**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS**

May 20, 2014

This statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of MVB Financial Corp. ("MVB", or the "Company") to be held on May 20, 2014, at the time and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of Proxies

The solicitation of proxies is made by the Board of Directors of MVB. These proxies enable shareholders to vote on all matters that are scheduled to come before the meeting. If the enclosed proxy is signed and returned, it will be voted as directed; or if not directed, the proxy will be voted "FOR" all of the proposals to be submitted to the vote of shareholders described in the Notice of Annual Meeting and this Proxy Statement. Other than the matters listed in the Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Annual Meeting.

A shareholder executing the proxy may revoke it at any time before it is voted:

- (a) by notifying MVB representatives Larry F. Mazza or Lisa J. McCormick in person;
- (b) by giving written notice to MVB. The revocation should be delivered to Lisa J. McCormick, Corporate Secretary, 301 Virginia Avenue, Fairmont, WV 26554;
- (c) by submitting to MVB a subsequently dated proxy; or
- (d) by attending the meeting and withdrawing the proxy before it is voted at the meeting.

The expenses of the solicitation of proxies will be paid by MVB. In addition to this solicitation by mail, directors, officers and employees of MVB or one of its subsidiaries MVB Bank, Inc. ("MVB Bank"), Potomac Mortgage Group, Inc., which does business as MVB Mortgage ("MVB Mortgage"), and MVB Insurance, LLC ("MVB Insurance") may solicit proxies personally or by telephone, although no person will be specifically engaged for that purpose.

Eligibility of Stock for Voting Purposes

Pursuant to the Bylaws of MVB, the Board of Directors has fixed April 1, 2013, as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the meeting or any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at such meeting or any adjournment thereof.

As of the record date for the Annual Meeting, approximately 7.9 million shares of the common stock of MVB, owned by approximately 1,220 shareholders, were issued and outstanding and entitled to vote. There are 20 million shares authorized. The principal holders of MVB Common Stock are discussed under the section of this Proxy Statement entitled, "Principal Holders of Voting Securities."

PURPOSES OF MEETING**1. ELECTION OF DIRECTORS****General**

The Bylaws of MVB currently provide for a Board of Directors composed of five to twenty five members to be elected annually. The Board has set fourteen (14) as the number of directors of MVB for the upcoming year. This is two (2) fewer members than were proposed in 2013. This decrease is a result of several director retirements and a fewer number of director nominees selected to replace them.

Directors are elected by a plurality of the votes cast. Therefore, a vote withheld will not affect the outcome of the election. As required by West Virginia law, each share is entitled to one vote per nominee, unless a shareholder requests cumulative voting for directors at least 48 hours before the meeting. If a shareholder properly requests cumulative voting for directors, then each MVB shareholder will have the right to vote the number of shares owned by that shareholder for as many persons as there are directors to be elected, or to cumulate such shares and give one candidate as many votes as the number of directors multiplied by the number of shares owned shall equal, or to distribute them on the same principle among as many candidates as the shareholder sees fit. If any shares are voted cumulatively for the election of directors, the proxies, unless otherwise directed, shall have full discretion and authority to cumulate their votes and vote for less than all such nominees. For all other purposes, each share is entitled to one vote.

Management Nominees to the Board of MVB

The Articles of Incorporation provide for staggered terms for directors. Approximately one-third of the Directors are elected to a three-year term each year. The six individuals identified below represent management nominees to the Board of Directors. All six will be elected for a three-year term. Following the election of the six nominees, MVB will have three classes of directors. Two of the classes of directors will consist of four board members while the third class will include six board members. The term of office of the six directors is indicated herein.

The Board of Directors of MVB and the Bank met 16 times during 2013. All directors attended 75% or more of the meetings of the Board of Directors and committees thereof held of which the director is a member, except for Director Mossallati, who attended 42.55% of the meetings and retired in November 2013.

In order to meet their responsibilities, directors are expected to attend board and committee meetings as well as the annual meeting of shareholders. All directors attended the 2013 Annual Meeting of Shareholders, except for Director Mossallati.

Leadership Structure of the Board

The Board Chair, Vice Chair and President/Chief Executive Officer (CEO) are three separate people. Throughout MVB's history, this has been the leadership model. The President/CEO is responsible for the day-to-day operations and performance of MVB. The Chair and Vice Chair are involved in management of meetings and matters of governance and corporate oversight. The Chair and Vice Chair also focus on monitoring the effectiveness of the President/CEO in implementing MVB's corporate strategy and ensuring that the Directors receive sufficient information, on a timely basis, to provide proper risk oversight.

