Item 1.01 Entry into a Material Definitive Agreement.

Fourth Amended and Restated Credit Agreement

On July 1, 2014, Kite Realty Group, L.P. (the "Operating Partnership") entered into a Fourth Amended and Restated Credit Agreement (the "Amended Credit Agreement") providing for a \$500 million unsecured revolving credit facility (the "Revolving Facility") and a \$230 million unsecured term loan facility (the "Term Loan") with KeyBank National Association, as Administrative Agent (the "Agent"), and the other lenders party thereto. The Amended Credit Agreement amended, restated and consolidated the Third Amended and Restated Credit Agreement, dated February 26, 2013 (the "Prior Credit Agreement"), among Kite Realty Group Trust (the "Company"), the Operating Partnership, the Agent and the other lenders party thereto and the Term Loan Agreement, dated as of February 26, 2013, by and among the Company, the Operating Partnership, the Agent and the lender parties thereto, as amended (the "Prior Term Loan Agreement").

The Revolving Facility has a scheduled maturity date of July 1, 2018 (compared to February 26, 2017 under the Prior Credit Agreement), which maturity date may be extended for up to two additional periods of six months at the Operating Partnership's option subject to certain conditions. The Term Loan has a scheduled maturity date of July 1, 2019 (compared to August 21, 2018 under the Prior Term Loan Agreement), which maturity date may be extended until January 1, 2020 at the Operating Partnership's option, subject to certain conditions.

The Operating Partnership has the option to increase the Revolving Facility to \$750 million, subject to certain conditions, including obtaining commitments from any one or more lenders, whether or not currently party to the Amended Credit Agreement, to provide such increased amounts. The Operating Partnership has the option to increase the Term Loan to provide for an additional \$170 million in term loans, subject to certain conditions, including obtaining commitments from any one or more lenders, whether or not currently party to the Amended Credit Agreement, to provide such increased amounts. The Amended Credit Agreement permits the Operating Partnership to utilize up to \$50 million of the Revolving Facility for the issuance of letters of credit and includes swingline loan capacity for up to \$50 million in same day borrowings.

Prior to the Company or the Operating Partnership obtaining a credit rating of BBB- or higher from Standard & Poor's Rating Services or Baa3 or higher from Moody's Investors Services, Inc. (an "Investment Grade Rating"), (i) borrowings under the Amended Credit Agreement with respect to the Revolving Facility will, subject to certain exceptions, bear interest at a rate of LIBOR plus an applicable margin of 140 to 200 basis points, depending on the Operating Partnership's leverage ratio and (ii) borrowings under the Amended Credit Agreement with respect to the Term Loan will, subject to certain exceptions, bear interest at a rate of LIBOR plus an applicable margin of 135 to 190 basis points, depending on the Operating Partnership's leverage ratio.

In the event that the Company or the Operating Partnership obtains an Investment Grade Rating and elects to use such Investment Grade Rating as the basis for determining the interest rate under the Amended Credit Agreement, the applicable margin will be determined by such credit rating rather than the leverage ratio. In such event, (i) borrowings under the Amended Credit Agreement with respect to the Revolving Facility will, subject to certain exceptions, bear interest at a rate of LIBOR plus an applicable margin of 87.5 to 170 basis points, depending on the credit rating and (ii) borrowings under the Amended Credit Agreement with respect to the Term Loan will, subject to certain exceptions, bear interest at a rate of LIBOR plus an applicable margin of 95 to 190 basis points, depending on the credit rating.

Edgar Filing: KITE REALTY GROUP TRUST - Form 8-K

Prior to the Company or the Operating Partnership obtaining an Investment Grade Rating, an unused commitment fee of 15 to 25 basis points, depending on the amount of Revolving Facility borrowings under the Amended Credit Agreement, accrues on unused portions of the Revolving Facility commitments under the Amended Credit Agreement. After the date on which the Company or the Operating Partnership obtains an Investment Grade Rating and elects to use such Investment Grade Rating as the basis for determining the interest rate under the Amended Credit Agreement, the Operating Partnership is required to pay a quarterly facility fee on the Revolving Facility in an amount equal to the aggregate amount of the Revolving Facility multiplied by an applicable margin, which varies from 12.5 basis points to 25 basis depending on the credit rating.

The proceeds of borrowings under the Amended Credit Agreement will be used by the Operating Partnership for general corporate purposes.

