QUESTIONS AND ANSWERS ABOUT THE MEETING

Why did I receive this Proxy Statement?

We have sent you the Notice of Annual Meeting of Stockholders, this Proxy Statement, and the enclosed proxy or voting instruction card because the CirTran Board of Directors is soliciting your proxy to vote at CirTran's Annual Meeting on August 11, 2011. This Proxy Statement contains information about matters to be voted on at the Meeting.

Who is entitled to vote?

The Board has designated June 22, 2011, as the record date for the Meeting (the "Record Date"). You may vote if you owned common stock as of the close of business on the Record Date. On the Record Date, there were 1,498,972,923 shares of our common stock that were outstanding and entitled to vote at the Meeting.

How many votes do I have?

Each share of common stock that you own at the close of trading on the Record Date, entitles you to one vote.

What am I voting on?

You will be voting on proposals to:

- o Elect three directors to serve for one year each, until the next Meeting of Stockholders or until successors are elected and shall qualify;

Edgar Filing: CIRTRAN CORP - Form PRE 14A

- o Ratify the Audit Committee's selection of Hansen Barnett & Maxwell, P.C. as the Company's independent registered public accountant for fiscal year 2011;
- o Amend the Company's Articles of Incorporation to increase the authorized capital of the Company to include 4,500,000,000 shares of Common Stock, par value \$.001 per share;
- o Approve and adopt Amended and Restated Bylaws of the Company;
- o Adjourn the Annual Meeting for the purpose of soliciting additional Proxies, if necessary or appropriate; and
- o Consider and act upon such other business as may properly come before the meeting or at any postponement or adjournment thereof.

How do I vote?

You may vote by mail. You do this by completing and signing your proxy card, using the prepaid and addressed envelope included with this proxy statement. If you mark your voting instructions on the proxy card, your shares will be voted:

- o as you instruct, and
- o at the discretion of Mr. Hawatmeh, if a proposal properly comes up for a vote at the meeting that is not on the proxy card.

For your voting instructions to be effective, your proxy card must be received no later than the close of business on August 9, 2011.

You may vote by Internet. If you have Internet access, you may submit your proxy by following the instructions provided in the Notice, or if you requested printed proxy materials, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card. On the Internet voting site, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you can also request electronic delivery of future proxy materials. If you vote on the Internet, please note that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, for which you will be responsible.

You may vote by telephone. You can also vote by telephone by following the instructions provided on the Internet voting site, or if you requested printed proxy materials, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded.

You may vote at the Meeting. If you are planning to attend the Meeting and wish to vote your shares in person, we will give you a ballot at the meeting. If your shares are held in street name, you need to bring an account statement or letter from your broker, bank or other nominee, indicating that you are the beneficial owner of the shares on the Record Date. Even if you plan to be present at the meeting, we encourage you to complete and mail the enclosed card in advance of the meeting to vote your shares by proxy.

What if I return my proxy or voting instruction card but do not mark it to show how I am voting?

Your shares will be voted according to the instructions you have indicated

Edgar Filing: CIRTRAN CORP - Form PRE 14A

on your proxy or voting instruction card. You can specify whether your shares should be voted for all, some, or none of the nominees for director. You can also specify whether you approve, disapprove, or abstain from the other proposals. If no direction is indicated, your shares will be voted FOR the election of the nominees for director, FOR the ratification of the selection of Hansen Barnett & Maxwell, P.C. as our independent public accountant, FOR the amendment to the Company's Articles of Incorporation, FOR the approval and adoption of the Amended and Restated Bylaws of the Company, and FOR the proposal to adjourn the Annual Meeting for the purpose of soliciting additional Proxies, if necessary, provided that no Proxy that is specifically marked "AGAINST" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital will be voted in favor of the adjournment proposal, unless it is specifically marked "FOR" the adjournment proposal.

2

May I revoke my proxy or change my vote after I return my proxy card or voting instruction card?

You may revoke your proxy or change your vote at any time before it is exercised in one of three ways:

- o Notify our Corporate Secretary in writing before the Meeting that you are revoking your proxy;
- o Submit another proxy card (or voting instruction card if you hold your shares in street name) with a later date; or
- o Vote in person at the Meeting on August 11, 2011.

What does it mean if I receive more than one proxy or voting instruction card?

It means that you have multiple accounts at the transfer agent and/or with banks and stockbrokers. Please vote all of your shares by returning all proxy and voting instruction cards you receive.

What constitutes a quorum?

A quorum must be present to properly convene the Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares that are entitled to vote at the Meeting constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy or voting instruction card or if you attend the Meeting. Abstentions and broker non-votes will be counted as shares present at the meeting for purposes of determining whether a quorum exists, but not as shares cast for any proposal. Because abstentions and broker non-votes are not treated as shares cast, they would have no impact on any of the proposals.

What vote is required in order to approve each proposal?

The required vote is as follows:

Election of Directors: The election of the nominees for director requires the affirmative vote of a plurality of the shares cast at the Meeting. This means that the nominees receiving the greatest number of votes in favor of their election will be elected, even if they receive less than a majority of such votes. If you do not want to vote your shares for a particular nominee, you may so indicate in the space provided on the proxy card or on the voting instruction card. In the unanticipated event that any of the nominees is unable or declines to serve, the proxy holder will have the discretion to vote the proxy for another person, as shall be designated by the Board to replace the nominee, or,

Edgar Filing: CIRTRAN CORP - Form PRE 14A

in lieu thereof, the Board may reduce the number of directors. Although abstentions are counted as shares present and entitled to be voted, abstentions will have no effect on the election of directors. Broker non-votes, if any, will not have any effect on the result of the vote.

Ratification of the Selection of Independent Registered Public Accountant: Ratification of the selection of Hansen Barnett & Maxwell, P.C. as our independent registered public accountant requires the affirmative vote of a majority of the shares cast at the Meeting. If the stockholders do not ratify the appointment of Hansen Barnett & Maxwell, P.C., the Audit Committee of the Board may, but is not required to, reconsider such appointment. In determining whether this proposal received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against the proposal. Broker non-votes, if any, will not have any effect on the result of the vote.

Approval of Increase in Authorized Capital: The proposal for the approval of the amendment to our Articles of Incorporation to increase the authorized capital to include 4,500,000,000 shares of our common stock requires the affirmative vote of the holders of at least a majority of our outstanding shares of common stock. Stockholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be "votes cast", and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

3

Approval and Adoption of Amended and Restated Bylaws: The proposal for the approval and adoption of the Amended and Restated Bylaws of the Company requires the affirmative vote of the holders of at least a majority of our outstanding shares of common stock. Stockholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be "votes cast", and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

What is the Board's recommendation?

The Board's recommendations are set forth together with a description of the proposals in this Proxy Statement. In summary, the Board recommends that you vote:

- o FOR election of the three directors named in this Proxy Statement to serve until the Annual Meeting of Stockholders in 2011 and until their successors are duly elected and qualified;
- o FOR the appointment of Hansen Barnett & Maxwell, P.C. as the Independent Registered Public Accounting Firm and Auditor of the Company and the authorization of the Board to fix the remuneration of the Independent Registered Public Accounting Firm and Auditor;
- o FOR the approval of the amendment to the Company's Articles of Incorporation to increase the authorized capital to include 4,500,000,000 shares of common stock; o FOR the approval and adoption of the Amended and Restated Bylaws of the Company; and
- o FOR he proposal to adjourn the Annual Meeting for the purpose of

Edgar Filing: CIRTRAN CORP - Form PRE 14A

soliciting additional Proxies, if necessary or appropriate.

How will voting on any other business be conducted?

We do not know of any business or proposals to be considered at the Meeting other than those that are described in this Proxy Statement. If any other business is proposed and we decide to allow it to be presented at the Meeting, the proxies that we receive from our stockholders give the proxy holders the authority to vote on that matter according to their best judgment.

Who will count the votes?

Representatives of the Company will tabulate the votes that are received prior to the Meeting and will act as the inspectors of election and will tabulate the votes, if any, that are cast in person at the Meeting.

Who pays to prepare, mail, and solicit the proxies?

