PROXY STATEMENT

Dated April 10, 2017

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON MAY 4, 2017

GENERAL

This Proxy Statement is being furnished to the shareholders of Accelerate Diagnostics, Inc., a Delaware corporation (the “Company”), as of March 15, 2017 (the “Shareholders”), in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board”) from the Shareholders for use at the Annual Meeting of Shareholders for the year ended December 31, 2016, to be held at 8:00 a.m., local time, on Thursday, May 4, 2017, at the Herbert K. Abrams Public Health Center, 4th Floor, 3950 South Country Club Road, Tucson, Arizona 85714, and any continuations, postponements or adjournments thereof (the “Annual Meeting”). This Proxy Statement and the accompanying Notice and proxy card are first being mailed to Shareholders on or about April 10, 2017.

INFORMATION ABOUT THE ANNUAL MEETING

When and where is the Annual Meeting?

The Annual Meeting will be held at 8:00 a.m., local time, on Thursday, May 4, 2017, at the Herbert K. Abrams Public Health Center, 4th Floor, 3950 South Country Club Road, Tucson, Arizona 85714.

What is being considered at the Annual Meeting?

At the Annual Meeting, our Shareholders will be acting on the following proposals:

- to elect the following seven persons to serve as directors of the Company until the next Annual Meeting of Shareholders and thereafter until their successors have been elected and qualified: Lawrence Mehren, Mark C. Miller, John Patience, Jack Schuler, Matthew W. Strobeck, Ph.D., Frank J.M. ten Brink and Thomas D. Brown;
- to approve an amendment to the Company's 2012 Omnibus Equity Incentive Plan (the "Plan") increasing the number of shares of the Company's common stock reserved and available for grant thereunder by 2,000,000 and to reapprove the material terms of the Plan for purposes of Section 162(m) of the Code;
- to ratify the selection of Ernst & Young LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2017; and
- to transact such other business as may properly come before the meeting or any continuation, postponement or adjournment thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the Annual Meeting?

You may vote at the Annual Meeting if you owned shares of the Company's common stock ("Common Stock") as of the close of business on the record date for the Annual Meeting, which was March 15, 2017. You are entitled to one vote for each share of Common Stock that you held as of the record date.

How many shares are eligible to be voted at the Annual Meeting?

There were 51,989,344 shares of Common Stock issued and outstanding as of the record date (close of business on March 15, 2017), each of which entitles the holder thereof to one vote at the Annual Meeting.

How do I vote?

You can vote in the following ways:

- by attending the Annual Meeting and voting in person;
- over the Internet or by telephone using the instructions on the enclosed proxy card;
- by completing, signing, dating and returning the enclosed proxy card (applicable only to shareholders of record); or
- by following the instructions on the voting instruction form (applicable only to beneficial holders of shares of Common Stock held in "street name").

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted in accordance with the Board's recommendations, which are as follows:

·FOR election of the seven director nominees;

·FOR approval of the proposed amendment to the Plan and the “Plan”) and reapproval of the material terms of the Plan;
and

·FOR ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2017.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy or attend the Annual Meeting and vote in person.

Your shares may be voted under certain circumstances if they are held in “street name.” Brokerage firms generally have the authority to vote customers’ un-voted shares on certain “routine” matters. With the sole exception of the ratification of Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2017, no matters submitted for shareholder approval herein are “routine” matters. When a brokerage firm votes its customers’ un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to ratifying the selection of Ernst & Young LLP as Company’s independent registered public accounting firm for the year ending December 31, 2017.

How do I vote if I hold shares registered in the name of a broker or bank?

If, on the record date (March 15, 2017), your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the Annual Meeting. If you want to attend and vote at the Annual Meeting, you must provide proof of beneficial ownership as of the record date, such as your most recent account statement showing ownership as of March 15, 2017, a copy of the voting instruction card provided by your broker or other agent, or other similar evidence of ownership. Whether or not you plan to attend the Annual Meeting, we urge you to provide voting instructions to your broker or other agent in advance of the Annual Meeting to ensure your vote is counted. Your broker or other agent will furnish you with additional information regarding the submission of such voting instructions.

Can I change my mind after I return my proxy?

Yes. You may change your vote or revoke your proxy at any time before your proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to the corporate secretary, by submitting another proxy with a later date, or by attending the Annual Meeting and voting in person. If you hold your shares in “street name,” you should consult with your bank, broker or other nominee regarding the procedures for changing your voting instructions.

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the Annual Meeting if you attend the meeting and vote in person or if you properly return a proxy by mail or the other methods described in these materials. In order for us to conduct business at the Annual Meeting, thirty three percent (33%) of the shares of Common Stock entitled to vote as of the record date must be present in person or by proxy at the Annual Meeting. This is referred to as a quorum. In order to ensure that there is a quorum, it may be necessary for certain directors, officers, regular employees and other representatives of the Company to solicit proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

If a quorum is not present, then either the Chairman of the Annual Meeting or the Shareholders may adjourn the meeting until a later time. Abstentions and “broker non-votes” are counted as present or represented for purposes of determining the presence or absence of a quorum. A “broker non-vote” occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received voting instructions from the beneficial owner.

What vote is required to approve each item of business to be considered at the Annual Meeting?

Election of Directors. Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The seven persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders may not cumulate votes in the election of directors.

Pursuant to rules approved by the Securities and Exchange Commission (the “SEC”) brokers are not entitled to use their discretion to vote uninstructed proxies in, among other things, uncontested director elections. In other words, if your shares are held by your broker in “street name” and you do not provide your broker with instructions about how your shares should be voted in connection with this proposal, your shares will not be voted and a “broker non-vote” will result. Therefore, if you desire that your shares be voted in connection with the election of the Board, it is imperative that you provide your broker with voting instructions. If your shares are held by your broker in “street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent.

Amendment of 2012 Omnibus Equity Incentive Plan and Reapproval of the Material Terms of the Plan for Purposes of Section 162(m) of the Code. The proposed amendment to the Company's 2012 Omnibus Equity Incentive Plan increasing the number of shares of our common stock reserved and available for grant thereunder by 2,000,000 shares and the reapproval of the material terms of the Plan for purposes of Section 162(m) of the Code will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such "broker non-votes" will not be deemed a vote cast or affect the outcome of the proposal (assuming a quorum is present).

Ratification of Independent Registered Public Accounting Firm. The ratification of the Audit Committee's selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2017 will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent registered public accounting firm.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed proxy card gives authority to the proxy holder(s) to vote on those matters at their discretion.

Can I dissent or exercise rights of appraisal?

Under Delaware law, shareholders are not entitled to dissenters' rights in connection with any of the proposals to be presented at the Annual Meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to Shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

Currently, Lawrence Mehren serves as the Company’s Chief Executive Officer and John Patience serves as the Chairman of the Board. The Board believes that its current leadership structure best serves the objectives of the Board’s oversight of management; the ability of the Board to carry out its roles and responsibilities on behalf of the shareholders; and the Company’s overall corporate governance. The Board also believes that the current separation of the Chairman and CEO roles allows the CEO to focus his time and energy on operating and managing the Company and leverage the experience and perspectives of the Chairman.

Board Oversight of Risk Management

The full Board has responsibility for general oversight of risks facing the Company. The Board is informed by senior management on areas of risk facing the Company and periodically conducts discussions regarding risk assessment and risk management. The Board believes that evaluating how the executive team manages the various risks confronting the Company is one of its most important areas of oversight. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk and to manage investment, tax, and other financial risks. Finally, management periodically reports to the Board or relevant committee, which provides guidance on risk assessment and mitigation.

Section 16(A) Beneficial Ownership Reporting Compliance

Each member of the Audit Committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC and has been determined by the Board to be “financially literate” with accounting or related financial management experience. The Board has also determined that Mr. ten Brink is an “audit committee financial expert” as defined under SEC rules and regulations, and qualifies as a financially sophisticated audit committee member as required under Rule 5605(c)(2)(A) of the NASDAQ Listing Rules. The Audit Committee has a written charter, a copy of which is available online at <http://acceleratediagnostics.com/about-us/corporate-governance/>. The Audit Committee met 4 times during the year ended December 31, 2016.

The Audit Committee is responsible primarily for overseeing the qualifications, independence and performance of our independent registered public accounting firm; the services performed by our independent registered public accounting firm; evaluating the Company’s accounting policies and system of internal controls; and reviewing significant financial transactions. In carrying out this purpose, the Audit Committee maintains and facilitates free and open communication between the Board, the independent registered public accounting firm, and our management.

The Board maintains a standing Compensation Committee comprised of Messrs. Miller, Patience, Schuler, Strobeck and ten Brink. Each member of the Compensation Committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC. The Compensation Committee has a written charter, a copy of which is available online at <http://acceleratediagnostics.com/about-us/corporate-governance/>. The Compensation Committee is primarily responsible for reviewing the compensation arrangements for the Company’s executive officers, including the CEO; administering the Company’s equity compensation plans; and reviewing the compensation of the Board. The Compensation Committee met 3 times during the year ended December 31, 2016.

During the year ended December 31, 2016, the Board held 4 meetings and took action by written consent on 4 occasions. Each member of the Board attended or participated in 100% or more of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served).

The Company does not have a written policy requiring directors to attend the Annual Meeting, but attendance is encouraged. In 2016, one of the directors attended our Annual Meeting of Shareholders. We presently anticipate that one director will attend the Annual Meeting this year.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time during the past fiscal year an officer or employee of the Company, was formerly an officer of the Company or any of its subsidiaries, or had any employment relationship with the Company or any of its subsidiaries. No executive officer of the Company has served as a director or member of the Compensation Committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served as a director of or member of the Compensation Committee of the Company.

Director Nominations

The independent members of the Board have nominated Messrs. Brown, Mehren, Miller, Patience, Schuler, Strobeck, and ten Brink, each of whom is a current member of the Board, for re-election at the Annual Meeting.

The Board seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively. The Board does not currently have a separate Nominating Committee because the Board does not yet believe such a committee is necessary. However, as the Company continues to grow, the Board may consider establishing a separate Nominating Committee. Currently, the independent members of the Board are responsible for identifying and appointing appropriate persons to add to the Board when necessary. In selecting Board candidates, it is the independent directors' goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of a company of the Company's nature while also reviewing other appropriate factors.

Qualifications of Director Nominees

The Board believes that each of the persons nominated for election at the Annual Meeting have the experience, qualifications, attributes and skills that, when taken as a whole, will enable the Board to satisfy its oversight responsibilities effectively. AUDIT COMMITTEE REPORT

The Audit Committee oversees the financial reporting process of our company on behalf of our Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2016 with management, including a discussion of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Ernst & Young, LLP (“Ernst & Young”), our independent registered public accounting firm that was responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles and an opinion on our internal controls over financial reporting, its judgments about our accounting principles and the other matters required to be discussed with the Audit Committee under generally accepted auditing standards, including PCAOB Auditing Standard No. 16 (Communications with Audit Committees). The Audit Committee has received from Ernst & Young the written disclosure and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Ernst & Young their independence. The Audit Committee has considered the effect of non-audit fees on the independence of Ernst & Young and has concluded that such non-audit services are compatible with the independence of Ernst & Young.

