INFORMATION STATEMENT

This information statement (the "Information Statement") is furnished to the shareholders of GL Energy and Exploration, Inc., a Delaware corporation (the "Company", or "GL Energy"), with respect to certain corporate actions of the Company. This information is first being provided to shareholders on or about November 19, 2004.

On October 13, 2004, GL Energy and Exploration, Inc., entered into an Agreement and Plan of Merger with American Southwest Music Distribution, Inc. ("ASMD"), a privately held Texas corporation, to merge with ASMD (the "Merger"). The Merger is to be accomplished through a merger of ASMD with and into the Company, with GL Energy being the survivor of the Merger. Pursuant to the Merger, all of ASMD's outstanding shares will be converted into shares of GL Energy common stock. As part of the Merger, GL Energy will also amend and restate its Articles of Incorporation to, among other things, effectuate a 1:35 reverse split of its common stock. After the Merger is concluded, the separate existence of ASMD shall cease, and G. L. Energy shall be the surviving corporation and shall be governed by the laws of the State of Delaware.

GL Energy's Board of Directors approved the Merger on October 14, 2004, and recommended that our shareholders approve the Merger. The Merger requires the approval of holders of a majority of the shares entitled to vote at a shareholder meeting. Under Delaware corporate law, we are permitted to obtain approval of the Merger by written consent of the holders of outstanding shares of voting stock having not less than the minimum number of votes that would be necessary to approve the Merger at a meeting at which all shares entitled to vote thereon were present and voted. On October 15, 2004, holders of a majority of the voting capital stock acted by written consent to approve the Merger. This Information Statement is furnished solely for the purpose of informing our shareholders of these actions in the manner required by Regulation 14C promulgated under the Securities Exchange Act of 1934 ("Exchange Act").

We have elected not to call a special meeting of our shareholders in order to eliminate the costs of and time involved in holding a special meeting. Our management has concluded that it is in the best interests of our Company to address this matter in the manner stated herein.

Shareholders of record at the close of business on November 18, 2004, are entitled to receive this Information Statement. As shareholders holding a majority of our voting capital stock have duly approved the Merger, approval or consent of the remaining shareholders is not required and is not being solicited hereby or by any other means.

The Merger will become effective when filed with the Secretary of State of the State of Delaware. The filing of the Merger will not occur nor will the Name Change be consummated or become effective until at least 20 days after the initial mailing of this Information Statement.
