## **ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

As previously publicly disclosed, on January 16, 2007, Spectrum Brands, Inc. (the “Company”) received a purported notice of default (the “Notice”) from entities claiming to be the holders of or to have discretionary authority in respect of the Company’s 8 1/2% Senior Subordinated Notes due 2013 (the “Notes”) (such entities, the “Purported Noteholders”). The Notice asserted that the Company’s incurrence of indebtedness under the Company’s Fourth Amended and Restated Credit Agreement dated as of February 7, 2005 gave rise to certain defaults relating to the incurrence of indebtedness, incurrence of liens and delivery of proper notice under the indenture governing the Notes (the “Indenture”).

On March 12, 2007, the Company entered into an exchange and forbearance agreement (an “Agreement”) with certain of the Purported Noteholders who have represented that they own a majority in principal amount of the outstanding Notes. Under the terms of the Agreement, these Purported Noteholders have agreed (i) not to exercise any rights or remedies which may be available to them under the Indenture in respect of certain alleged defaults, (ii) to tender their Notes in an exchange offer and (iii) to consent to (A) amendments to the Indenture to remove substantially all of the restrictive covenants and certain events of default, (B) waive the alleged defaults and (C) agree not to take certain actions under any other debt agreement or instrument of the Company. The Agreement provides a right of termination in the event of certain breaches of the Agreement or at any time from and after April 10, 2007 in the event the exchange offer has not been successfully completed.

The foregoing summary of the terms and conditions of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement attached as Exhibit 10.1 hereto, and which is incorporated herein by reference.

A copy of the press release announcing the Agreement is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