We will pay all of the costs of soliciting these proxies. We will ask banks, brokers, and other nominees and fiduciaries to forward the proxy materials to the beneficial owners of our common stock and to obtain the authority of executed proxies. We will reimburse them for their reasonable expenses. In addition to the use of the mail, proxies may be solicited by our officers, directors, and other employees by telephone or by personal solicitation. We will not pay additional compensation to these individuals in connection with their solicitation of proxies.

How do I submit a stockholder proposal for next year's Annual Meeting?

Any stockholder who intends to present a proposal at the 2011 Annual Meeting of Stockholders must deliver such proposal to the Corporate Secretary, c/o CirTran Corporation, 4125 South 6000 West, West Valley City, Utah 84128, not later than November 15, 2011, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934.

4

What do I need for admission to the Meeting?

You may attend the Meeting only if you are a stockholder of record or a beneficial owner as of the Record Date, or you hold a valid proxy for the Meeting. You should be prepared to present photo identification for admittance. If you are a stockholder of record, your name will be verified against the list of stockholders of record prior to your being admitted to the Meeting. If you hold your shares in street name, you should provide proof of beneficial ownership on the record date, such as a brokerage account statement showing that you owned CirTran common stock as of the record date, a copy of the voting instruction card provided by your broker, bank, or other nominee, or other similar evidence of ownership as of the record date. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the Meeting.

Who should I call if I have questions?

If you have questions about the proposals or the Meeting, you may call Edwin Van Stam at (801) 963-5112. You may also send an e-mail to edwin.vanstam@cirtran.com.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our Bylaws provide that the stockholders or the Board shall determine the number of directors from time to time, but that there shall be no fewer than three directors. The Board has set the number of directors at three. The Board currently consists of three members: Iehab J. Hawatmeh, Fadi Nora, and Kathryn Hollinger. All three of the current directors are nominees for re-election at the Meeting.

Each director who is elected at the Meeting will hold office until the Company's Annual Meeting in 2012, until a successor is elected and qualified, or until the director resigns, is removed, or becomes disqualified. The Board has no reason to believe that any of the nominees for director will be unwilling or unable to serve, if elected. If due to unforeseen circumstances a nominee should become unavailable for election, the Board may either reduce the number of directors or may substitute another person for that nominee, in which event your shares will be voted for that other person.

The following information is furnished with respect to the Board's nominees for election as directors of the Company, including the nominee's position with the Company, tenure as director and age as of June 15, 2011. Ms. Hollinger currently serves as an employee of the Company and will be a new director if elected. The following information is furnished with respect to these nominees:

Iehab J. Hawatmeh founded our predecessor company in 1993 and has been our Chairman, President and CEO since July 2000. Mr. Hawatmeh oversees all daily operation including technical, operational and sales functions for the Company.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

Mr. Hawatmeh is currently functioning in a dual role as Chief Financial Officer. Prior to his involvement with the Company, Mr. Hawatmeh was the Processing Engineering Manager for Tandy Corporation overseeing that company's contract manufacturing printed circuit board assembly division. In addition, he was responsible for developing and implementing Tandy's facility Quality Control and Processing Plan model. Mr. Hawatmeh received a Master's of Business Administration from University of Phoenix and a Bachelor's of Science in Electrical and Computer Engineering from Brigham Young University.

The Board has reviewed Mr. Hawatmeh's business background and service with the Company in connection with his qualification to sit as a member of the Company's board. Based on his years of service as an executive officer of the Company, his background in the electronics assembly industry, and his engineering, financial, and corporate strategic planning background, the Board has concluded that Mr. Hawatmeh is qualified to serve as a member of the Board.

Fadi Nora is a self-employed investment consultant. He was formerly a director of ANAHOP, Inc., a private financing company, and was a consultant for several projects and investment opportunities, including CirTran Corporation, NFE records, Focus Media Group, and other projects. He has been a member of our Board since February 2007. Prior to his affiliation with ANAHOP, Mr. Nora worked with Prudential Insurance services and its affiliated securities brokerage firm Pru-Bach, as District Sales Manager. Mr. Nora received a B.S. in Business Administration from St. Joseph University, Beirut, Lebanon, in 1982, and an MBA - Masters of Management from the Azusa Pacific University School of Business in 1997. He also received a degree in financial planning from the University of California at Los Angeles.

The Board has reviewed Mr. Nora's background in the private financing brokerage industries in connection with his qualification to sit as a member of the Company's board. Based on Mr. Nora's prior work as a business consultant, and his experience with investment opportunities, capital raising transactions, and financial planning, the Board has concluded that Mr. Nora is qualified to serve as a member of the Board.

Kathryn Hollinger has been with CirTran for 11 years as the Company's controller. She has been involved with the day-to-day accounting and finance issues throughout her term with the Company. Ms. Hollinger studied mathematics and accounting at Northridge University (now Cal. State University Northridge).

We will vote your shares as you specify in your proxy card. If you sign, date, and return your proxy card but do not specify how you want your shares voted, we will vote them FOR the election of each of the director nominees who are listed above.

RECOMMENDATION - The Board recommends a vote FOR each director nominee.

PROPOSAL NO. 2 RATIFICATION OF SELECTION
OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM AND AUDITOR

Edgar Filing: CIRTRAN CORP - Form PRE 14A

The Board has appointed and recommended the accounting firm of Hansen Barnett & Maxwell, P.C. as the Independent Registered Public Accounting Firm and Auditor of the Company and its subsidiaries for the fiscal year ending December 31, 2011.

6

Hansen Barnett & Maxwell, P.C. audited the Company's financial statements for the fiscal years ended December 31, 2006 through 2010.

A representative of Hansen Barnett & Maxwell, P.C., is expected to be present at the Meeting and to have an opportunity to make a statement if they desire to do so. The Hansen Barnett & Maxwell, P.C. representative is also expected to be available to respond to appropriate questions at the Meeting.

If the stockholders fail to ratify the appointment of Hansen Barnett & Maxwell, P.C., the Board is not required to, but may reconsider its appointment.

Policy on Pre-Approval of Audit and Permissible Non-Audit Services

The Board pre-approves any engagement of Hansen Barnett & Maxwell, P.C. and has the ultimate authority and responsibility to select, evaluate and where appropriate, replace the independent registered public accountants and nominate an independent registered public accounting firm for stockholder approval. While ratification of the selection of the independent registered public accounting firm by the stockholders is not required and is not binding upon the Board or the Company, in the event of a negative vote on such ratification, the Board might choose to reconsider its selection.

Prior to the performance of any services, the Board approves all audit and non-audit services to be provided by the Company's independent registered public accountant and the fees to be paid therefor. Although the Sarbanes-Oxley Act of 2002 permits the audit committee of the Board to pre-approve some types or categories of services to be provided by the independent registered public accountants, as the Company does not currently have an audit committee, it is the current practice of the Board to specifically approve all services provided by the independent registered public accountants in advance, rather than to pre-approve any type of service. In connection with this practice, the Board has considered whether the provision of non-audit services is compatible with maintaining Hansen Barnett & Maxwell, P.C.'s independence.

Independence

Hansen Barnett & Maxwell, P.C. has advised us that it has no direct or indirect financial interest in the Company or in any of its subsidiaries and that it has had, during the last three years, no connection with the Company or any of its subsidiaries, other than as independent auditors or in connection with certain other activities, as described below.

Financial Statements and Reports

The financial statements of the Company for the year ended December 31, 2010, and the report of the independent auditors will be presented at the Meeting and is included with this Proxy Statement.

Income Taxes

Hansen Barnett & Maxwell, P.C. has been engaged to prepare the Company's income tax filings for the year ended December 31, 2010.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

PRINCIPAL ACCOUNTANT FEES AND SERVICES

Audit Fees for Fiscal Years 2010 and 2009

The aggregate fees billed to the Company by Hansen Barnett & Maxwell, P.C., the Company's independent registered public accounting firm and auditor, for the fiscal years ended December 31, 2010 and 2009, are as follows:

7

	2010	2009
	-----	-----
Audit Fees (1)	\$ 122,082	\$ 134,926
Audit-Related Fees	--	--
Tax Fees (2)	\$ 8,250	\$ 8,425
All Other Fees	--	--

(1) Audit Fees consist of the audit of our annual financial statements included in the Company's Annual Report on Form 10-K for its 2009 and 2010 fiscal years and Annual Report to Stockholders, review of interim financial statements and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years.

