PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of Kandi Technologies, Corp., a Delaware corporation (the "Company" or "Kandi") for the Annual Meeting of the Stockholders (the "Meeting") to be held at 12:00 p.m., local time, on December 18, 2009 and at any adjournment or adjournments thereof, at the offices of K&L Gates LLP, 599 Lexington Avenue, New York, NY 10022.

The approximate date on which the Proxy Statement and form of proxy are intended to be sent or given to the shareholders is November 6, 2009. If the shareholder received a Notice of Internet Availability of Proxy Materials by mail, the shareholder will not receive a printed copy of the proxy materials, unless the shareholder has previously made a permanent election to receive these materials in paper copy. Instead, the Notice of Internet Availability of Proxy Materials provides instructions as to how the shareholder may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also provides instructions on how to submit the proxy on the internet. The shareholder is invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, the shareholder does not need to attend the annual meeting to vote. Instead the shareholder may simply complete, sign and return the proxy card, which is available at <https://materials.proxyvote.com/483709>.

We will bear the expense of solicitation of proxies for the Meeting, including the printing and mailing of this Proxy Statement. We may request persons, and reimburse them for their expenses with respect thereto, who hold stock in their name or custody or in the names of nominees for others to forward copies of such materials to those persons for whom they hold Common Stock (as defined below) and to request authority for the execution of the proxies. In addition, some of our officers, directors and employees, without additional compensation, may solicit proxies on behalf of the Board of Directors personally or by mail, telephone or facsimile.

VOTING SECURITIES, VOTING AND PROXIES

Record Date

Only shareholders of record of our common stock, \$.001 par value (the “Common Stock”), as of the close of business on October 26, 2009 (the “Record Date”) are entitled to notice and to vote at the Meeting and any adjournment or adjournments thereof.

Voting Stock

As of the Record Date, there were 19,961,000 shares of Common Stock outstanding. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on the matter to be voted at the Meeting. No other class of voting securities was then outstanding.

Quorum

The presence at the Meeting of a majority of the outstanding shares of Common Stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy, even though you abstain as to the proposal, or you are present in person at the Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker “non-votes” are included for the purposes of determining whether a quorum of shares is present at the Meeting. A broker “non-vote” occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner, does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Voting

The election of directors requires the approval of a plurality of the votes cast at the meeting. For purposes of the proposal, abstentions and broker “non-votes” will have no effect on the outcome.

If you are the beneficial owner, but not the registered holder of our shares, you cannot directly vote those shares at the Meeting. You must provide voting instructions to your nominee holder, such as your brokerage firm or bank.

If you wish to vote in person at the Meeting but you are not the record holder, you must obtain from your record holder a “legal proxy” issued in your name and bring it to the Meeting.

At the Meeting, ballots will be distributed with respect to the proposal to each shareholder (or the shareholder’s proxy if not the management proxy holders) who is present and did not deliver a proxy to the management proxy holders or another person. The ballots shall then be tallied, one vote for each share owned of record, the votes being in three categories: “FOR,” “AGAINST” or “ABSTAIN”.

Proxies

The form of proxy solicited by the Board of Directors affords you the ability to specify a choice among approval of, disapproval of, or abstention with respect to, the matters to be acted upon at the Meeting. Shares represented by the proxy will be voted and, where the solicited shareholder indicates a choice with respect to the matter to be acted upon, the shares will be voted as specified. If no choice is given, a properly executed proxy will be voted in favor of the proposal.

Revocability of Proxies

Even if you execute a proxy, you retain the right to revoke it and change your vote by notifying us at any time before your proxy is voted. Such revocation may be affected by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of our principal office set forth above in the Notice to this Proxy Statement or your attendance and voting at the Meeting. Unless so revoked, the shares represented by the proxies, if received in time, will be voted in accordance with the directions given therein.

You are requested, regardless of the number of shares you own or your intention to attend the Meeting, to sign the proxy and return it promptly in the enclosed envelope.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the officers or directors has any interest in the matters to be acted upon.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed Albert Wong & Co., P.A. as the Company's independent registered public accountants for the fiscal year ending December 31, 2009. Services provided to the Company by our independent registered public accountants in fiscal 2008 are described under "Audit-Related Matters—Auditor Fees and Services," below.

