Item 1.01 Entry Into A Material Definitive Agreement

As reported in the Company's May 11, 2010 Form 10-Q, the employment of John Hynes, the Company's Chief Operating Officer of European Operations, ended. On June 9, 2010 the Company entered into a global settlement agreement with Mr. Hynes under which it agreed to pay Mr. Hynes £760 in statutory payments, £24,000 in a termination payment and up to £1,000 plus VAT for his legal counselors' fees for a complete waiver and compromise of any statutory or common law claims he might have asserted against the Company.

A copy of Mr. Hynes' Compromise Agreement is attached hereto as Exhibit 99.1

The Company recognized that there was a gap in the vesting events for restricted stock granted to Brian Moore, the Company's President and Chief Executive Officer, in several prior years, including the most recent grant. Under several of his restricted stock agreements Mr. Moore would lose all unvested shares upon any of a number of types of amicable separations from the Company, a circumstance that would thwart the purpose of the restricted stock, which is to encourage the recipient's best efforts at all times. The Company rectified that gap by entering into a Second Amendment to Employment Agreement with Mr. Moore on June 11, 2010 (the "Agreement"). The Agreement resolves the vesting gap issue by providing that Mr. Moore's unvested restricted stock will vest upon his separation from the company under any of several enumerated events.

A copy of Mr. Moore's Second Amendment to Employment Agreement is attached hereto as Exhibit 99.2.

Item 9.01. Financial Statements and Exhibits

(d)	Exhibits
<u>99.1</u>	Compromise Agreement with Mr. Hynes
<u>99.2</u>	Second Amendment to Employment Agreement with Mr. Moore