(2) Tax Fees consist of fees for tax consultation and tax compliance services.

The Board of Directors, acting in the absence of a designated Audit Committee, has considered whether the provision of non-audit services is compatible with maintaining the independence of Hansen Barnett & Maxwell, P.C., and has concluded that the provision of such services is compatible with maintaining the independence of the Company's auditors.

Management anticipates that representatives of Hansen Barnett & Maxwell, P.C. will be present at the Meeting, will be available to respond to questions and may make a statement if they so desire.

RECOMMENDATION - the Board recommends a vote "for" ratification
of the appointment of Hansen Barnett
& Maxwell, P.C. as CirTran's independent registered
public accounting firm
and auditor for 2011.

PROPOSAL NO. 3

PROPOSED AMENDMENT TO THE COMPANY'S
ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED
CAPITAL OF THE COMPANY TO INCLUDE
4,500,000,000 SHARES OF COMMON STOCK.

The Board of Directors has determined that it is in the Company's best interest to amend the Company's Articles of Incorporation, as amended to date

Edgar Filing: CIRTRAN CORP - Form PRE 14A

(the "Amendment") to increase the Company's authorized capital stock (the "Increase") to include 4,500,000,000 shares of common stock, par value \$0.001 per share.

As of the date of this Proxy Statement, pursuant to our Articles of Incorporation (as amended to date), we had the authority to issue 1,500,000,000 shares of common stock, of which 1,498,972,293 were issued and outstanding.

As discussed below, if the Stockholders of the Company as of the Record Date approve the Amendment to the Company's Articles of Incorporation to approve the Increase, and the Board of Directors determines that the Increase continues to be in the best interest of the Company, the Board of Directors will file with the Nevada Secretary of State the Articles of Amendment to the Company's Articles of Incorporation, substantially in the form set forth in Appendix 1 to this Proxy Statement, at which time the Increase will take effect.

8

General

As of the Record Date, there were 1,498,972,293 shares of our Common Stock (the "Common Stock") issued and outstanding. As of the Record Date there were options, warrants, and similar rights exercisable or convertible to 271,400,000 shares of common stock contingent upon an increase in the number of shares authorized assuming all holders wished to convert or exercise their rights. This figure does not include the shares of Common Stock issuable upon conversion of the Debentures discussed in more detail below. Additionally, during 2009, we entered into the following agreements to sell shares of Common Stock, contingent upon an increase in the number of shares authorized:

- o On July 14, 2009, the Company entered into a Stock Purchase Agreement with Mr. Nora, a director of the Company, to sell him 75,000,000 shares of the Company's common stock at a purchase price of \$.003 per share, for a total of \$225,000, payable through the conversion of outstanding loans made by the director to the Company. Mr. Nora and the Company acknowledged in the purchase agreement that the Company did not have sufficient shares to satisfy the issuances, and agreed that the shares would be issued once the Company had sufficient shares to do so.
- o Also, on July 14, 2009, the Company entered into a Stock Purchase Agreement with the Company's President to sell him 50,000,000 shares of the Company's Common Stock at a purchase price of \$.003 per share, for a total amount of \$150,000, payable through the conversion of outstanding loans made by the Company's President to the Company. Mr. Hawatmeh and the Company acknowledged in the purchase agreement that the Company did not have sufficient shares to satisfy the issuances, and agreed that the shares would be issued once the Company had sufficient shares to do so.
- o On August 12, 2009, and September 3, 2009, the Company entered into securities purchase agreements with a note holder to sell 15,000,000 and 12,000,000 shares of the Company's common stock at a purchase price of \$0.01 per share, for a total amount of \$270,000, payable through the conversion of outstanding loans made by the note holder to the Company. The note holder and the Company acknowledged in the purchase agreement that the Company did not have sufficient shares to satisfy the issuances, and agreed that the shares would be issued once the Company had sufficient shares to do so.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

As described in our periodic filings, one of our main sources of funding historically has been through the sales of convertible debt and equity instruments, including convertible debentures and notes.

Management believes that the proposed Amendment would benefit the Company by providing greater flexibility to the Board of Directors to honor the agreements described above, as well possible conversion notices by holders of convertible securities (discussed in more detail below), to issue additional equity securities to raise additional capital, to pursue strategic investment partners, to facilitate possible future acquisitions and to provide stock related employee benefits. To date, one of our primary sources of financing has been private sales of Common Stock or other equity or debt securities convertible into Common Stock. To facilitate these transactions, management believes that the authorized capital of the Company will need to be increased pursuant to a stockholder-approved amendment to the Articles of Incorporation.

As of the date of this Proxy Statement, we had outstanding three convertible debentures, discussed in more detail below, the May 2005 Debenture, the December 2005 Debenture, and the August 2006 Debenture. On January 24, 2011, the Company, certain of its subsidiaries listed below, and YA Global Investments (formerly known as Cornell Capital Partners, LP) ("YA") finalized an amended and restated forbearance agreement (the "A&R Forbearance Agreement") and related agreements, which related to the three debentures and agreements between the Company and YA and its predecessors. The A&R Forbearance Agreement was dated as of January 7, 2011, but the final conditions for closing were met on January 24, 2011.

A&R Forbearance Agreement

An overview and summary of the A&R Forbearance Agreement between the Company and YA, together with other agreements entered into in connection with the A&R Forbearance Agreement, follows. The summaries of the terms and conditions of the A&R Forbearance Agreement and the other agreements do not purport to be complete, and are qualified in their entirety by reference to the full text of the agreements which were filed as exhibits to a Current Report on Form 8-K filed on January 28, 2011.

9

The A&R Forbearance Agreement related specifically to three debentures issued by the Company to YA or its predecessor entities: a May 26, 2005, debenture in the principal amount of \$3,750,000 (the "May Debenture"), a December 30, 2005, debenture in the principal amount of \$1,500,000 (the "December Debenture"), and an August 23, 2006, debenture in the principal amount of \$1,500,000 (the "August Debenture," and collectively with the May Debenture and the December Debentures, the "Debentures"), together with certain other agreements entered into in connection with the issuance of the Debentures (collectively, the "Financing Documents").

The parties to the A&R Forbearance Agreement are the Company; YA; and the following subsidiaries of the Company: Racore Network, Inc. (hereinafter, "Racore"); Cirtran - Asia, Inc. (hereinafter, "Asia"); CIRTRAN BEVERAGE CORP. (hereinafter, "Beverage"); Cirtran Media Corp. (hereinafter, "Media"); Cirtran Online Corp. (hereinafter, "Online"); Cirtran Products Corp. (hereinafter, "Products"); and Cirtran Corporation (Utah) (hereinafter, "Cirtran Sub," and together with Racore, Asia, Beverage, Media, Online and Products, collectively, jointly and severally, the "Guarantors"). The A&R Forbearance Agreement references certain events of default under the Financing Documents, and notes that the Company and the Guarantors (collectively, the "Obligors") had requested that YA forbear from enforcing its rights and remedies under the Financing

Edgar Filing: CIRTRAN CORP - Form PRE 14A

Documents, and sets for the agreement between the Obligors and YA with respect to such forbearance.

Specifically, the Obligors agreed to waive any claims against YA, and released any such claims the Obligors may have had. The Obligors also ratified their respective obligations under the Financing Documents, and agreed to the satisfaction of certain conditions precedent, including the following: payment of certain funds to YA at the time of execution of the A&R Forbearance Agreement; the entry by Iehab Hawatmeh, President of the Company, into a Guaranty Agreement and a Pledge Agreement (both discussed below); the entry into a Ratification and Joinder Agreement by the Obligors (discussed below); the execution of a confession of judgment in a litigation matter between YA, the Company, and Katana Electronics, LLC ("Katana"); and the delivery of a new warrant (the "Warrant") to YA (discussed below).