Edgar Filing: MVB FINANCIAL CORP - Form DEF 14A

A Governance Committee was established by MVB in December 2009. The Governance Committee's responsibilities are defined in its Charter. The Committee, among many things, reviews the committees of the Board and membership thereof, evaluates compliance with the Director Education Policy, evaluates the current Board areas of expertise and monitors such to determine if an adjustment of Board membership is necessary. The Governance Committee will also provide oversight on issues relating to the governance and operations of MVB.

The committee structure of MVB is such that the committees are responsible for and review the areas of greatest risk to MVB. Each is chaired by an independent director. Staff members are responsible to the Chairs of the committees for requested information necessary for proper committee functioning. The significant risk areas for a community banking organization include the evaluation of the quality of the loan portfolio, the interest rate sensitivity of the institution and the reliability of its financial statements. The related committees, the Loan Review Committee, the ALCO Committee and the Audit Committee, are described below.

The Board of MVB elected a Chief Legal & Risk Officer (CLRO) whose responsibilities are to evaluate the MVB enterprise risk, that being all areas of risk to MVB, and to serve as Chair of the Enterprise Risk Management Committee (ERM). A report of the ERM Committee was delivered to the Board 10 times during 2013. It is anticipated that the CLRO will report the activities of the ERM Committee to the full Board of Directors 12 times during 2014. Directors Pallotta, Patel and Staton are members of the ERM Committee.

Committees of the Board

MVB has a number of standing committees as described below.

Executive Committee. Composed of David B. Alvarez, Stephen R. Brooks Chair, James J. Cava, Jr., Larry F. Mazza, Kelly R. Nelson, Nitesh S. Patel and Jimmy D. Staton. The purpose of the Committee is to help assure that MVB fulfills the responsibilities for effective board governance of MVB and its subsidiaries by: (1) providing Board presence and continuity between meetings of the Board and (2) providing quick response capability in the event of emergencies or for relatively routine items requiring Board action. The Committee, between meetings of the Board, shall exercise the powers of the Board as appropriate in any case where immediate action is required and the matter is such that a special meeting of the full Board is not deemed necessary or possible. The Committee reports the results from these meetings to the Board of Directors. The Committee met 14 times in 2013.

Audit Committee. Composed of Stephen R. Brooks, James J. Cava, Jr. Chair and John W. Ebert. The purpose is to review the results of the internal and external audits, review Reports of Examination from regulatory authorities and discuss the financial statements with management and external auditors and to report such to the Board of Directors.

The Audit Committee of MVB does not include an individual who is considered to be an audit committee financial expert. This is true for the entire Board of Directors as well, because no one meets the guidelines set forth by Section 407 of the Sarbanes-Oxley Act of 2002, for an audit committee financial expert. In the small community market area of MVB, individuals meeting the required credentials under the Act are very rare. All members of the Board of Directors are successful business owners and have knowledge of the requirements to run such a successful business. The directors of MVB, including those who are members of the Audit Committee, believe that having separate internal and external audits and regulatory examinations assist in insuring proper supervision, evaluation and reporting of MVB activities.

The Audit Committee met five times in 2013. The Committee meets with the auditors responsible for the internal audit function of MVB and the auditors responsible for the annual certified audit, as

Edgar Filing: MVB FINANCIAL CORP - Form DEF 14A

well as with the members of the regulatory authorities, upon the completion of their examination of the Bank or MVB. During these meetings, the active management of the Bank or MVB, including CEO Mazza and CFO Price, may be asked to leave the room to provide comfort of questioners and responders.

In the opinion of MVB's Board of Directors, none of the Board of Directors, except for Directors Mazza and Turner, has a relationship with MVB that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them are or have for the past three years been employees of MVB, except for Directors Mazza and Turner and none of their immediate family members are or have for the past three years been executive officers of MVB or Bank. In the opinion of MVB and its Board of Directors, the entire Board of Directors, except for Directors Mazza and Turner are "independent directors," as that term is defined in Rule 4200(a)(15) of the Rules of the Financial Industry Regulatory Authority. The Board of Directors of MVB has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to the 2013 Proxy Statement as required by the Securities and Exchange Commission.

Finance Committee. Composed of David B. Alvarez, James J. Cava, Jr. John W. Ebert Chair, Jimmy D. Staton and Samuel J. Warash. The purpose of the Committee is to help assure that MVB fulfills the responsibilities for effective board governance of MVB Financial and its subsidiaries by providing oversight and guidance regarding finance, budget, and facilities matters and to make recommendations, as appropriate and warranted. The Committee reports the results from these meetings to the Board of Directors. The Committee is a consolidation of the former MVB Budget Committee, which met three times in 2013 and the former MVB Facilities Planning Committee, which was newly established in 2013.

