Sentient Private Placement

On December 29, 2009, we entered into a Common Stock Purchase Agreement (the "Sentient Purchase Agreement") with Sentient Global Resources Fund III, LP and SGRF III Parallel I, LP, each a private equity fund managed by The Sentient Group ("Sentient"), an independent private equity firm that manages over \$1.3 billion of investments in the global resources industry. Pursuant to the Sentient Purchase Agreement, we agreed to sell, on a private placement basis, a total of 745,318 shares of our common stock at a price of C\$7.06 per share. Upon closing of the private placement, Sentient will become our largest stockholder, holding 19.9% of our outstanding common stock, not including restricted stock held by our employees. Completion of the transaction is subject to several customary closing conditions, including final Toronto Stock Exchange ("TSX") approval.

Pursuant to the Sentient Purchase Agreement, Sentient will have the right to purchase additional shares of our common stock at C\$7.06 per share in order to maintain its 19.9% equity interest following completion of the Hochschild transaction described below. If Sentient exercises its right to acquire shares concurrent with the Hochschild transaction, Sentient would acquire an additional 99,376 shares of our common stock. In addition, Sentient will have the right to purchase, at the public offering price, up to its pro rata ownership of our common stock concurrent with our proposed public offering pursuant to a long form prospectus that has been filed with securities administrators in certain provinces in Canada and a Registration Statement on Form S-1 that has been filed with the Securities and Exchange Commission in the United States.

In connection with the Sentient private placement, we have agreed to register with the U.S. Securities and Exchange Commission ("SEC") the resale of the common stock purchased by Sentient.

The Sentient Purchase Agreement also provides that Sentient will not, during the two-year period following the closing of the private placement, acquire additional shares of our common stock if such acquisition would cause its ownership to exceed 22.5% of our outstanding common stock.

We have agreed to nominate one individual designated by Sentient for election to our board of directors, beginning with our annual meeting of stockholders in 2011. Sentient's right to designate one nominee will terminate if it ceases to own at least 17% of our outstanding common stock.

Dahlman Rose & Company served as the sole placement agent for this transaction and will receive a fee from us equal to 3.5% of the gross proceeds received from Sentient.

Purchase of Shares of Minera El Quevar S.A. held by Hochschild Mining plc

On December 30, 2009, we and certain of our subsidiaries entered into a Purchase and Sale Agreement (the "El Quevar Purchase Agreement") with MH Argentina S.A. ("MH Argentina"), a subsidiary of Hochschild Mining plc ("Hochschild"), to purchase MH Argentina's 35% interest in our jointly owned subsidiary, Minera El Quevar S.A. ("Minera El Quevar"). Minera El Quevar owns or controls certain of the mining concessions

comprising the El Quevar silver project in Argentina. We will acquire MH Argentina's 35% interest in Minera El Quevar for 400,000 shares of our common stock and warrants to acquire 300,000 shares of our common stock exercisable for three years at an exercise price of US\$15.00 per share. The shares issued to Hochschild will represent 9.4% of our outstanding common stock, not including restricted stock held by our employees, assuming that the Sentient private placement described above is completed. Completion of the transaction is subject to several customary closing conditions, including final TSX approval.

Pursuant to the El Quevar Purchase Agreement, Hochschild will have the right, for a period of two years from closing, to participate on a pro rata basis in public offerings or private placements for cash by us in order to

permit Hochschild to maintain up to an 11% equity interest, on the same terms and conditions offered to others in such equity offerings or sales. Hochschild also agreed for the two-year period following closing that it, along with affiliates, will not acquire additional shares of our common stock if such acquisition would cause its ownership to exceed 19.5% of our outstanding common stock.

In connection with the Hochschild transaction, we have agreed to register with the SEC the resale of the shares issued to MH Argentina and the shares that may be issued upon exercise of the warrant.

The foregoing descriptions of the Sentient Purchase Agreement and the El Quevar Purchase Agreement do not purport to be complete and are qualified in their entirety by reference to agreements, which are filed as Exhibits 10.1 and 10.2 hereto and incorporated by reference herein.