The Audit Committee discussed with Ernst & Young the overall scope and plans for its audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its audits and quarterly reviews, its observations regarding our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements for the year ended December 31, 2016 be included in the Annual Report on Form 10-K for the year ended December 31, 2016 for filing with the Securities and Exchange Commission.

This report has been furnished by the members of the Audit Committee.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis (“CD&A”) is to provide material information about the Company’s compensation philosophy, objectives and other relevant policies and to explain and put into context the material elements of the disclosure that follows in this Proxy Statement with respect to the compensation of our named executive officers (“NEOs”). For the year that ended on December 31, 2016, our NEOs were:

Lawrence Mehren, President and Chief Executive Officer

Steve Reichling, Chief Financial Officer

Pete Bantock, Chief Culture Officer and Head of Human Resources

The Compensation Committee

On an ongoing basis, the Compensation Committee reviews the performance and compensation of our President and Chief Executive Officer and the Company's other executive officers. Additionally, the Compensation Committee reviews compensation of outside directors for service on the Board and for service on committees of the Board. The Compensation Committee also administers the Company's 2012 Omnibus Equity Incentive Plan, as amended.

Role of Executives in Determining Executive Compensation

Our President and Chief Executive Officer provides input to the Compensation Committee regarding the performance of the other NEOs and offers recommendations regarding their compensation packages in light of such performance. The Compensation Committee is ultimately responsible, however, for determining the compensation of the NEOs, including our President and Chief Executive Officer.

Compensation Philosophy and Objectives

The Compensation Committee and the Board believe that the Company's compensation programs for its executive officers should reflect the Company's performance and the value created for its shareholders. In addition, we believe the compensation programs should support the goals and values of the Company and should reward individual contributions to the Company's success. Specifically, the Company's executive compensation program is intended to, among other things:

- attract and retain the highest caliber executive officers;
- drive achievement of business strategies and goals;
- motivate performance in an entrepreneurial, incentive-driven culture;
- closely align the interests of executive officers with the interests of the Company's shareholders;
- promote and maintain high ethical standards and business practices; and
- reward results and the creation of shareholder value.

Factors Considered in Determining Compensation; Elements of Compensation

The Compensation Committee makes executive compensation decisions on the basis of total compensation, rather than on individual components of compensation. We attempt to create an integrated total compensation program structured to balance both short and long-term financial and strategic goals. Our compensation should be competitive enough to attract and retain highly skilled individuals. In this regard, we utilize a combination of between two to three of the following types of compensation to compensate our executive officers:

- base salary;
- performance bonuses;
- equity compensation, usually consisting of stock options.

The Compensation Committee periodically reviews each executive officer's base salary and makes appropriate recommendations to the Board. Salaries are based on the following factors:

- the Company's performance for the prior fiscal years and subjective evaluation of each executive's contribution to that performance;

- the performance of the particular executive in relation to established goals or strategic plans;
- competitive levels of compensation for executive positions based on information drawn from compensation surveys and other relevant information; and
- our obligations under the applicable executive officer's employment agreement or offer letter (if any).

Performance bonuses and equity compensation are awarded based upon the recommendation of the Compensation Committee. Incentive and/or non-qualified stock options are generally granted under the Company's shareholder-approved equity incentive plan(s), as well, with the exercise price of such options set at 100% of the closing price of the Company's common stock on the day before the date of grant. These grants are made with a view to linking executives' compensation to the long-term financial success of the Company and its shareholders.

Use of Benchmarking and Compensation Peer Groups

The Compensation Committee did not utilize any benchmarking measure(s) in 2016 and traditionally has not tied compensation directly to a specific profitability measurement, market value of the Company's common stock or benchmark related to any established peer or industry group. Salary increases are based on the terms of the NEOs' employment agreements, if applicable, and correlated with the Board's and the Compensation Committee's assessment of each NEO's performance. The Company also generally seeks to increase or decrease compensation, as appropriate, based upon changes in an executive officer's functional responsibilities within the Company. Historically, the Compensation Committee has not used outside consultants in determining the compensation of the NEOs, and no such consultants were engaged during 2016.

Other Compensation Policies and Considerations; Tax Issues and Risk Management

The intention of the Company has been to compensate the NEOs in a manner that maximizes the Company's ability to deduct such compensation expenses for federal income tax purposes. However, the Compensation Committee has the discretion to provide compensation that is not "performance-based" under Section 162(m) of the Code if it determines that such compensation is in the best interests of the Company and its shareholders. For the year that ended on December 31, 2016, the Company expects to deduct all compensation expenses paid to the NEOs with the exception of incentive stock options (ISOs). Stock options, which are non-cash compensation, are granted to NEOs as part of their total compensation. In some instances, these options are awarded as ISOs up to the maximum allowed by the IRS. ISO compensation expenses are generally not tax deductible by the Company.

On an annual basis, the Compensation Committee evaluates the Company's compensation policies and practices for its employees, including the NEOs, to assess whether such policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. Based on its evaluation, the Compensation Committee has determined that the Company's compensation policies and practices do not create such risks.

During the year ended December 31, 2016, none of our NEOs exercised any stock options.

Pension Benefits and Nonqualified Deferred Compensation Plans

The Company does not maintain any pension, nonqualified deferred compensation or similar plans.

Potential Payments Upon Termination or Change-in-Control

The Company has not entered into any salary continuation, severance or similar agreements or arrangements with any of our NEOs. Except as described below with respect to certain stock option awards granted to Messrs. Mehren and Reichling, we have no contractual or other obligation to provide severance benefits or other payments in the event of a change of control or termination of employment, although our shareholder-approved 2012 Omnibus Equity Incentive Plan (as amended) provides that the Board of Directors (or other applicable body thereof responsible for administering the plan) may, in its discretion, accelerate the vesting of awards granted thereunder in connection with a change of

control.

The terms of Mr. Mehren's April 20, 2012 stock option award provide for accelerated vesting in the event of (i) a merger or consolidation of the Company in which its voting securities immediately prior to the merger or consolidation do not represent, or are not converted into securities that represent, a majority of the voting power of all voting securities of the surviving entity immediately after the merger or consolidation; (ii) a sale of substantially all of the assets of the Company, (iii) a liquidation or dissolution of the Company, or (iv) any other transaction in which, the owners of the Company's outstanding voting power prior to such transaction do not own at least a majority of the outstanding voting power of the successor entity immediately upon completion of the transaction. Based on the price of the Company's common stock, as reported on the NASDAQ Capital Market as of the close of trading on December 31, 2016 (\$20.75 per share), the value to Mr. Mehren of such accelerated vesting would have been \$2,128,680 if one of the events described above had actually occurred on December 31, 2016.

The terms of Mr. Reichling's September 10, 2012 stock option award provide for accelerated vesting in the event the Company or the Company's shareholders enter into an agreement to dispose of all or substantially all of the assets or stock of the Company by means of a sale, reorganization, liquidation or otherwise. Based on the price of the Company's common stock, as reported on the NASDAQ Capital Market as of the close of trading on December 31, 2016 (\$20.75 per share), the value to Mr. Reichling of such accelerated vesting would have been \$533,100 if one of the events described above had actually occurred on December 31, 2016.

50% (397,500 shares) will vest when at least 50% of the warrants initially issued to Abeja Ventures, LLC ("Abeja") have been exercised by the holder(s) thereof, and the remaining 50% (397,500 shares) will vest when at least 90% of such warrants have been exercised by the holder(s) thereof.

Notwithstanding the foregoing, if Mr. Mehren's employment is terminated for any reason other than for cause (as defined in the option award agreement), he will be entitled to exercise the then-vested portion of the option for a period of 90 days following his termination of employment (after which time any unexercised options will expire). If Mr. Mehren's employment is terminated for cause, the Company, in its sole discretion, may provide for the immediate cancellation of the option (or any portion thereof). Any unvested portion of the option will accelerate and become immediately vested and exercisable in the event of a change of control with respect to the Company.

In his capacity as Chief Financial Officer, Mr. Reichling was paid a base salary of \$170,000 per year which was subsequently increased to \$190,000 per year. Mr. Reichling was also granted an option to purchase 200,000 shares of the Company's common stock at an exercise price equal to \$2.98 per share, which was equal to the closing price of the Company's common stock on the date of grant. The option was issued pursuant to the Company's 2004 Omnibus Stock Option Plan, as amended, and will vest as follows: 40% will vest on the second anniversary of the date of grant, and the remaining 60% will vest in 36 equal monthly installments over the subsequent 36 months. Mr. Reichling was also provided with a \$70,000 budget to be used towards relocation and temporary living arrangements, with the

understanding that he was required to relocate to the Tucson, Arizona area by the completion date of the Company's relocation of its corporate headquarters.

Director Compensation

Directors who are also employees of the Company (including Mr. Mehren) do not receive any separate compensation in connection with their Board service, and we do not pay cash fees to any of our directors. Our non-employee directors generally receive an initial stock option award upon joining the Board, which is calculated using a pre-determined formula and vests 20% per year over a five-year period, beginning on the first anniversary of the date of the director's election to the Board. Non-employee directors also receive annual stock option awards, which are calculated using a pre-determined formula and vest in 12 equal monthly installments, beginning one month after the date of grant. We reimburse directors for reasonable expenses related to their Board service.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Nominees for Election at the 2017 Annual Meeting of Shareholders

The Board has nominated Messrs. Mehren, Miller, Patience, Schuler, Strobeck, ten Brink and Brown for election as directors to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified. If elected, each of the directors will hold office as a director until our 2018 Annual Meeting of Shareholders.

If you sign your proxy or voting instruction card but do not give instructions with respect to the voting of directors, your shares will be voted for the nominees recommended by our Board. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card. The Board expects that the nominees will be available to serve as directors. If any nominee becomes unavailable, however, the proxy holders intend to vote for any nominee designated by the Board, unless the Board chooses to reduce the number of directors serving on the Board. If additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of Messrs. Mehren, Miller, Patience, Schuler, Strobeck, ten Brink and Brown.

Vote Required and Board Recommendation

Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The six persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders may not cumulate votes in the election of directors.

The Board recommends that shareholders vote "FOR" the election of each of Messrs. Mehren, Miller, Patience, Schuler, Strobeck, ten Brink and Brown as directors of the Company.

**PROPOSAL NO. 2:
AMENDMENT OF 2012 OMNIBUS EQUITY INCENTIVE PLAN AND REAPPROVAL OF THE
MATERIAL TERMS OF THE PLAN FOR PURPOSES OF SECTION 162(m) OF THE CODE**

General

The Board adopted the Accelerate Diagnostics, Inc. 2012 Omnibus Equity Incentive Plan on October 31, 2012 (the “2012 Plan”). The 2012 Plan was subsequently approved by the Company’s shareholders at the Company’s 2012 Annual Meeting of Shareholders on December 12, 2012. The 2012 Plan provides for the grant of nonqualified stock options, incentive stock options, stock appreciation rights (“SARs”), restricted stock, restricted stock units, stock grants, stock units, performance units, performance shares and performance cash awards. The 2012 Plan also allows the Committee (as described below) to grant awards that are intended to qualify for the “performance-based compensation” exception to the \$1,000,000 limitation on the deduction of compensation imposed by Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”).