Governance Committee. Composed of Stephen R. Brooks, John W. Ebert, Gayle C. Manchin, Kelly R. Nelson Chair, and Nitesh S. Patel. CEO Mazza is an ex-officio member of this Committee. The purpose of the Committee is to help assure that MVB fulfills the responsibilities for effective board governance of MVB and its subsidiaries by: (1) helping MVB to create and maintain an appropriate board and committee structure; (2) assessing the skills, experience, and backgrounds necessary to effectively staff MVB boards and committees; (3) overseeing the development and updating of governance and ethics policies for MVB; (4) leading MVB in periodic assessments of the operation of MVB boards and committees and the contributions of the members, and (5) monitoring of the implementation of MVB governance policies and practices. The Committee reports the results from these meetings to the Board of Directors. The Committee met eight times in 2013.

The Board of Directors has not established a formal nominating committee as the Governance Committee serves in this capacity. The Board of Directors of MVB does not maintain a separate nominating committee, nor does it have a nominating committee charter, because the Board of Directors is relatively small and vacancies are rare.

The Board of Directors believes that candidates for director should have certain minimum qualifications, including:

Directors should be of the highest ethical character.

Directors should have excellent personal and professional reputations in MVB's market area.

Directors should be accomplished in their professions or careers.

Directors should be able to read and understand financial statements and either have knowledge of, or the ability and willingness to learn, financial institution law.

Directors should have relevant experience and expertise to evaluate financial data and provide direction and advice to the chief executive officer and the ability to exercise sound business judgment.

Edgar Filing: MVB FINANCIAL CORP - Form DEF 14A

Directors must be willing and able to expend the time to attend meetings of the Board of Directors of MVB and to serve on Board committees.

The Board of Directors will consider whether a nominee is independent, as legally defined. In addition, directors should avoid the appearance of any conflict and should be independent of any particular constituency and be able to serve all shareholders of MVB.

Directors must be acceptable to MVB's and the Bank's regulatory agencies, including the Federal Reserve Board, the Federal Deposit Insurance Corporation and the West Virginia Division of Financial Institutions and must not be under any legal disability which prevents them from serving on the Board of Directors or participating in the affairs of a financial institution.

Directors must own or acquire sufficient capital stock to satisfy the requirements of West Virginia law, the Bylaws of MVB and share ownership guidelines as established by MVB.

Directors must be at least 21 years of age.

The Board of Directors of MVB reserves the right to modify these minimum qualifications from time to time, except where the qualifications are required by the laws relating to financial institutions.

The Board of Directors does not maintain a formal diversity policy with respect to the identification or selection of directors for nomination to the Board of Directors. Diversity is just one of many factors the Governance Committee considers in the identification and selection of director nominees. We define diversity broadly to include differences in race, gender, ethnicity, age, viewpoint, professional experience, educational background, skills and other personal attributes that can foster board heterogeneity in order to encourage and maintain board effectiveness. While diversity and variety of experiences and viewpoints represented on the board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a director nominee, the Governance Committee focuses on skills, expertise or background that would complement the existing board, recognizing that MVB's businesses and operations are regional in nature. Our directors are or have been residents of our primary markets north-central West Virginia, eastern West Virginia, or Northern Virginia. Our directors come from diverse backgrounds including the financial, industrial, professional and retail areas and information technology.

The process of the Governance Committee for identifying and evaluating nominees is as follows: In the case of incumbent directors whose terms are set to expire, the Governance Committee considers the directors' overall service to MVB or the Bank during their term, including such factors as the number of meetings attended, the level of participation, quality of performance and any transactions between such directors and MVB and the Bank. The Committee also reviews the payment history of loans, if any, made to such directors by the Bank to ensure that the directors are not chronically delinquent and in default. The Committee considers whether any transactions between the directors and the Bank have been criticized by any banking regulatory agency or the Bank's external auditors and whether corrective action, if required, has been taken and was sufficient. The Committee also confirms that such directors remain eligible to serve on the Board of Directors of a financial institution under federal and state law. For new director candidates, the Committee uses its network of contacts in MVB's market area to compile a list of potential candidates. The Committee then meets to discuss each candidate and whether he or she meets the criteria set forth above. The Committee then discusses each candidate's qualifications and chooses a candidate by majority vote.

