**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On June 6, 2008, Apollo Gold Corporation, a Yukon Territory corporation (“Apollo”), entered into an asset purchase agreement (the “Agreement”) with St Andrew Goldfields Ltd. (“St Andrew”), whereby Apollo agreed to purchase St Andrew’s Stock Mill complex located near Timmons, Ontario for a total purchase price of Cdn\$20 million. St Andrew’s Stock Mill complex includes its mill and related equipment, infrastructure, laboratory and tailings facilities. In connection with the acquisition of the Stock Mill complex, Apollo agreed to assume liabilities of St Andrews under contracts assumed in the transaction and environmental liabilities relating to events after the closing of the transactions contemplated by the Agreement.

The closing of the transactions contemplated by the Agreement is expected to occur on June 30, 2008 (the “Completion Date”) and is subject to the satisfaction of customary closing conditions. Apollo may extend the closing date past June 30, 2008, but to no later than August 29, 2008, by delivering written notice to St Andrew at least five business days prior to June 30, 2008 specifying the date on which Apollo wishes to close the transactions.

Apollo paid Cdn\$1.5 million of the Cdn\$20 million purchase price upon execution of the Agreement in the form of a deposit (the “Deposit”). If the transactions contemplated by the Agreement are not completed due to failure of Apollo to satisfy its obligations under the Agreement, the Deposit will be forfeited by Apollo in its entirety. If the transactions contemplated by the Agreement are not completed for any other reason, the Deposit shall be returned to Apollo without interest. If the transactions contemplated by the Agreement are completed, the Deposit will be credited towards the Cdn\$20 million purchase price. The remaining Cdn\$18.5 million of purchase price will be payable by Apollo on the Completion Date. However, if Apollo elects to extend the Completion Date past June 30, 2008, Apollo will pay interest on the Cdn\$18.5 million of unpaid purchase price from June 30, 2008 to the Completion Date at the rate of 12% per annum, calculated daily and payable on the Completion Date.

Other significant provisions of the Agreement include the following:

- Apollo agreed to assume St Andrew’s bonding commitment with the Ontario Ministry of Northern Development and Mines (“MNDM”) at the Stock Mill project of approximately Cdn\$1.2 million by providing its own security within twelve months of the date of the Agreement. If the MNDM has not refunded St Andrew’s bonding commitment of Cdn\$1.2 million to St Andrew within twelve months of the date of the Agreement, Apollo will refund such amount to St Andrew.
- Apollo and St Andrew agree that, for a period of two years from the date of execution of the Agreement, neither party will (i) solicit the employment of any officer or employees of the other, (ii) acquire securities or property of the other, (iii) commence any offer of any nature for securities of the other, including takeover offers, (iv) solicit proxies from shareholders of the other, (v) enter into business combinations with respect to the other party or (vi) assist or encourage, or join or participate in a group, in connection with the foregoing.
- Apollo agreed to file a registration statement on Form S-3 with the U.S. Securities and Exchange Commission to register for resale approximately 28,675,000 of Apollo’s common shares owned by St Andrew and certain permitted transferees and use its reasonable best efforts to cause such registration statement to be declared effective by the Securities and Exchange Commission within 90 days of the execution of the Agreement. Apollo satisfied this obligation by filing a registration statement on Form S-3 on April 24, 2008, which was declared effective by the Securities and Exchange Commission on May 7, 2008.
- St Andrew granted to Apollo a right of first refusal to match a bona fide offer from a third party to purchase certain additional properties located around the Stock Mill complex for a period of 24 months following the Completion Date. In addition, St Andrew granted to Apollo an option to purchase such additional properties for Cdn.\$500,000.

The option is exercisable by Apollo for a period beginning on the second anniversary of the Completion Date until the tenth anniversary of the Completion Date.

In addition to the foregoing provisions, the Agreement includes customary representations, warranties, covenants and indemnities for transactions of this type.

---

As of the execution date of the Agreement, St Andrew owned approximately 17.5% of outstanding common shares of Apollo.

The foregoing description of the Agreement contained in this Current Report on Form 8-K is qualified in its entirety by the full text of the Agreement, which is incorporated by reference herein and attached as Exhibit 10.1 hereto.
