SEACOAST BANKING CORPORATION OF FLORIDA

Item 5.03 Amendments to Articles of Incorporation or Bylaws

(a) On December 18, 2007, the Board of Directors of Seacoast Banking Corporation of Florida (Seacoast or the Company) amended the Company s Amended and Restated Bylaws (the Bylaws and as, amended and restated on December 18, 2007, the Amended Bylaws), effective immediately. The description of the amendments to the Bylaws follows:

Article II was modified to allow the Company to use householding , a practice permitted by the Securities and Exchange Commission (SEC) and the Florida Business Corporation Act (FBCA) which enables issuers to deliver one copy of a prospectus or shareholder report to shareholders who share an address. Article II was also amended to clarify the Company s common practices which were not specifically addressed in the Bylaws with regard to proxies and notice of shareholder proposals and nominations.

Article III was amended to clarify the Company s common practices which were not specifically addressed in the Bylaws with respect to the requirement that a director of the Company meet statutory and regulatory qualifications for a director of a publicly held bank holding company and financial holding company. The amendments to this article also include provisions for the conduct of meetings of the Board of Directors.

Article IV was modified to clarify the Company s common practices with regard to Company s officers and their respective authorities, roles and responsibilities.

Article VI was modified to permit the Company to issue uncertificated shares of the Company s capital stock in order to comply with a Nasdaq rule change requiring listed securities to participate in the Direct Registration System (DRS), currently administered by the Deposit Trust Corporation, by January 1, 2008. The DRS allows a stockholder s ownership of securities to be registered, maintained and transferred on the books of the Company s transfer agent electronically without the issuance of a physical stock certificate. Article VI also was amended to add a provision for the replacement of lost certificates, and to add a section clarifying that the Company may treat the shareholder of record as the absolute owner of the shares for notification and distributions to vote and to otherwise exercise the

rights, powers and privileges of ownership of such shares.

The foregoing description of the amendments to the Bylaws is qualified in its entirety by reference to the full text of the prior Bylaws, a copy of which was filed with the SEC on March 28, 2003 as Exhibit 3.2 to the Company's Annual Report on Form 10-K and is incorporated herein by reference, and the Amended Bylaws, as amended by this amendment, a copy of which is attached hereto as Exhibit 3.2 and is incorporated herein by reference.
