**Who is entitled to vote at the Annual Meeting?**

The record date for the Annual Meeting is July 5, 2013. Only stockholders of record at the close of business on that date are entitled to vote at the Annual Meeting. As of the record date, 10,802,088 shares of our Common Stock, \$.01 par value per share, were outstanding and entitled to vote and 1,000 shares of our Series A preferred shares, \$.0001 par value per share, were outstanding and entitled to vote. Holders of the Company's Series A preferred stock have the authority to elect a majority of the Board of Directors (the Class I Directors).

Our stock transfer books will remain open between the date of the Notice of Annual Meeting and the date of the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at our principal executive offices.

**How many votes do I have?**

Each holder of Common Stock is entitled to one vote per share held. As a result, a total of 10,802,088 votes may be cast by the holders of Common Stock on each matter at the Annual Meeting. Additionally, holders of the Company's Series A preferred stock have the authority to elect a majority of the Board of Directors (the Class I Directors). Currently, Mr. K.W. ("K.D.") Diepholz, Chairman, President and Chief Executive Officer of the Company, is the holder of 100 % of the outstanding Series A preferred shares and, accordingly, Mr. Diepholz has the authority to elect a majority of the Board of Directors (the Class I Directors).

**What is the difference between a stockholder of record and a beneficial owner of shares held in street name?**

*Stockholder of Record.* If your shares are registered directly in your name with the Company's transfer agent, Signature Stock Transfer, Inc., you are considered the stockholder of record with respect to those shares.

*Beneficial Owner of Shares Held in Street Name.* If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in "street name." The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares held in your account.

**If I am a stockholder of record of Common Stock, how do I cast my vote?**

If you are a stockholder of record, you may vote by mailing a completed proxy card. To vote by mailing a proxy card, please sign and return the enclosed proxy card in the enclosed prepaid and self-addressed envelope and your shares will be voted at the Annual Meeting in the manner you directed. You may also vote your shares in person at the Annual Meeting. If you are a stockholder of record, you may request a ballot at the Annual Meeting.

**If I am a beneficial owner of shares held in street name, how do I cast my vote?**

If you are the beneficial owner of shares are held in street name, you will receive instructions from the brokerage firm, bank, broker-dealer or other similar organization (the “record holder”) that must be followed for the record holder to vote your shares per your instructions. Please complete and return the voting instruction card in the self-addressed postage paid envelope provided.

If your shares are held in street name and you wish to vote in person at the Annual Meeting, you must obtain a proxy issued in your name from the record holder and bring it with you to the meeting. We recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

### **What is a quorum?**

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the shares entitled to vote on the record date will constitute a quorum. Accordingly, shares of Common Stock representing 5,401,044 votes and shares of Series A preferred shares representing 501 votes must be present, in person or by proxy, at the Annual Meeting to constitute a quorum. Abstentions and “broker non-votes” will be counted for the purpose of determining whether a quorum is present for the transaction of business.

If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

### **What is a broker non-vote ?**

If you are a beneficial owner of shares held in street name and do not provide the record holder with specific voting instructions, under the rules of various national securities exchanges, the record holder may generally vote on routine matters but cannot vote on non-routine matters. If the record holder does not receive instructions from you on how to vote your shares on a non-routine matter, the record holder will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a “broker non-vote.”

### **What vote is required for each item?**

For Proposal One, the Class I Directors are elected by the vote of the holder(s) of the issued and outstanding Series A Preferred shares. For Proposal Two, the Class II Directors are elected by a plurality of the votes cast by the holders of the issued and outstanding common shares. Accordingly, as to the Class II Directors, the nominees receiving the highest number of votes cast will be elected as a Director. Abstentions will have no effect on the outcome of the election of candidates for Class II Directors. Due to the enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act, the election of directors is now considered a non-routine matter on which brokers are not empowered to vote without instructions. Accordingly, there may be broker non-votes on Proposal Two. Should any nominee become unavailable to serve before the Annual Meeting, the proxies will be voted by the proxy holders for such other person as may be designated by our Board of Directors or for such lesser number of nominees as may be prescribed by the Board of Directors. Votes cast for the election of any nominee who has become unavailable will be disregarded. For Proposal Three, the measure will be approved or disapproved based on the highest number of votes cast. For Proposal Four, the measure will be approved or disapproved based on the highest number of votes cast.

### **What happens if I do not give specific voting instructions?**

If you are a stockholder of record and you do not specify how the shares represented thereby are to be voted, your shares will be voted in the manner recommended by the Board on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

If you are a beneficial owner of shares held in street name and you do not specify how the shares represented thereby are to be voted, your broker may generally exercise its discretionary authority to vote your shares on routine matters, but your broker will not be permitted to vote your shares with respect to non-routine matters (Proposal Two).

**What if I receive more than one set of proxy materials, proxy card or voting instruction form?**

If you receive more than one set of proxy materials, proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please vote your shares held in each account to ensure that all of your shares will be voted.

**Who will count the votes and how will my vote be counted?**

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. If your proxy is properly submitted, the shares represented thereby will be voted at the Annual Meeting in accordance with your instructions.

**Can I change my vote after I have voted?**

If you are a stockholder of record, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another proxy card with a later date with the Corporate Secretary at DynaResource, Inc., 222 W. Las Colinas Blvd., Suite 744 East Tower, Irving, Texas 75039. If you are a stockholder of record and attend the Annual Meeting and vote by ballot, any proxy that you submitted previously to vote the same shares will be revoked automatically and only your vote at the Annual Meeting will be counted.

If you are a beneficial owner of shares held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. Please note, however, that if your shares are held in street name, your vote in person at the Annual Meeting will not be effective unless you have obtained and present a proxy issued in your name from the record holder.

**Where can I find the voting results of the Annual Meeting?**

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of election and published in a Current Report on Form 8-K, which the Company is required to file with the Securities and Exchange Commission ("SEC") within four days following the Annual Meeting.

**How and when may I submit a stockholder proposal for the 2014 Annual Meeting of Stockholders?**

In the event that a stockholder desires to have a proposal considered for presentation at the 2014 Annual Meeting of Stockholders, and included in our proxy statement and form of proxy card used in connection with that meeting, the proposal must be forwarded in writing to our Corporate Secretary so that it is received by a reasonable time before the Company begins to print and mail its proxy solicitation materials. **Who will bear the cost of soliciting proxies?**

We will bear the entire cost of the solicitation of proxies for the Annual Meeting, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional solicitation materials furnished to stockholders. Copies of solicitation materials will be furnished to brokerage firms, bank, broker-dealer or other similar organization holding shares in their names that are beneficially owned by others so that they may forward the solicitation materials to the beneficial owners.
