, an owner of 5% or more of our outstanding shares would be void in total for transferees then already owning 5% or more of our shares and, for transferees that would otherwise become owners of 5% or more of our shares, to the extent the transfer would so result in such level of ownership by the proposed transferee. The percentages indicated are based upon the number of shares shown divided by the 17,269,316 of our common shares outstanding as of February 21, 2010.

- (3) This information is as of December 31, 2009 and is based solely on a Schedule 13G/A filed with the SEC on January 20, 2010. Based on the information provided in that Schedule 13G/A, the address of HPT is 400 Centre Street, Newton, Massachusetts 02458. In that Schedule 13G/A, RMR and Reit Management & Research Trust, or RMR Trust, reported that they do not hold any of our common shares, but RMR, as manager of HPT, and RMR Trust, as the sole member of RMR, may, under applicable regulatory definitions, be deemed to beneficially own (and have shared voting and dispositive power over) the 1,540,000 shares beneficially owned by HPT. In that same Schedule 13G/A, RMR and RMR Trust each disclaimed such beneficial ownership. In addition, in that same Schedule 13G/A, Mr. Barry Portnoy reported that he beneficially owns 36,411.6 of our common shares, and Mr. Adam D. Portnoy reported that he beneficially owns 30,263.3 of our common shares. In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy reported that in their respective positions as the Chairman and a director of RMR and the Chairman, majority beneficial owner and a trustee of RMR Trust and as the President and Chief Executive Officer and a director of RMR, and the President and Chief Executive Officer, a beneficial owner and a trustee of RMR Trust, they may also be deemed to beneficially own (and have shared voting and dispositive power over) the 1,540,000 shares beneficially owned by HPT. In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy each disclaimed such beneficial ownership. None of the 1,540,000 shares beneficially owned by HPT are included in the shares listed as beneficially owned by Mr. Barry Portnoy in the above table.

#### **RELATED PERSON TRANSACTIONS AND COMPANY REVIEW OF SUCH TRANSACTIONS**

We have adopted written Governance Guidelines which address, among other things, the consideration and approval of any related person transactions. Under these Governance Guidelines, we may not enter into any transaction in which any Director or executive officer, any member of the

immediate family of any Director or executive officer or any other related person, has or will have a direct or indirect material interest unless that transaction has been disclosed or made known to our Board and our Board reviews and authorizes, approves or ratifies the transaction by the affirmative vote of a majority of the disinterested Directors, even if the disinterested Directors constitute less than a quorum. If there are no disinterested Directors, the transaction shall be reviewed, authorized and approved or ratified by both (1) the affirmative vote of a majority of our entire Board and (2) the affirmative vote of a majority of our Independent Directors. The Governance Guidelines further provide that, in determining whether to approve or ratify a transaction, our Board, or disinterested or Independent Directors, as the case may be, shall act in accordance with any applicable provisions of our limited liability company agreement and bylaws, consider all of the relevant facts and circumstances, and approve only those transactions that are fair and reasonable to us. All related person transactions described below were reviewed and approved or ratified by a majority of the disinterested Directors or otherwise in accordance with our policies described above.

We were created as a 100% owned subsidiary of HPT. On January 31, 2007, HPT purchased our predecessor for approximately \$1.9 billion. Simultaneously with this purchase, HPT restructured our predecessor's business as follows: (i) HPT retained the real estate of 146 of the 163 travel centers then operated or franchised by our predecessor and other assets; (ii) our predecessor's operating business and all its assets not retained by HPT, plus approximately \$200 million of net working capital, were contributed to us; (iii) we entered a long term lease with HPT for our predecessor's real estate retained by HPT, which we refer to as our TA Lease; and (iv) all of our shares were spun off to HPT's shareholders on January 31, 2007 and we became a separate public company. HPT beneficially owns more than 5% of our common shares.

