### Item 1.01 Entry into a Material Definitive Agreement

On February 1, 2006, Conversion Services International, Inc. (the "Company") entered into financing agreements with Laurus Master Fund, Ltd. ("Laurus"), pursuant to which it, among other things, (a) issued a secured non-convertible term note in the principal amount of \$1,000,000 to Laurus (the "Term Note"), (b) issued a secured non-convertible revolving note in the principal amount of \$10,000,000 to Laurus (the "Revolving Note", collectively with the Term Note, the "Notes"), and (c) issued an option to purchase up to 3,080,000 shares of the Company's common stock to Laurus (the "Option"). The proceeds from the issuance of the Notes were used to refinance the Company's outstanding obligations under an existing facility with Laurus (originally entered into in August 2004 and subsequently amended in July 2005) at a 5% premium. The Notes bear an annual interest rate of prime (as reported in the Wall Street Journal, which was 7.25% as of January 31, 2006) plus 1.0%, with a floor of 5.0%. Payments of principal and interest will be made in equal monthly amounts until maturity of both notes on December 31, 2007, at which time the 5% premium will also be due.

In connection with the Notes, the Company and Laurus entered into an Overadvance Letter Agreement, pursuant to which Laurus exercised its discretion granted to it pursuant to the Security Agreement entered into in August 2004 to make a loan to the Company in excess of the "Formula Amount" (as defined therein). The Company also entered into a Stock Pledge Agreement and Security Agreement securing its obligations to Laurus, both prior to and including the Notes, as well as a Registration Rights Agreement pursuant to which the Company agreed to file a registration statement to register the shares of the Company's common stock underlying the Option, as well as the shares of the Company's common stock and the shares of the Company's common stock underlying the warrants held by Laurus, within 90 days. As of the date of this filing, Laurus owns approximately 809,525 shares of the Company's common stock, and warrants to purchase 400,000 shares of the Company's common stock at \$4.35 per share, 200,000 shares of the Company's common stock at \$4.65 per share and 200,000 shares of the Company's common stock at \$5.25 per share.