The Board of Directors will consider director candidates recommended by stockholders for nomination by the Board of Directors, provided that the recommendations are received at least 120 days before the next annual meeting of shareholders. In addition, the procedures set forth below must be followed by stockholders for submitting nominations for director to the shareholders. The

Edgar Filing: MVB FINANCIAL CORP - Form DEF 14A

Board of Directors does not intend to alter the manner in which it evaluates candidates, regardless of whether or not the candidate was recommended or nominated by a shareholder.

MVB's Bylaws provide that nominations for election to the Board of Directors must be made by a shareholder in writing delivered or mailed to the president not less than 14 days nor more than 50 days prior to the meeting called for the election of directors; provided, however, that if less than 21 days' notice of the meeting is given to shareholders, the nominations must be mailed or delivered to the president not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. The notice of nomination must contain the following information, to the extent known:

Name and address of proposed nominee(s);

Principal occupation of nominee(s);

Total shares to be voted for each nominee;

Name and address of notifying shareholder; and

Number of shares owned by notifying shareholder.

Nominations not made in accordance with these requirements may be disregarded by the chairman of the meeting and in such case the votes cast for each such nominee will likewise be disregarded. All nominees for election at the meeting are incumbent directors or directors of MVB subsidiaries and are included as nominees in this Proxy Statement. No shareholder recommendations or nominations have been made for election at the 2014 Annual Meeting.

Human Resources & Compensation Committee. Composed of Stephen R. Brooks Chair, James J. Cava, Jr., Kelly R. Nelson and Jimmy D. Staton. The purpose of this Committee is to address issues related to staffing, compensation and related policy matters. This Committee also is responsible for administration of the 2013 MVB Financial Corp. Stock Incentive Plan. CEO Mazza is an ex-officio member of this Committee and makes suggestions, which the Committee evaluates and, if considered appropriate, acts on. Mr. Mazza makes no recommendations nor participates in any portion of the meetings relating to his own compensation. The Committee reports the results from these meetings to the Board of Directors. The Committee met nine times in 2013.

In addition, MVB subsidiary, MVB Bank, has a number of standing committees, as described below.

Executive Committee. Composed of David B. Alvarez, Stephen R. Brooks Chair, James J. Cava, Jr., Larry F. Mazza, Kelly R. Nelson, J. Christopher Pallotta, Nitesh S. Patel and Jimmy D. Staton. The purpose of the Committee is to help assure that MVB fulfills the responsibilities for effective board governance of MVB Bank and its subsidiaries by: (1) providing MVB Bank Board of Directors presence and continuity between meetings of the MVB Bank Board of Directors and (2) providing quick response capability in the event of emergencies or for relatively routine items requiring MVB Bank Board of Directors action. The Committee, between meetings of the MVB Bank Board of Directors, shall exercise the powers of the MVB Bank Board of Directors, as appropriate, in any case where immediate action is required and the matter is such that a special meeting of the full MVB Bank Board of Directors is not deemed necessary or possible. The Committee reports the results from these meetings to the MVB Bank Board of Directors. The Committee met 14 times in 2013.

ALCO Committee. Composed of James J. Cava, Jr., Larry F. Mazza, J. Christopher Pallotta Chair and Samuel J. Warash, as well as Executive officers Bret S. Price, David A. Jones, Donald T. Robinson, John T. Schirripa and Eric L. Tichenor. The purpose of this committee is to review the performance of the MVB Bank investment portfolio and policies relating to investments, liquidity and asset and liability management. The Committee reports the results from these meetings to the MVB Bank Board of Directors. The Committee met four times in 2013.

Loan Review Committee. Composed of Larry F. Mazza, J. Christopher Pallotta, Nitesh S. Patel, Jimmy D. Staton and Samuel J. Warash Chair. The purpose of this Committee is to evaluate the adequacy of the MVB Bank Allowance for Loan Losses, review loans and groups of loans for risks and evaluate policies related to the Allowance for Loan Losses as necessary. The Committee reports the results from these meetings to the MVB Bank Board of Directors. The Committee met four times in 2013.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2013, with management. The Audit Committee has also discussed the audited financial statements with S.R. Snodgrass, P.C., MVB's independent accountants, as well as the matters required to be discussed by Statement on Auditing Standards No. 61 (having to do with accounting methods used in the financial statements). The Audit Committee has received the written disclosures and the letter from S.R. Snodgrass, P.C. required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor's independence) and has discussed with S.R. Snodgrass, P.C., the independent accountants' independence. Based on this, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in MVB's Annual Report on Form 10-K for the year ended December 31, 2013, filed with the Securities and Exchange Commission.
