Item 8.01 Other Events

Beginning in the third quarter of 2013 and in conjunction with management's efforts to accelerate the development and commercialization of subsea boosting technology for subsea markets, FMC Technologies, Inc. (the "Company") will report the results of direct drive systems technology development within our Subsea Technologies reporting segment. This change will be reflected on a retrospective basis in accordance with generally accepted accounting principles.

The Company is issuing this Current Report on Form 8-K in order to provide investors with historical financial information on a basis that is consistent with the movement of direct drive systems technology into Subsea Technologies. The schedules in Exhibit 99.1 provide unaudited segment reporting for the previously reported quarters in 2013 and the quarters and year ended in 2012.

This information in no way revises or restates the Company's consolidated statements of income, consolidated statements of comprehensive income, consolidated balance sheets, consolidated statements of cash flows, or consolidated statements of changes in stockholder's equity for any period.

Item 9.01 Financial Statements and Exhibits
