**VALIDUS OFFER HAS TOTAL VALUE OF \$58.00 PER TRANSATLANTIC SHARE**

- *Consent Solicitation record date set for November 22, 2011*
- *Validus offer provides compelling, and full and fair value to Transatlantic stockholders*
- *Transatlantic stockholders will decide the outcome, not the Transatlantic board*

PEMBROKE, BERMUDA, November 14, 2011 - Validus Holdings, Ltd. (NYSE: VR) ( Validus ) today announced that the total value of its offer, based on Validus closing share price on November 11, 2011, is \$58.00(1) per Transatlantic Holdings, Inc. (NYSE: TRH) ( Transatlantic ) share, which provides compelling, and full and fair value to Transatlantic stockholders. Validus also noted that a record date of November 22, 2011 has been set that will allow Validus to pursue its Consent Solicitation to replace the Transatlantic board with three highly qualified and independent nominees: Raymond C. Groth, Paul G. Haggis and Thomas C. Wajnert.

Edward J. Noonan, Validus Chairman and Chief Executive Officer, said, Validus offer, which had a total value of \$58.00 per Transatlantic share as of Friday s market close, provides compelling value to Transatlantic stockholders and a meaningful premium to Transatlantic s current market price. The setting of the record date allows us to move forward with the consent solicitation process to replace the Transatlantic board and empowers Transatlantic stockholders to exercise their rights. Transatlantic s stockholders, not the Transatlantic board, will have the right to determine the future of their investment.

Validus will file a definitive Consent Solicitation statement with the Securities and Exchange Commission promptly following the record date and will thereafter mail Consent Solicitation materials, including a BLUE consent card, to Transatlantic stockholders. These materials will contain important information as to why Validus believes Transatlantic stockholders need to replace the Transatlantic board with three highly qualified and independent nominees.

**About Validus offer**

Validus offer is comprised of:

- 1.5564 Validus common shares per Transatlantic share;
- \$11.00 in cash per Transatlantic share, through a pre-closing dividend financed from new borrowings; and
- An additional \$1.75 in cash per Transatlantic share through a pre-closing dividend funded from available cash on hand at Transatlantic, subject to the impact of additional Transatlantic share repurchases described below.

As the Transatlantic board continues to repurchase Transatlantic shares from selling stockholders, the Transatlantic board is causing the aggregate amount available for the initially offered \$2.00 cash per share pre-closing dividend, which would be paid to all Transatlantic stockholders in the Validus transaction, to be reduced on a dollar-for-dollar basis. Transatlantic's share repurchases after October 31, 2011 through November 3, 2011 (based on the most recent publicly available information as of November 11, 2011), have already reduced the initially offered \$2.00 additional dividend to \$1.75.

---

Validus offer, including the additional cash dividend of \$1.75 per share, represented a 5.6%(2) premium to Transatlantic's closing share price on November 11, 2011, and a 31.8%(3) premium to Transatlantic's unaffected closing share price on June 10, 2011.
