The PSUs will vest on December 31, 2012, if the reporting person remains employed by the Company over the performance period and the Company determines that it achieved certain total shareholder return ("TSR") performance goals. The performance period begins on
- (3) January 1, 2010 and ends December 31, 2012. Once vested, payout for PSU's can range from 0% to 200% based on the Company's relative TSR over the performance period as compared to a group of peer companies.
