Re.: MATERIAL EVENT

Dear Sirs,

CREDICORP LTD., in accordance with article 28 of the Capital Markets Law and CONASEV Resolution for Material Events and Reserved Information and Other Communications number 107-2002-EF/94.10, as modified by CONASEV Resolution number 009-2003-EF/94.10, complies with notifying you of the following Material Event:

Credicorp's Board of Directors, in its session held on March 31, 2009, approved unanimously the establishment of a new program for long-term incentives to Senior Executives of all Credicorp's subsidiaries for which those Executives selected will receive shares of Credicorp. This program will be instituted in all Credicorp's subsidiaries. The Board also approved changes to some conditions of the previous program to keep both programs aligned.

Finally, to reduce the volatility and improve the retention capacity of the Stock Appreciation Rights Program (the previous plan), the Board approved the exchange of rights conceded in 2007 and 2008 for a smaller number of rights of the new program with shorter term and lower price to exercise.

Yours faithfully,

Fernando Palao  
Credicorp Ltd.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