We are asking our stockholders to ratify the selection of Albert Wong & Co. as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Albert Wong & Co. to our stockholders for ratification as a matter of good corporate practice.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ALBERT WONG & CO. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR FISCAL 2009

In the event stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee and the Board. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

CORPORATE GOVERNANCE

Meetings and Certain Committees of the Board

The Board of Directors held seven meetings during 2009. All current directors attended, either in person or telephonically, all of the meetings of the Board of Directors and Board committees of which they are members. We have an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Board Committees

Audit Committee

The Audit Committee is currently comprised of Fong Heung Sang (Chair), Zheng Mingyang and Yao Zhengming, each of whom are "independent" as defined by NASDAQ rules, which is the independence standard that we have chosen to report under. Immediately following the Meeting, assuming the election of the Nominees, the Audit Committee will be comprised of Fong Heung Sang (Chair), Zheng Mingyang and Yao Zhengming, each of whom will be "independent" as defined by NASDAQ rules. The Audit Committee has an Audit Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 5, 2007. Fong Heung Sang is the designated "financial expert" as defined by the Securities and Exchange Commission's (the "SEC") rules implementing Section 407 of the Sarbanes-Oxley Act of 2002. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of any registered public accounting firm employed by the Company (including resolution of disagreements between management and the accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or other services. Any such registered public accounting firm must report directly to the Audit Committee. The Audit

Committee has the ultimate authority and responsibility to evaluate and, where appropriate, replace the registered public accounting firm. The Audit Committee was established on October 31, 2007. In 2008, the Audit Committee met four times.

Compensation Committee

The Compensation Committee is responsible for the administration of all salary, bonus and incentive compensation plans for our officers and key employees. The members of the Compensation Committee are Zheng Mingyang (Chair), Yao Zhengming and Qian Min, all of whom are “independent” directors as defined by NASDAQ rules, which is the independence standard that we have chosen to report under. Immediately following the Meeting, assuming the election of the Nominees, the Compensation Committee will be comprised of Zheng Mingyang (Chair), Yao Zhengming and Qian Min, each of whom will be “independent” as defined by NASDAQ rules. The Compensation Committee was established on October 31, 2007. In 2008, the Compensation Committee met one time. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board policies, practices and procedures relating to the compensation of the officers and other managerial employees and the establishment and administration of employee benefit plans. It advises and consults with the officers of the Company as may be requested regarding managerial personnel policies. The Compensation Committee also has such additional powers as may be conferred upon it from time to time by the Board.

Nominating and Governance Committee

Nominating and Corporate Governance Committee (the “Nominating Committee”) is responsible for preparing a list of candidates to fill the expiring terms of directors serving on our Board of Directors. The Nominating Committee has a Nominating and Corporate Governance Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 5, 2007. The Nominating Committee submits the list of candidates to the Board of Directors who determines which candidates will be nominated to serve on the Board of Directors. The names of nominees are then submitted for election at our Annual Meeting of Stockholders. The Nominating Committee also submits to the entire Board of Directors, a list of nominees to fill any interim vacancies on the Board of Directors resulting from the departure of a member of the Board of Directors for any reason prior to the expiration of his term. In recommending nominees to the Board of Directors, the Nominating Committee keeps in mind the functions of this body. The Nominating Committee considers various criteria, including the ability of the individual to meet the NASDAQ “independence” requirements, general business experience, general financial experience, knowledge of the Company’s industry (including past industry experience), education, and demonstrated character and judgment. The Nominating Committee will consider director nominees recommended by a stockholder if the stockholder mails timely notice to the Secretary of the Company at its principal offices, which notice includes (i) the name, age and business address of such nominee, (ii) the principal occupation of such nominee, (iii) a brief statement as to such nominee’s qualifications, (iv) a statement that such nominee consents to his or her nomination and will serve as a director if elected, (v) whether such nominee meets the definition of an “independent” director under the NASDAQ listing standards and (vi) the name, address, class and number of shares of capital stock of the Company held by the nominating stockholder. Any person nominated by a stockholder for election to the Board of Directors will be evaluated based on the same criteria as all other nominees. The Nominating Committee also oversees our adherence to our corporate governance standards. The members of the Nominating Committee are Qian Min (Chair), Zheng Mingyang and Yao Zhengming. Immediately following the Meeting, assuming the election of the Nominees, the Nominating Committee will be comprised of Qian Min (Chair), Zheng Mingyang and Yao Zhengming, each of whom will be “independent” as defined by NASDAQ rules. The Nominating Committee was established on October 31, 2007. In 2008, the Nominating and Corporate Governance Committee met one time.