One of our Independent Directors, Arthur Koumantzelis, was a trustee of HPT at the time we were created, and one of our Managing Directors, Barry Portnoy, was a trustee of HPT at the time we were created. Mr. Koumantzelis resigned and ceased to be a trustee of HPT shortly before he joined our Board. Mr. Portnoy remains a trustee of HPT. Mr. Portnoy's son, Mr. Adam Portnoy, is also a trustee of HPT, and his son-in-law is an executive officer of HPT. Accordingly, all transactions between us and HPT are approved by our Independent Directors and by HPT's independent trustees.

In addition to our spin off from HPT on January 31, 2007, we completed another transaction together with HPT in 2007. On May 30, 2007, we purchased Petro Stopping Centers, L.P. for \$63.6 million and HPT purchased Petro Stopping Centers Holdings, L.P. for approximately \$655 million. Simultaneously with these purchases, we leased 40 Petro travel centers from HPT pursuant to our Petro Lease.

We have two leases with HPT, the TA Lease and the Petro Lease, pursuant to which we currently lease 185 travel centers from HPT. Our TA Lease is for 145 travel centers that we operate under the "TravelCenters of America" or "TA" brand names. The TA Lease became effective on January 31, 2007. Our Petro Lease is for 40 travel centers that we operate under the "Petro" brand name. Our Petro Lease became effective on May 30, 2007. The TA Lease expires on December 31, 2022. The Petro Lease expires on June 30, 2024, and may be extended by us for up to two additional periods of 15 years each. Both the TA Lease and the Petro Lease are "triple net" leases, which require us to pay all costs incurred in the operation of the leased travel centers, including personnel, utilities, acquiring inventories, services to customers, insurance, real estate and personal property taxes, environmental related expenses and ground lease payments, if any. The minimum rent payable by us to HPT under the TA Lease increases annually during the first six years of the lease term from \$153.5 million to \$175 million and may increase if HPT funds or reimburses the cost in excess of \$125 million (see below) for certain improvements to the leased TA travel centers. The Petro Lease requires us to pay minimum annual rent of \$62.2 million to HPT. Starting in 2012 and 2013, respectively, the TA Lease and Petro Lease require us to pay HPT additional rent equal to 3% of increases in nonfuel gross revenues and 0.3% of increases in gross fuel revenues at the leased travel centers over base amounts.

The increases in percentage rents attributable to fuel revenues are subject to a maximum each year calculated by reference to changes in the consumer price index. We also are required to generally indemnify HPT for certain environmental matters and for liabilities which arise during the terms of the leases from ownership or operation of the leased travel centers. The TA Lease and the Petro Lease also include arbitration provisions for the resolution of certain disputes, claims and controversies.

HPT had agreed to provide up to \$25 million of tenant improvements allowance funding annually for the first five years of the TA Lease for certain improvements to the leased properties without an increase in our rent. This funding was cumulative, meaning if some portion of the \$25 million was not spent in one year it may be drawn by us from HPT in subsequent years; provided, however, none of the \$125 million of the tenant improvements allowance was available to be drawn after December 31, 2015. All improvements funded under the tenant improvements allowance are owned by HPT. On May 12, 2008, we and HPT amended the TA Lease to permit us to receive funding, without an increase in our rent, from HPT earlier than previously permitted for certain capital improvements to properties leased from HPT. In the event that we elect to receive funding for these tenant improvements before the time contractually required by the original lease terms, HPT's tenant improvements allowance is discounted to reflect the accelerated receipt of funds by us according to a present value formula established in the amended lease. We record the discounted amount of the remaining uncollected tenant improvements allowance in our balance sheet as a leasehold improvements receivable. During 2009 and 2008, we received funding of \$8.5 million and \$77.4 million, respectively, from HPT for qualifying tenant improvements. At December 31, 2009, \$7.3 million of the \$125 million total amount of the tenant improvements allowance remained available from HPT, which amount would be discounted in accordance with the amended lease to the extent those funds are received on an accelerated basis. As of the date of this proxy statement, we have not received any such funding from HPT under the tenant improvements allowance in 2010.