Since its adoption, the 2012 Plan has been amended on two occasions. The First Amendment was approved by the Board on March 21, 2013. The First Amendment, among other things, reflected the Company’s name change to Accelerate Diagnostics, Inc. and the transfer of the listing of our common stock (“Common Stock”) from NYSE MKT LLC to the NASDAQ Capital Market. The Second Amendment, which was approved by the Company’s shareholders at the Company’s 2014 Annual Meeting, increased the number of shares of Common Stock reserved and available for grant under the 2012 Plan by 4,000,000 shares.

On March 7, 2017 (the “Effective Date”), the Board adopted, subject to shareholder approval, the Third Amendment to the 2012 Plan (the “Third Amendment”). If approved by the Company’s shareholders, the Third Amendment: (i) increases the number of shares of Common Stock reserved and available for grant under the 2012 Plan by 2,000,000 shares; and (ii) clarifies that the maximum number of shares subject to option and SAR awards granted to any one participant during any 12 month period is the same numeric limit set forth in Section 4.1 of the 2012 Plan.

As of the Effective Date, the total number of shares of Common Stock remaining available for grant under the 2012 Plan was approximately 1.3 million shares. Based on estimated usage, the Compensation Committee anticipates depleting the 1.3 million shares currently available for grant under the 2012 Plan by the second quarter of 2018. In order to continue to have an appropriate supply of shares available for grant for future equity awards to recruit, hire and retain the talent required to successfully execute our business plans, the Company is asking the shareholders to approve the Third Amendment to increase the number of shares available for grant under the 2012 Plan by 2,000,000 shares. If the Third Amendment is not approved by the shareholders, awards will continue to be made under the 2012 Plan as currently in effect to the extent shares are available.

Under Section 162(m) of the Code, the material terms of a public company equity plan must be disclosed to, and approved by, a public company’s shareholders every five years. For this purpose, the material terms include the class of persons eligible to receive awards under the 2012 Plan, the 162(m) performance criteria on which the 162(m) performance goals are based, and the maximum performance compensation award payable to any one participant under the 2012 Plan. These material terms are described in the Summary of 2012 Plan Features below under “Eligibility” and “Awards Available under the 2012 Plan.”

Our shareholders last approved the material terms of the 2012 Plan at the Company’s 2012 Annual Meeting. Accordingly, in addition to approving the Third Amendment, the Board is asking the shareholders to approve the material terms of the 2012 Plan at the 2017 Annual Meeting. If the material terms of the 2012 Plan are not approved at the 2017 Annual Meeting, the Compensation Committee will no longer have the ability to grant “performance-based compensation awards” to any of the Company’s executives who are “covered employees” as defined in Section 162(m) of the Code. In such case, the Company may continue to grant awards under the 2012 Plan to such “covered employees,” however, such awards may not be fully deductible pursuant to Section 162(m) of the Code.

Set forth below is a summary of the principal provisions of the 2012 Plan, as amended by the proposed Third Amendment. The summary is qualified by reference to the full text of the 2012 Plan, as amended by the proposed Third Amendment, which is attached to this proxy statement as Appendix A.

Summary of 2012 Plan Features

Purpose

The Board believes that the 2012 Plan promotes the success and enhances the value of the Company by aligning the interests of participants in the Plan with those of the Company's shareholders and by providing those individuals with an incentive for outstanding performance to generate significant returns for the Company's shareholders. The Board also believes that the flexible terms and conditions of the 2012 Plan, which permit the grant of various forms of equity awards with a variety of terms and conditions, allow the Company to attract, retain and motivate individuals upon whose judgment, interest and effort the successful conduct of the Company's operation is largely dependent.

Administration

The 2012 Plan is administered by the Board or, with respect to individuals subject to the requirements of Section 16 of the Exchange Act of 1934 or "covered employees" as defined in Section 162(m) of the Code, a Committee (the "Committee") consisting of at least two (2) individuals, each of whom qualifies as: (i) a "non-employee director" as defined in Rule 16b-3(b)(3) of the General Rules and Regulations of the Exchange Act of 1934; and (iii) an "outside director" as defined in Section 162(m) of the Code, in each case, as each such rule or regulation is in effect from time to time. The Committee, by majority action, is authorized to interpret the 2012 Plan, to prescribe, amend, and rescind rules and regulations relating to the 2012 Plan, to provide for conditions and assurances deemed necessary or advisable to protect the interests of the Company, and to make all other determinations necessary for the administration of the 2012 Plan, to the extent they are not contrary to express provisions of the 2012 Plan. All references in the 2012 Plan to the "Committee" shall be, as applicable, to the Board or the Committee appointed by the Board.

The Committee has the authority, without limitation, to: (i) designate participants to receive awards; (ii) determine the type or types of awards and the times when awards are to be granted; (iii) determine the number of awards to be granted and the number of shares of Common Stock to which an award will relate; (iv) determine the terms and conditions of any award, including, but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the award, any schedule for lapse of restrictions or limitations, and accelerations or waivers thereof, based in each case on such considerations as the Committee determines; provided, however, that except in the context of a change of control (as described below under “Change of Control”), the Committee shall not have the authority to accelerate the vesting or waive the forfeiture restrictions of any Performance-Based Compensation Awards; (v) determine whether, to what extent, and in what circumstances an award may be settled in, or the exercise price of an award may be paid in, cash, Common Stock, other awards, or other property, or whether an award may be canceled, forfeited, exchanged or surrendered; (vi) prescribe the form of each award agreement, which need not be identical for each participant; (vii) decide all other matters that must be determined in connection with an award; (viii) establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the 2012 Plan; (ix) amend or modify any outstanding award to the extent the terms of such award are within the power and authority of the Committee as provided under the 2012 Plan; (x) interpret the terms of, and determine any matter arising pursuant to, the 2012 Plan or any award agreement; and (xi) make all other decisions or determinations that may be required pursuant to the 2012 Plan or an award agreement as the Committee deems necessary or advisable to administer the 2012 Plan.

Pursuant to the Committee’s specific written delegation, the Company’s CEO has the authority to grant awards to individuals to expedite the hiring process and retain talented employees. The CEO does not have the authority to grant awards to any individual who is or will become upon hiring “covered employees” as defined in Section 162(m) of the Code or who is subject to Section 16 of the Exchange Act of 1934.

Stock Subject to the 2012 Plan

If the Third Amendment is approved by the shareholders, the total number of shares of Common Stock reserved and available for grant pursuant to the 2012 Plan shall be 7,677,500 shares. The maximum number of shares of Common Stock that may be issued as incentive stock options under the 2012 Plan is the same numeric limitation set forth in the preceding sentence. Shares delivered pursuant to the 2012 Plan may consist of authorized but unissued Common Stock, treasury stock, or Common Stock purchased on the open market. The amount of Common Stock reserved for grants pursuant to the 2012 Plan is subject to adjustment in the event of certain changes in capital structure as described below under “Adjustment Provisions.”

If any award granted under a Prior Plan terminates, expires, lapses for any reason, any Common Stock subject to or surrendered for such award will again be available for grant under the 2012 Plan. The exercise of a stock-settled SAR or broker-assisted “cashless” exercise of an option (or a portion thereof) will reduce the number of shares of Common Stock available for grant by the entire number of shares of Common Stock subject to that SAR or option (or applicable portion thereof), even though a smaller number of shares of Common Stock will be issued upon such an

exercise. Common Stock tendered to pay the exercise price of an option or tendered or withheld to satisfy a tax withholding obligation arising in connection with an award will not become available for grant or sale under the 2012 Plan. Awards that are settled in cash will not be charged against the number of shares available for grant.

Eligibility

All employees, officers, directors of, and certain consultants and advisers to, the Company or its subsidiaries are eligible to participate in the 2012 Plan. As of the Effective Date, there were approximately 61 employees, including officers, and directors eligible to participate in the 2012 Plan. Awards may also be granted to prospective employees or members of the Board subject to certain requirements.

Awards Available Under the 2012 Plan

Each of the following types of awards may be granted pursuant to the 2012 Plan:

Stock Options. An option entitles the participant to purchase shares of Common Stock in the future at a specified price. The Committee may grant both incentive stock options and nonqualified stock options under the 2012 Plan. Incentive stock options will be granted only to participants who are employees. The exercise price of all options granted under the Plan will be at least 100% of the fair market value of our Common Stock on the date of grant. Stock options may be exercised as determined by the Committee, but no option may be exercised more than 10 years from the date of grant. The Committee will determine the methods by which the exercise price of an option may be paid, the form of payment, including, without limitation, cash, shares of Common Stock held for longer than six (6) months (through actual tender or by attestation), any net-issuance arrangement or other property acceptable to the Committee (including broker-assisted “cashless exercise” arrangements), and the methods by which shares of Common Stock will be delivered or deemed delivered to participants. Special rules will apply to incentive stock options as provided in the 2012 Plan. A participant will have no rights as a shareholder with respect to options until the shares of Common Stock are actually issued in connection with the award. The number of shares of Common Stock subject to any one or more option awards granted to any one participant for any 12 month period is the same numeric limit set forth in Section 4.1 of the 2012 Plan.

Stock Appreciation Rights. A SAR award gives the participant the right to share in the appreciation in value of one share of Common Stock. Appreciation is calculated as the excess, if any, of (i) the fair market value of a share of Common Stock on the date of exercise over (ii) the base value fixed by the Committee on the date of grant, which may not be less than the fair market value of a share of Common Stock on the date of grant. SARs are exercisable at such times and subject to such restrictions and conditions as the Committee approves, provided that no SAR may be exercised more than ten (10) years following the date of grant. The award agreement will specify whether the payment for the SARs shall be in cash, Common Stock of equivalent value, or in a combination thereof. The number of shares of Common Stock subject to any one or more SAR awards granted to any one participant for any 12 month period is the same numeric limit set forth in Section 4.1 of the 2012 Plan.

Restricted Stock. A restricted stock award gives the participant the right to receive a specified number of shares of Common Stock at a purchase price determined by the Committee (including and typically zero). Restrictions limit the participant’s ability to transfer the Common Stock and subject the Common Stock to a substantial risk of forfeiture until specific conditions or goals are met. The restrictions will lapse in accordance with a schedule or other conditions as determined by the Committee. As a general rule, if the participant terminates employment (or service) during the period of restriction, any unvested restricted Common Stock will be forfeited.

Restricted Stock Units. A restricted stock unit award gives the participant the right to receive Common Stock, a cash payment, or a combination thereof, equal to the fair market value of our Common Stock (determined as of a specified date) in the future, subject to certain restrictions and to the risk of forfeiture. Participants holding restricted stock units have no voting rights with respect to the shares of Common Stock subject to their restricted stock unit

award prior to the issuance of such shares pursuant to the award. As a general rule, if the participant terminates employment (or service) during the period of restriction, any unvested restricted stock units will be forfeited.