Additionally, the Obligors agreed to seek to obtain waivers from their respective landlords at their properties in Utah and Arkansas; agreed to seek to obtain deposit account control agreements from the Company's banks and depository institutions; and to repay the Company's obligations under the Debentures on the following schedule:

- o \$225,000.00, on or before the date of the A&R Forbearance Agreement to be applied as follows (x) \$75,000.00 in reimbursement of the legal fees and expenses incurred by the Lender as required by Paragraph 18, below, and (y) \$150,000.00 applied first to accrued but unpaid interest and then to the principal balance of the Obligations;
- o \$75,000.00 on February 1, 2011;
- o \$75,000.00 on March 1, 2011;
- o \$75,000.00 on April 1, 2011;
- o \$200,000.00 on May 1, 2011;
- o \$200,000.00 on June 1, 2011;
- o \$200,000.00 on July 1, 2011;
- o \$200,000.00 on August 1, 2011;
- o \$200,000.00 on September 1, 2011;
- o \$200,000.00 on October 1, 2011;
- o \$200,000.00 on November 1, 2011;
- o \$200,000.00 on December 1, 2011; and

10

- o the remaining balance of the Obligations shall be paid in full in good and collected funds by federal funds wire transfer on or before the earlier of (i) the occurrence of a Termination Event (as defined in the A&R Forbearance Agreement), or (ii) 3:00 P.M. (prevailing Eastern time) on December 31, 2011 (the "Termination Date").

The equivalent shares of convertible securities, unconverted options and warrants consisted of the following as of June 15, 2011:

Edgar Filing: CIRTRAN CORP - Form PRE 14A

	Equivalent Shares

Convertible debenture, 12% stated interest rate, secured by all of the Company's assets, Due on December 31, 2011.	1,305,781,333
YA Global warrants	25,000,000
Warrants	117,000,000
Options outstanding	119,400,000
Stock purchase agreements and separation agreement	162,000,000

The convertible equity and debt securities listed above are referred to herein as the "Convertible Securities." All of the Convertible Securities are exercisable or convertible into shares of our Common Stock. As of the date of this Proxy Statement, we did not have sufficient shares to satisfy all of these conversions or exercises.

Convertible Debentures

The following table summarizes the number of shares of our Common Stock that would be issuable upon conversion of the Debentures as of June 15, 2011, assuming that the full principal amount of those securities, together with any interest accrued, was converted into shares of our Common Stock, irrespective of the availability of shares and any conversion limitations contained in the Debentures, and further assuming that the applicable conversion or exercise prices at the time of such conversion or exercise were as follows:

[Update as of record date]

Conversion Price as of June 15, 2011	Shares issuable upon conversion of \$620,136 (principal) plus \$113,243 accrued and unpaid interest of YA Global Debenture under Revised and Amended Forbearance Agreement	Shares issuable upon conversion of \$1,500,000 (principal) plus \$52,716 accrued and unpaid interest of YA Global Debenture under Revised and Amended Forbearance Agreement	Shares issuable upon conversion of \$1,041,218 (principal) plus \$590,030 accrued and unpaid interest of YA Global Debenture under Revised and Amended Forbearance Agreement	Total shares issuable in connection with conversion of aggregate principal amount of Convertible Debentures
\$0.0030	244,459,666	517,572,000	543,749,667	1,305,781,333

As of the date of this Proxy Statement, we had essentially no additional shares to issue under our authorized capital limits. The proposed Increase is intended, in part, to permit the Company to satisfy any conversion notices that may be presented.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

As noted above, in January 2011, we entered into the A&R Forbearance Agreement with the holders of the three Convertible Debentures (described more fully below), pursuant to which we agreed to make scheduled payments in exchange for which the holder of the Convertible Debentures agreed to forbear from enforcing its rights and remedies as a result of the existing defaults until the earlier of (i) the occurrence of a Termination Event (as defined in the Forbearance Agreement), or (ii) the Termination Date, which is given as December 31, 2011. However, in the event that we are unable to meet our payment obligations, the holder of the Convertible Debentures has the right to convert into shares of our Common Stock, as described above.

Additionally, assuming that we are able to increase our authorized capital and issue shares upon conversion of the Convertible Debentures, because the formula for calculating the shares to be issued in connection with conversions of these securities varies based on the market price of our Common Stock, there effectively is no limitation on the number of shares of Common Stock which may be issued in connection with their conversion. As such, holders of our Common Stock will experience substantial dilution of their interests to the extent that the Debentures are converted and shares of the Company's Common Stock are issued.

Accordingly, under the terms of all of the Convertible Securities listed above, in light of the conversion prices and as of June 15, 2011, we had obligations to issue 1,305,781,333 shares of our Common Stock.

Purpose of the Increase

The Company requires additional financing, and we intend to pursue private placements of equity and convertible debt securities as we have historically done. However, as detailed above, we do not have sufficient shares to enable us to pursue such private placements or capital-raising transactions.

In addition to better positioning the Company for future capitalization, management believes that the Increase may make other corporate opportunities, including potential mergers with or acquisitions of businesses or other related avenues of strategic growth more available to the Company. As of the date of this Proxy Statement, the Company had no plans for acquisitions or other business combinations, although the Company continues to be open to potential opportunities for the Company.

As of the date of this proxy statement, our Articles of Incorporation (as amended to date), authorized us to issue only up to 1,500,000,000 shares of our Common Stock. If the increase to the authorized capital is approved, we anticipate that we may use the additional shares available to us in connection with a variety of purposes, including issuances in connection with conversions of the listed Convertible Securities.

As noted above, the issuances of shares under most of the Convertible Securities are tied to variable conversion prices. Accordingly, if the market price of our Common Stock rises, our obligations to issue shares of our Common Stock will correspondingly decrease. Management believes that in light of market conditions and our potential to develop and market our products, an increase of our authorized capital to include 4,500,000,000 shares of our Common Stock will enable us to meet our obligations, although there can be no guarantee that this will be the case. As discussed above, most of the Convertible Securities include conversion limitations or caps, such that the holders of such Convertible Securities are limited from converting the entire outstanding amount of such Convertible Security into shares of our Common Stock. As such, it is unlikely that we would be required to meet conversion obligations of all of the Convertible Securities at one time. Nevertheless, in the event that we need to amend our Articles of Incorporation to further increase our authorized capital, we will again seek stockholder approval of such amendment.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

If the Amendment to our Articles of Incorporation is approved by our stockholders, we will have approximately 3,000,000,000 additional shares to issue to meet our obligations as listed above. However, because most of the Convertible Securities are held by third parties, it is not possible for management to allocate these additional shares or determine in advance how the Company will issue the shares or reserve them. Moreover, because most of the Convertible Securities have a variable conversion price, management is unable to determine how many shares may be issued in connection with any of the Convertible Securities, other than the options and warrants as listed above. If the amendment to our Articles of Incorporation is approved, management does intend to reserve out of the increased authorized capital a total of 281,400,000 shares in connection with currently outstanding options and 142,000,000 shares in connection with currently outstanding warrants. Management will continue to report the Company's issuances of shares in connection with each of the Convertible Securities above in its periodic reports filed with the SEC.

12

There is a risk of significant downward pressure on the price of the Common Stock as the holders of the various Convertible Securities convert such Convertible Securities into shares of our Common Stock and sell material amounts of Common Stock, which could encourage short sales. This could place significant downward pressure on the price of the Common Stock. Generally, "short selling" means selling a security, contract or commodity not owned by the seller. The seller is committed to eventually purchase the financial instrument previously sold. Short sales are used to capitalize on an expected decline in the security's price. As the holders of the Convertible Securities convert such securities, we issue shares to them, which they then may choose to sell into the market pursuant to Rule 144 or other exemptions from the registration requirements. Such sales could have a tendency to depress the price of the stock, which could increase the potential for short sales.

Our issuances of shares in connection with conversions of the Convertible Securities may result in substantial dilution to the interests of other holders of Common Stock.

Because the conversion prices of most of the Convertible Securities are based on the market price of our Common Stock, there is effectively no limit on the number of shares that may be issued. As such, our stockholders are subject to the risk of substantial dilution to their interests as a result of our issuance of shares in connection with conversions of the Convertible Securities.

Potential Anti-Takeover Effect. Although the increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of the Company's Board of Directors or contemplating a tender offer or other transaction for the combination of the Company with another entity), the Increase is not being proposed as part of a plan of additional stock issuances. Nevertheless, management could use the additional shares that will be available following the Increase to resist or frustrate a third-party transaction.

