Forward-Looking Statements

This Current Report 8-K/A contains certain forward-looking statements, and for this purpose, any statements contained in this Current Report 8-K/A that are not statements of historical fact may be deemed to be forward-looking statements. Without limiting the foregoing, words such as “may,” “will,” “expect,” “believe,” “anticipate,” “estimate” or “contingent” or comparable terminology are intended to identify forward-looking statements. These statements by their nature involve substantial risks and uncertainties, and actual results may differ materially depending on a variety of factors, many of which are not within our control. These factors include, but are not limited to, economic conditions generally in the United States and internationally, and in the markets in which we have and may participate in the future, competition within our chosen industries, the state of our technology and technological advances and plans and our failure to successfully develop, compete in and finance our current and intended business operations.