Stock Grant Awards. A stock grant award gives the participant the right to receive (or purchase at a price determined by the Committee), a designed number of shares of Common Stock free of any vesting restrictions. A stock grant award may be granted or sold as consideration for past services, other consideration or in lieu of cash compensation due to any participant. The purchase price, if any, for a stock grant award shall be payable in cash or other form of consideration acceptable to the Committee.

Stock Unit Awards. A stock unit award gives the participant the right to receive a designated number of shares of Common Stock, or a cash payment equal to the fair market value (determined as of a specified date) of a designated number of shares of Common Stock, in the future free of any vesting restrictions. A stock unit award may be granted or sold as consideration for past services, other consideration or in lieu of cash compensation due to any participant.

Performance Shares. A performance share award gives the participant the right to receive a specified number of shares of Common Stock if the participant achieves the performance goals specified by the Committee during a performance period specified by the Committee.

Performance Units. A performance unit award gives the participant the right to receive a specified number of shares of Common Stock, a cash payment or a combination of Common Stock and cash, if the participant achieves the performance goals specified by the Committee during a performance period specified by the Committee.

Performance Cash Awards. A performance cash award gives the participant the right to receive a cash payment if the participant achieves the performance goals specified by the Committee during a performance period specified by the Committee.

Performance-Based Compensation Awards. When the Committee grants restricted stock, restricted stock units, stock grants, stock units, performance shares, performance units, and performance cash awards, it may designate the awards as “Performance-Based Compensation Awards.” Performance-Based Compensation Awards are designed to qualify for the “performance-based compensation” exception to the limitation on the deduction of compensation imposed by Section 162(m) of the Code. Section 162(m) of the Code only applies to “covered employees,” as that term is defined in Section 162(m) of the Code and the regulations issued thereunder. Therefore, only covered employees are eligible to receive awards that are designated as Performance-Based Compensation Awards. The Committee has complete discretion regarding whether to grant awards to covered employees that qualify for the “performance-based compensation” exception to Section 162(m) of the Code. Options and SARs granted pursuant to the Plan should, by their terms, qualify for the “performance-based compensation” exception.

A covered employee is only entitled to receive payment for a Performance-Based Compensation Award for any given performance period to the extent that pre-established performance goals set by the Committee for the period are satisfied. These pre-established performance goals must be based on one or more of the following performance criteria: EBITDA; EBIT; costs; operating income; net income; cash flow; operating cash flow; net cash flow; retained earnings; budget achievement; return on equity; return on assets; return on capital employed; return on invested capital; expense spending; O&M expense; gross margin; net margin; market capitalization; customer satisfaction; revenues; financial return ratios; market share; shareholder return and/or value (including but not limited to total shareholder return); operating profits (including earnings before or after income taxes, depreciation and amortization); net profits; earnings per share; earnings per share growth; profit returns and margins; Common Stock price; working capital; production cost; project milestones; economic value added; equipment performance; operating efficiency; debt; dividends; corporate governance; and health and safety (including environmental health and safety). The performance criteria may, but need not, be calculated in accordance with generally accepted accounting principles (“GAAP”) or any successor method to GAAP, including International Financial Reporting Standards. The performance criteria may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group, indices, or any other basket of companies.

With respect to any Performance-Based Compensation Award, the Committee has the discretion to select the length of the performance period (which may be one or more periods of time of varying and overlapping durations, over which the attainment of one or more performance goals will be measured), the type of Performance-Based Compensation Award to be issued, the kind and/or level of performance goal or goals and whether the performance goal or goals apply to the Company, a subsidiary or any division or business unit of any of them, or to the individual participant or any group of participants. The Committee also has the discretion to evaluate the achievement of the performance goals in a manner that includes or excludes certain events that may occur during the performance period, as described in the Plan. The Committee has the discretion to decrease the amount of compensation payable pursuant to any Performance-Based Compensation Award but may not increase the compensation payable pursuant to any Performance-Based Compensation Award. The Committee must certify in writing prior to the payment of any Performance-Based Compensation Award that the performance goals and any other material terms and conditions precedent to such payment have been satisfied.

The maximum amount of any Performance-Based Compensation Award (other than a performance cash award) that may be granted to a covered employee during any performance period is 400,000 shares of Common Stock or the equivalent cash value. The maximum performance cash award payable for a performance period is \$1,500,000. If the performance period is less than or exceeds 12 months, the dollar and share limits expressed in the preceding sentences shall be reduced or increased proportionately, as the case may be.

Restrictions

Except as described above, the Committee may impose such restrictions on any awards under the 2012 Plan as it may deem advisable, including restrictions under applicable federal securities law, under the requirements of any stock exchange upon which our Common Stock is then listed and under any blue sky or state securities law applicable to the awards.

Change of Control

If a Change of Control occurs, the Board shall have the authority and discretion, but shall not have the obligation, to provide, in an award agreement or thereafter, that all or part of outstanding awards shall become fully exercisable and all or part of the restrictions on outstanding awards shall lapse. In addition, upon, or in anticipation of, a Change of Control, the Committee may: (i) cause all outstanding awards to be canceled and terminated as of a specified date and give each participant the right to exercise such awards during a period of time as the Committee, in its sole discretion, shall determine, or (ii) cause all outstanding awards to be canceled and terminated as of a specified date in exchange for a payment or right to payment pursuant to the terms and conditions set forth in the Change of Control transaction documents. With respect to an award which the Company concludes is subject to (and not excepted from) the requirements of Section 409A, any actions taken by the Board in connection with a Change of Control shall be done in compliance with Section 409A of the Code.

Clawback of Awards

Every award issued under the 2012 Plan is subject to potential forfeiture or “clawback” to the fullest extent called for by applicable federal or state law or Company policy. By accepting an award, a participant agrees to return to the Company the full amount required by applicable law or Company policy.

Nontransferability

The Committee may, in its sole discretion, determine the right of a participant to transfer any award granted under the Plan. Unless otherwise determined by the Committee, no award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution or pursuant to a domestic relations order in favor of a spouse (that would otherwise qualify as a qualified domestic relations order as defined in the Code or Title I of the Employee Retirement Income Security Act of 1974, but for the

fact that the order pertains to an award), or, if applicable, until the termination of any restricted or performance period as determined by the Committee. Notwithstanding the foregoing, the Committee shall have the authority to allow a participant to transfer awards, including SARs and options, to family members.

A participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death. If no beneficiary has been designated or survives the participant, payment will be made to the person entitled thereto under the participant's will or the laws of descent and distribution. Subject to the foregoing, a participant may change or revoke a beneficiary designation at any time provided the change or revocation is filed with the Committee.

Adjustment Provisions

If there is a change in the outstanding shares of Common Stock because of a stock dividend or split, recapitalization, merger, consolidation, combination, exchange of shares, or other similar corporate change, the Committee shall, in its sole discretion and to the extent it deems equitable and appropriate to prevent dilution or enlargement of rights, make a proportionate adjustment in: (i) the number and class of shares of Common Stock made available for grant; (ii) the number of shares of Common Stock set forth in the various numeric limits expressed in the 2012 Plan; (iii) the number and class of and/or price of shares of Common Stock, units, or other rights subject to the then-outstanding awards; (iv) the performance targets or goals appropriate to any outstanding awards (subject to such limitations as appropriate for Performance-Based Compensation Awards); or (v) any other terms of an award that are affected by the event. Notwithstanding anything in the 2012 Plan to the contrary, in the event of any such transaction or occurrence, the Committee, in its sole discretion, may provide in substitution for any or all outstanding awards such alternative consideration (including cash) as it, in good faith, may determine to be equitable under the circumstances and may require in connection therewith the surrender of all awards so replaced. Any adjustments made pursuant to the 2012 Plan's adjustment provisions shall be made in a manner consistent with the requirements of Section 409A of the Code and, in the case of incentive stock options, any such adjustments shall be made in a manner consistent with the requirements of Section 424(a) of the Code.

Replacement Awards

In the event of any corporate transaction in which the Company or a subsidiary acquires a corporate entity which, at the time of such transaction, maintains an equity compensation plan pursuant to which equity awards are then outstanding (the "Acquired Plan"), the Committee may make awards to assume, substitute or convert such outstanding awards in such manner as may be determined to be appropriate and equitable by the Committee. Any shares of stock authorized and available for issuance under the Acquired Plan shall, subject to adjustment as described above under "Adjustment Provisions," be available for use in making awards under this 2012 Plan with respect to persons eligible under such Acquired Plan, by virtue of the Company's assumption of such Acquired Plan, consistent with the NASDAQ Rules (or rules of any other exchange upon which our Common Stock is then traded), including, but not limited to, NASDAQ Rule 5635(c), including IM-5635-1, as such Rules may be amended or replaced from time to time.

Amendment, Modification and Termination of the 2012 Plan

With the approval of the Board, the Committee may, at any time and from time to time, terminate, amend or modify the 2012 Plan. Any such action of the Committee is subject to the approval of the shareholders to the extent required by law, regulation or the rules of any exchange on which our Common Stock is then listed, quoted or traded. Except as otherwise provided in the Plan, neither the Board nor the Committee may, without the approval of shareholders:

(i) increase the number of shares available for grant under the 2012 Plan; (ii) permit the Committee to grant options or SARs with an exercise price or base value that is below fair market value on the date of grant; (iii) permit the Committee to extend the exercise period for an option or SAR beyond ten (10) years from the date of grant; (iv) amend the 2012 Plan to permit the Committee to reprice previously granted options; or (v) amend the 2012 Plan to permit the Committee to reprice previously granted SARs.

Except as provided in the next sentence, or in connection with a change of control, no amendment, modification, or termination of the Plan or any award agreement shall in any material manner adversely affect any award previously granted under the 2012 Plan without the consent of the participant. The participant's consent is unnecessary if the change: (i) is required by law or regulation; (ii) does not adversely affect in any material way the rights of the participant; or (iii) is required to cause the benefits under the 2012 Plan to qualify as performance-based compensation exception to the deduction limitation imposed by Section 162(m) of the Code or to comply with the provisions of Section 409A of the Code.

Except in the context of a change of control, the Committee shall not have the authority to amend an award agreement to accelerate the vesting or waive the forfeiture restrictions of any Performance-Based Compensation Awards. In addition, the Committee shall not take any other action that would cause a Performance-Based Compensation Award to fail to satisfy the requirements of the performance-based compensation exception to the deduction limitation imposed by Section 162(m) of the Code unless the Committee concludes that the deduction limitation will not become applicable or that the amendment is appropriate despite the deduction limitation imposed by Section 162(m) of the Code.

Tax Withholding

The Company will have the power to withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state, and local withholding tax requirements on any award under the 2012 Plan. To the extent that alternative methods of withholding are available under applicable laws, the Company will have the power to choose among such methods.