We may request that HPT fund approved amounts for renovations, improvements and equipment at the leased travel centers, in addition to the \$125 million described above, in return for minimum annual rent increases according to a formula: the minimum rent per year will be increased by an amount equal to the amount funded by HPT times the greater of (i) 8.5% or (ii) a benchmark U.S. Treasury interest rate plus 3.5%. Since January 1, 2009, we have not sold any such leasehold improvements to HPT.

At the time of our spin off from HPT, our acquisitions and transactions with HPT in connection with the Petro Lease and an equity offering completed by us in June 2007, we and HPT believed that we were adequately capitalized to meet all of our obligations, including those owed to HPT. However, since then there were material changes in the market conditions under which we were operating. Specifically, the increase during the first half of 2008 in the price of diesel fuel which we buy and sell at our travel centers and the slowing of the U.S. economy during 2008 adversely affected our business and increased our working capital requirements. Although we had undertaken a restructuring of our business to adjust to these changed market conditions, our balance sheet flexibility and liquidity remained a concern in light of the impact the then weakening economy and fuel price volatility might have on our working capital requirements. Under those circumstances, on August 11, 2008, we and HPT entered a rent deferral agreement. Under the terms of this deferral agreement we have the option to defer our monthly rent payments to HPT by up to \$5 million per month for periods beginning July 1, 2008 until December 31, 2010 and we were not obligated to pay cash interest on the deferred rent through December 31, 2009. Also pursuant to the deferral agreement, we issued 1,540,000 of our common shares to HPT (approximately 9.6% of our shares then outstanding immediately after this new issuance). Beginning on January 1, 2010, interest on all unpaid deferred rent under the deferral agreement accrues at a rate of 1% per month and is payable monthly by us to HPT. No additional rent deferrals are permitted for rent periods after December 31, 2010. Any deferred rent (and interest thereon) not previously paid is due to HPT on July 1, 2011. We may repay any deferred

amounts (and related interest) at any time. This deferral agreement also includes a prohibition on share repurchases and dividends by us while any deferred rent remains unpaid and has change of control covenants so that amounts deferred will be immediately payable to HPT in the event we experience a change of control (as defined in the agreement) while deferred rent is unpaid. In connection with this deferral agreement, we entered into a registration rights agreement with HPT, which provides HPT with certain rights to require us to conduct a registered public offering (underwritten or otherwise) with respect to our common shares issued to HPT pursuant to the deferral agreement, which rights continue through the date which is twelve months following the latest of the expiration of the terms of the TA Lease and the Petro Lease. As of December 31, 2009, we had accrued an aggregate of \$90 million of deferred rent payable to HPT, and we deferred an additional \$5 million for January 2010 rent payable on February 1, 2010.

U.S. generally accepted accounting principles provide for complex accounting treatment for our two leases with HPT, which has various effects on our financial statements. For a further description of our accounting for our leases with HPT, see our audited 2009 financial statements and the notes accompanying those financial statements, which are included in our annual report to shareholders and our Annual Report on Form 10-K filed with the SEC, in each case for the year ended December 31, 2009. During 2009, we paid cash rent of \$171.4 million under our leases with HPT. At December 31, 2009, our consolidated balance sheet included \$13.9 million for rent due to HPT in other current liabilities and \$90 million of deferred rent due to HPT, which reflects total rent we deferred under the deferral agreement as of that date.