For these reasons, the Company's Board of Directors is seeking stockholder approval of the proposed Amendment to the Company's Articles of Incorporation to increase the Company's authorized capital to include 4,500,000,000 shares of Common Stock.

If the Amendment is approved at the Annual Meeting, generally, no

Edgar Filing: CIRTRAN CORP - Form PRE 14A

stockholder approval would be necessary for the issuance of all or any portion of the additional shares of Common Stock unless required by law or any rules or regulations to which the Company is subject.

Depending upon the consideration per share received by the Company for any subsequent issuance of Common Stock, such issuance could have a dilutive effect on those stockholders who paid a higher consideration per share for their stock. Also, future issuances of Common Stock will increase the number of outstanding shares, thereby decreasing the percentage ownership in the Company (for voting, distributions and all other purposes) represented by existing shares of Common Stock. The availability for issuance of the additional shares of Common Stock may be viewed as having the effect of discouraging an unsolicited attempt by another person or entity to acquire control of the Company. Although the Board of Directors has no present intention of doing so, the Company's authorized but unissued Common Stock could be issued in one or more transactions that would make a takeover of the Company more difficult or costly, and therefore less likely. Holders of Common Stock do not have any preemptive rights to acquire any additional securities issued by the Company.

13

If the Company's stockholders do not approve the Amendment, due to changes in the market price of the Common Stock affecting conversion ratios of conversions of the Convertible Securities, the Company may be precluded from issuing shares of our Common Stock as required, and we may be deemed to be in default of the Convertible Securities, which could adversely affect the Company's operations and financial condition. Moreover, even if the Company were to negotiate additional merger or acquisition transactions on terms acceptable to the Company, it would not be able to complete such transactions without an increase in authorized capital.

Adoption of the proposal to approve the Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock on the Record Date entitled to vote on Proposal No. 3. If approved by the stockholders, the Amendment would become effective upon the filing with the Secretary of State of the State of Nevada of Articles of Amendment to the Articles of Incorporation setting forth such increase.

Consent Required for Approval of the Increase in Authorized Shares

Under Nevada law and our Articles of Incorporation, as amended to date, the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital (Proposal No. 3) must be approved by the holders of at least a majority of our outstanding shares of Common Stock.

The proposal to effectuate the Increase is a "non-discretionary" item, meaning that brokerage firms cannot vote shares in their discretion on your behalf if you have not given the broker instructions to vote your shares held in "street" name. Abstentions will be counted as votes against this Proposal 3. Broker non-votes will count in determining a quorum for purposes of conducting the Annual Meeting, but will not count for or against Proposal 3.

Procedure for Effecting Increase in Authorized Capital.

If the stockholders approve the Increase, and the Board of Directors decides to implement the Increase, the Company will file an amendment to its Articles of Incorporation ("Articles of Amendment") with the Secretary of State of Nevada, not sooner than ten days and not later than twenty days following such approval by the Stockholders, to amend its existing Articles of Incorporation. The Increase will become effective at the time specified in the

Edgar Filing: CIRTRAN CORP - Form PRE 14A

Amended Certificate, which is referred to below as the "effective time."

No Appraisal or Dissenters' Rights

Under Nevada corporate law, the Company's stockholders are not entitled to appraisal or dissenters' rights with respect to the Increase, and the Company will not independently provide stockholders with any such right.

RECOMMENDATION - the Board recommends a vote "for" the proposed amendment to the Company's Articles of Incorporation to increase the Company's authorized capital to include 4,500,000,000 shares of Common Stock, par value \$0.001.

PROPOSAL NO. 4
APPROVAL AND ADOPTION OF AMENDED AND RESTATED
BYLAWS OF THE COMPANY.

The current version of the Company's bylaws was adopted in March 1987 when the Company was named Vermillion Ventures Inc. Certain provisions of the bylaws are more limiting than the Nevada corporate laws permit or are inconsistent with the history of the Company. As such, on June 15, 2011, the Company's Board of Directors approved the proposed amended and restated bylaws (the "Amended and Restated Bylaws"), subject to stockholder approval, and recommended that the Stockholders of the Company approve and adopt the Amended and Restated Bylaws. The Proposed Amended and Restated Bylaws are included in Appendix 2.

14

Among other things, the Amended and Restated Bylaws:

- Give the Board of Directors more discretion in determining the timing of annual meetings of the Company's stockholders;
- Provide additional lead time prior to a stockholder meeting for the Company to provide notice of an annual or special meeting of stockholders;
- Change the possible number of Directors to permit a board ranging in size from one to nine directors;
- Specifically permit the Board of Directors to act by written consent;
- Specify that the Company's officers shall include a President, Secretary, Treasurer (together with such other officers as may be appointed by the Board of Directors), and lists potential duties for such positions;
- Authorize the formation of Board committees, and enumerate the powers and duties of such committees;
- Include indemnification provisions that comport with Nevada corporate law requirements (see "Indemnification of our Officers and Directors" below); and
- Clarify the procedures for amendment to the Bylaws by the Board of Directors and the stockholders.

This list is not meant to be a complete discussion of the Bylaws, and you

Edgar Filing: CIRTRAN CORP - Form PRE 14A

are encouraged to review the Amended and Restated Bylaws attached as an exhibit to this Proxy Statement.

The Company's Board of Directors has reviewed the current bylaws and has determined that it is in the best interest of the Company and its shareholders to adopt the Amended and Restated Bylaws.

RECOMMENDATION - the Board recommends a vote "for" the approval and adoption of the proposed Amended and Restated Bylaws of the Company.

PROPOSAL NO. 5

ADJOURNMENT OF THE ANNUAL MEETING TO SOLICIT ADDITIONAL PROXIES.

Our Board of Directors unanimously executed a written consent dated June 17, 2011, authorizing and recommending that our stockholders approve a proposal to adjourn the Annual Meeting, if necessary or appropriate, to solicit additional Proxies if there are insufficient votes at the time of the Annual Meeting to approve the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital.

RECOMMENDATION - the Board recommends a vote "for" the proposal to adjourn the Annual Meeting if necessary or appropriate, to solicit additional Proxies if there are insufficient votes at the time of the Annual Meeting to approve the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital.

Director Independence

As of the date of this Proxy Statement, the Company's Common Stock was traded on the OTC Bulletin Board (the "Bulletin Board"). The Bulletin Board does not impose standards relating to director independence, or provide definitions of independence. The Company presently has no fully independent directors.

Stockholders who wish to communicate with the directors may do so by sending their correspondence to the director or directors at the Company's headquarters at 4125 South 6000 West, West Valley City, Utah 84128.

Committees of the Board of Directors

Edgar Filing: CIRTRAN CORP - Form PRE 14A

As of the date of this Proxy Statement, the Company did not have separately-designated Audit, Compensation, Governance or Nominating Committees. The Company's full Board acts in these capacities. The Board has determined that the Company does not have at present an audit committee financial expert as defined under Securities and Exchange Commission rules. The limited resources available to the Company at this time make it difficult to retain the services of outside directors.

As of the date of this Proxy Statement, there have been no changes to the procedures by which security holders may recommend nominees to our Board of Directors.

Board Leadership Structure

As of the date of this Proxy Statement, one individual held the position of Chief Executive Officer, President, and Chairman of the Board. At this time, the Board believes that combining the Chairman and CEO role is most effective for the Company's leadership and governance. Having one person as Chairman and CEO provides unified leadership and direction to the Company and strengthens the ability of the CEO to develop and implement strategic initiatives and respond efficiently in various situations. Nevertheless, the Company continues to review the merits of separating these offices, and will make such changes as the Board determines to be in the best interests of the Company.

Board Role in Risk Oversight

While risk management is primarily the responsibility of the Company's management team, the Board of Directors is responsible for overall supervision of the company's risk management efforts as they relate to the key business risks facing the organization. Management identifies, assesses, and manages the risks most critical to the Company's operations and routinely advises the Board on those matters. Those areas of material risk can include operational, financial, legal and regulatory, human capital, informational technology and security, and strategic and reputational risks. The Board's role in risk oversight of the Company is consistent with the Company's leadership structure, with senior management having responsibility for assessing and managing the Company's risk exposure, and the Board providing oversight as necessary in connection with those efforts.

