PROXY STATEMENT FOR OUR 2003 ANNUAL SHAREHOLDERS MEETING

TO BE HELD ON JUNE 2, 2003

General Information

The Board of Directors of Mannatech, Incorporated, a Texas corporation, is soliciting the enclosed proxy for use at its 2003 Annual Shareholders Meeting to be held on June 2, 2003 at 10:00 a.m. at the Grapevine Convention Center at 1209 South Main Street, Grapevine, Texas. This proxy statement, our 2002 annual shareholders report, a pamphlet containing frequently asked questions, and your proxy-voting card are being mailed or delivered on or about April 28, 2003 to shareholders of record. The list of frequently asked questions is attached to this proxy statement as Appendix C, beginning on Page C-1. Unless otherwise stated, all references in this proxy statement to Mannatech, the Company, us, our, or we are to Mannatech, Incorporated.

Shareholders Entitled to Vote

Shareholders who owned common stock of Mannatech as of the close of business on April 8, 2003, the record date, are called *shareholders of record* and are entitled to vote at our 2003 annual shareholders meeting. On April 8, 2003, we had 25,134,840 outstanding shares of common stock, \$0.0001 par value, which is our only class of voting securities. On April 8, 2003, Mannatech had approximately 5,500 shareholders of record that held its common stock directly and approximately 7,250 beneficial shareholders who held approximately 48.0% of its common stock. Each shareholder is entitled to one vote for each share of Mannatech common stock held. A complete list of shareholders entitled to vote at our 2003 annual shareholders meeting will be available for examination by our shareholders; however, the examination is limited to purposes pertaining to Mannatech's annual shareholders meeting. The list will be available at our corporate headquarters in Coppell, Texas, during normal business hours, for a period of 10 days prior to our meeting, which will be from May 22, 2003 until June 1, 2003 and will also be available during Mannatech's 2003 annual shareholders meeting. A shareholder wanting to examine the list should arrange an appointment by contacting Mannatech's Investor Relations department at 972-471-6512.

Voting by Proxy

Properly executed votes by proxy received prior to our 2003 annual shareholders meeting will be counted by our transfer agent at our annual shareholders meeting on June 2, 2003 and at any adjournment(s) thereof. If a shareholder specifies how their proxy-vote is to be cast on any business to come before the meeting, it will be voted in accordance with such specifications. If no specification is made, the shareholder's vote by proxy will be voted FOR each of the proposals as recommended by our Board of Directors. A shareholder may revoke, at any time prior to our annual shareholders meeting, any executed vote by proxy by submitting a revised vote by proxy bearing a later date. A shareholder who attends

Edgar Filing: MANNATECH INC - Form DEF 14A

our annual shareholders meeting may request a ballot and vote in person, thereby revoking any and all prior votes by proxy. However, attendance at our 2003 annual shareholders meeting without voting by ballot will not revoke a shareholders vote by proxy.

Direct Ownership

Direct ownership is defined as a shareholder who directly holds their stock certificates in their own name, which is evidenced by the shareholder receiving all of our mailings from either Mannatech, our transfer agent EquiServe Trust Company N.A., or from our solicitor Georgeson Shareholder.

Table Of Contents

Beneficial Ownership

Beneficial ownership is defined as shareholders who sent their stock certificates to their broker or who purchased Mannatech shares directly through their broker or sent their stock certificates to their broker to be deposited into their brokerage account, which is evidenced by a shareholder receiving all of Mannatech's mailings from either their broker or through their broker's solicitor, which is usually ADP Proxy Services. As a beneficial owner, a shareholder still owns these shares, but Mannatech's transfer agent does not have access to any detailed information such as the individual shareholders' names from the various brokers. The only information Mannatech's transfer agent has about shareholders owning stock through brokers is the broker's name, the aggregated total number of shares held by each broker on behalf of its clients, and the aggregate number of votes for any proposals.

PLEASE BE CAUTIONED THAT each brokerage firm has their own set of voting instructions that differ from the instructions provided by us or our solicitor. A shareholder should always read all the information provided in their proxy information packet and use the specific enclosed voting instructions, telephone numbers, Internet addresses, mailing addresses, and envelopes included in their proxy information packets.

If a shareholder receives more than one proxy information packet it means that their shares are registered with different names or the shareholder has more than one account in which they hold shares of Mannatech stock are held. **Again remember that each proxy information packet has different voting instructions, account and control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in each proxy information packet to ensure their vote is properly included in the tabulation of votes.**

Tabulating the Votes

Representatives from Mannatech's transfer agent, EquiServe Trust Company N.A., formerly First Chicago Trust Division, is responsible for tabulating all of the votes for Mannatech's 2003 annual shareholders' meeting. The presence, in person, or by proxy-vote, of the holders of at least a majority of shares of its common stock outstanding as of the record date is necessary to have a quorum for Mannatech's 2003 annual shareholders' meeting. Abstentions and broker non-votes will be counted as present for purposes of determining a quorum for Mannatech's 2003 annual shareholders' meeting. A broker non-vote is defined as a vote by proxy in which a beneficial owner does not give their broker or broker's solicitor discretionary voting powers. If a proxy-voting card is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote **FOR** each of the proposals. **Mannatech's Board of Directors recommends a vote FOR each of the proposals.**

For the election of its Directors, broker non-votes will **NOT** be counted in tabulating the number of votes for each nominee. The nominees receiving the highest number of **FOR** votes from the shares present in person or represented by proxy-votes and entitled to vote will be elected as Directors. The shares represented by the enclosed proxy-voting card will be voted as **FOR** all of the nominees, unless the shareholder specifies differently. To specify differently the shareholder of record must checkmark either the box **FOR ALL EXCEPT** or **WITHHOLD ALL**. If the shareholder checkmarks the **FOR ALL EXCEPT** box, the shareholder should then list the names of the nominee(s) they wish to vote against in the space provided. If the shareholder checkmarks the **WITHHOLD ALL** box, the shareholder's vote will be considered a vote against *all* of the named nominees.

