**Item 5.03 Amendments to Articles of Incorporation or Bylaws: Change in Fiscal Year.**

On February 25, 2009, the Board of Directors of CIBER, Inc. (the "Company") approved amendments to Article II, Sections 2 and 5, of the Company's Amended and Restated Bylaws. The purpose of the amendments is to revise and clarify the advance notice provisions of the Amended and Restated Bylaws, including, without limitation, that such provisions are the exclusive means by which a stockholder can make director nominations or submit business before an annual or special meeting of the stockholders (excluding those matters properly brought before a meeting via the procedures outlined in Rule 14a-8 of the federal proxy rules). In addition to amending technical aspects of other customary terms and provisions in the Amended and Restated Bylaws, the amendments also updated the informational requirements of a stockholder's notice for director nominations or other business to include, without limitation, such information as a description of the stockholder's, and beneficial owner's, if any, agreement, arrangement, or understanding (including, without limitation, any short positions, hedging transactions, or borrowed or loaned shares) the effect or intent of which is to mitigate loss to or manage risk of stock price changes, or to increase the voting power of, such stockholder or beneficial owner.

The foregoing summary of the amendments to the Company's Amended and Restated Bylaws does not purport to be and is qualified in its entirety by reference to the Amendment to the Amended and Restated Bylaws filed as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference.