The Board also hears from third-party advisors in order to maintain oversight of risks that could affect the Company, including the Company's outside counsel, and others. These advisors are consulted on a periodic basis and as particular issues arise in order to provide the Board with the benefit of independent expert advice and insights on specific risk-related matters.

At its regularly scheduled meetings, the Board also receives management updates on the business, including operational issues, financial results and business outlook and strategy.

16

The Board also discusses with management the Company's compliance with legal and regulatory requirements, the Company's policies with respect to risk assessment and management of risks that may affect the Company, and the Company's system of disclosure control and system of controls over financial reporting.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

Code of Ethics

The Company expects that all of its directors, officers and employees will maintain a high level of integrity in their dealings with and on behalf of the Company and will act in the best interests of the Company. The Company has adopted a Code of Business Conduct and Ethics ("Code of Ethics") which provides principles of conduct and ethics for the Company's directors, officers and employees. This Code of Ethics complies with the requirements of the Sarbanes-Oxley Act of 2002. This Code of Ethics is available on the Company's website at www.cirtran.com under "Investor Relations--Corporate Governance" and is also available in print to any stockholder who requests a copy by writing to our corporate secretary at 4125 South 6000 West, West Valley City, Utah 84128.

EXECUTIVE OFFICERS

The following table sets forth certain information concerning the executive officers and directors of CirTran as of April 15, 2011:

Name	Age	Position
Iehab J. Hawatmeh	44	President, Chief Executive Officer, Director, Chairman, Chief Financial Officer
Fadi Nora	50	Director
Kathryn Hollinger	60	Director

Biographical information for our directors is included in the discussion beginning on page 5 concerning the nominees for director.

Indemnification of Officers and Directors

Our current Bylaws do not provide for indemnification of our officers or directors. However, Nevada corporate law permits corporations to provide indemnification for officers and directors, either as provided in the corporation's articles of incorporation or bylaws, or in certain enumerated circumstances. The Board of Directors believes that the proposed Amended and Restated Bylaws would provide more certainty with respect to indemnification of the Company's officers and directors.

If approved and adopted by the shareholders at the Annual Meeting, the Amended and Restated Bylaws would authorize us to indemnify our officers and directors under certain circumstances. We anticipate that we will enter into indemnification agreements with each of our executive officers and directors pursuant to which we will agree to indemnify each such person for all expenses and liabilities incurred by such person in connection with any civil or criminal action brought against such person by reason of their being an officer or director of the Company. In order to be entitled to such indemnification, such person must have acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company and, with respect to criminal actions, such person must have had no reasonable cause to believe that his conduct was unlawful.

As of the date of the "Agreement" Mr. Hawatmeh's employment with us terminated and he no longer has any further employment obligations with us. In consideration of his execution of this "Agreement" we will pay Mr. Hawatmeh's "Separation Pay" of \$210,000 in twenty-six bi-weekly payments. Each director, officer, or 5% or more stockholder, as the case may be, has furnished us information with respect to beneficial ownership. Except as otherwise indicated, we believe that the beneficial owners of the Common Stock listed above, based on the information each of them has given to us, have sole or shared investment and voting power with respect to their shares, except where community property laws may apply.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors, and persons who beneficially own more than 10% of the Company's Common Stock to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater-than-ten-percent stockholders are also required by the SEC to furnish us with copies of all Section 16(a) forms that they file.

Based solely upon a review of these forms that were furnished to the Company, and based on representations made by certain persons who were subject to this obligation that such filings were not required to be made, the Company believes that all reports that were required to be filed by these individuals and persons under Section 16(a) were filed on time in fiscal year 2010, except as follows:

One of the Company's directors, Mr. Nora, has not filed a Form 4 or Form 5 since April 2008. He is in the process of preparing a Form 5 to make required disclosures, and anticipates filing the Form 5 in the second quarter of 2011.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Play Beverages, LLC

Effective January 1, 2010, the Company began to consolidate into its financial statements the accounts of PlayBev Corporation, formerly an unconsolidated related party. PlayBev Corporation holds the Playboy license and is majority-owned by the Company and its related parties. In prior years, PlayBev was not required to be consolidated due to lack of control over significant decisions by the Company or its affiliates. However, in the fourth quarter of 2010, the Company reevaluated its relationship with PlayBev and concluded that it was required to consider whether it had a variable interest in PlayBev. Management concluded that PlayBev's level of equity was not sufficient to permit PlayBev to operate on its own without additional subordinated support and that the Company was the primary beneficiary for accounting purposes.

Edgar Filing: CIRTRAN CORP - Form PRE 14A

During 2006, Playboy Enterprises International, Inc. ("Playboy") entered into a licensing agreement with Play Beverages, LLC ("PlayBev"), then an unrelated Delaware limited liability company, whereby PlayBev agreed to internationally market and distribute a new energy drink carrying the Playboy name and "Rabbit Head" logo symbol. In May 2007, PlayBev entered into an exclusive agreement with the Company to arrange for the manufacture, marketing and distribution of the energy drinks, other Playboy-licensed beverages, and related merchandise through various distribution channels throughout the world.

In an effort to finance the initial development and marketing of the new drink, the Company with other investors formed After Bev Group LLC ("AfterBev"), a California limited liability company and partially owned, consolidated subsidiary of the Company. The Company contributed its expertise in exchange for an initial 84 percent membership interest in AfterBev. The other initial AfterBev members contributed \$500,000 in exchange for the remaining 16 percent. The Company borrowed an additional \$250,000 from an individual, and contributed the total \$750,000 to PlayBev in exchange for a 51 percent interest in PlayBev's cash distributions. The Company previously recorded this \$750,000 amount as an investment in PlayBev, accounted for under the cost method. PlayBev then remitted these funds to Playboy as part of a guaranteed royalty prepayment. Along with the membership interest granted the Company, PlayBev agreed to appoint the Company's president and one of the Company's directors to two of PlayBev's three executive management positions. Additionally, an unrelated executive manager of PlayBev resigned, leaving the remaining two executive management positions occupied by the Company president and one of the Company's directors. On August 23, 2008, PlayBev's members agreed to amend its operating agreement to change the required membership vote on major managerial and organizational decisions from 75 percent to 95 percent. Since 2007, the two affiliates personally purchased membership interests from PlayBev directly and from other PlayBev members constituting an additional 23.1 percent, which aggregated 34.35 percent. Despite the combined 90.5 percent interest owned by these affiliates and the Company, the Company cannot unilaterally control significant operating decisions of PlayBev, as the amended operating agreement requires that various major operating and organizational decisions be agreed to by at least 95 percent of all members. The other members of PlayBev are not affiliated with the Company. In previous years, management concluded that while PlayBev is a related party, the Company did not have the ability to unilaterally control significant operating decisions of PlayBev, and therefore had not accounted for PlayBev's operations as if it was a consolidated subsidiary. However, on January 1, 2010, the Company adopted ASU 2009-17 (ASC Topic 810, Consolidation), Improvements to Financial Reporting by Enterprises Involved with Variable Interest Entities. ASU 2009-17 amends the consolidation guidance applicable to variable interest entities ("VIEs") and requires additional disclosures concerning an enterprise's continuing involvement with VIEs. The Company evaluated the impact of this guidance and determined that the adoption resulted in the December 31, 2010, consolidation of PlayBev.

PlayBev has no operations, so under the terms of the exclusive manufacturing and distribution agreement, we were appointed as the master manufacturer and distributor of the beverages and other products that PlayBev licensed from Playboy. In so doing, we assumed all the risk of collecting amounts owed from customers, and contracting with vendors for manufacturing and marketing activities. In addition, PlayBev is owed a royalty from the Company equal to our gross profits from collected beverage sales, less 20 percent of our related cost of goods sold, and 6 percent our collected gross sales. We incurred \$745,121 in royalty expenses due to PlayBev during the year ended December 31, 2009. The intercompany royalty and expense items have been eliminated in the consolidated financial statements as of and for the year ended December 31, 2010.