Director Nominations and Independence

The nomination process involves a careful examination of the performance and qualifications of each incumbent director and potential nominees before deciding whether such person should be nominated. The Board believes that the business experience of its directors has been, and continues to be, critical to the Company’s success. Directors should possess integrity, independence, energy, forthrightness, analytical skills and commitment to devote the necessary time and attention to the Company’s affairs. Directors must possess a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust.

The Board will generally consider all relevant factors, including, among others, each nominee’s applicable expertise and demonstrated excellence in his or her field, the usefulness of such expertise to the Company, the availability of the nominee to devote sufficient time and attention to the affairs of the Company, the nominee’s reputation for personal integrity and ethics, and the nominee’s ability to exercise sound business judgment. Other relevant factors, including age and diversity of skills, will also be considered. Director nominees are reviewed in the context of the existing membership of the Board (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its stockholders. The Board uses its network of contacts when compiling a list of potential director candidates and may also engage outside consultants (such as professional search firms).

In addition, the Board of Directors reviews each nominee’s relationship with the Company in order to determine whether the nominee can be designated as independent. The following members of our Board of Directors meet the independence requirements and standards currently established by NASDAQ: Fong Heung Sang, Zheng Mingyang, Yao Zhengming and Qian Min.

Stockholder Communications

The Board of Directors welcomes communications from our stockholders, and maintains a process for stockholders to communicate with the Board of Directors. Stockholders who wish to communicate with the Board of Directors may send a letter to the Chairman of the Board of Directors of Kandi Technologies, Corp., at Jinhua City Industrial Zone, Jinhua, Zhejiang Province, People's Republic of China 321016. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication." All such letters should identify the author as a security holder. All such letters will be reviewed by the Chairman of the Board of Directors and submitted to the entire Board of Directors no later than the next regularly scheduled Board of Directors meeting.

Annual Meetings

We have no policy with respect to director attendance at annual meetings.

Compensation of Directors

The Company does not pay compensation to its directors. All directors are reimbursed for out-of-pocket expenses in connection with attendance at Board of Director's and/or committee meetings.

Retirement, Post-Termination and Change in Control

We have no retirement, pension, or profit-sharing programs for the benefit of directors, officers or other employees, nor do we have post-termination or change in control arrangements with directors, officers or other employees, but our Board of Directors may recommend adoption of one or more such programs in the future.

Section 16(a) of the Securities Exchange Act of 1934 requires that the Company's directors and executive officers and persons who beneficially own more than ten percent (10%) of a registered class of its equity securities, file with the SEC reports of ownership and changes in ownership of its common stock and other equity securities. Executive officers, directors, and greater than ten percent (10%) beneficial owners are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports that they file. Based solely upon a review of the copies of such reports furnished to us or written representations that no other reports were required, the Company believes that, during fiscal year 2007, all filing requirements applicable to its executive officers, directors, and greater than ten percent (10%) beneficial owners were met except for the timely filing of a Form 3 by Yao Zhengming, Qian Min and Fong Heung Sang upon their appointment as Directors of the Company due to unforeseen delays.

Changes in Accountants

Effective on June 26, 2009, the Company's Board of Directors dismissed Weinberg & Company P.A., the Company's former independent auditor (the "Former Auditor").

The Former Auditors' audit report on the Company's consolidated financial statements for each of the past two fiscal years, did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company’s two fiscal years and through the subsequent interim period preceding the Former Auditor’s dismissal on June 26, 2009, (a) there were no disagreements between the Company and the Former Auditors on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the Former Auditors, would have caused the Former Auditors to make reference to the subject matter of the disagreement in connection with its report; and (b) no reportable events as set forth in Item 304(a)(1)(v)(A) through (D) of Regulation S-K have occurred.

The Company engaged Albert Wong & Co. (the “New Auditor”) as its new independent auditor, effective on or about June 26, 2009. During the Company’s two fiscal years and subsequent interim period preceding June 26, 2009, the Company has not consulted with the New Auditors regarding the application of accounting principles to a specified transaction, either completed or proposed, or any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

All of the audit services described below were approved by our Board of Directors prior to rendering of services by our independent accountants. The Board of Directors has determined that the payments made to our independent accountants for these services are compatible with maintaining such auditor's independence.