Federal Income Tax Information

The following is a brief summary of certain federal income tax consequences of certain transactions under the Plan based on federal income tax laws in effect on the Effective Date. This summary is not intended to be exhaustive and does not describe state, local, or foreign income tax consequences which may also be applicable.

As a general rule, with the exception of a stock grant, a participant will not recognize taxable income with respect to any award at the time of grant. A participant will recognize income on a stock grant award at the time of grant.

Upon exercise of a nonqualified stock option, the lapse of restrictions on restricted stock, or upon the payment of SARs, restricted stock units, performance shares, performance units, performance cash awards, or stock unit awards, the participant will recognize ordinary taxable income in an amount equal to the difference between the amount paid for the award, if any, and the fair market value of our Common Stock or amount received on the date of exercise, lapse of restriction or payment. The Company will be entitled to a concurrent income tax deduction equal to the ordinary income recognized by the participant.

A participant who is granted an incentive stock option will not recognize taxable income at the time of exercise. However, the excess of the Common Stock's fair market value over the option price could be subject to the alternative minimum tax in the year of exercise (assuming the Common Stock received is not subject to a substantial risk of forfeiture or is transferable). If Common Stock acquired upon exercise of an incentive stock option is held for a minimum of two (2) years from the date of grant and one year from the date of exercise, the gain or loss (in an amount equal to the difference between the sales price and the exercise price) upon disposition of the Common Stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any income tax deduction. If the holding period requirements are not met, the incentive stock option will not meet the requirements for this tax favored treatment and the tax consequences described for nonqualified stock options will apply.

Section 409A of the Code, among other things, expanded the definition of deferred compensation arrangements to include, for example, below market option and SAR grants, restricted stock units, performance shares, performance units, performance cash awards, and stock units. If awards that are subject to Section 409A fail to comply with Section 409A, a participant must include in ordinary income all deferred compensation conferred by the award, pay interest from the date of the deferral and pay an additional 20% tax. The award agreement for any award that is subject to Section 409A may include provisions necessary for compliance as determined by the Committee. The Company intends (but cannot and does not guarantee) that awards granted under the Plan will comply with the requirements of Section 409A or an exception thereto and intends to administer and interpret the Plan in such a manner.

The Patient Protection and Affordable Care Act, which became effective in 2010, introduced a new net investment income tax. Effective January 1, 2013, dividends paid to and capital gains recognized by individuals with incomes over certain threshold amounts may be subject to an additional 3.8% tax on net investment income.

Special Rules Applicable to Officers

In limited circumstances where the sale of Common Stock that is received as the result of a grant of an award could subject an officer to suit under Section 16(b) of the Exchange Act, the tax consequences to the officer may differ from the tax consequences described above. In these circumstances, unless a special election has been made, the principal difference usually will be to postpone valuation and taxation of the Common Stock received so long as the sale of the Common Stock received could subject the officer or director to suit under Section 16(b) of the Exchange Act, but not longer than six (6) months.

Tax Consequences to the Company or Its Subsidiaries

To the extent that a grantee recognizes ordinary income in the circumstances described above, the Company or the subsidiary for which the employee performs services will be entitled to a corresponding deduction, provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an “excess parachute payment” within the meaning of Section 280G of the Code and is not subject to the \$1,000,000 million deduction limit for certain executive compensation under Section 162(m) of the Code.

Vote Required and Board Recommendation

The proposed Third Amendment increasing the number of shares of our common stock reserved and available for grant under the 2012 Plan by 2,000,000 shares and reapproval of the material terms of the 2012 Plan for purposes of Section 162(m) of the Code will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such “broker non-votes” will not be deemed a vote cast or affect the outcome of the proposal (assuming a quorum is present).

The Board recommends that the shareholders vote FOR the approval of the proposed amendment to the Company’s 2012 Omnibus Equity Incentive Plan increasing the number of shares of common stock reserved and available for grant thereunder by 2,000,000 shares and reapproval of the material terms of the Plan for purposes of Section 162(m) of the Code.

Any action authorized to be taken by the Committee pursuant to the Plan may be taken or

A-2

3.5 **DELEGATION to CEO.** The Committee may, in its discretion, delegate to the CEO, in writing, the power and authority to grant Awards to individuals (other than to employees who are or will become upon hiring Covered Employees or employees subject to Section 16 of the Exchange Act) to expedite the hiring process or to retain talented employees. The Committee's delegation to the CEO may be revoked or modified at any time. Any such delegation must be consistent with applicable law and shall be subject to such restrictions or limitations as may be imposed by the Committee.

ARTICLE 4

SHARES SUBJECT TO THE PLAN

4.1 **NUMBER OF SHARES.** Subject to the possible increases provided by Section 4.2(a) and adjustment as provided in Section 4.4, the total number of shares of Stock reserved and available for grant pursuant to the Plan is shall be 5,677,500 shares. As provided in Section 1.1, no Awards will be made pursuant to the 2004 Plan or any other Prior Plan on or after the Effective Date.

4.2 **share COUNTING.** For purposes of determining the number of shares of Stock available for grant under the Plan from time-to-time:

(a) In the event any Award granted under this Plan, or any award outstanding under any Prior Plan on or after the Effective Date, is forfeited, terminated, canceled, or expired, the number of shares of Stock subject to such Award or Prior Plan award, to the extent of any such forfeiture, termination, cancellation or expiration, shall thereafter be available for grant under the Plan (i.e., any prior charge against the numeric limit in Section 4.1 shall be reversed).

(b) If shares of Stock are not delivered in connection with any Award because the Award is settled in cash, such shares shall not be deemed to have been delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan and will again be available for grant.

(c) The exercise of a stock-settled SAR or broker-assisted "cashless" exercise of an Option (or a portion thereof) will reduce the number of shares of Stock available for issuance by the entire number of shares of Stock subject to that SAR or Option (or applicable portion thereof), even though a smaller number of shares of Stock will be issued upon such an exercise.

(d) Shares of Stock tendered to pay the exercise price of an Option or tendered, withheld or otherwise relinquished by the Participant to satisfy a tax withholding obligation arising in connection with any Award will not become available for grant under the Plan. Moreover, shares of Stock purchased on the open market with cash proceeds generated by the exercise of an Option will not increase or replenish the number of shares available for grant.

(e) If the provisions of this Section 4.2 are inconsistent with the requirements of any regulations promulgated by the Internal Revenue Service pursuant to Section 422 of the Code, the provisions of such regulations shall control over the provisions of this Section 4.2, but only as this Section 4.2 applies to Incentive Stock Options.

A-3

(f) The Committee may adopt such other reasonable rules and procedures as it deems to be appropriate for purposes of determining the number of shares of Stock that are available for grant pursuant to Section 4.1.

4.3 **STOCK DISTRIBUTED**. Any shares of Stock delivered pursuant to an Award may consist, in whole or in part, of authorized but unissued Stock or treasury Stock or Stock purchased on the open market.

4.4 **ADJUSTMENTS**. In the event of any recapitalization, reclassification, stock dividend, stock split, reverse stock split or other distribution with respect to the shares of Stock, or any similar corporate transaction or event in respect of the Stock, the Committee shall, in its sole discretion and to the extent it deems equitable and appropriate to prevent dilution or enlargement of rights, make a proportionate adjustment in: (i) the number and class of shares of Stock made available for grant pursuant to Section 4.1; (ii) the number of shares of Stock set forth in Section 7.2, Section 12.9, and any other similar numeric limit expressed in the Plan; (iii) the number and class of and/or price of shares of Stock, units, or other rights subject to the then-outstanding Awards; (iv) the performance targets or goals appropriate to any outstanding Awards (subject to such limitations as appropriate for Performance-Based Compensation Awards); or (v) any other terms of an Award that are affected by the event. Notwithstanding anything in the Plan to the contrary, in the event of any such transaction or occurrence, the Committee, in its sole discretion, may provide in substitution for any or all outstanding Awards such alternative consideration (including cash) as it, in good faith, may determine to be equitable under the circumstances and may require in connection therewith the surrender of all Awards so replaced. Any adjustments made pursuant to this Section 4.4 shall be made in a manner consistent with the requirements of Section 409A of the Code and, in the case of Incentive Stock Options, any such adjustments shall be made in a manner consistent with the requirements of Section 424(a) of the Code.

4.5 **REPLACEMENT AWARDS**. In the event of any corporate transaction in which the Company or a Subsidiary acquires a corporate entity which, at the time of such transaction, maintains an equity compensation plan pursuant to which awards of stock options, stock appreciation rights, restricted stock, performance shares, performance units, stock grants, stock units, restricted stock units or any other form of equity based compensation are then outstanding (the "Acquired Plan"), the Committee may make Awards to assume, substitute or convert such outstanding awards in such manner as may be determined to be appropriate and equitable by the Committee; provided, however, that the number of shares of Stock subject to any Award shall always be a whole number by rounding any fractional share to the nearest whole share. Options or SARs issued pursuant to this Section 4.5 shall not be subject to the requirement that the exercise price of such Award not be less than the Fair Market Value of Stock on the date the Award is granted. Shares used in connection with an Award granted in substitution for an award outstanding under an Acquired Plan under this Section 4.5 shall not be counted against the number of shares of Stock reserved under this Plan under Section 4.1. Any shares of Stock authorized and available for issuance under the Acquired Plan shall, subject to adjustment as described in Section 4.4, be available for use in making Awards under this Plan with respect to persons eligible under such Acquired Plan, by virtue of the Company's assumption of such Acquired Plan, consistent with NASDAQ Rules (or rules of any other exchange upon which the Stock is then traded), including, but not limited to, NASDAQ Rule 5635(c), including IM-5635-1, as such Rules may be amended or replaced from time to time.

A-4

4.6 **FRACTIONAL SHARES**. No fractional shares shall be issued pursuant to the Plan. Unless the Committee specifies otherwise in the Award Agreement or pursuant to any policy adopted by the Committee, cash will be given in lieu of fractional shares. In the event of adjustment as provided in Section 4.4 or the issuance of replacement awards as provided in Section 4.5, the total number of shares subject to any affected Award shall always be a whole number by rounding any fractional shares to the nearest whole share.

ARTICLE 5 ELIGIBILITY; PARTICIPATION

5.1 **ELIGIBILITY**. Persons eligible to participate in this Plan include members of the Board and employees and officers of the Company and its Subsidiaries. The Committee may determine on a case-by-case basis to make Awards to consultants and advisers to the Company or any Subsidiary. Awards may also be granted to prospective employees or members of the Board but no portion of any such Award will vest, become exercisable, be issued, or become effective prior to the date on which such individual begins to provide services to the Company or any Subsidiary.

5.2 **ACTUAL PARTICIPATION**. Subject to the provisions of the Plan, the Committee may, from time to time, select from among all eligible Participants those to whom Awards shall be granted and shall determine the nature and amount of each Award. No individual shall have any right to be selected to receive an Award, or having been so selected, to be selected to receive a future Award, except as otherwise provided by separate agreement, the relevant provisions of which have been approved by the Committee.