Edgar Filing: MANNATECH INC - Form DEF 14A

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at Mannatech's 2003 annual shareholders meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot the shareholder will need to checkmark either the **WITHHOLD ALL** box or the **FOR ALL EXCEPT** box on the ballot and then list the names of the nominees they wish to vote against in the space provided. The shareholder is only allowed to write-in as many nominees as the shareholder has voted against. For example, if there were a total of three nominees listed on the ballot and the shareholder wishes to withhold their vote for two of the three nominees then the shareholder may write-in up to two additional names for nominees to Mannatech's Board of Directors.

Table Of Contents

For the ratification of the appointment of independent accountants, ABSTENTIONS will be counted as a vote against the appointment of independent accountants. The ratification of the appointment of independent accountants requires a FOR vote from a majority of shares present or represented by proxy-votes entitled to vote at Mannatech's 2003 annual shareholders' meeting.

Solicitation of Proxy-Votes

Mannatech or its solicitor may solicit proxy votes through the mail, in person, and by telecommunications. Mannatech will bear all expenses in preparing, printing, and mailing the proxy materials to its shareholders. Mannatech has hired Georgeson Shareholder to assist in the solicitation of proxies at a cost of approximately \$6,000 plus out-of-pocket expenses.

Admission and Voting at Our Annual Shareholders' Meeting

Attendance at Mannatech's 2003 annual shareholders' meeting will be limited to shareholders having evidence of ownership as of the record date, and invited guests of Mannatech. If your securities are not held in your name, Mannatech asks that you please bring evidence of your ownership to the meeting. Evidence includes your proxy-voting card or brokerage statement showing proof of stock ownership as of the close of business on April 8, 2003. At the meeting, shareholders will be admitted upon verification of stock ownership. No cameras or recording equipment will be permitted in the meeting room as Mannatech will tape the meeting in its entirety. As a courtesy and as time permits, Mannatech will provide a brief question and answer period for its shareholders of record.

Direct shareholders will be given ballots upon check-in and verification of stock ownership. Remember that beneficial shareholders must obtain a power of attorney form or legal proxy from their broker prior to the meeting in order to vote by ballot at our meeting. **Beneficial shareholders are instructed to read their proxy-voting card instructions given to them by their broker or their brokers' solicitor prior to the meeting in order to obtain instructions on how to attend and vote at our annual shareholders' meeting. If the beneficial shareholder does not follow their brokers' instructions, our transfer agent will not count their vote by ballot at our annual shareholders' meeting.**

PROPOSAL 2 RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT ACCOUNTANTS

Shareholder ratification of the selection of Mannatech's independent public accountants is not required by its Articles of Incorporation or Bylaws, as amended, or other applicable legal requirements. However, our Board of Directors, as a matter of good corporate governance, has decided to seek shareholder ratification of the appointment of PricewaterhouseCoopers LLP as its independent public accountants for the fiscal year ending December 31, 2003.

Our Board of Directors makes the appointment of its independent accountants annually. The decision is based on the recommendation from Mannatech's Audit Committee, which reviews the scope of the audit, estimated audit fees, and related non-auditing services that are performed by PricewaterhouseCoopers LLP. PricewaterhouseCoopers LLP has served as Mannatech's independent accountants, audited its consolidated financial statements, and provided certain tax and consulting services since the year ending December 31, 1997. A representative from PricewaterhouseCoopers LLP is expected to attend our 2003 annual shareholders' meeting and will have the opportunity to make a statement if such representative so desires to do so, and will be available to respond to any appropriate questions from our shareholders.

Table Of Contents***Fees Paid to Our Independent Accountants***

For the years ended December 31, 2001 and 2002, Mannatech paid fees to PricewaterhouseCoopers LLP as follows:

<u>Type of Service</u>	<u>2001</u>	<u>2002</u>
	<u>(in thousands)</u>	
Audit Fees , including the audit of the consolidated financial statements including the annual report on Form 10-K and statutory audits	\$ 147	\$ 224
Audit-related fees , including review of quarterly financial statements	16	25
Tax fees , including transfer pricing, state, and international tax consultation	55	89
All other fees , including expatriation issues, stock option plan consulting, miscellaneous international consulting, and advisory services	118	49
Total fees	<u>\$ 336</u>	<u>\$ 387</u>

The members of Mannatech's Audit Committee believe that the payment of all fees set forth above does not prohibit PricewaterhouseCoopers LLP from maintaining its independence.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS ITS INDEPENDENT ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2003. A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP ON A PROXY OR BALLOT WILL BE SO VOTED UNLESS A CONTRARY VOTE IS INDICATED BY THE SHAREHOLDER. THE AFFIRMATIVE VOTE OF THE MAJORITY OF SHAREHOLDERS OF OUR COMMON STOCK REPRESENTED IN-PERSON OR BY PROXY IS REQUIRED TO RATIFY THE APPOINTMENT OF ACCOUNTANTS.

