Explanatory Note: Capital Lease Funding, Inc. is filing a Form 8-K/A to amend its earlier Form 8-K filing on January 11, 2005 to add pro forma financial information, and is filing a Form 8-K to report a long-term financing transaction completed on February 25, 2005 and to report executive officer compensation determinations made by the Company's compensation committee on March 1, 2005.

Item 1.01 Entry into a Material Definitive Agreement.

Cadbury Schweppes Financing.

On February 25, 2005, we obtained long-term financing for the real property we acquired on January 6, 2005, which is net leased to Cadbury Schweppes Holdings (U.S.), a wholly-owned subsidiary of Cadbury Schweppes PLC (the "Property"). This financing was obtained through separate promissory notes made by CLF Parsippany LLC ("CLF Parsippany"), a single purpose entity of which Caplease, LP, our wholly-owned subsidiary, is the sole member. We consolidate the assets, liabilities and results of CLF Parsippany for accounting purposes. The payment terms of the notes are summarized below:

<u>Note</u>	<u>Payee</u>	<u>Original Principal Amount</u>	<u>Interest Rate</u>	<u>Maturity Date</u>
Real estate note	Wachovia Bank, N.A.	\$36,000,000	5.26%	March 11, 2015
Corporate credit note	Caplease, LP	\$4,047,559	5.26%	March 11, 2015

Debt service on the notes is payable monthly. Only interest is payable on the real estate note during the first 12 months of the loan term. The real estate note requires a balloon payment of approximately \$30.1 million at maturity, while the corporate credit note is fully amortizing. We generally may not prepay the notes, but we may defease them beginning in April 2009.

The notes are generally non-recourse to us but are secured by a mortgage on the property and an assignment of the underlying lease and rents on the Property. The notes generally include non-recourse exceptions for certain losses, damages or expenses to the lender, including those incurred as a result of the following:

- waste to the mortgaged property or damage to the mortgaged property as a result of our intentional misconduct or gross negligence;
- the existence of hazardous substances or radon on the mortgaged property or the failure to comply with environmental laws or regulations with respect to the mortgaged property; and
- a fraud or material misrepresentation committed by us or any person authorized to act on our behalf or the failure of us or anyone authorized to make statements on our behalf to disclose a material fact.

The notes become fully recourse if we fail to comply with covenants prohibiting us from transferring or further encumbering the mortgaged property or requiring us to take (or refrain from taking) various actions in order to preserve CLF Parsippany's status as a single-purpose entity.

Each note is subject to customary events of default, including the failure to pay principal and/or interest on the note, our failure to comply with our obligations under the loan documents (subject to our right to remedy defaults that may be cured) or the determination that any representation or warranty made in the loan documents is false or misleading in any material respect. Upon such event of default, each note will, at the option of the payee, become immediately due and payable.

Wachovia Investors, Inc., an affiliate of Wachovia Bank, owns approximately 3.7% of our outstanding common stock. We have entered in to a master repurchase agreement with Wachovia Bank to finance our asset investments on a short-term basis. From time to time, we may sell net lease assets to Wachovia Bank or its affiliates on what we believe are fair market terms. In addition, Wachovia Bank acts as servicer of our net lease loan assets and the transfer agent of our common stock.

Executive Officer Compensation.

On March 1, 2005, the Compensation Committee of our Board of Directors approved base salary increases for certain of our named executive officers (as reflected in the summary compensation table in the final prospectus for our initial public offering) and 2004 cash bonus awards for all of our named executive officers.

The following revised base salaries were approved for 2005:

Paul H. McDowell	\$335,000
Shawn P. Seale	\$290,000
Robert C. Blanz	\$215,000

The following cash bonus awards with respect to the year ended December 31, 2004 were approved by the Committee:

Paul H. McDowell	\$275,000
William R. Pollert	\$160,000
Shawn P. Seale	\$250,000
Robert C. Blanz	\$240,000
Michael J. Heneghan	\$185,000

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As discussed under Item 1.01 above, on February 25, 2005, we obtained long-term financing for the real property we acquired on January 6, 2005 which resulted in the creation of a direct financial obligation.

Item 9.01. Financial Statements and Exhibits.

The following pro forma financial information and exhibits are filed as part of this report.