ARTICLE 6 GENERAL RULES APPLICABLE TO ALL AWARDS

6.1 **AWARD AGREEMENTS**. All Awards shall be evidenced by an Award Agreement. The Award Agreement shall include such terms and provisions as the Committee determines to be appropriate. The terms of the Award Agreement may vary depending on the type of Award, the employee or classification of the employee to whom the Award is made and such other factors as the Committee determines to be appropriate.

6.2 **STAND-ALONE AND TANDEM AWARDS**. Awards granted pursuant to the Plan may be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan or any Prior Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

6.3 **TERM OF AWARD**. The term of each Award shall be for the period determined by the Committee, provided that in no event shall the term of any Option or Stock Appreciation Right exceed a period of 10 years from the Date of Grant.

A-5

6.4 **TERMINATION OF EMPLOYMENT OR SERVICE.** Subject to the provisions of this Plan, the Committee shall determine and set forth in the applicable Award Agreement the extent to which a Participant shall have the right to retain and/or exercise an Award following Termination of Employment (or Termination of Service in the case of a member of the Board). Such provisions need not be uniform among all types of Awards and may reflect distinctions based on the reasons for such terminations, including but not limited to, death, Disability, a Change of Control, a termination for cause or reasons relating to the breach or threatened breach of restrictive covenants.

6.5 **FORM OF PAYMENT FOR AWARDS.** Subject to the terms of the Plan, the Award Agreement and any applicable law, payments or transfers to be made by the Company or any Subsidiary on the grant, exercise or settlement of an Award may be made in such forms as determined by the Committee, including, without limitation, cash, Stock, other Awards, or other property, or any combination thereof, and may be made in a single payment or transfer, in installments, or any combination thereof, in each case determined in accordance with rules adopted by the Committee.

ARTICLE 7

STOCK OPTIONS

7.1 **GENERAL.** Subject to the terms and provisions of the Plan, Options may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. The Committee may grant either Nonqualified Stock Options or Incentive Stock Options and shall have complete discretion in determining the number of shares subject to Options granted to each Participant. Option Awards are subject to the following terms and conditions:

(a) **Exercise Price.** The exercise price per share of Stock pursuant to any Option shall be equal to the Fair Market Value of one share of Stock as of the Date of Grant unless the Committee sets a higher exercise price in the Award Agreement.

(b) **Exercise of Option.** Options shall be exercisable at such times and in such manner, and shall be subject to such restrictions and conditions, as the Committee shall, in each instance approve, which need not be the same for each grant or for each Participant. The Committee may prescribe performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised.

(c) **Term of Option.** Each Option shall expire at such time as the Committee shall determine as of the Date of Grant; provided, however, that no Option shall be exercisable later than the 10th anniversary of the Date of Grant.

(d) **Payment.** The exercise price for any Option shall be paid in cash or shares of Stock held for longer than 6 months (through actual tender or by attestation). In the Award Agreement, the Committee also may prescribe other methods by which the exercise price of an Option may be paid and the form of payment including, without limitation, any net-issuance arrangement or other property acceptable to the Committee (including broker-assisted “cashless exercise” arrangements), and the methods by which shares of Stock shall be delivered or deemed to be delivered to Participants. The Committee, in consideration of applicable accounting standards and applicable law, may waive the 6 month share holding period described in the first sentence of this paragraph (d) in the event payment of an Option is made through the tendering of shares.

A-6

(e) **Repricing of Options**. Notwithstanding any other provision in the Plan to the contrary, without approval of the Company's shareholders, an Option may not be amended, modified or repriced to reduce the exercise price after the Date of Grant. Except as otherwise provided in Section 4.4 with respect to an adjustment in capitalization, an Option also may not be surrendered in consideration of or exchanged for cash, other Awards or a new Option having an exercise price below the exercise price of the Option being surrendered or exchanged.

(f) **Nontransferability of Options**. No Option may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all Options granted to a Participant shall be exercisable during his or her lifetime only by such Participant or his or her legal representative. Notwithstanding the foregoing, the Committee may, in its discretion, permit the transfer of an Option to a Family Member, trust or partnership, or to a charitable organization, provided that no value or consideration is received by the Participant with respect to such transfer.

7.2 **INCENTIVE STOCK OPTIONS**. The following additional rules shall apply to Incentive Stock Options granted pursuant to this Article 7:

(a) **Employees Only**. Incentive Stock Options shall be granted only to Participants who are employees of the Company or any Subsidiary.

(b) **Exercise Price**. Except as provided in Section 7.2(f), the exercise price per share of Stock pursuant to any Incentive Stock Option shall be equal to the Fair Market Value of one share of Stock as of the Date of Grant unless the Committee sets a higher exercise price in the Award Agreement.

(c) **Term of Incentive Stock Option**. In no event may any Incentive Stock Option be exercisable for more than 10 years from the Date of Grant.

(d) **Lapse of Option**. An Incentive Stock Option shall lapse in the following circumstances:

(1) The Incentive Stock Option shall lapse 10 years from the Date of Grant, unless an earlier time is specified in the Award Agreement;

(2) The Incentive Stock Option shall lapse upon a Termination of Employment for any reason other than the Participant's death or Disability, unless otherwise provided in the Award Agreement; and

(3) If the Participant incurs a Termination of Employment on account of death or Disability before the Option lapses pursuant to paragraph (1) or (2), the Incentive Stock Option shall lapse on the earlier of: (i) the scheduled expiration date of the Option; or (ii) 12 months after the date of the Participant's Termination of Employment on account of death or Disability. Upon the Participant's death or Disability, any Incentive Stock Options exercisable at the Participant's death or Disability may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament in the case of death, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

A-7

(e) **Individual Dollar Limitation**. The aggregate Fair Market Value (determined as of the time an Award is made) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any one calendar year may not exceed \$100,000 or such other limitation as may then be imposed by Section 422(d) of the Code or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Nonqualified Stock Options.

(f) **Ten Percent Owners**. An Incentive Stock Option may be granted to any employee who, at the Date of Grant, owns stock possessing more than 10% of the total combined voting power of all classes of Stock of the Company only if such Option is granted at a price that is not less than 110% of Fair Market Value on the Date of Grant and the Option is exercisable for no more than 5 years from the Date of Grant.

(g) **Right to Exercise**. Except as provided in Section 7.2(d)(3), during a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

(h) **Limitations on Number of Shares Subject to Awards**. The maximum number of shares that may be issued under the Plan as Incentive Stock Options is the numeric limit set forth in Section 4.1.

ARTICLE 8

STOCK APPRECIATION RIGHTS

8.1 **GENERAL**. Subject to the terms and provisions of the Plan, SARs may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. The Committee shall have complete discretion in determine the number of SARs granted to each Participant. SARs are subject to the following terms and conditions:

(a) **Base Value**. The base value per share of Stock pursuant to any SAR shall be equal to the Fair Market Value of one share of Stock as of the Date of Grant unless the Committee sets a higher base value in the Award Agreement.

(b) **Exercise of SAR**. SARs shall be exercisable at such times and in such manner, and shall be subject to such restrictions and conditions, as the Committee shall, in each instance approve, which need not be the same for each grant or for each Participant. The Committee may prescribe performance or other conditions, if any, that must be satisfied before all or part of a SAR may be exercised.

A-8

(c) **Term of SAR.** Each SAR shall expire at such time as the Committee shall determine as of the Date of Grant; provided, however, that no SAR shall be exercisable later than the 10th anniversary of the Date of Grant.

(d) **Payment of SAR Amount.** Upon exercise of the SAR, the Participant shall be entitled to receive a payment equal to the amount determined by multiplying (a) the excess, if any, of the Fair Market Value of a share of Stock on the date of exercise over the base value fixed by the Committee on the Date of Grant, by (b) the number of shares with respect to which the SAR is exercised. Payment shall be made in the manner and at the time specified by the Committee in the Award Agreement. At the discretion of the Committee, the Award Agreement may provide for payment for the SARs in cash, shares of Stock of equivalent value, or in a combination thereof.

(e) **Repricing of SARs.** Notwithstanding any other provision in the Plan to the contrary, without approval of the Company's shareholders, a SAR may not be amended, modified or repriced to reduce the exercise price after the Date of Grant. Except as otherwise provided in Section 4.4 with respect to an adjustment in capitalization, a SAR also may not be surrendered in consideration of or exchanged for cash, other Awards or a new SAR having an exercise price below the exercise price of the SAR being surrendered or exchanged.

(f) **Nontransferability of SARs.** No SAR may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all SARs granted to a Participant shall be exercisable during his or her lifetime only by such Participant or his or her legal representative. Notwithstanding the foregoing, the Committee may, in its discretion, permit the transfer of an SAR to a Family Member, trust or partnership, or to a charitable organization, provided that no value or consideration is received by the Participant with respect to such transfer.

ARTICLE 9

RESTRICTED STOCK AND RESTRICTED STOCK UNIT AWARDS

9.1 **GRANT OF RESTRICTED STOCK.** Subject to the terms and provisions of the Plan, Restricted Stock may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. Restricted Stock Awards are subject to the following terms and conditions:

(a) **Restrictions.** Restricted Stock shall be subject to such conditions and/or restrictions as the Committee may impose (including, without limitation, limitations on transferability, the right to receive dividends, or the right to vote the Restricted Stock), which need not be the same for each grant or for each Participant. These restrictions may lapse separately or in combination at such times, in such circumstances, in such installments, or otherwise, as determined by the Committee. Except as otherwise provided in the Award Agreement, Participants holding shares of Restricted

Stock may not exercise voting rights with respect to the shares of Restricted Stock during the period of restriction.

(b) **Forfeiture.** Except as otherwise provided in the Award Agreement, upon a Termination of Employment (or Termination of Service in the case of a member of the Board) during the applicable period of restriction, Restricted Stock that is at that time subject to restrictions shall be forfeited. The Committee may provide in the Award Agreement that the restrictions or forfeiture conditions relating to a Restricted Stock Award will be waived in whole or in part in the event of a Termination of Employment (or Termination of Service in the case of a member of the Board) resulting from specified causes. The Committee also may waive in whole or in part any other restrictions or forfeiture conditions relating to a Restricted Stock Award.

A-9

(c) **Certificates for Restricted Stock**. Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, the certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may retain physical possession of the certificate until such time as all applicable restrictions lapse.

9.2 **GRANT OF RESTRICTED STOCK UNITS**. Subject to the terms and provisions of the Plan, Restricted Stock Units may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. Restricted Stock Unit Awards are subject to the following terms and conditions:

(a) **Restrictions**. Restricted Stock Unit Awards grant a Participant the right to receive a specified number of shares of Stock, or a cash payment equal to the Fair Market Value (determined as of a specified date) of a specified number of shares of Stock, subject to such conditions and/or restrictions as the Committee may impose, which need not be the same for each grant or for each Participant. These restrictions may lapse separately or in combination at such times, in such circumstances, in such installments, or otherwise, as determined by the Committee.