Equity Compensation Plan Information

Mannatech's 1997 Stock Option Plan was adopted by its Board of Directors and approved by its shareholders on May 14, 1997. Mannatech's 1998 Incentive Stock Option Plan was adopted by its Board of Directors, approved by its shareholders on April 8, 1998 and amended on September 4, 1998 to increase the number of shares reserved for issuance from 500,000 to 1,000,000 shares. Mannatech's 2000 Stock Option Plan was adopted by its Board of Directors and approved by its shareholders on June 19, 2000. Mannatech's stock option plans are intended to encourage investment by Mannatech's officers, employees, non-employee Directors, and consultants in shares of Mannatech's common stock so that they will have an increased vested interest in, and greater concern for, Mannatech's welfare.

Options granted under Mannatech's 1997 and 2000 stock option plans may either be incentive stock options or options that do not qualify for treatment as incentive stock options under Section 422 of the United States Internal Revenue Code of 1986. Options granted under Mannatech's 1998 Incentive Stock Option Plan may only be granted to Mannatech's Directors and employees.

401(k) Plan

On May 9, 1997, Mannatech adopted a 401(k) Pre-tax Savings Plan. All employees who have been employed by Mannatech for at least 90 days at the beginning of a quarter and are at least 21 years of age are eligible to participate in Mannatech's 401(k) Plan. Employees may contribute up to a maximum of 20% of their current 2003 annual compensation to the 401(k) Plan, which is the statutorily prescribed 2003 annual limit. Mannatech makes regular matching contributions to its 401(k) Plan in the amount of \$0.25 for each \$1.00 contributed by a participating employee, up to 6.0% of such employee's 2003 annual compensation, including overtime. The 401(k) Plan also provides that Mannatech can make profit-sharing contributions to the 401(k) Plan each year based upon our profit. Mannatech did not make any profit-sharing contributions in 2002. Employee contributions and Mannatech's matching contributions are paid to a corporate trustee and are invested as directed by the participating employee. Mannatech's contribution to its 401(k) Plan vests over five years or earlier if the participating employee retires at age 65, becomes disabled or dies. Payments to participating employees may also be made in the case of financial hardship. Payments may be made in a lump sum. Mannatech's 401(k) Plan is intended to qualify under Section 401 of the United States Internal Revenue Code of 1986, so that contributions made by employees or by Mannatech to its 401(k) Plan, and income earned on these contributions, are not taxable to Mannatech employees until withdrawn from the 401(k) Plan.

Compensation Committee Interlocks and Insider Participation

Mannatech's Compensation Committee is responsible for reviewing the compensation of Mannatech's Executive Officers on an annual basis. The Compensation Committee is composed of three independent Directors, Messrs. Zimmerman, Chairman, Kennedy, and Beutner. None of its executive officers serves as a member of any Board of Directors or as a member of any other compensation committee of any other entity that has or has had one or more executive officers serving as a member of Mannatech's Board of Directors or Compensation Committee.

WITH RESPECT TO ANY FUTURE FILINGS WITH THE SECURITIES AND EXCHANGE COMMISSION INTO WHICH THIS PROXY STATEMENT IS INCORPORATED BY REFERENCE, THE FOLLOWING MATERIAL UNDER THE HEADINGS REPORT OF THE COMPENSATION COMMITTEE, REPORT OF THE AUDIT COMMITTEE AND PERFORMANCE GRAPH SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

REPORT OF THE COMPENSATION COMMITTEE

Mannatech's Compensation Committee Report summarizes Mannatech's executive compensation policies and the basis for the compensation paid to its Executive Officers, including Mr. Robert M. Henry, Mannatech's Chief Executive Officer during the year ended December 31, 2002.

Compensation policy. Mannatech's policy with respect to its executive compensation is designed to:

adequately and fairly compensate its Executive Officers in relation to their responsibilities, capabilities and contributions to Mannatech in a manner that is commensurate with compensation paid by other similarly-sized companies or other companies within the same industry; and

reward its Executive Officers for the achievement of short-term operating goals and for the enhancement of long-term value.

Components of compensation. The primary components of compensation paid to Mannatech's Executive Officers and the relationship of such components of compensation to Mannatech's performance are discussed below:

- (a) **Base salary.** At the beginning of each new year Mannatech's Compensation Committee reviews the base salaries of Mannatech's Executive Officers to ensure the salaries are reasonable based upon a number of factors. These factors include Mannatech's performance (to the extent such performance can fairly be attributed or related to each Executive Officer's performance), as well as the nature of each Executive Officer's responsibilities, capabilities, loyalties and contributions. Mannatech's Compensation Committee believes that the base salaries for Mannatech's Executive Officers are reasonable as compared to other similarly-sized companies or other companies within the same industry.

