Item 1.01 Entry into a Material Definitive Agreement

Effective as of July 2, 2009, BIO-key International, Inc. (the "Company") entered into a Settlement and Mutual Release Agreement (the "Settlement Agreement") with Longview Special Finance, Inc. and Longview Fund, L.P. (collectively, the "Longview Entities") in order to resolve all matters relating to the litigation initiated earlier this year by the Longview Entities against the Company in the United States District Court for the Southern District of New York entitled Longview Special Finance, Inc. and Longview Fund, L.P. v. BIO-key International, Inc. (the "Lawsuit"). The Longview Entities were seeking \$2,886,563 in damages and an unspecified amount of interest and attorney's fees from the Company in the Lawsuit as a result of the Company's alleged improper failure to redeem outstanding shares of the Company's Series B Convertible Preferred Stock and Series C Convertible Preferred Stock held by the Longview Entities (collectively, the "Shares") in accordance with the terms and conditions of such preferred stock. Pursuant to the Settlement Agreement, without admission of any liability or fault, the parties agreed to a payment schedule under which the Company is required to pay a total cash settlement amount of \$2,164,922, fifty percent (50%) of which was paid to the Longview Entities on July 7, 2009. The remaining portion of the settlement amount will bear interest at seventeen percent (17%) per annum and is required to be paid in full on or before October 30, 2009. In return, each of the Longview Entities agreed to a full and complete release of the Company from all claims that were or could have been alleged in the Lawsuit and agreed to relinquish all of the Shares upon receiving final payment of the settlement amount.

On July 7, 2009, the Company issued an unsecured promissory note (the "Note") in the aggregate principal amount of \$1,000,000 to The Shaar Fund, Ltd., a holder of shares of the Company's Series A Convertible Preferred Stock, Series B Convertible Preferred Stock and Series C Convertible Preferred Stock. The Note will bear interest at eight percent (8%) per annum and is due and payable on November 4, 2009.
