Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Veeco Instruments Inc. (Veeco or the Company) announced today that it received a letter from The NASDAQ Stock Market LLC (NASDAQ) on March 5, 2013 notifying the Company that it is not in compliance with NASDAQ Listing Rule 5250(c)(1) because its Annual Report on Form 10-K for the year ended December 31, 2012 was not filed on a timely basis with the Securities and Exchange Commission. NASDAQ Listing Rule 5250(c)(1) requires the Company to timely file all required periodic financial reports with the SEC.

As previously announced, the Company s Form 10-K, as well as the Company s quarterly report on Form 10-Q for the quarter ended September 30, 2012, could not be filed timely because the Company is reviewing the timing of revenue recognition of Metal Organic Chemical Vapor Deposition (MOCVD) systems and related upgrades to these systems.

Veeco had previously announced that it had submitted to NASDAQ a plan to regain compliance with NASDAQ s requirements for continued listing and that NASDAQ had granted an extension, to May 20, 2013, for the Company to regain compliance with NASDAQ s requirements for continued listing.

The NASDAQ letter dated March 5, 2013, requires Veeco to submit an update to its original plan to regain compliance with NASDAQ s filing requirements for continued listing by March 20, 2013. Veeco intends to submit such an update to its original plan by the required date.

A copy of the press release disclosing the Company s receipt of the NASDAQ notification letter is furnished as Exhibit 99.1 to this report.