Edgar Filing: MANNATECH INC - Form DEF 14A

- (b) **Bonus.** Each Executive Officer is eligible to participate in Mannatech's management bonus plan. The bonus plan is based upon Mannatech achieving certain consolidated financial results, which are certified by its independent accountants. Bonuses earned by Mannatech's Executive Officers are reviewed and approved by its Compensation Committee and paid by March 1st of the following year. For fiscal 2002, Mannatech declared an aggregate cash bonus of \$1.0 million, which was paid on March 13, 2003.
- (c) **All other annual compensation.** Mannatech maintains certain other plans and arrangements for the benefit of its Executive Officers and other members of its management, including participation in the 401(k) plan, use of a company vehicle, payment of certain personal travel expenses, and enrollment in health, life, automobile and long-term disability insurance. All of its Vice Presidents are paid monthly auto allowances of \$500. In addition, Senior or Executive Vice Presidents and above are either paid an auto allowance or awarded the use of a company-leased vehicle. Mannatech's Compensation Committee believes these benefits are reasonable in comparison to the executive compensation practices of other similarly-sized companies or other companies within the same industry.
- (d) **Long-term compensation.** Mannatech maintains stock option plans to reward Mannatech's employees for the attainment of certain goals or events. Stock option grants are reviewed and approved by its Compensation Committee. Mannatech's Compensation Committee believes these long-term compensation arrangements are reasonable in relation to the executive compensation practices of other similarly-sized companies or other companies within the same industry.

Table Of Contents

2002 Chief Executive Officer's Compensation. As previously described, Mannatech's Compensation Committee considers several factors in determining Mannatech's Chief Executive Officer's compensation package, with the primary factors focusing on Mannatech's financial performance and the competitive compensation paid to other Executive Officers of similarly-sized companies or other companies within the same industry. Specific actions taken by the Compensation Committee regarding Mr. Henry's compensation paid in 2002 are summarized below:

- (a) **Base salary.** Mr. Henry's base salary was based on a number of factors, including Mannatech's overall performance and its consolidated financial results, as well as the nature of Mr. Henry's responsibilities, capabilities, loyalties and contributions to Mannatech's performance. For fiscal 2002, Mr. Henry's base salary was \$400,000 per annum.
- (b) **Bonus.** Mr. Henry participated in Mannatech's management bonus plan. The bonus plan is based upon the attainment of certain consolidated financial results, which are certified by Mannatech's independent accountants. For Fiscal 2002, Mannatech declared a cash bonus of \$80,000 for Mr. Henry, which was paid March 13, 2003.
- (c) **All other annual compensation.** Mr. Henry, as well as all other Executive Officers, may participate in Mannatech's 401(k) plan. Mr. Henry was also provided with a company leased vehicle, was reimbursed for certain personal travel expenses, and is enrolled in health, life, automobile, and disability insurance. In addition, Mr. Henry was paid for any negative tax consequences related to the payments of relocation expenses to Mr. Henry.
- (d) **Long-term compensation.** Mr. Henry was not granted any stock options during fiscal 2002.

\$1 million pay deductibility cap. Under Section 162(m) of the United States Internal Revenue Code, public companies are precluded from receiving a tax deduction on compensation paid to their Executive Officers in excess of \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. At this time, Mannatech's Executive Officers' cash compensation levels have not exceeded the \$1 million limit and we do not anticipate exceeding this limit in the near future. Nonetheless, the Compensation Committee periodically reviews all of Mannatech's Executive Officers' compensation in light of Section 162(m).

Conclusion. Mannatech's Compensation Committee believes the concepts discussed above further Mannatech's shareholders' interests and that Mannatech's Executive Officers' compensation encourages responsible management; however, Mannatech's Compensation Committee will regularly consider the effect of executive compensation on Mannatech's shareholders' interests. These factors, reports from the various Committees of the Board of Directors of Mannatech and discussions with, and information compiled by, various independent consultants are used in determining Mannatech's Executive Officers' compensation.

REPORT OF THE AUDIT COMMITTEE

The purpose of the Audit Committee is to assist Mannatech's Board of Directors in overseeing its financial reporting, internal controls, and audit functions. Mannatech's Audit Committee is comprised of Jules Zimmerman, Chairman and Mannatech's Audit Committee financial expert, as determined by its Board of Directors, Roger Beutner, and Alan D. Kennedy. Each of these members is independent as the term is defined in Rule 1200(a) (14) of the National Association of Securities Dealers listing standards and the Sarbanes-Oxley Act of 2002. The Audit Committee operates under a written charter adopted by the Committee and Mannatech's Board of Directors. Mannatech's Audit Committee reviews and addresses the adequacy of its charter on an annual basis, which is attached to this proxy as Appendix A, beginning on page A-1.

Mannatech is responsible for the preparation of its consolidated financial statements and its systems of internal controls. The independent accountants are responsible for auditing Mannatech's consolidated financial statements in accordance with generally accepted auditing standards of the United States of America. The activities of the Audit Committee are in no way designed to supersede or alter Mannatech or its independent accountant's respective responsibilities. The Audit Committee assists Mannatech's Board of Directors in fulfilling its responsibilities for oversight of the quality and integrity of the accounting, auditing, and reporting practices of Mannatech and such other duties as directed by Mannatech's Board of Directors. The Audit Committee's role does not provide any special assurances with regard to its consolidated financial statements, nor does it involve a professional evaluation of the quality of the audits performed by its independent accountants. To strengthen the Audit Committee's ability to assist the Board of Directors, the Audit Committee formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of six employees who report to the Audit Committee, as well as Mannatech's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is designed to oversee and review Mannatech's internal controls. Mannatech's Audit Committee has furnished its Board of Directors the following report:

The Audit Committee has reviewed and discussed with Mannatech's management its consolidated audited financial statements of and for the year ended December 31, 2002 and the certification process required by the Sarbanes-Oxley Act of 2002. Mannatech has represented to its Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles of the United States of America. The Audit Committee has also discussed the following with Mannatech's independent accountants (1) the auditor's responsibilities, (2) any significant issues arising during its audit, and (3) other matters required to be discussed by Statements on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee received the written disclosures and the letter from Mannatech's independent accountants required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has discussed with the independent accountants, the independent accountants independence from management. In addition, the Audit Committee discussed the adequacy of Mannatech's internal controls and disclosure controls with its independent accountants and management.

