Item 1.01 Entry into a Material Definitive Agreement.

On May 20, 2015, Sanmina Corporation (the "Company") entered into a Second Amended and Restated Credit Agreement (the "Credit Agreement"), among the Company, the financial institutions party thereto from time to time as lenders and Bank of America, N.A., as agent for such lenders. The Credit Agreement amended and restated the Company's existing Amended and Restated Loan, Guaranty and Security Agreement, dated as of March 16, 2012.

The Credit Agreement provides for a \$375.0 million secured revolving credit facility with a \$75.0 million letter of credit sublimit and a \$30.0 million swingline loan sublimit. Subject to the satisfaction of certain conditions, including obtaining additional commitments from existing and/or new lenders, the Company may increase the commitments under the Credit Agreement by up to \$125.0 million. The commitments under the Credit Agreement expires on May 20, 2020; provided that, if, on any day during the six month period immediately prior to the maturity date of the Company's 4.375% Senior Secured Notes due June 2019, the Company does not meet a specified liquidity threshold and the 4.375% Senior Secured Notes due June 2019 have not been repaid in full, the Credit Agreement will terminate on the later of (i) such date to occur during such six month period, and (ii) the date that is ninety-two days prior to the maturity date of the Company's 4.375% Senior Secured Notes due June 2019 (the "Maturity Date").

The proceeds of the loans under the Credit Agreement may be used for working capital and general corporate purposes. The Company has the right to prepay loans under the Credit Agreement in whole or in part at any time without penalty. Amounts prepaid may be reborrowed.

Loans under the Credit Agreement bear interest, at the Company's option, at either the London Interbank Offered Rate ("LIBOR") or a base rate, in each case plus a spread. Interest on the loans is payable quarterly in arrears with respect to base rate loans and at the end of an interest period in the case of LIBOR loans. Principal, together with accrued and unpaid interest, is due on the Maturity Date.

Certain of the Company's domestic subsidiaries are required to become guarantors in respect of the Credit Agreement. The Company and the guarantors' obligations under the Credit Agreement are secured by the following property of the Company and such guarantors, subject to certain exceptions:

- accounts receivable and all supporting obligations, chattel paper, documents and instruments in respect thereof or relating thereto;
- deposit accounts;
- inventory;
- equity interests of the Company and the guarantors in their direct subsidiaries, subject to limited exceptions;

Edgar Filing: SANMINA CORP - Form 8-K

- intercompany debt at any time owing to the Company and the guarantors from a Canadian subsidiary;
- cash;
- accessions to, substitutions for, and all replacements, products, and cash and non-cash proceeds of the foregoing; and
- all books and records pertaining to the foregoing.

The Credit Agreement requires the Company to comply with a minimum consolidated interest coverage ratio, measured at the end of each fiscal quarter of the Company, and at all times a maximum consolidated leverage ratio.

The Credit Agreement contains customary affirmative covenants, including covenants regarding the payment of taxes and other obligations, maintenance of insurance, reporting requirements and compliance with applicable laws and regulations. Further, the Credit Agreement contains customary negative covenants limiting the ability of the Company and its subsidiaries, among other things, to incur debt, grant liens, make investments, make acquisitions, make certain restricted payments and sell assets, subject to certain exceptions. Upon the occurrence and during the continuance of an event of default, the lenders may declare all outstanding principal and accrued but unpaid interest under the Credit Agreement immediately due and payable and may exercise the other rights and remedies provided for under the Credit Agreement and related loan documents. The events of default under the Credit Agreement include payment defaults, cross defaults with certain other indebtedness, breaches of covenants or representations and warranties, change in control of the Company and certain bankruptcy events.

The description of the Credit Agreement contained herein is qualified in its entirety by reference to the text of the Credit Agreement, which is attached as an Exhibit hereto.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
