The Registrant is paying registration fees solely with respect to the 1,500,000 shares of Common Stock being newly registered hereby. The registration fee with respect to the Carryover Shares was paid in connection with the filing of the registration statement on Form S-8 described in footnote 1 above.

NORTHERN OIL AND GAS, INC.

EXPLANATORY NOTE

The shareholders of Northern Oil and Gas, Inc. (the “Company”) approved the Company’s 2013 Incentive Plan (the “2013 Plan”) on May 23, 2013 (the “Approval Date”). Under the 2013 Plan, the following shares of common stock, no par value (“Common Stock”) are available for issuance thereunder: (a) 1,500,000 shares (the “New Shares”), and (b) 623,547 shares remaining available for future grants under the Company’s Amended and Restated 2009 Equity Incentive Plan (the “2009 Plan”) as of the Approval Date (the “Carryover Shares”). In addition, the number of shares of Common Stock available for issuance under the 2013 Plan will be increased by the number of shares subject to awards (made under the 2013 Plan or that were outstanding under the 2009 Plan on the Approval Date) that expire, are forfeited, or are settled in cash. The Company’s authority to grant new awards under the 2009 Plan terminated upon shareholder approval of the 2013 Plan on the Approval Date.

The purpose of this registration statement is to register the New Shares and the Carryover Shares. Additional shares of Common Stock registered under the 2009 Plan may become available for future grants under the 2013 Plan if awards made under the 2009 Plan that were outstanding on the Approval Date expire, are forfeited, or are settled in cash. Such shares may be registered for issuance under the 2013 Plan pursuant to subsequent registration statements.

In addition, all documents filed by the Company pursuant to Sections 13(a), 13(c), 14, or 15(d) of the Exchange Act after the date of this registration statement and before the filing of a post-effective amendment (other than information deemed to have been “furnished” rather than “filed” in accordance with the Commission’s rules) that indicates that all shares of Common Stock offered have been sold, or that deregisters all shares of Common Stock then remaining unsold, shall be deemed to be incorporated by reference in, and to be a part of, this registration statement from the

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a twenty percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