(b) Pro forma financial information

The unaudited pro forma financial statements set forth:

- the Pro Forma Condensed Consolidated Balance Sheet (unaudited) as of September 30, 2004;
- the Pro Forma Condensed Consolidated Statement of Operations (unaudited) for the year ended December 31, 2003;
- the Pro Forma Condensed Consolidated Statement of Operations (unaudited) for the nine months ended September 30, 2004;
- the notes to Pro Forma Condensed Consolidated Financial Statements (unaudited); and

- the Statement of Estimated Taxable Operating Results and Estimated Cash to be Made Available by Operations (unaudited) for the year ended December 31, 2003.

The unaudited pro forma condensed consolidated balance sheet of Capital Lease Funding, Inc. (the "Company") as of September 30, 2004 assumes the Company's acquisition of the Property had been consummated on September 30, 2004. The unaudited pro forma condensed consolidated income statements for the year ended December 31, 2003 and the nine months ended September 30, 2004 assume the Company's acquisition of the Property occurred on January 1, 2003. The pro forma condensed consolidated financial statements do not purport to represent what our financial position or results of operations would have been if the acquisition had been consummated as of the dates indicated, nor do they purport to project our financial position or results of operations at any future date or for any future period. These pro forma condensed consolidated financial statements should be read in conjunction with our 2003 historical financial statements as included in the final prospectus for our initial public offering (filed with the SEC on March 19, 2004) and our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2004.

The pro forma financial statements are based upon assumptions contained in the notes thereto and should be read in conjunction with such notes.

The unaudited pro forma financial statements may not necessarily reflect the results of operations or financial position of the Company which would have actually resulted had the acquisition occurred as of the dates and for the periods indicated, nor should they be taken as indicative of the future results of operations or the future financial position of the Company.

Capital Lease Funding, Inc. and Subsidiaries
Notes to Pro Forma Condensed Consolidated Financial Statements
(Unaudited)

1. Basis of Presentation

The accompanying unaudited pro forma condensed consolidated financial statements are presented to reflect the acquisition of an office and technology center in Hanover Township, Morris County, New Jersey (the “Property”) net leased to Cadbury Schweppes Holdings (U.S.), an unaffiliated third party, by Capital Lease Funding, Inc.

The accompanying unaudited pro forma condensed consolidated balance sheet presents the historical financial information of the Company as of September 30, 2004 as adjusted for the acquisition of the Property as if the transaction had occurred on September 30, 2004.

The accompanying unaudited pro forma condensed consolidated statements of operations for the year ended December 31, 2003 and the nine months ended September 30, 2004 combines the historical operations of the Company with the expected operations of the Property as if the transaction had occurred on January 1, 2003.

2. Pro Forma Adjustments

The unaudited pro forma condensed consolidated financial statements reflect the following significant pro forma adjustments:

- (a) Adjustment to reflect the Company's purchase of the Property, for approximately \$48.1 million, inclusive of acquisition and closing costs. The Company has allocated the purchase price to land, buildings and improvements in the accompanying pro forma consolidated balance sheet. The Company is in the process of determining if any intangible assets were acquired which may result in future adjustments to the allocation of the purchase price. See Note 2(c).
 - (b) Adjustment to reflect the Company's long-term financing on the Property. Subsequent to the purchase date and during February 2005, the Company obtained long-term mortgage financing on the Property with Wachovia Bank, N.A., in the principal amount of \$36.0 million at an interest rate of 5.26%. Inclusive of costs incurred related to the financing, the Company's effective interest rate on the financing is 5.30%. The mortgage loan with Wachovia Bank, N.A. requires monthly payment of interest only during the first twelve months of the loan term and interest and principal during the remaining term, with a maturity date of March 2015.
 - (c) Adjustment required for the estimated rental revenues and operating expenses for the Property. Operating expenses include estimated unreimbursed property expenses. Rental income is recognized on a straight-line basis. The Company intends to account for the acquisition in accordance with Statements of Financial Accounting Standards No. 141, "Business Combinations", and No. 142, "Goodwill and Other Intangibles", and is currently in the process of analyzing the fair value of the acquired property's in-place leases. No value has yet been assigned to the leases and, therefore, the purchase price allocation is preliminary and subject to change.
 - (d) Adjustment required to reflect depreciation on the Property, based on the total allocated cost of the acquisition to depreciable assets. For GAAP purposes, the Company depreciates the Property using the straight-line method with an estimated useful life of 40 years. As discussed in Notes 2(a) and 2(c), the Company has not finalized the allocation of the purchase price. Any change to the allocation may result in changes to depreciation.
