Section 1 Registrant's Business and Operation

Item 1.01. Entry into a Material Definitive Agreement

On October 13, 2004, by an action of written consent of the directors of GL Energy and Exploration, Inc., a Delaware corporation (hereinafter, "GL Energy"), the directors of GL Energy authorized the execution of an Agreement and Plan of Reorganization (the "Merger Agreement") with American Southwest Music Distribution, Inc., a privately held Texas corporation (hereinafter "American Southwest"). On October 13, 2004, the authorized representatives of GL Energy and the authorized representative of American Southwest Music Distribution executed the Merger Agreement on behalf of GL Energy and American Southwest, respectively.

On October 15, 2004, by Written Consent of the Majority of the Stockholders, the controlling shareholder of GL Energy, Donald Byers, consented to the terms of the Merger Agreement. GL Energy is currently preparing an Information Statement. After a complete review by the Securities and Exchange Commission, a definitive copy of the Information Statement will be sent, pursuant to section 14(c) of the Securities Exchange Act of 1934 and Regulation 14C, to all of the shareholders of record as of the close of business of January 4, 2005. The Information Statement will be provided to GL Energy's shareholders to provide them with certain information concerning the Merger. Pursuant to Rule 14c-2, under the Securities Exchange Act of 1934, as amended, the Merger will not become effective until a date that is at least 20 days after the date on which the Information Statement has been mailed to GL Energy's stockholders. The number of shares voted and held by the controlling shareholder, Donald Byers, was sufficient to satisfy the stockholders vote requirement to approve the Merger, and no additional votes will be needed or requested to approve the Merger Agreement.

Pursuant to the Merger Agreement, American Southwest will be acquired by and merged into GL Energy. GL Energy will be the surviving corporation. As a condition of the Merger Agreement, GL Energy will change its name to American Southwest Music Distribution, Inc. By the action of written consent of the directors of GL Energy, the directors have authorized GL Energy's name change. By Written Consent of the Majority of the Stockholders, the controlling shareholder of GL Energy, also, consented to GL Energy's name change.

As an additional condition to the Merger Agreement, GL Energy agreed that it will undergo a 1:35 reverse stock split and the number of common shares authorized will be increased so that 100,000,000 common shares will be authorized after giving effect to the reverse stock split. As of the date of this

filing, neither the board of directors, nor the majority shareholders have given consent to the reverse stock or increase in the authorized stock.

As a condition of the Merger Agreement, David Michery and Marcus Sanders were appointed to GL Energy's board of directors on October 1, 2004. David Michery is the majority shareholder of American Southwest. Marcus Sanders has acted as legal counsel for American Southwest and Mr. David Michery, prior to the Merger. American Southwest only has two shareholders, David Michery and Kent Puckett.

Pursuant to the Merger Agreement, in exchange for the GL Energy's purchase of all of American Southwest's 4,294 issued and outstanding shares of common stock from David Michery and Kent Puckett, GL Energy will issue to David Michery 20,295,000 shares of GL Energy's common stock and 21,630 shares of preferred stock, and will issue to Kent Puckett 2,205,000 shares of GL Energy's common stock and 2,305 shares of preferred stock. As a result of the Merger, David Michery will become the controlling shareholder of GL Energy.

The Merger Agreement will not become effective until the date that is at least 20 days after the date on which the Information Statement has been mailed to the stockholders, and upon the filing of a Certificate of Merger with the Secretary of State of Delaware
