**ITEM 4. NON-RELIANCE ON PREVIOUSLY ISSUED FINANCIAL STATEMENTS OR A RELATED  
02 AUDIT REPORT OR COMPLETED INTERIM REVIEW.**

(a) On June 19, 2006, after being advised by management of Schnitzer Steel Industries, Inc. (the “Company”) that the Company’s management had changed its interpretation of the application of Accounting Research Bulletin 51, “Consolidated Financial Statements” (“ARB 51”) and Financial Accounting Standard 141, “Business Combinations” (“FAS 141”) to certain acquisitions by the Company, the Audit Committee of the Board of Directors of Schnitzer Steel Industries, Inc. (the “Company”) concluded that the condensed consolidated statement of operations contained in the financial statements included in the Company’s Quarterly Report on Form 10-Q (the “First Quarter 10-Q”) for the fiscal 2006 first quarter ended November 30, 2005 (the “First Quarter 2006”) and Quarterly Report on Form 10-Q (the “Second Quarter 10-Q”) for the fiscal 2006 second quarter ended February 28, 2006 (the “Second Quarter 2006”) should no longer be relied on because of the need to restate certain items set forth therein. The condensed consolidated statement of operations needs to be restated because of an error regarding the interpretation and application of ARB 51 and FAS 141 in consolidating the results of operations of the businesses acquired through the acquisition by the Company of the assets of Regional Recycling LLC (“Regional”) and the Company’s purchase of GreenLeaf Auto Recyclers, LLC (“GreenLeaf”) and THS Recycling LLC, dba Hawaii Metal Recycling Company (“HMR”) during the First Quarter 2006. The Company had previously accounted for the operations of these businesses on a consolidated basis effective September 1, 2005 with a corresponding deduction for the pre-acquisition operating results in arriving at net income, as opposed to accounting for them as of the acquisition date. Due to this error, certain line items included in the condensed consolidated statements of operations for the three months ended November 30, 2005 and the six months ended February 28, 2006 included in the First Quarter 10-Q and Second Quarter 10-Q, respectively, are misstated. The Company’s management, including the Company’s Chief Financial Officer and its Corporate Controller, who serves as the principal accounting officer, and its Audit Committee, have discussed this matter with PricewaterhouseCoopers LLP, the Company’s independent registered public accounting firm. The accounting error did not have any impact on the Company’s net income or net income per share in the previously reported condensed consolidated statement of operations for the three months ended November 30, 2005 and six months ended February 28, 2006, nor was there any effect on the previously issued condensed consolidated balance sheets as of November 30, 2005 and February 28, 2006, respectively, or consolidated statements of shareholders’ equity or cash flows for the three and six month periods ended November 30, 2005 and February 28, 2006, respectively. However, correction of the error requires restatement of certain previously reported results, including revenue, operating income and income before tax for the First Quarter 2006 and the Second Quarter 2006, as indicated in the table below. The Company intends to file the amended First and Second Quarter 10-Qs in July 2006. Additionally, the Company has not completed its review of the effect of the restatement on its disclosure controls and procedures as required by Section 404 of the Sarbanes-Oxley Act of 2002. The Company is continuing its assessment as to whether a significant deficiency or material weakness in its internal control over financial reporting exists.
