Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Change in Control Agreement – Named Executive Officer. As of September 28, 2018, Christopher Forgy, Senior Vice President/Operations, entered into a Change in Control Agreement. A change in control is defined to mean the occurrence of (a) any person or group becoming the beneficial owner, directly or indirectly, of more than 30% of the combined voting power of the Company’s then outstanding securities and Edward K. Christian ceasing to be Chairman and CEO of the Company; (b) the consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which results in the voting securities of the Company outstanding immediately prior thereto continuing to represent more than 50% of the combined voting securities of the Company or such surviving entity; or (c) the approval of the stockholders of the Company of a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of its assets.

If there is a change in control, the Company shall pay a lump sum payment within 45 days thereof of 1.5 times the average of the executive’s last three full calendar years of such executive’s base salary and any annual cash bonus paid. In the event that such payment constitutes a “parachute payment” within the meaning of Section 280G subject to an excise tax imposed by Section 4999 of the Internal Revenue Code, the Company shall pay the executive an additional amount so that the executive will receive the entire amount of the lump sum payment before deduction for federal, state and local income tax and payroll tax. In the event of a change in control (other than the approval of plan of liquidation), the Company or the surviving entity may require as a condition to receipt of payment that the executive continue in employment for a period of up to six months after consummation of the change in control. During such six months, executive will continue to earn his pre-existing salary and benefits. In such case, the executive shall be paid the lump sum payment upon completion of the continued employment. If, however, the executive fails to remain employed during this period of continued employment for any reason other than (a) termination without cause by the Company or the surviving entity, (b) death, (c) disability or (d) breach of the agreement by the Company or the surviving entity, then executive shall not be paid the lump sum payment. In addition, if the executive’s employment is terminated by the Company without cause within six months prior to the consummation of a change in control, then the executive shall be paid the lump sum payment within 45 days of such change in control.