Based on the review and discussions referred to above, the Audit Committee recommends to Mannatech's Board of Directors that the year-end audited consolidated financial statements should be included in Mannatech's 2002 Annual Report and in its Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

On February 17, 1999, Mannatech signed new notes receivable agreements with five individuals including Messrs. Charles E. Fioretti, William C. Fioretti, Samuel L. Caster, Gary Watson, and Patrick D. Cobb. All of these individuals were shareholders of Mannatech and over the past several years held various management positions within Mannatech. The notes bear interest at 6.0% per year, with the first payment due on February 17, 2000 and the remainder to be paid in annual installments through February 17, 2004. On June 4, 2001, Mannatech agreed to modify the terms of Charles E. Fioretti's note receivable as part of his separation and release agreement. Under the terms of his modified agreement, Mr. C. Fioretti's remaining principal balance of approximately \$127,000 will continue to accrue interest and is due on the earlier of February 17, 2011 or 13 days after the date in which Mr. C. Fioretti no longer owns at least 100,000 shares of Mannatech's common stock.

As of April 8, 2003, Mr. Watson had not made his annual scheduled payments for the last two years and did not make his third annual scheduled payment due February 17, 2003. As a result in 2002, Mannatech established a provision for doubtful accounts of approximately \$31,000 related to his note. Mr. William Fioretti has not made his annual scheduled payment for 2002 or for 2003; however, in September 2002, Mannatech filed a lawsuit against him demanding repayment. Mannatech continues to believe this note is fully collectible. As of April 8, 2003 the remaining principal and interest balances owed by each of the five individuals are as follows:

	Past due	Remaining	Total
	balance	Balance	Balance
	(in thousands)		
Samuel L. Caster	\$	\$ 48	\$ 48
Patrick D. Cobb		8	8
Charles E. Fioretti		140	140
William C. Fioretti	95	48	143
Gary Watson	24	8	32
	\$ 119	\$ 252	\$ 371

Commissions Paid to William C. Fioretti

Mr. William C. Fioretti still holds an associate position in Mannatech's global network-marketing system. In 2001 and 2002, Mannatech accrued commission expense to William C. Fioretti of approximately \$117,000 and \$85,000, respectively. William C. Fioretti is the cousin of Charles E. Fioretti Mannatech's former Chief Executive Officer and Chairman of the Board.

Consulting Agreement with Samuel L. Caster

On May 5, 2000, Samuel L. Caster resigned as Mannatech's President. On June 1, 2000, Mannatech entered into a consulting agreement with Mr. Caster. Under the terms of this agreement, Mannatech agreed to pay Mr. Caster \$50,000 per month plus an automobile lease, insurance, and other expenses. During 2001 and 2002, Mr. Caster earned approximately \$628,000 and \$162,000, respectively, relating to this agreement. On March 5, 2002, Mr. Caster's consulting agreement was terminated and he became an employee of Mannatech. See Executive Employment Agreements set forth in this proxy statement on Page 15, for further information about the terms of his employment agreement.

Consulting Agreement with J. Stanley Fredrick

On October 1, 2001, Mannatech entered into a two-year consulting and lockup agreement with Mr. Fredrick. This agreement automatically renews annually unless a 30-day written notice is given to both parties. Under the terms of this consulting agreement, Mr. Fredrick provides advice and performs certain functions for Mannatech's Board of Directors and is prohibited from selling any of his shares of Mannatech's common stock, for which Mannatech pays Mr. Fredrick \$185,000 per year. During 2001 and 2002, Mannatech paid Mr. Fredrick \$46,250 and \$185,000, respectively related to this consulting agreement.

Separation Agreements with Former Executives

During 2000 and 2001, Mannatech recorded severance charges primarily related to compensation, insurance, and automobile lease expenses to be paid to Mannatech's former Executive Officers including Anthony E. Canale, Deanne Varner, Patrick D. Cobb, and Charles E. Fioretti. The terms of each of their separation agreements and the estimated payments are as follows:

On December 29, 2000, we entered into a separation agreement with Mr. Anthony Canale, who resigned as our Chief Operating Officer of International Operations effective as of February 28, 2001. Mannatech agreed to pay Mr. Canale \$400,000 on March 1, 2001, \$250,000 on February 28, 2002, and \$250,000 on February 28, 2003 and pay his remaining lease payments for his car and then transferred the ownership of the car to him. In addition, Mannatech granted Mr. Canale a total of 213,333 fully vested warrants on March 1, 2001 at an exercise price ranging from \$1.75 to \$4.00 per share, which are exercisable for seven years. As of April 8, 2003, none of his warrants had been exercised.

In the second quarter of 2001, we entered into separation agreements with Ms. Deanne Varner and Mr. Patrick D. Cobb. Under the terms of their agreements, the former Executive Officers are bound by certain non-compete and confidentiality clauses under which Mannatech paid Ms. Varner and Mr. Cobb an aggregate amount of \$817,000 in 2001, \$624,000 in 2002 and agreed to pay them an aggregate amount of \$544,000 in 2003 and \$150,000 in 2004. The payments consist of various charges including compensation related to the cancellation of their employment agreements, accrued vacation, health insurance, and automobile expenses. Mannatech also granted Ms. Varner a total of 163,333 stock options and Mr. Patrick Cobb a total of 60,000 stock options, all at exercise prices ranging from \$1.75 to \$4.00 per share. The stock options vest on the date they were granted and are exercisable for ten years. As of April 8, 2003, none of their options had been exercised.