At the time we became a separate publicly owned company as a result of the distribution of our shares to HPT's shareholders, we entered a management and shared services agreement, or business management agreement, with RMR. RMR also provides management services to HPT. One of our Managing Directors, Mr. Barry Portnoy, is the Chairman and majority owner of RMR. Mr. O'Brien, our other Managing Director and our President and Chief Executive Officer, was a former executive officer of HPT and is also an Executive Vice President of RMR. Mr. Rebholz, our Executive Vice President, Chief Financial Officer and Treasurer, is a Senior Vice President of RMR. Mr. Portnoy's son, Mr. Adam Portnoy, is the minority owner of RMR and serves as its President, Chief Executive Officer and a Director and serves as a Managing Trustee of HPT. Additionally, Mr. Barry Portnoy's son-in-law is an officer of RMR and a Senior Vice President of HPT. Mr. Portnoy devotes the majority of his time to RMR; Messrs. O'Brien and Rebholz devote the majority of their time to our business, but may devote some business time to RMR. RMR has approximately 600 employees and provides management services to other publicly owned companies in addition to us and HPT, and an affiliate of RMR is a registered investment advisor which manages several mutual funds. Pursuant to the business management agreement, RMR assists us with various aspects of our business, which may include, but are not limited to, compliance with various laws and rules applicable to our status as a publicly owned company, maintenance of our travel centers, site selection for properties on which new travel centers may be developed, identification of, and purchase negotiation for, travel centers and travel center companies, accounting and financial reporting, capital markets and financing activities, investor relations and general oversight of our daily business activities, including legal and tax matters, human resources, insurance programs, management information systems and the like. Under our business management agreement, we pay RMR an annual fee equal to 0.6% of the sum of our gross fuel margin (which is our fuel sales revenues less our cost of fuel purchased) plus our total nonfuel revenues. The fee is payable monthly based on the prior month's margins and revenues. During 2009, this fee totaled \$8 million. The business management agreement is effective until December 31, 2010, and will be automatically renewed for successive one year terms thereafter unless we or RMR give notice of non-renewal before the end of an applicable term. We or RMR may terminate the business management agreement upon 60 days prior written notice. RMR may also terminate the business management agreement upon five business days notice if we undergo a change of control, as defined in the business management agreement. In addition, either we or RMR may terminate the business

management agreement for a violation of the agreement by the other party which remains uncured 30 days after notice of default or in the case of certain bankruptcy, insolvency or related matters regarding the other party. Our Board has given our Compensation Committee, which is comprised of our Independent Directors, authority to act on our behalf with respect to this agreement. The charter of our Compensation Committee requires the Committee to review, evaluate and approve the business management agreement and evaluate RMR's performance under this agreement annually. Under the Committee's charter, the Committee must also annually evaluate and approve the compensation paid to RMR under the agreement. In addition, RMR provides internal audit services to us in return for our pro rata share of the total internal audit costs incurred by RMR for us and other publicly owned companies managed by RMR and its affiliates, which amounts are subject to determination by our Compensation Committee. Our pro rata share of RMR's costs in providing that function was approximately \$0.2 million for 2009. The business management agreement also includes arbitration provisions for the resolution of certain disputes, claims and controversies. Pursuant to our business management agreement, RMR may from time to time negotiate on our behalf with certain third party vendors and suppliers for the procurement of services to us. As part of this arrangement, we may enter agreements with RMR and other companies to which RMR provides management services for the purpose of obtaining more favorable terms with such vendors and suppliers.

The terms of our agreements with HPT and RMR require that we afford HPT a right of first refusal to purchase, lease, mortgage or otherwise finance any interest we own in a travel center before we sell, lease, mortgage or otherwise finance that travel center to or with another party, and that we afford HPT and any other company managed by RMR a right of first refusal to acquire or finance any real estate of the types in which they invest before we do. We also agreed under these agreements to not permit: the acquisition by any person or group of beneficial ownership of 9.8% or more of the voting shares or the power to direct the management and policies of us or any of our subsidiary tenants or guarantors under our leases with HPT; the sale of a material part of the assets of us or any such tenant or guarantor; or the cessation of certain continuing Directors constituting a majority of the board of directors of us or any such tenant or guarantor.

