Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Standard; Transfer of Listing.

As disclosed by Mesa Royalty Trust (the "Trust") in its press release dated March 31, 2008 and its Notification of Late Filing on Form 12b-25 filed with the Securities and Exchange Commission on March 17, 2008, the Trust was not able to file its Annual Report on Form 10-K for the year ended December 31, 2007 (the "2007 Form 10-K") in a timely manner because of the previously disclosed delay in the completion of reserve information by the Trust's independent reserve engineer for certain non-operated properties in which the Trust has an ownership interest and related preparation of the Trust's fiscal year 2007 financial statements.

On March 31, 2008, The Bank of New York Mellon Trust Company, N.A., the Trustee of the Trust, informed the New York Stock Exchange, Inc. (the "NYSE") that the Trust failed to file its 2007 Form 10-K timely pursuant to Section 203.01 (Reporting Financial Information to Shareholders) of the NYSE's Listed Company Manual and, as a result, is subject to the procedures under Section 802.01E (SEC Annual Report Timely Filing Criteria) of the NYSE's Listed Company Manual. On September 22, 2008, the Trustee submitted to the NYSE a request for an additional six-month trading period.

On October 16, 2008, the NYSE informed the Trustee that the request for the additional trading period was approved giving the Trust until December 1, 2008 to complete and file the 2007 Form 10-K, subject to reassessment on an ongoing basis and compliance with the milestones and timing outlined in the request for the additional six-month trading period. The Trust's units remain listed on the NYSE under the symbol MTR, but have been assigned a ".LF" indicator by the NYSE to signify that the Trust is on the "late filer" list. The Trust will remain on the late filer list until such time as the Trust is current with all of its periodic reports filed with the Securities and Exchange Commission. Although the Trust intends to cure the deficiencies and to return to compliance with the NYSE continued listing requirements, there can be no assurance that it will be able to do so. The Trust is awaiting the completion of reserve information by the Trust's independent reserve engineer, and the Trustee intends to complete the audited financial statements for the year ended December 31, 2007 and to file the 2007 Form 10-K as soon as possible after receipt of this information.

Pursuant to General Instruction B.2 of Form 8-K and Securities and Exchange Commission Release No. 33-8176, the press release attached as Exhibit 99.1 is not filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, but is instead furnished for purposes of that instruction.