On June 4, 2001, we entered into a separation agreement and full and final release agreement with Charles E. Fioretti who resigned as an employee and as our Chairman of the Board. Under the terms of the separation agreement, we agreed to purchase 50,000 shares of his Mannatech stock from Mr. C. Fioretti's valued at \$1.45 per share and to pay Mr. C. Fioretti a total of \$1.2 million in two equal payments of \$600,000 each due in June 2001 and June 2002.

In connection with his resignation, Mannatech entered into a general release agreement and a non-compete and confidentiality agreement with Dr. McDaniel. Under the terms of these agreements, Mannatech agreed to pay Dr. McDaniel \$90,000 related to the General Release Agreement and \$25,000 a month, for one year, as consideration for his compliance with the non-compete clause. Cancellation of Incentive Agreement and Certain Transactions with Marlin Ray Robbins

In April 1994, Mannatech entered into an incentive compensation agreement with Ray Robbins. The incentive agreement required Mannatech to pay compensation based on the increase in the admittance of new independent associates. In June 1999, Mannatech cancelled this incentive agreement by paying Ray Robbins \$750,000 and agreeing to grandfather two of his associate positions to the highest level. Of this amount, \$500,000 was paid at the time the agreement was cancelled and the remaining \$250,000 was payable in monthly installments of \$10,000 over two years. In 2000, Ray Robbins disputed certain terms of the cancelled incentive agreement and subsequently, Mannatech agreed to pay Ray Robbins an additional \$200,000 related to the matter. On February 1, 2002, Mannatech entered into a final agreement with Ray Robbins to pay him approximately \$61,000, related to certain modifications to the original agreement, which concluded this matter. During 2000, 2001, and 2002, Mannatech paid Ray Robbins approximately \$320,000, \$70,000, and \$61,000 respectively, related to the cancellation of the initial incentive agreement. Ray Robbins does not hold any other incentive agreements.

Ray Robbins holds multiple positions in Mannatech's associate global downline network-marketing system two of which related to the cancellation of the above cancelled incentive agreement. Mannatech pays commissions and incentives to its associates for product sales and downline growth. During 2001 and 2002, Mannatech paid commissions to Ray Robbins totaling \$1.7 million in each year. In addition, Mannatech paid associate commissions totaling \$116,000 in 2001 and \$174,000 in 2002, to Kevin Robbins and his wife Dawn Robbins, who are associates and the son and daughter-in-law of Ray Robbins. All commissions paid to Ray Robbins and his immediate family members were paid in accordance with Mannatech's global associate career and compensation plan.

Ray Robbins also provides various consulting services to Mannatech and travels extensively speaking at various functions to promote Mannatech's business. Mannatech reimburses Mr. Robbins for his expenses related to his consulting and traveling.

On September 28, 2001, Mannatech sold Ray Robbins 815,009 shares of its treasury stock at \$1.00 per share, which was the approximate fair market value of Mannatech's common stock on the date of sale. On December 16, 2002, Mr. Ray Robbins sold 300,000 of his Mannatech shares at \$1.00 per share to Jett, a 4.8% shareholder of Mannatech stock, an associate, and member of the Controlled Group.

Commissions and Royalties Paid to Dr. Bill H. McAnalley

On September 1, 1999, Mannatech entered into a royalty agreement with Dr. McAnalley. Under the terms of the royalty agreement, Mannatech pays Dr. McAnalley a royalty based on GlycoLEAN® product sales. During 2000, 2001, and 2002, Dr. McAnalley was paid royalties of

Edgar Filing: MANNATECH INC - Form DEF 14A

approximately \$9,000, \$5,000 and \$6,000, respectively.

Dr. McAnalley's wife holds an associate position in Mannatech's associate global downline network-marketing system and was paid commissions of approximately \$6,000 in 2000, \$60,000 in 2001, and \$4,500 in 2002. Dr. McAnalley's three children also hold associate positions in Mannatech's associate global downline network-marketing system and were paid commissions in the aggregate of approximately \$14,000 in 2000, \$103,000 in 2001, and \$5,500 in 2002. All commissions paid to Dr. McAnalley's family were paid in accordance with Mannatech's global associate career and compensation plan.

Payments Made to Dr. John S. Axford

On June 4, 2002, Dr. John Axford was elected to Mannatech's Board of Directors. Mannatech has paid Dr. Axford \$11,000, \$35,000, and \$20,000 during 2000, 2001, and 2002, respectively, related to various consulting fees. In October 2002, Mannatech signed an agreement for a three-year grant to St. Georges Hospital, totaling \$148,000, to help fund a clinical trial utilizing certain Mannatech products. Dr. Axford is employed by St. Georges Hospital, located in London, England and is also the principal investigator in this clinical trial.