We also agreed to provide services to PlayBev for initial development, marketing, and promotion of the new beverage. These services are to be billed to

Edgar Filing: CIRTRAN CORP - Form PRE 14A

PlayBev and recorded as an account receivable from PlayBev. We initially agreed to carry up to a maximum of \$1,000,000 as a receivable due from PlayBev in connection with these billed services. On March 19, 2008 we agreed to increase the maximum amount it would carry as a receivable due from PlayBev, in connection with these billed services, from \$1,000,000 to \$3,000,000. As of March 19, 2008 we also began charging interest on the outstanding amounts owing at a rate of seven percent per annum. PlayBev has agreed to repay the receivable and accrued interest out of the royalties due PlayBev. We have billed PlayBev for marketing and development services totaling \$3,776,101 for the year ended December 31, 2009, which has been included in revenues for our marketing and media segment during 2009. As of December 31, 2009, the interest accrued on the balance owing from PlayBev totaled \$735,831. The net amount due us from PlayBev for marketing and development services, after netting the royalty owed to PlayBev, totaled \$6,955,817 at December 31, 2009. All these intercompany balances have been eliminated in the consolidated financial statements as of December 31, 2010.

22

AfterBev Group, LLC

Following AfterBev's organization in May 2007, we entered into consulting agreements with two individuals, one of whom had loaned us \$250,000 when we invested in PlayBev, and the other one was one of our directors. The agreements provided that we assign to each individual approximately one-third of our share in future AfterBev cash distributions, in exchange for their assistance in the initial AfterBev organization and planning, along with their continued assistance in subsequent beverage development and distribution activities. The agreements also provided that as we sold a portion of its membership interest in AfterBev, the individuals would each be owed their proportional assigned share distributions in the proceeds of such a sale. The actual payment of the distributions depended on what we did with the sale proceeds. If we used the proceeds to help finance beverage development and marketing activities, the payment of distributions would be deferred, pending collections from customers once beverage product sales eventually commenced. Otherwise, the proportional assigned share distributions would be due to the two individuals.

Throughout the balance of 2007, as energy drink development and marketing activities progressed, we raised additional funds by selling portions of its membership interest in AfterBev to other investors, some of whom were our stockholders. In some cases, we sold a portion of its membership interest, including voting rights. In other cases, we sold merely a portion of its share of future AfterBev profits and losses. By the end of 2007, after taking into account the two interests it had assigned, we had retained a net 14 percent interest in AfterBev's profits and losses, but had retained 52 percent of all voting rights in AfterBev. We recorded the receipt of these net funds as increases to its existing minority interest in AfterBev, and the rest as amounts owing as distributable proceeds payable to the two individuals with assigned interests of our original share of AfterBev.

At the end of 2007, we agreed to convert the amount owing to one of the individuals into a promissory note. In exchange, the individual agreed to relinquish his approximately one-third portion of our remaining share of AfterBev's profits and losses. Instead, the individual received a membership interest in AfterBev. In January 2008, the other assignee, which is one of our directors, similarly agreed to relinquish the distributable proceeds owed to him, in exchange for an interest in AfterBev's profits and losses. Accordingly, he purchased a 24 percent interest in AfterBev's profits and losses in exchange for foregoing \$863,973 in amounts due to him. Of this 24 percent, by the end of December 31, 2008, the director had sold or transferred 23 percent to unrelated investors and retained the remaining 1 percent interest in AfterBev's profits

Edgar Filing: CIRTRAN CORP - Form PRE 14A

and losses. In turn, the director loaned \$834,393 to us in the form of unsecured advances. Of the amounts loaned, \$600,000 was used to purchase interest in PlayBev directly which resulted in a reduction of \$600,000 of amounts owed by PlayBev to us. During the year ended December 31, 2009, the director advanced an additional \$500,000 to us for his purchase of an additional 3 percent interest in PlayBev, which resulted in a reduction of \$500,000 of amounts owed by PlayBev to us. As of December 31, 2010 we still owed the director \$686,999 in the form of unsecured advance. In addition, during the year ended December 31, 2009 one of our directors and our president purchased 6 percent and 5 percent of AfterBev shares, respectively, in private sales from existing stockholders of Afterbev.

Global Marketing Alliance

We entered into an agreement with GMA, and hired GMA's owner as the Vice President of CirTran Online (CTO), one of our subsidiaries. Under the terms of the agreement, we outsource to GMA the online marketing and sales activities associated with our CTO products. In return, we provide bookkeeping and management consulting services to GMA, and pay GMA a fee equal to five percent of CTO's online net sales. In addition, GMA assigned to us all of its web-hosting and training contracts effective as of January 1, 2007, along with the revenue earned thereon, and we also assumed the related contractual performance obligations. We recognize the revenue collected under the GMA contracts, and remit back to GMA a management fee approximating their actual costs. We recognized net revenues from GMA related products and services in the amount of \$1,095,086 and \$2,572,955 for the years ended December 31, 2010 and 2009, respectively.

SHAREHOLDERS

Edgar Filing: CIRTRAN CORP - Form PRE 14A

Section 2.01. Annual Meeting. The annual meeting of the shareholders shall be held on the second Tuesday of April of each year, or at such time as is provided in the notice of the meeting, provided that whenever such date falls on a legal holiday the meeting shall be held on the next succeeding business day, beginning with the year following the filing of the Articles of Incorporation, for the purpose of electing directors and for the transaction of such other business as may come before the meeting. If the election of directors shall not be held on the day designated herein for the annual meeting of the shareholders, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the shareholders as soon thereafter as may be convenient.

Section 2.02. Special Meetings. Special meetings of the shareholders may be called at any time by the Chairman of the Board, the President, or by the Board of Directors, or in their absence or disability, by any Vice-President, and shall be immediately called by the President, or in his absence or disability, by a Vice-President, or by the Secretary upon the written request of the holders of not less than one-tenth of all the shares entitled to vote at the meeting, such written request to state the purpose, or purposes, of the meeting and to be delivered to the President, such Vice-President or the Secretary. In case of failure to call such meeting within twenty (20) days after such request, such shareholder or shareholders may call the same.

1

Section 2.03. Place of Meetings. The Board of Directors may designate any place, either within or without the State of Nevada, as the place of meeting for any annual meeting or for any special meeting called by the Board of Directors. A waiver of notice signed by all shareholders entitled to vote at a meeting may designate any place, either within or without the State of Nevada, as the place for the holding of such meeting. If no such designation is made, or if a special meeting be otherwise called, the place of meeting shall be at the principal office of the corporation. (78.310 and 78.375) Citations in parentheses are to Nevada Revised Statutes, Volume 4. These citations are for reference only and shall not constitute a part of these bylaws. Section 2.04. Notice of Meetings. The Secretary or Assistant Secretary, if any, shall cause notice of the date, time, place, and purpose or purposes of all meetings of the shareholders (whether annual or special), to be mailed at least ten (10) (but not more than sixty (60)) days prior to the meeting, to each shareholder of record entitled to vote. (78.370)

Section 2.05. Closing of Transfer Books. For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or shareholders entitled to receive payment of any dividend or in order to make a determination of shareholders for any other proper purpose, the Board of Directors of the corporation may provide that the stock transfer books shall be closed, for a period of not more than sixty (60) days, for the purpose of determining shareholders entitled to notice of or to vote at such meeting. If the stock transfer books are closed for the purpose of determining shareholders entitled to notice of or to vote at a meeting, such books shall be closed for at least ten (10) days immediately preceding such meeting.

In lieu of closing the stock transfer books, the Board of Directors may fix in advance a date as the record date for any such determination of shareholders, such date in any case to be not more than sixty (60) days and, in case of a meeting of shareholders, not less than ten (10) days prior to the date on which the particular action requiring such determination of shareholders is to be taken. If the stock transfer books are not closed and no record date is fixed for the determination of shareholders entitled to notice of or to vote at

Edgar Filing: CIRTRAN CORP - Form PRE 14A

a meeting of shareholders or shareholders entitled to receive payment of a dividend, the date on which notice of the meeting is mailed or the date on which the resolution of the Board of Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of shareholders. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, such determination shall apply to any adjournment thereof. (75.350)

Section 2.06. Voting Lists. The officer or agent having charge of the stock transfer books for shares of the corporation shall make a complete list of the shareholders entitled to vote at each meeting of the shareholders of the corporation or any adjournment thereof, arranged in alphabetical order, with the address of and the number of shares held by each, which list shall be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any shareholder, for any purpose germane to the meeting, during the whole time of the meeting. The original stock transfer books shall be prima facie evidence as to who are the shareholders entitled to examine such list or transfer books or to vote at any meeting of shareholders.

