EXPLANATORY NOTE

Reference is made to Post-Effective Amendment No. 1 on Form S-8 to Form S-4 (SEC File No. 333-105014) filed by IAC/InterActiveCorp (formerly known as InterActiveCorp) (IAC) with the U.S. Securities and Exchange Commission on July 9, 2003 (the Hotels.com Registration Statement) to register 6,731,280 shares of IAC Common Stock (the Securities) issuable upon the exercise of stock options and restricted stock units assumed in connection with the merger (the Merger) of Hermitage Merger Corp., a Delaware corporation and a wholly-owned subsidiary of IAC, with and into Hotels.com, a Delaware corporation (Hotels.com) pursuant to the Agreement and Plan of Merger, dated as of April 9, 2003, by and among IAC, Hermitage Merger Corp. and Hotels.com (the Merger Agreement).

Pursuant to the Merger Agreement, among other things, at the time the Merger, IAC assumed the outstanding stock options and restricted stock units granted under the Hotels.com 2000 Stock Plan, the Hotels.com Directors Stock Option Plan and the Hotels.com 2003 Stock Plan (collectively, the Hotels.com Plans). As a result, the assumed options and restricted stock units became exercisable for (or in the case of restricted stock units, denominated in) shares of IAC Common Stock, based on the formula set forth in the Merger Agreement, and remain subject to the same terms and conditions set forth in the applicable Hotels.com Plan(s) and related agreements.

In connection with the one-for-two reverse stock split and spin-off of Expedia, Inc. on August 9, 2005 (the Expedia Spin-Off), IAC registered the Securities by way of a Post-Effective Amendment No. 2 on Form S-8 to Form S-4 (SEC File Nos. 333-124303 and 333-127411) (together, the 2005 Registration Statement). Since the Securities are covered by the 2005 Registration Statement, IAC no longer needs to maintain the effectiveness of the Hotels.com Registration Statement. Accordingly, IAC is hereby filing this Post-Effective Amendment No. 2 to the Hotels.com Registration Statement to remove the Securities from registration under the Hotels.com Registration Statement.

Information regarding the number and nature of Securities registered does not reflect the impact of (i) the Expedia Spin-Off, (ii) the one-for-two reverse stock split and spin-off of HSN, Inc., Interval Leisure Group, Inc., Ticketmaster and Tree.com, Inc. on August 20, 2008 and (iii) the exercise, vesting and expiration of awards granted under the Hotels.com Plans following the filing of the Hotels.com Registration Statement and the 2005 Registration Statement.

ITEM 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to:

(i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effect amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however; that paragraphs (a)(1)(i) and (a) (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of a registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act, and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933 the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, State of New York, on this 25th day of February, 2010.