Incentive and Royalty Agreement with Jett

In October 1999, Mannatech entered into an agreement with Jett, a high-level associate, and a significant shareholder as set forth in the Security Ownership of Certain Beneficial Owners and Management section of this proxy statement whereby Jett would promote Mannatech and help develop associate interest in Japan. Under the terms of the agreement, Mannatech agreed to pay Jett \$50,000 a month plus all expenses for two years and earn additional commissions, up to \$1.6 million, for the development and sale of new training materials and sales aids. In September 2001, Mannatech amended this agreement whereby Mannatech ceased paying a set monthly fee and began paying him a royalty of \$5.00 for each specific new promotional item sold by Mannatech, up to a maximum of \$1.6 million. Total payments relating to this agreement were approximately \$850,000, \$470,000, and \$120,000 in 2000, 2001, and 2002, respectively.

OTHER MATTERS

Mannatech's Board of Directors does not know of any other matters that are to be presented for action at its 2003 annual shareholders' meeting. However, if any other matters properly come before its 2003 annual shareholders' meeting or any adjournments thereof, it is intended that the enclosed proxy will be voted in accordance with the judgment of the persons voting the proxy.

APPENDIX C

MANNATECH, INC.

FREQUENTLY ASKED QUESTIONS

Mannatech's Board of Directors urges each shareholder to read all of the information included in its proxy materials provided to them. As a courtesy, Mannatech's Board of Directors is providing each shareholder with a list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and helping to make sure its shareholders are informed of the various policies and procedures that must be followed for its 2003 annual shareholders' meeting.

1. What information is contained in these materials?

The information in Mannatech's proxy statement contains information about its proposals, background information about its Board nominees and compensation of Mannatech's Officers and Board of Directors. In addition, the materials include Mannatech's 2002 annual shareholders' report and a proxy-voting card, which gives the shareholder instructions on how to cast their vote.

2. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is what is mailed to a shareholder. It gives the shareholder specific instructions on how to cast their vote by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns their shares directly or they own their shares through a broker. Shareholders should make sure they read and follow all of the enclosed instructions carefully to ensure their vote is counted. Ballots will be handed out at Mannatech's 2003 annual shareholders' meeting to shareholders of record on the close of business on April 8, 2003 who own their shares directly or beneficial shareholders of record who have the proper paperwork from their broker allowing them to cast their vote at our meeting.

3. What shares owned by a shareholder can be voted either by proxy or at the annual meeting?

All shares owned by a shareholder directly or as a beneficial owner as of the record date may be voted by the shareholder prior to the meeting using their proxy-voting card.

At Mannatech's 2003 annual shareholders' meeting, direct shareholders of record will be verified and given a ballot card. At the meeting, beneficial owners of record will be verified by the beneficial shareholder having a power of attorney form from their broker allowing them to vote at the meeting. If a shareholder does not have this information from their broker, Mannatech's transfer agent will not be able to count their vote as their broker may have already cast a vote on their behalf. Mannatech strongly recommends that shareholders read the back of their proxy-voting cards prior to the 2003 annual meeting to understand how they can attend Mannatech's shareholders' meeting and cast their vote at the meeting. A shareholder's broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

4. What is the difference between direct ownership and beneficial ownership?

DIRECT OWNERSHIP is defined as a shareholder who directly holds their stock certificates in their own name, which is evidenced by the shareholder receiving all of Mannatech's mailings from either Mannatech, or its transfer agent, EquiServe Trust Company N.A., or its solicitor, Georgeson Shareholder.

BENEFICIAL OWNERSHIP is defined as a shareholder mailing their stock certificates to their broker or the shareholder purchased shares through their broker and they receive all of Mannatech's mailings from either their broker or through their solicitor, which is usually ADP Proxy Services. As a beneficial owner, the shareholder still owns Mannatech shares, but Mannatech's transfer agent does not have individual shareholders' names from the brokers. The only information Mannatech's transfer agent has about shareholders owning stock through their broker is the aggregated total number of shares each broker holds on behalf of its clients.

C-1

Table Of Contents

5. What does it mean if a shareholder receives more than one proxy-voting card?

If a shareholder receives more than one proxy-voting card it means that their shares are registered with different names or the shareholder has more than one account in which they hold shares of Mannatech stock. Each proxy-voting card may have different instructions, phone numbers, or email addresses so a shareholder should make sure they read all instructions on the back of each proxy-voting card.

6. How is voting different for direct holders versus beneficial owners?

Mannatech's transfer agent has the names of the shareholders who directly hold shares of Mannatech stock, but does not have any detailed information such as the individual shareholder names who own shares held through their brokers. Only the individual brokers have the detailed information about each shareholders' beneficial ownership or individuals who own Mannatech stock through their brokerage group. Each brokerage group is responsible for reporting their shareholders votes to Mannatech's transfer agent and for all mailings to Mannatech's shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm using their proxy-voting card.

7. Can a shareholder change their vote?

Both direct shareholders and beneficial shareholders can revoke their proxy-vote. Attendance at the annual shareholders' meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at the annual shareholders' meeting. A shareholder should contact the customer service department in their information packet to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke their proxy-votes may be different depending on whether they are a direct shareholder or a beneficial shareholder.

Each set of instructions should include the shareholder's account number, solicitors' phone number, and their email address. Mannatech's transfer agent or its solicitor will only count the verified proxy-votes received with the latest date as the vote by each shareholder and brokerage firm. Each share of Mannatech's stock represents one vote. A shareholder should contact the customer service telephone number provided to them in their shareholder information packet if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

8. How can a shareholder attend the 2003 annual shareholders' meeting?

The 2003 annual shareholders' meeting will be held on June 2, 2003 at 10:00 a.m., at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in and verification of stock ownership. No cameras or recording equipment will be permitted in the meeting room as Mannatech will be taping the meeting in its entirety.