2

Section 2.07. Quorum. A majority of the outstanding shares of the corporation entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of shareholders. If less than a majority of the outstanding shares is represented at a meeting, a majority of the shares so represented may adjourn the meeting from time to time without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. The stockholders present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

Section 2.08. Proxies. At each meeting of the shareholders, each shareholder entitled to vote shall be entitled to vote in person or by proxy, provided, however, that the right to vote by proxy shall exist only in case the instrument authorizing such proxy to act shall have been executed in writing by the stockholder or by his duly authorized attorney in fact. Such instrument authorizing a proxy to act shall be delivered at the beginning of such meeting to the Secretary of the corporation or to such other officer or person who may, in the absence of the Secretary be acting as Secretary of the meeting. In the event that any such instrument shall designate two or more persons to act as proxies, a majority of such persons present at the meeting, or, if only one be present, that one shall (unless the instrument shall otherwise provide) have all of the powers conferred by the instrument upon all persons so designated. No proxy shall be valid after six months from the date of its execution, unless otherwise provided in the proxy, which in no case shall exceed seven years from the date of its execution. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held, except that no trustee or pledgee shall be entitled to vote shares held by him without a transfer of such shares into his name. (78.355)

Section 2.09. Voting of Shares by Corporation. In addition to regulations and restrictions imposed by law upon the voting of shares, shares of its own stock belonging to the corporation or held by it in a fiduciary capacity shall not be voted directly or indirectly at any meeting and shall not be counted in determining the total number of outstanding shares at any given time. (78.283)

Section 2.10. Voting of Shares. Each outstanding share of stock shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders, except to the extent that voting rights of the shares of any class

Edgar Filing: CIRTRAN CORP - Form PRE 14A

or classes are limited or denied by the Articles of Incorporation of the corporation as permitted by law.

Section 2.11. Informal Action by Shareholders. Any action required to be taken at a meeting of the shareholders, or any other action which may be taken at a meeting of the shareholders, except the election of directors, may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by a majority of the shareholders entitled to vote with respect to the subject matter thereof. (78.320, 78.325)

3

Section 2.12. Examination by Shareholders of Books and Records. Any person who is a shareholder of record, upon written demand stating the purpose thereof, shall have the right to examine, in person, or by agent or attorney, at any reasonable time or times, for any proper purpose, the corporation's books and records of account, minutes of record of shareholders and to make extracts therefrom. A proper purpose shall mean a purpose reasonably related to such person's interest as a stockholder. (78.257)

ARTICLE III

BOARD OF DIRECTORS

Section 3.01. General Powers. The property, affairs and business of the corporation shall be managed by its Board of Directors. The Board of Directors may exercise all the powers of the corporation whether derived from law or the Articles of Incorporation, except such powers as are by statute, by the Articles of Incorporation or by these Bylaws, vested solely in the stockholders of the corporation. (78.120)

Section 3.02. Number, Tenure, and Qualifications. The number of directors of the corporation shall not be fewer than one (1) nor more than nine (9). The number of directors may be fixed or changed within the range by the shareholders or the Board of Directors, but no decrease shall shorten the term of an incumbent director.

Each director shall hold office until the election at the next annual meeting of the shareholders and until his successor shall have been elected and shall qualify. Directors need not be residents of the State of Nevada or shareholders of the corporation. (78.115, 78.330)

Section 3.03. Regular Annual Meeting. A regular annual meeting of the Board of Directors shall be held without other notice than this Bylaw, immediately after, and at the same place as, the annual meeting of shareholders.

Section 3.04. Regular Meetings. The Board of Directors may provide by resolution, the time and place, either within or without the State of Nevada, for the holding of regular meetings without other notice than such resolution. (78.310)

Section 3.05. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President, Vice-President, or any director. The person or persons authorized to call special meetings of the Board of Directors may fix any place, either within or without the State of Nevada, as the place for holding any special meeting of the Board of Directors called by them.

Section 3.06. Notice. Notice of any special meeting shall be given at least five (5) days prior thereto by written notice delivered personally or

Edgar Filing: CIRTRAN CORP - Form PRE 14A

mailed to each director at his business address, or by telegram. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice be given by telegram, such notice shall be deemed to be delivered when the telegram is delivered to the telegraph company. Any director may waive notice of any meeting.

Section 3.07. Quorum. A majority of the number of directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than a majority is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice. (78.315)

4

Section 3.08. Manner of Acting. The act of a majority of the directors present at a meeting at which a quorum is present shall, unless the act of a greater number of directors is required by the Articles of Incorporation of the corporation or these Bylaws, be the act of the Board of Directors and individual directors shall have no power as such. (78.315)

Section 3.09. Vacancies and Newly Created Directorships. If any vacancies shall occur in the Board of Directors by reason of death, resignation, or otherwise, or if the number of directors shall be increased, the directors then in office shall continue to act and such vacancies or newly created directorships shall be filled by a vote of the directors then in office, though less than a quorum, in any way approved by the meeting. Any directorship to be filled by reason of the removal of one or more directors by the shareholders may be filled by election by the shareholders at the meetings at which the director or directors are removed. (78.335, 78.340)

Section 3.10. Compensation. By resolution of the Board of Directors, the directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors, and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor.

Section 3.11. Presumption of Assent. A director of the corporation who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting, unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof, or shall forward such dissent by registered or certified mail to the Secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 3.12. Resignations. A director may resign at any time by delivering a written resignation to either the President, a Vice-President, the Secretary or Assistant Secretary, if any. Unless otherwise provided in the resignation, the resignation shall become effective on its acceptance by the Board of Directors, provided that if the Board has not acted thereon within ten (10) days from the date presented, the resignation shall be deemed accepted. (78.335)

Section 3.13. Informal Action by Directors. Any action required to be taken at a meeting of the directors of the corporation or any other action which may be taken at a meeting of the directors or of a committee, may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, or all of the members of the committee,

Edgar Filing: CIRTRAN CORP - Form PRE 14A

as the case may be. Such written consent shall be filed with the minutes of proceedings of the board of directors or committee. Such consent shall have the same legal effect as a unanimous vote of all the directors or members of the committee. (78.315)

Section 3.14. Meetings by Telephone Conference Call. Members of the Board of Directors may participate in a meeting of the Board of Directors by means of conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in such a meeting shall constitute presence in person at such meeting. (78.315)

5

Section 3.15. Removal of Directors. At a shareholders' meeting called expressly for that purpose, directors may be removed in the manner provided in this section unless otherwise provided by the Articles of Incorporation. One or more director or the entire Board of Directors may be removed, with or without cause, by a vote of the holders of the not less than two-thirds (2/3) of the shares then entitled to vote at an election of directors. If at the time of any shareholders' meeting called for such purpose the shareholders are entitled to cumulate their votes for directors and if less than the entire Board is to be removed, no one of the directors may be removed if the votes of a sufficient number of shares are cast against his removal which, if then cumulatively voted at an election of the entire Board of Directors, or, if there be classes of directors, at an election of the class of directors of which he is a part, would be sufficient to elect him. Whenever the holders of the shares of any class are entitled to elect one or more directors by the provisions of the Articles of Incorporation, the provisions of this section shall apply, in respect of the removal of a director or a director so elected, to the vote of the holders of the outstanding shares of that class and not to the vote of the outstanding shares as a whole. (78.335)

ARTICLE IV

The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. (78.751)

(78.751)

15

Any other indemnification under Sections 8.01 or 8.02 hereof shall be made by the corporation upon a determination that indemnification of the director, officer, employee, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 8.01 or 8.02 hereof. Such determination shall be made either by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding, or (3) by the shareholders by a majority vote of a quorum of shareholders at any meeting duly called for such purpose. (78.751)

Section 8.06. Scope of Indemnification. The indemnification authorized by this Article shall apply to all present and future directors, officers, employees, and agents of the corporation and shall continue as to such persons who cease to be directors, officers, employees, or agents of the corporation and shall inure to the benefit of the heirs, executors, and administrators of all such persons and shall be in addition to all other indemnification permitted by law. (78.751)