The Operating Partnership's ability to borrow under the Credit Agreement will be subject to ongoing compliance by the Company, the Operating Partnership and their subsidiaries with various restrictive covenants similar to those in the Prior Credit Agreement and Prior Term Loan Agreement, including with respect to liens, indebtedness, investments, dividends, mergers and asset sales. In addition, the Credit Agreement requires that the Company satisfy certain financial covenants, including:

- a maximum leverage ratio of 60%;
- Adjusted EBITDA (as defined in the Amended Credit Agreement) to fixed charges coverage ratio of at least 1.50 to 1.00;
- minimum tangible net worth (defined as Total Asset Value less Total Indebtedness) of \$1.4 billion (plus 75% of the net proceeds of any future equity issuances);
- ratio of secured recourse debt to total asset value of no more than .20 to 1.00 at any time on or prior to June 30, 2015, or .15 to 1.00 at any time thereafter;
- ratio of secured indebtedness to total asset value of no more than .50 to 1.00 at any time on or prior to June 30, 2015, or .45 to 1.00 at any time thereafter;
- ratio of unsecured debt of the Company, Operating Partnership and their respective subsidiaries not to exceed .625 to 1.00 at any time on or prior to June 30, 2015, or .60 to 1.00 at any time thereafter;
- ratio of net operating income attributable to the then current eligible unencumbered pool of properties to unsecured debt interest expense to be less than 1.75 to 1.00 at any time;

Edgar Filing: KITE REALTY GROUP TRUST - Form 8-K

- the number of properties then included in the unencumbered pool of properties to be less than 20 at any time; and
- the aggregate value of the properties then included in an unencumbered pool of properties to be less than \$650,000,000 at any time.

The Amended Credit Agreement includes customary representations and warranties, which must continue to be true and correct in all material respects as a condition to future draws under the Revolving Facility and the Term Loan. The Amended Credit Agreement also includes customary events of default, the occurrence of which, following any applicable grace period, would permit the lenders to, among other

things, declare the principal, accrued interest and other obligations under the Amended Credit Agreement to be immediately due and payable.

Several of the Operating Partnership's subsidiaries are guarantors under the Amended Credit Agreement. Pursuant to a Third Amended and Restated Guaranty, dated as of July 1, 2014, by certain subsidiaries of the Operating Partnership (collectively, the Guarantors), the Guarantors have guaranteed payment and performance of the Operating Partnership's obligations under the Amended Credit Agreement.

Further, pursuant to a Springing Guaranty, dated as of July 1, 2014, the Company agreed to guaranty all obligations under the Amended Credit Agreement upon the occurrence of, but not prior to, certain specified events, including without limitation (i) the Company entering into or conducting any business other than in connection with the ownership, acquisition and disposition of general or limited partnership interests in the Operating Partnership and the management of the business of the Operating Partnership, (ii) the Company guaranteeing, or otherwise becoming obligated in respect of, any debt (other than certain permitted debt or obligations) or (iii) the occurrence of certain bankruptcy or insolvency events with respect to the Company or the Operating Partnership.

The forgoing summary is qualified in its entirety by reference to the copy of the Amended Credit Agreement attached as Exhibit 10.1 hereto, the Third Amended and Restated Guaranty attached as Exhibit 10.2 hereto, and the Springing Guaranty attached as Exhibit 10.3 hereto, each of which is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 1, 2014, the Company completed the merger transactions contemplated by the Agreement and Plan of Merger by and among the Company, KRG Magellan, LLC (Merger Sub) and Inland Diversified Real Estate Trust, Inc. (Inland Diversified), dated February 9, 2014 (the Merger Agreement), pursuant to which Inland Diversified merged with and into Merger Sub, with Merger Sub continuing as the surviving corporation and a wholly-owned subsidiary of the Company (the Merger). Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger, each outstanding share of common stock, par value \$0.001 per share, of Inland Diversified (Inland Diversified Common Stock) was converted into the right to receive 1.707 of the Company's common shares, par value \$0.01 per share (Kite Realty Common Shares), with cash paid in lieu of fractional shares. The Company issued 201,089,235 Kite Realty Common Shares as consideration in the Merger. Based on the closing price of the Company's common shares on June 30, 2014, as reported on the New York Stock Exchange, the aggregate value of the merger consideration paid or payable to former holders of Inland Diversified Common Stock was approximately \$1.2 billion.

A copy of the Merger Agreement has been previously filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on February 11, 2014, and is incorporated by reference herein. The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the full text of the Merger Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As a result of the merger transactions contemplated by the Merger Agreement, on July 1, 2014, the Company, through certain of its subsidiaries, assumed approximately \$860 million aggregate principal amount of existing mortgage indebtedness of Inland Diversified and its subsidiaries (41 of which were wholly-owned by Inland Diversified). The mortgage loans are secured by a total of 47 underlying properties (41 of which were

The agreements governing all of the mortgages contain customary rights of the lender to accelerate the loan upon, among other things, a payment default or if certain representations and warranties made by the borrower are untrue.
