Item 1. Changes In Control Of Registrant.

On March 25, 2002, the stockholders of PacificNet.com, Inc., a Delaware corporation ("PacificNet" or the Company), approved an issuance of 12,000,000 shares of the Company s common stock and a warrant to purchase up to 3,000,000 additional shares of the Company s common stock (Warrant) in a private placement of the Company s common stock with Sino Mart Management Ltd., a Hong Kong domiciled private business development company (Sino Mart).

In accordance with the terms and provisions of the December 9, 2001 subscription agreement, as amended (Subscription Agreement), by and between the Company and Sino Mart, the Company agreed to offer, to sell and to issue to Sino Mart, in a private placement in reliance upon the exemption from registration under Section 4(2) and/or of Rule 506 of Regulation D under the Securities Act of 1933, as amended, 12,000,000 common stock shares in consideration for \$3,480,000, payable in cash (or \$0.29 per share), representing 56.9% of the number of shares of the Company s common stock outstanding after the private placement. However, upon the Company s issuance of the Warrant, Sino Mart may be deemed the beneficial owner of 15,000,000 shares of common stock of the company under the rules of attribution of beneficial ownership provided in Rule 13d-3 under the Securities Exchange Act of 1934, as amended, or of approximately 62% of the number of shares of the Company s common stock outstanding after the private placement, on a fully-diluted basis, making Sino Mart the largest shareholder of the Company and resulting in a change of control of the registrant.

The Company sought stockholder approval of the Sino Mart stock issuance in compliance with National Association of Securities Dealers, Inc. Marketplace Rules 4350(i)(1)(B) and 4350(i)(1)(D) (NASD Rules). NASD Rules provide that an issuer whose securities are listed on The Nasdaq Stock Market (Nasdaq), must seek approval of its stockholders, when, in connection with a transaction not involving a public offering, (1) the issuance or potential issuance of its common stock will result in a change of control of the issuer, or (2) the issuer issues common stock in excess of 20% of its common stock outstanding prior to the issuance, respectively. A failure to obtain stockholder approval may be deemed a violation of the Nasdaq corporate governance listing criteria, which, in turn, may result in de-listing of the issuer s common stock shares from Nasdaq.

Under the terms of the Subscription Agreement, the Company agreed to prepare and to file a registration statement covering the common stock shares issuable to Sino Mart. The Company also agreed, as a condition to closing of the Subscription Agreement, upon closing, to pass a resolution to approve three (3) directors nominated by Sino Mart. As of the date of this filing, Sino Mart has not nominated any directors to the board of directors of the Company. Sino Mart also reserved a right not to close its investment in the Company in the event that at the time of closing the Company is not in full compliance with The Nasdaq National Market (National Market) continued listing criteria or has not filed with the Securities and Exchange Commission (SEC) the registration statement. In accordance with the January 29, 2002, Nasdaq Listing Qualifications Panel s (Panel) exception to the continued listing criteria, issued following the December 13, 2001 hearing held before the Panel, the listing of the Company s securities has been transferred from the National Market to the Nasdaq SmallCap Market (SmallCap Market) effective as of January 30, 2002. Sino Mart agreed to revise certain existing terms of and to add

certain new terms to the Subscription Agreement in consideration for its waiving the right not to close its investment in the Company. The revised terms, *inter alia*, required that (1) the Company maintain the listing of its securities on the SmallCap Market, and (2) the entire subscription amount under the Subscription Agreement be due and payable within seven (7) days of the receipt of the stockholder approval, but be fully refunded to Sino Mart in the event that, on or before April 30, 2002, the Company is not in full compliance with (i) the terms and conditions of the Panel's exception and (ii) with the SmallCap Market listing criteria.

On March 27, 2002, the Sino Mart \$3,480,000 private placement transaction closed and the Company confirmed the receipt of the \$3,480,000 subscription amount in cash.

The foregoing is a summary description of the terms of the Subscription Agreement and Amendment and by its nature is incomplete. It is qualified in the entirety by the text of the Subscription Agreement and Amendment to the Subscription Agreement, copies of which are attached hereto as Exhibits 99.1 and 99.2. All readers of this Current Report are encouraged to read the entire text of the Subscription Agreement attached hereto and the Company's definitive proxy statement filed with the SEC as of February 22, 2002 in connection with the special meeting of the Company's stockholders.
