NEWS RELEASE

Clarification of July 13, 2005 Press Release

Alico to Recognize Gain on Real Estate Sale

La Belle, FL, September 22, 2005 -- Alico, Inc., (NASDAQ: ALCO) a leading agribusiness company operating in Central and Southwest Florida, issued a clarification regarding the closing of the previously-announced sale of approximately 4,538 acres in Lee County, Florida to Ginn LA Naples, LTD, LLLP for \$62.9 million by its subsidiary Alico-Agri, LTD. Under the terms of the contract, Ginn paid \$6.3 million, or 10% of the total purchase price in cash on July 13, 2005 with Alico-Agri holding a first mortgage that provides for the balance of the purchase price to be paid in four equal annual installments together with accrued interest. The proceeds were placed in escrow to allow for the possibility of a 1031 like-kind exchange should the Company elect that option.

It was previously reported that if Alico-Agri chooses to receive cash, the gain (net of income taxes of \$21.0 million) over the next two years from this contract would be \$33.4 million or \$4.53 per share, consisting of approximately \$3.3 million or \$0.45 per share to be recognized in the fourth quarter of fiscal year 2005 and \$30.1 million or \$4.08 per share recognized in the fourth quarter of fiscal year 2006 upon receipt of the first scheduled mortgage principal payment. It was also previously reported that if Alico-Agri exercises its option under the like-kind exchange rules, no gain would be recognized for book or tax purposes for the portion of the property exchanged.

The company would like to make the following clarifications: Upon final settlement and closing of the transaction, it was determined that the gain from this transaction (net of income taxes of \$19.7) over the next two years will be \$32.2 million or \$4.37 per share, consisting of approximately \$3.3 million or \$0.45 per share to be recognized in the fourth quarter of fiscal year 2005 and \$28.9 million or \$3.92 per share recognized in the fourth quarter of fiscal 2006 upon receipt of the first scheduled mortgage principal payment. Also, no gain will be recognized for tax purposes for the portion of the property exchanged; gain will be recognized, however, for financial statement purposes with respect to property so exchanged.

About Alico

Alico, Inc., a leading agribusiness company operating in Central and Southwest Florida, owns approximately 136,000 acres of land located in Collier, Hendry, Lee and Polk counties. The Company is involved in various operations and activities including citrus fruit production, cattle ranching, sugarcane, sod production, and forestry. The Company also leases land for farming, cattle grazing, recreation and oil exploration, and is increasingly involved in exploring real estate development in and beyond its holdings.
