To the Participants and Administrator of

The Leggett & Platt, Incorporated

Stock Bonus Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statements of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Leggett & Platt, Incorporated Stock Bonus Plan (the Plan ) at December 31, 2004 and 2003, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Stock Bonus Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2004 and 2003

NOTE A DESCRIPTION OF PLAN

The following description of the Leggett & Platt, Incorporated (L&P or the Company) Stock Bonus Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of L&P and certain of its subsidiaries and affiliates who meet eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's provisions qualify as an Employee Stock Ownership Plan (ESOP).

Eligibility of Employees

Eligible employees are defined as non-bargaining employees at branches covered by the Plan or employees who are members of a collective bargaining unit, the representatives of which have successfully bargained for inclusion in the Plan. Eligible employees can begin participation in the Plan on the first January 1 or July 1 following the completion of one year and 1000 hours of service. Eligible employees with compensation in excess of the applicable compensation base may participate in the fixed percentage component of the Plan. Salaried employees not meeting minimum compensation requirements may participate in the fixed dollar component of the Plan. Employees considered highly compensated under Section 404(q) of the Internal Revenue Code of 1986 are not eligible to participate.

Contributions

Employees participating in the fixed percentage component of the Plan must make contributions of a percentage of annual compensation in excess of a base amount as defined in the Plan agreement. Employees participating in the fixed dollar component of the Plan must make contributions from \$5 to \$20 each pay period.

## Edgar Filing: LEGGETT & PLATT INC - Form 11-K

L&P is required to make contributions to the Plan equal to 50% of the amounts contributed by participants. Additionally, for any year in which certain profitability levels have been attained, as defined in the Plan, L&P may make an additional contribution in an amount not to exceed 50% of the participants' contributions during such year. Participants in the Plan meeting certain requirements may elect to invest a portion of their account into L&P stock or any of the other investment funds.

The Plan is designated as a pre-tax plan for employee contributions.

Company contributions, when made, are primarily in the form of common stock.

### Vesting and Distributions

The Plan has adopted a vesting method under which Company contributions will vest after the participant has completed three years of service. Non-vested amounts at the time of participant withdrawals are forfeited and serve to reduce future Company contributions. Forfeitures amounted to \$40,943 in 2004 and \$28,390 in 2003. Upon retirement, death or disability, participants or their beneficiaries are entitled to the full value of their account, including Company contributions. Upon termination of employment for other reasons, participants are entitled to receive the full value of their account representing participant contributions and the vested portion of their account representing Company contributions. In-service withdrawals are allowed by participants after reaching age 59 1/2.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE A DESCRIPTION OF PLAN - CONTINUED

Plan Trustee

The Bank of New York, as sole trustee of the Plan, holds all Plan assets and pays benefits in accordance with information submitted by L&P, the Plan administrator.

Administrative Expenses

Administrative expenses are paid by both L&P and the Plan. Some expenses related to the investment funds are paid from participants' accounts and are reflected in the financial statements of the Plan. All other expenses are paid directly by L&P and are not reflected in the financial statements of the Plan.

Plan Termination

Although it has not expressed any intent to do so, L&P has the right, by action of its Board of Directors, to terminate the Plan at any time. In the event of termination, participant accounts will immediately become 100% vested.

NOTE B SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, except for benefit payments, which are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments

The market value of all Plan investments is based upon quoted market price as of the close of business on the last day of the year. Purchases and sales of investments are recorded on a trade-date basis. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Income Taxes

The Plan is a qualified tax-exempt plan under the Internal Revenue Code (IRC) and, therefore, is exempt from federal and state income taxes. A favorable determination letter was received on May 29, 2003. Amendments have been made to the Plan and L&P has applied for a new determination letter. L&P believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and conforms to the requirements of ERISA.
