## Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form 8-K

On July 11, 2006, Metromedia International Group, Inc. (the "Company"), the owner of interests in communications businesses in the country of Georgia, announced that the Company has formed a subsidiary to compete in Georgia's fixed line telephony and data communication markets ("New Fixed Line Business"). The move aims to complement and reinforce the market-leader position of Magticom, the Company's majority-owned Georgian mobile telephony operator. The Company contributed its 81% ownership percentage in Telecom Georgia, a Georgian company that provides international long distance calling services and operates an extensive transit network interconnecting all of Georgia's principal telecommunications carriers, and cash to the New Fixed Line Business so that it could acquire Telenet, a Georgian company providing internet access, data communication, voice telephony and international access services. Telenet's former owners each obtained a minority interest in the New Fixed Line Business as partial consideration for the acquisition. The Company also sold a minority interest in the holding company that owns the Company's interest in the New Fixed Line Business to its Georgian partner in Magticom for cash. The Company and its partners in the New Fixed Line Business are now evaluating further acquisitions in Georgia to rapidly expand the subsidiary's competitive presence.

Telenet has Georgia's only license to provide CDMA 450 MHz wireless voice and data services and a CDMA 450 network deployed in Georgia's capital city, Tbilisi. The target markets of Telecom Georgia and Telenet are office and residential consumers of fixed location telephony and data communication services; and both companies have well-established Georgian brands in these markets.

On July 13, 2006, the Company announced that, although it has not fully completed the previously disclosed restatement activities required for the Company to file its Annual Report of Form 10-K for the fiscal year ended December 31, 2004 ("2004 Form 10-K"), the Company intends to release preliminary financial results, through December 31, 2005, for its principal Georgian business, Magticom, within the next thirty days.

The press releases announcing these matters is attached hereto as Exhibits 99.1 and 99.2 and is incorporated herein by reference.