Our Independent Directors also serve as directors or trustees of other public companies to which RMR provides management services and Mr. Portnoy serves as a managing director or trustee of those companies. We understand that the other companies to which RMR provides management services also have certain other relationships with each other, including business and property management agreements and lease arrangements. In addition, officers of RMR serve as officers of those companies. We understand that further information regarding those relationships is provided in the applicable periodic reports and proxy statements filed by those other companies with the SEC.

We, RMR and other companies to which RMR provides management services formed Affiliates Insurance Company, or Affiliates Insurance, which is an insurance company, in the State of Indiana in November 2008. Affiliates Insurance received its certificate of authority to transact insurance business in the State of Indiana from the Indiana Department of Insurance in May 2009. All of our Directors currently serve on the board of directors of Affiliates Insurance. RMR, in addition to being a shareholder, entered a management agreement with Affiliates Insurance pursuant to which RMR provides Affiliates Insurance certain management and administrative services. In addition, Affiliates Insurance entered an investment advisory agreement with RMR Advisors pursuant to which RMR Advisors acts as Affiliates Insurance's investment advisor. The same persons who own and control RMR, including Barry Portnoy, one of our Managing Directors, and Adam Portnoy, his son, own and control RMR Advisors. Our Governance Guidelines provide that any material transaction between us and Affiliates Insurance shall be reviewed, authorized and approved or ratified by both the affirmative vote of a majority of our entire Board and the affirmative vote of a majority of our Independent Directors. As of the date of this proxy statement, we have invested \$5.2 million in Affiliates Insurance. On December 16, 2009, GOV purchased 20,000 shares of Affiliates Insurance from Affiliates Insurance,

which represented a 14.29% interest in Affiliates Insurance. In connection with that purchase by GOV, we, the other previous shareholders of Affiliates Insurance, Affiliates Insurance and GOV entered an amended and restated shareholders agreement. The amended and restated shareholders agreement also includes arbitration provisions for the resolution of certain disputes, claims and controversies. We and the other shareholders of Affiliates Insurance each currently own approximately 14.29% of Affiliates Insurance. We may invest additional amounts in Affiliates Insurance in the future if the expansion of this insurance business requires additional capital, but we are not obligated to do so. Over time we expect to obtain some or all of our insurance coverage from Affiliates Insurance. By participating in this insurance business with RMR and the other companies to which RMR provides management services, we expect that we may benefit financially by possibly reducing our insurance expenses and/or by realizing our pro-rata share of any profits of this insurance business. All transactions between us and Affiliates Insurance have been approved pursuant to our Governance Guidelines.

The foregoing descriptions of our agreements with HPT, RMR and Affiliates Insurance are summaries and are qualified in their entirety by the terms of the agreements. A further description of the terms of those agreements is included in our annual report to shareholders and our Annual Report on Form 10-K filed with the SEC, in each case for the year ended December 31, 2009. In addition, copies of those agreements are filed with the SEC and may be obtained from the SEC's website at [www.sec.gov](http://www.sec.gov).

We believe that our agreements with HPT, RMR and Affiliates Insurance are on commercially reasonable terms. Nonetheless, because of our various relationships with HPT and RMR it is possible that some investors may assert otherwise. For instance, a purported shareholder derivative action has been commenced against us, our Directors, HPT and RMR which alleges, among other matters, that the rent we agreed to pay HPT under the Petro Lease, which we entered in connection with the Petro transaction described above, is too high. The terms of our limited liability company agreement, bylaws and agreements with HPT and RMR may require that we indemnify our Directors, HPT and RMR for liabilities, costs and expenses incurred by them in connection with this litigation. RMR has been voluntarily dismissed from the litigation. We believe that the plaintiff and HPT have agreed to defer the arbitration demand. This case is now in the early stages of discovery. We believe the plaintiff's allegations are without merit.

Directors, and persons who own more than 10% of a registered class of our equity securities were timely met.
