Item 1.01. Entry into a Material Definitive Agreement.

On December 14, 2006, Glenayre Technologies, Inc. (the Company) announced that it has entered into an Asset Purchase Agreement (the Agreement) by and among the Company, Glenayre Electronics, Inc., a wholly-owned subsidiary of the Company (GEI), and IP Unity Peach, Inc. (the Purchaser) for the sale of substantially all of the assets of the Company's messaging business, including inventory, fixed assets, intellectual property rights, contracts and certain real estate. The Purchaser will not acquire any cash or net operating losses. Pursuant to the Agreement, the Purchaser will pay \$25.0 million in cash (subject to a working capital adjustment as provided in the Agreement) and will assume certain related liabilities. The Agreement includes customary representations and warranties accompanied by certain limited indemnification rights and pre-closing covenants regarding the operation of the messaging business and preparation for the closing of the transaction. The transaction, which is subject to customary closing conditions, including the absence of a breach of representations and warranties that would cause a material adverse effect (as defined in the Agreement) and securing certain agreed upon consents under assigned contracts, is expected to close within 30 days of the date of the Agreement. In connection with the Agreement, IP Unity and GEI also entered into a letter agreement which requires IP Unity to pay to GEI a break-up fee of \$500,000 if the transaction is terminated by GEI due to the failure of IP Unity to meet certain conditions, and pursuant to which IP Unity will, upon the satisfaction of certain conditions, become a guarantor of the Purchaser's obligations under the Agreement.