(b) **Forfeiture**. Except as otherwise provided in the Award Agreement, upon a Termination of Employment (or Termination of Service in the case of a member of the Board) during the applicable period of restriction, Restricted Stock Units that are at that time subject to restrictions shall be forfeited. The Committee may provide in any Award Agreement that restrictions or forfeiture conditions relating to a Restricted Stock Unit Award will be waived in whole or in part in the event of a Termination of Employment (or Termination of Service in the case of a member of the Board) resulting from specified causes. The Committee also may waive in whole or in part any other restrictions or forfeiture conditions relating to a Restricted Stock Unit Award.

(c) **Payment**. Payment for vested Restricted Stock Units shall be made in the manner and at the time designated by the Committee in the Award Agreement. In the Award Agreement, the Committee may provide that payment will be made in cash or Stock, or in a combination thereof.

ARTICLE 10

10.1 **STOCK GRANT AWARDS.** Subject to the terms and provisions of the Plan, Stock Grant Awards may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. A Stock Grant Award grants the Participant the right to receive (or purchase at such price as determined by the Committee) a designated number of shares of Stock free of any vesting restrictions. The purchase price, if any, for a Stock Grant Award shall be payable in cash or other form of consideration acceptable to the Committee. A Stock Grant Award may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration, or in lieu of any cash compensation due to such Participant.

10.2 **STOCK UNIT AWARDS.** Subject to the terms and provisions of the Plan, Stock Unit Awards may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. A Stock Unit Award grants the Participant the right to receive a designated number of shares of Stock, or a cash payment equal to the Fair Market Value (determined as of a specified date) of a designated number of shares of Stock, in the future free of any vesting restrictions. A Stock Unit Award may be granted as described in the preceding sentence in respect of past services or other valid consideration, or in lieu of any cash compensation due to such Participant.

ARTICLE 11
PERFORMANCE SHARES; PERFORMANCE UNITS;
AND PERFORMANCE CASH AWARDS

11.1 **PERFORMANCE SHARE AWARDS.** Subject to the terms and provisions of the Plan, Performance Share Awards may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. A Performance Share Award grants the Participant the right to receive a specified number of shares of Stock depending on the satisfaction of any one or more Performance Goals. Performance may be measured on a specified date or dates or over any period or periods determined by the Committee. Unless otherwise provided in the Award Agreement, payment for vested Performance Shares shall be made in Stock.

11.2 **PERFORMANCE UNIT AWARDS.** Subject to the terms and provisions of the Plan, Performance Unit Awards may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. A Performance Unit Award grants the Participant the right to receive a specified number of shares of Stock or a cash payment equal to the Fair Market Value (determined as of a specified date) of a specified number of shares of Stock depending on the satisfaction of any one or more Performance Goals.

Performance may be measured on a specified date or dates or over any period or periods determined by the Committee. At the discretion of the Committee, the Award Agreement may provide for payment for vested Performance Unit Awards in cash, shares of Stock of equivalent cash value, or in a combination thereof.

11.3 **PERFORMANCE CASH AWARDS.** Subject to the terms and provisions of the Plan, Performance Cash Awards may be granted to one or more Participants upon such terms and conditions, and at any time and from time to time, as shall be determined by the Committee. A Performance Cash Award grants the Participant the right to receive an amount of cash depending on the satisfaction of any one or more Performance Goals. Performance may be measured on a specified date or dates or over any period or periods determined by the Committee.

A-11

11.4 **PERFORMANCE GOALS**. The Performance Goal or Goals applicable to any Performance Share, Performance Unit or Performance Cash Award shall be based on the Performance Criteria selected by the Committee and designated in the Award Agreement. The Performance Criteria applicable to any Performance Share, Performance Unit or Performance Cash Award granted to a Covered Employee that is designated as, or deemed to be, a Performance-Based Compensation Award pursuant to Article 12 shall be limited to the Performance Criteria specifically listed in the Glossary. The Performance Criteria applicable to any other Performance Share, Performance Unit or Performance Cash Award shall include the Performance Criteria specifically listed in the Glossary and such other criteria or factors as may be determined by the Committee and specified in the Award Agreement. Except as otherwise provided in Article 12 with respect to Performance-Based Compensation Awards to Covered Employees, the Committee shall retain the power to adjust the Performance Goals, the level of attainment of the Performance Goals or otherwise increase or decrease the amount payable with respect to any Award made pursuant to this Article 11.

ARTICLE 12

PERFORMANCE-BASED COMPENSATION AWARDS

12.1 **PURPOSE**. Section 162(m) of the Code limits the amount of the Company's deductions for compensation payable to Covered Employees to \$1,000,000 per year. "Performance-based compensation" that meets the requirements set forth in Section 162(m) of the Code is not subject to this limitation. The purpose of this Article 12 is to enable the Committee to qualify some or all of the Awards granted pursuant to Articles 9, 10 and 11 as "performance-based compensation" pursuant to Section 162(m) of the Code. If the Committee decides that a particular Award to a Covered Employee should qualify as "performance-based compensation," the Committee will provide in the Award Agreement or otherwise that the Award is intended to be a Performance-Based Compensation Award.

12.2 **APPLICABILITY**. This Article 12 shall apply only to Performance-Based Compensation Awards. If this Article 12 applies, its provisions control over any contrary provision contained in any other section of this Plan or any Award Agreement. The provisions of this Article 12 and any Award Agreement for a Performance-Based Compensation Award shall be interpreted in a manner consistent with the requirements of Section 162(m) of the Code. If any provision of this Plan or any Award Agreement for a Performance-Based Compensation Award does not comply with or is inconsistent with the requirements of Section 162(m) of the Code, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

12.3 **DISCRETION OF COMMITTEE WITH RESPECT TO PERFORMANCE-BASED COMPENSATION AWARDS**. With regard to a particular Performance Period, the Committee may select the length of such Performance Period, the type of Performance-Based Compensation Awards to be issued, the kind and/or level of the Performance Goal or Goals, and whether the Performance Goal or Goals is or are to apply to the Company, a Subsidiary or any division or business unit thereof or the Participant or any group of Participants. Depending on the Performance Criteria used to establish the Performance Goals, the Performance Goals may be stated in terms of absolute levels or relative to another company or to an index or indices.

A-12

12.4 **ESTABLISHMENT OF PERFORMANCE GOALS.** A Performance-Based Compensation Award shall provide for payment only upon the attainment of one or more pre-established, objective Performance Goals. The Performance Goals, and the process by which they are established, shall satisfy all of the requirements of Section 162(m) of the Code. By way of illustration, but not limitation, the following requirements must be satisfied:

(a) The Performance Goals shall be based solely on the Performance Criteria specifically identified in the Glossary;

(b) The Performance Goals shall be considered to be pre-established only if the Performance Goals are established by the Committee in writing not later than 90 days after the commencement of the Performance Period for such Award provided that (i) the outcome must be substantially uncertain at the time the Committee establishes the Performance Goals; and (ii) in no event may the Committee establish the Performance Goals for any Performance-Based Compensation Award after 25% of the Performance Period for such Award has elapsed;

(c) A Performance Goal will be considered to be objective only if a third party having knowledge of the relevant facts could determine whether the Performance Goal has been met;

(d) The Performance Goal must state, in terms of an objective formula or standard, the method for computing the amount of compensation payable to the Covered Employee if the Goal is attained. For this purpose, the formula will be considered to be objective only if a third party having knowledge of the relevant performance results could calculate the amount to be paid to the Covered Employee; and

(e) The objective formula or standard must preclude discretion to increase the amount of compensation payable that would otherwise be due upon attainment of the Performance Goal.

12.5 **PERFORMANCE EVALUATION; ADJUSTMENT OF GOALS.** At the time that a Performance-Based Compensation Award is first issued, the Committee, in the Award Agreement or in another written document, shall specify whether performance will be evaluated including or excluding the effect of any of the following events that occur during the Performance Period, as the Committee deems appropriate: (i) decisions entered or settlements reached in litigation or regulatory proceedings; (ii) the write down or sale of assets; (iii) the impact of discontinued operations or any reorganization, liquidation or restructuring; (iv) the impact of changes in tax laws, accounting principles, regulatory actions or other laws affecting reported results; (v) extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual or quarterly reports filed with the Securities and Exchange Commission in respect of the applicable year; (vi) the impact of any mergers, acquisitions, spin-offs or

other divestitures; and (vii) foreign exchange gains and losses.

A-13

The inclusion or exclusion of these items shall be expressed in a form that satisfies the requirements of Section 162(m) of the Code. The Committee also may, within the time prescribed by Section 162(m), adjust or modify the calculation of Performance Goals for such Performance Period in order to prevent the dilution or enlargement of the rights of Participants: (i) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event, or development; or (ii) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company, or the financial statements of the Company, or in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions.

12.6 **ADJUSTMENT OF PERFORMANCE-BASED COMPENSATION AWARDS.** The Committee may adjust the determinations of the degree of attainment (taking into account any adjustments required pursuant to Section 12.5) of the pre-established Performance Goals. Notwithstanding any provision herein to the contrary, the Committee may not make any adjustment or take any other action with respect to any Performance-Based Compensation Award that will increase the amount payable under any such Award. The Committee shall retain the power to adjust Performance-Based Compensation Awards downward or to otherwise reduce the amount payable with respect to any Performance-Based Compensation Award.

12.7 **CONTINUED EMPLOYMENT REQUIRED.** Unless otherwise provided in the relevant Award Agreement, a Participant must be an employee of the Company or a Subsidiary on the day a Performance-Based Compensation Award for such Performance Period is paid to the Participant.

12.8 **CERTIFICATION BY COMMITTEE.** The payment for a Performance-Based Compensation Award shall not occur until the Committee certifies, in writing, that the pre-established Performance Goals and any other material terms and conditions precedent to such payment have been satisfied. Committee certification is not required for compensation that is attributable solely to the increase in the value of the Company's Stock.

12.9 **MAXIMUM AWARD PAYABLE.** The maximum Performance-Based Compensation Award (other than a Performance Cash Award) payable to any one Participant pursuant to the Plan for any Performance Period is 400,000 shares of Stock or the equivalent cash value. The maximum Performance Cash Award payable to any one Participant for any Performance Period is \$1,500,000. If the Performance Period is less than or exceeds 12 months, the dollar and share limits expressed in the preceding sentences shall be reduced or increased proportionately, as the case may be. For example, if the Performance Period is 3 years, the limit shall be increased by multiplying it by 3.

12.10 **MISCELLANEOUS.** The designation of a Covered Employee as a Participant for any Performance Period shall not in any manner entitle the Participant to receive a Performance-Based Compensation Award for such Performance Period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant for any subsequent Performance Period.

A-14

ARTICLE 13
OTHER PROVISIONS APPLICABLE TO ALL AWARDS

13.1 **LIMITS ON TRANSFER.**

(a) **General.** Except as provided in Section 7.1(f), Section 8.1(f), Section 13.1(b) or Section 13.2, no right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to, or in favor of, any party other than the Company or any Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or any Subsidiary and except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution or pursuant to a domestic relations order (that would otherwise qualify as a qualified domestic relations order as defined in the Code or Title I of ERISA but for the fact that the order pertains to an Award) in favor of a spouse or, if applicable, until the expiration of any period during which any restrictions are applicable or any Performance Period as determined by the Committee.