9. Where can a shareholder find the voting results of Mannatech's 2003 annual meeting?

Mannatech will announce preliminary voting results of its 2003 annual shareholders' meeting in a press release and publish final voting results in its quarterly report on Form 10-Q for the second quarter of 2003, which is expected to be filed with the SEC on or before August 14, 2003.

C-2

Table Of Contents

10. Can a shareholder have someone else cast their vote for them at Mannatech's shareholders' meeting?

In order to have someone cast their vote a shareholder must provide the person with whom they would like to cast their vote with a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

the date;

the full name of the designee;

the number of shares held by the shareholder to be voted by the designee;

the nature and extent of the authority granted to the designee;

an expiration date that terminates the designee's rights to cast a shareholder's vote on their behalf; and

the shareholder's signature.

The original power of attorney form must be attached to the ballot that is turned in by the designee. If the original shareholder is a beneficial owner, the original shareholder must also provide the proper documentation from their broker to the designee, which would allow the original shareholder to vote and attend the meeting. The designee should then attach all of the form(s) to the ballot to be turned in at the 2003 annual shareholders' meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as the designee for each shareholder.

11. How can a shareholder vote against some or all of the nominees for Mannatech's Board of Directors?

To vote against some but not all of the Board nominees a shareholder should checkmark the "FOR ALL EXCEPT" box on their proxy-voting card or ballot and write-in the nominee(s) name they wish to vote against in the space provided.

If a shareholder wants to withhold their vote for all of the nominees they can checkmark the "WITHHOLD ALL" box on their proxy-voting card or ballot.

12. How can a shareholder write-in a nominee for Mannatech's Board of Directors?

A shareholder CANNOT write-in nominees on their proxy-voting card when they vote by mail, telephone, or the Internet. A shareholder can ONLY write-in the names of additional nominees they wish to vote for on the ballot at Mannatech's 2003 annual shareholder meeting.

To write-in a nominee on the ballot the shareholder needs to checkmark either the WITHHOLD ALL box or FOR ALL EXCEPT box. The WITHHOLD ALL box casts their vote against all of the nominees, whereas a vote FOR ALL EXCEPT casts their vote for all of the nominees except for the nominees they list in the blank provided. Any of the nominees not listed in the blank provided will be automatically voted as FOR. A shareholder can only write-in as many nominees as they voted against. For example, if there were a total of three nominees listed on the ballot and a shareholder withheld their vote for two of the three nominees then they could write-in up to two additional nominees.

13. How can a shareholder nominate a person to be listed on the ballot as a nominee?

A shareholder needed to submit in writing any nominee(s) for the Board of Directors to Mannatech's CFO by December 28, 2002 so Mannatech's Board of Directors could consider them for nomination at its 2003 annual shareholders' meeting. The nomination needed to include a candidate's name, age, biographical information, and qualifications. The CFO forwards the list of nominees to the Nominating Committee of its Board of Directors. The Nominating Committee reviews all of the nominees and recommends a list of nominees to its Board of Directors. Mannatech's Board of Directors then votes on the nominees. The nominees approved by Mannatech's Board of Directors are the only nominees that will be listed on the ballot, proxy-voting card and in Mannatech's proxy statement on Schedule 14A, which is expected to be filed with the SEC on or before April 28, 2003. To submit a nominee for Mannatech's 2004 annual meeting, a shareholder should submit in writing the nominees information to the CFO by December 27, 2003.

14. How are the votes counted?

Representatives from Mannatech's transfer agent, EquiServe Trust Company N.A., will be responsible for tabulating all of the votes for its 2003 annual shareholders' meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of Mannatech's common stock outstanding as of the record date is necessary to have a quorum for its 2003 annual shareholders' meeting. Abstentions and broker non-votes will be counted as present for purposes of determining a quorum. A broker non-vote occurs when the beneficial owner does not give their broker or broker's solicitor discretionary voting powers.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions the shareholder's vote will be counted as a vote FOR each of the proposals.

For the election of Mannatech's Directors, broker non-votes will not be counted in tabulating the number of votes for each nominee. The two nominees receiving the highest number of FOR votes from the shares present in person or represented by proxy-votes entitled to vote will be elected as Directors.

For the ratification of the appointment of independent accountants, ABSTENTIONS will be counted as a vote against this proposal. The ratification of appointment of independent accountants requires a FOR vote from a majority of shares present or represented by proxy-votes entitled to vote at Mannatech's 2003 annual shareholders' meeting.

15. What should a shareholder do if they never received their proxy materials or if they have lost their proxy materials?

If a shareholder owns shares directly and they never received their proxy-voting card or voting materials or if they have lost or destroyed their proxy-voting card and/or proxy materials they can call Mannatech's solicitor's toll-free customer service telephone number at (866)546-5549. Mannatech's solicitor will verify that they are a direct shareholder holding shares on the close of business on April 8, 2003. Once verified, the solicitor will mail or fax them the information packet and provide them with instructions on how they can cast their vote by mail, telephone, or the Internet.

If a shareholder is a beneficial shareholder, meaning they own their shares through a broker, they should contact their broker's customer service department. Their broker will verify that they are a shareholder on the close of business on April 8, 2003 and give them specific instructions on how to obtain a new proxy-voting card, information packet and how to cast their vote. Anyone can view Mannatech's 2003 proxy statement by logging onto their corporate website www.mannatech.com.
