**Item 1.01 Entry into a Material Definitive Agreement**

The Registrant's Board of Directors adopted the Smithfield Foods, Inc. 2004 Non-Employee Director Deferral Plan (the Plan) effective September 1, 2004. The Plan allows non-employee directors to defer receipt of a portion or all of the retainer and meeting fees the Registrant provides for Board services and receive such retainer and meeting fees in the future as shares of the Registrant's common stock. The Plan is intended to promote a greater identity of interests between the Registrant's directors and its shareholders, and to attract and retain directors by affording them an opportunity to share in the future successes of the Registrant. The maximum number of shares of the Registrant's common stock reserved and available for use under the Plan is 100,000 shares (subject to adjustment in accordance with the provisions of the Plan). The Registrant currently intends to acquire the shares of the Registrant's common stock for the Plan through market acquisitions. The shares of the Registrant's common stock accumulated by a non-employee director under the Plan will be distributed in accordance with the Plan once such non-employee director ceases to be a director of the Registrant. A copy of the Plan is attached hereto as Exhibit 99.1 to this report and the information contained therein is hereby incorporated by reference.