(b) **Transfers to Family Members.** The Committee shall have the authority to adopt a policy that is applicable to existing Awards, new Awards, or both, which permits a Participant to transfer Awards during his or her lifetime to any Family Member. In the event an Award is transferred as permitted by such policy, such transferred Award may not be subsequently transferred by the transferee (other than another transfer meeting the conditions set forth in the policy) except by will or the laws of descent and distribution. A transferred Award shall continue to be governed by and subject to the terms and limitations of the Plan and relevant Award Agreement, and the transferee shall be entitled to the same rights as the Participant, as if the transfer had not taken place.

13.2 **BENEFICIARIES.** Notwithstanding Section 13.1, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death, and, in accordance with Section 7.2(d)(3), upon the Participant's Disability. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is provided to the Company.

13.3 **STOCK CERTIFICATES.** Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange or quotation system on which the shares of Stock are listed, quoted or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations, as the Board deems advisable in order to comply with any such laws, regulations, or requirements.

A-15

13.4 **CLAWBACK.** Notwithstanding any provision of the Plan to the contrary, in an Award Agreement, the Committee shall include provisions calling for the recapture or clawback of all or any portion of an Award to the extent necessary to comply with applicable law in effect on the date of the Award Agreement, including, but not limited to, the final rules issued by the Securities and Exchange Commission and the NASDAQ (or any other exchange upon which the Stock is then listed) pursuant to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. The Committee also may include other clawback provisions in the Award Agreement as it determines to be appropriate. By accepting an Award, each Participant agrees to be bound by, and comply with, the terms of any such recapture or clawback provisions and with any Company request or demand for recapture or clawback.

ARTICLE 14

CHANGE OF CONTROL

14.1 **BOARD DISCRETION.** If a Change of Control occurs, the Board shall have the authority and discretion, but shall not have the obligation, to provide, in the Award Agreement or thereafter, that all or part of outstanding Options, SARs, and other Awards shall become fully exercisable and all or part of the restrictions on outstanding Awards shall lapse. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(e), the excess Options shall be deemed to be Nonqualified Stock Options. In addition, upon, or in anticipation of, a Change of Control, the Committee may: (i) cause all outstanding Awards to be canceled and terminated as of a specified date and give each Participant the right to exercise such Awards during a period of time as the Committee, in its sole discretion, shall determine, or (ii) cause all outstanding Awards to be canceled and terminated as of a specified date in exchange for a payment or right to payment pursuant to the terms and conditions set forth in the Change of Control transaction documents. With respect to an Award which the Company concludes is subject to (and not excepted from) the requirements of Section 409A, any actions taken by the Board pursuant to this Article 14 shall be done in compliance with Section 409A of the Code.

14.2 **PARTICIPANT CONSENT NOT REQUIRED.** Nothing in this Article 14 or any other provision of this Plan is intended to provide any Participant with any right to consent to or object to any transaction that might result in a Change of Control and each provision of this Plan shall be interpreted in a manner consistent with this intent. Similarly, nothing in this Article 14 or any other provision of this Plan is intended to provide any Participant with any right to consent to or object to any action taken by the Board pursuant to this Article 14.

ARTICLE 15 AMENDMENT, MODIFICATION, AND TERMINATION

15.1 **AMENDMENT, MODIFICATION, AND TERMINATION OF THE PLAN.** With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; provided, however, that any such action of the Committee shall be subject to the approval of the shareholders to the extent necessary to comply with any applicable law, regulation, or rule of the stock exchange on which the shares of Stock are listed, quoted or traded. Except as provided in Section 4.4, neither the Board nor the Committee may, without the approval of shareholders: (i) increase the number of shares available for grant under the Plan; (ii) permit the Committee to grant Options or SARs with an exercise price or base value that is below Fair Market Value on the Date of Grant; (iii) permit the Committee to extend the exercise period for an Option or SAR beyond 10 years from the Date of Grant; (iv) amend Section 7.1(e) to permit the Committee to reprice previously granted Options; or (v) amend Section 8.1(e) to permit the Committee to reprice previously granted SARs.

15.2 **AWARDS PREVIOUSLY GRANTED.** Except as provided in the next sentence and subject to Section 14.2, no termination, amendment, or modification of the Plan or any Award Agreement shall adversely affect in any material way the rights of the holder under any Award previously granted pursuant to the Plan without the prior written consent of the holder of the Award. The consent of the holder of an Award is not needed if the change: (i) is required by law or regulation; (ii) does not adversely affect in any material way the rights of the holder; or (iii) is required to cause the benefits under the Plan to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Code or to comply with the provisions of Section 409A of the Code. Additional rules relating to amendments to the Plan or any Award Agreement to assure compliance with Section 409A of the Code are set forth in Section 16.15.

15.3 **PERFORMANCE-BASED COMPENSATION AWARDS.** Except as provided in Article 14, the Committee shall not have the authority to amend an Award Agreement to accelerate the vesting or waive the forfeiture restrictions of any Performance-Based Compensation Awards. In addition, the Committee shall not take any other action that would cause a Performance-Based Compensation Award to fail to satisfy the requirements of the performance-based compensation exception to the deduction limitations imposed by Section 162(m) of the Code unless the Committee concludes that the deduction limitations will not become applicable or that the amendment is appropriate despite the deduction limitations imposed by Section 162(m) of the Code.

ARTICLE 16 GENERAL PROVISIONS

16.1 **NO RIGHTS TO AWARDS.** No Participant, employee, or other person shall have any claim to be granted any Award, and neither the Company nor the Committee is obligated to treat Participants, employees, and other

persons uniformly.

16.2 **NO SHAREHOLDERS RIGHTS**. No Award gives the Participant any of the rights of a shareholder of the Company unless and until unrestricted shares of Stock are issued to the Participant or the restrictions on any shares previously issued lapse, except as specifically otherwise provided in the Plan or the Award Agreement.

A-17

16.3 **WITHHOLDING**. The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. With the Committee's consent as expressed in an Award Agreement or in any policy adopted by the Committee, the Company may permit the Participant to satisfy a tax withholding requirement by: (i) directing the Company to withhold shares of Stock to which the Participant is entitled pursuant to the Award in an amount necessary to satisfy the Company's applicable federal, state, local or foreign income and employment tax withholding obligations with respect to such Participant; (ii) tendering previously-owned shares of Stock held by the Participant for 6 months or longer to satisfy the Company's applicable federal, state, local, or foreign income and employment tax withholding obligations with respect to the Participant (which holding period may be waived in accordance with Section 7.1(d)); (iii) a broker-assisted "cashless" transaction; or (iv) personal check or other cash equivalent acceptable to the Company.

16.4 **NO RIGHT TO CONTINUED EMPLOYMENT OR SERVICE**. Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

16.5 **UNFUNDED STATUS OF AWARDS**. The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary. Neither the Participant nor any other persons shall have any interest in any fund or in any specific asset or assets of the Company or any other entity by reason of any Award, except to the extent provided hereunder.

16.6 **RELATIONSHIP TO OTHER BENEFITS**. No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary, except as otherwise provided in such plan.

16.7 **EXPENSES**. The expenses of administering the Plan shall be borne by the Company.

16.8 **TITLES AND HEADINGS**. The titles and headings of the sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

16.9 **SECURITIES LAW COMPLIANCE**. With respect to any person who is, on the relevant date, obligated to file reports pursuant to Section 16 of the Exchange Act, transactions pursuant to this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors pursuant to the Exchange Act. Notwithstanding any other provision of the Plan, the Committee may impose such conditions on the exercise of any Award as may be required to satisfy the requirements of Rule 16b-3 or its successors pursuant to the Securities Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be void to the extent permitted by law and voidable as deemed advisable by the Committee.

A-18

16.10 **GOVERNMENT AND OTHER REGULATIONS.** The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the Securities Act of 1933, as amended, any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption. The Committee shall impose such restrictions on any Award as it may deem advisable, including without limitation, restrictions under applicable federal securities law, under the requirements of the NASDAQ (or any other exchange upon which the Stock is then listed), quoted or traded and under any blue sky or state securities laws applicable to such Award.

16.11 **GOVERNING LAW.** The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the jurisdiction of incorporation of the Company.

16.12 **SUCCESSORS.** All obligations of the Company under the Plan with respect to Awards shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect merger, consolidation, purchase of all or substantially all of the business and/or assets of the Company or otherwise.

16.13 **SURVIVAL OF PROVISIONS.** The rights, remedies, agreements, obligations and covenants contained in or made pursuant to this Plan, any Award Agreements and any notices or agreements made in connection with this Plan shall survive the execution and delivery of such notices and agreements and the delivery and receipt of such shares of Stock.

16.14 **INDEMNIFICATION.** Each person who is or shall have been a member of the Committee or of the Board, or who has served as the CEO, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

16.15 **COMPLIANCE WITH SECTION 409A.**

- (a) **General Compliance.** Some of the types of Awards that may be granted pursuant to the Plan (including, but not necessarily limited to, Restricted Stock Unit Awards, Performance Share Awards, Performance Unit Awards, Performance Cash Awards and Stock Unit Awards) may be considered to be “non-qualified deferred compensation” subject to the requirements of Section 409A of the Code. If an Award is subject to the requirements of Section 409A of the Code, the Company intends (but cannot and does not guarantee) that the Award Agreement and this Plan comply fully with and meet all of the requirements of Section 409A of the Code or an exception thereto and the Award Agreement shall include such provisions, in addition to the provisions of this Plan, as may be necessary to assure compliance with Section 409A of the Code or an exception thereto.
- (b) **Delay for Specified Employees.** If, at the time of a Participant’s Separation from Service, the Company has any Stock which is publicly traded on an established securities market or otherwise, and if the Participant is considered to be a Specified Employee, to the extent any payment for any Award is subject to the requirements of Section 409A of the Code and is payable upon the Participant’s Separation from Service, such payment shall not commence prior to the first business day following the date which is 6 months after the Participant’s Separation from Service (or the date of the Participant’s death if earlier than the end of the 6 month period). Any amounts that would have been distributed during such 6 month period will be distributed on the day following the expiration of the 6 month period.
- (c) **Prohibition on Acceleration or Deferral.** Under no circumstances may the time or schedule of any payment for any Award that is subject to the requirements of Section 409A of the Code be accelerated or subject to further deferral except as otherwise permitted or required by Section 409A of the Code. If the Company fails to make any payment pursuant to the payment provisions applicable to an Award that is subject to Section 409A of the Code, either intentionally or unintentionally, within the time period specified in such provisions, but the payment is made within the same calendar year, such payment will be treated as made within the specified time period. In addition, in the event of a dispute with respect to any payment, such payment may be delayed in accordance with Section 409A of the Code.

Notwithstanding the foregoing, this Amendment shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions and intent of this Amendment.
