TUESDAY, APRIL 17, 2007

CNB Financial Corporation (the Corporation) is a Pennsylvania business corporation and a financial holding company registered with the Federal Reserve Board having its principal offices at CNB Bank, Clearfield, Pennsylvania 16830. The subsidiaries of the Corporation are CNB Bank (the Bank), CNB Securities Corporation, Holiday Financial Services Corporation, County Reinsurance Company and CNB Insurance Agency.

The enclosed proxy is being solicited by the Board of Directors of the Corporation for use at the Annual Meeting of Shareholders to be held April 17, 2007. The cost of preparing, assembling and mailing the notice of annual meeting, proxy statement and form of proxy is to be borne by the Corporation. In addition to the solicitation of proxies by use of mail, directors, officers or other employees of the Corporation may solicit proxies personally or by telephone and the Corporation may request certain persons holding stock in their names or in the names of their nominees to obtain proxies from and send proxy material to the principals and will reimburse such persons for their expenses in so doing. The date on which this proxy statement and the accompanying form of proxy was mailed to shareholders was March 19, 2007.

A quorum for the transaction of business at the annual meeting will require the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the total number of votes entitled to be cast on a particular matter to be acted upon at the meeting. Abstentions and broker non-votes are counted as shares present for determination of a quorum but are not counted as affirmative or negative votes and are not counted in determining the number of votes cast on any matter.

The enclosed proxy is revocable at any time prior to the actual voting of such proxy by the filing of an instrument revoking it, or a duly executed proxy bearing a later date, with the Secretary of the Corporation. In the event your proxy is mailed and you attend the meeting, you have the right to revoke your proxy and cast your vote personally. All properly executed proxies delivered to us pursuant to this solicitation will be voted at the meeting in accordance with your instructions, if any. Unless otherwise directed, proxies will be voted FOR the election as directors of the four nominees named under the caption Election of Directors herein and FOR ratification of the appointment of our independent auditors for the year 2007. The Board of Directors is not aware of any other matters which will be presented for action at the meeting, but the persons named in the proxies intend to vote or act according to their discretion with respect to any other proposal which may be presented for action.

The Board of Directors has fixed the close of business on March 8, 2007, as the record date (the Record Date) for determining shareholders entitled to notice of, and to vote at, the meeting. The only securities of the Corporation entitled to vote at the meeting consist of 8,868,524 shares of common stock outstanding on the Record Date.

In the election of directors, each shareholder or a duly authorized proxy will have the right to vote the number of shares owned for each of the four directors to be elected. The four nominees with the highest number of votes will be elected. There is no cumulative voting in the election of directors.

The affirmative vote of a majority of the shares voted on the matter is required for the approval of all other matters, and the shareholders will have one vote for each share held.

To the knowledge of the Corporation, no single shareholder beneficially owned on the Record Date more than five percent (5%) of the outstanding common stock of the Corporation. At the Record Date, all officers and directors of the Corporation as a group (17 persons) beneficially owned 1,200,504 shares or 13.5% (including shares acquirable within 60 days of the Record Date),

2. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors is responsible for selecting the Corporation's independent auditors. At its meeting held on March 1, 2007, the Audit Committee appointed Crowe Chizek and Company LLC (Crowe Chizek) as the independent auditors for the 2007 fiscal year. Although shareholder approval for this appointment is not required, the Board is submitting the selection of Crowe Chizek for ratification to obtain the views of shareholders. If the appointment is not ratified, the Audit Committee will reconsider its future selection.

In making the appointment of Crowe Chizek as the Corporation's independent auditors for the fiscal year 2007, the Audit Committee considered whether Crowe Chizek's provision of services other than audit services is compatible with maintaining independence as our independent auditors.

The Board of Directors recommends a vote FOR ratification of the appointment of Crowe Chizek and Company, LLC as the independent auditors for the fiscal year ending December 31, 2007.

3. OTHER MATTERS

The Board of Directors does not intend to bring any other matters before the annual meeting and does not know of any matter which anyone proposes to present for action at the meeting. However, if any other matters properly come before the meeting, the persons named in the accompanying proxy, or their duly constituted substitutes acting at the meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors held 16 meetings during 2006. Eleven of the twelve directors attended the 2006 annual meeting of shareholders.

The Board of Directors of the Corporation and the Board of Directors of the Bank have a number of joint committees that serve both the Corporation and the Bank. These include an Audit Committee, an Executive Compensation/Personnel Committee and a Corporate Governance/Nominating Committee.

Audit Committee

The Audit Committee met four times in 2006. The Audit Committee appoints the Corporation's independent accountants, reviews and approves the audit plan and fee estimate of the independent public accountants, appraises the effectiveness of the internal and external audit efforts, evaluates the adequacy and effectiveness of accounting policies and financial and accounting management, approves and evaluates the internal audit function, pre-approves all audit and any non-audit services, and reviews and approves the annual and quarterly financial statements. Members of the Audit Committee are Jeffrey S. Powell, Chairman, Michael F. Lezzer, Robert W. Montler, Deborah Dick Pontzer and Charles H. Reams. The Corporation's Board adopted a written charter for the Audit Committee on May 3, 2001. It was subsequently reassessed and readopted by the Board on August 8, 2006. The current charter is appended to this Proxy Statement as Appendix A.

Audit Committee Independence. In the opinion of the Corporation's Board, the members of the Audit Committee do not have a relationship with the Corporation or any of its affiliates that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them is or has for the past three years been an employee of the Corporation or any of its affiliates; no immediate family members of any of them is or has for the past three years been an executive officer of the Corporation or any of its affiliates; and they otherwise meet the standards for independence required by NASDAQ.

Audit Committee Financial Expert. The Corporation's Board of Directors has determined that the Audit Committee does not have a financial expert serving on the Committee, as defined by the Securities and Exchange Commission (SEC). While there are attributes present regarding an understanding of financial statements as well as the ability to assess the proper application of accounting estimates, accruals and reserves, there is no in-depth knowledge of generally accepted accounting principles. The Committee has the authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities, at the Corporation's expense.

Non-Audit Services. The Audit Committee must pre-approve all permitted non-audit services performed by the Corporation's external audit firm. The Audit Committee may delegate such authority to a subcommittee, provided that any decisions of the subcommittee are presented to the full Audit Committee at its next scheduled meeting.

Audit Committee Report. The Audit Committee has submitted the following report for inclusion in this Proxy Statement:

The Audit Committee has reviewed the audited financial statements for the year ended December 31, 2006 and has discussed them with management. The Audit Committee has also discussed with Crowe Chizek the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from Crowe Chizek required by Independence Standards Board Standard No. 1

(having to do with matters that could affect the auditor's independence), and has discussed with Crowe Chizek their independence. Based on this, the Audit Committee recommended to the Board that the audited financial statements be included in CNB Financial Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the SEC.

Submitted by the Audit Committee:

Jeffrey S. Powell, Chairman

Deborah Dick Pontzer

Michael F. Lezzer

Charles H. Reams

Robert W. Montler

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Exchange Act of 1934 and shall not be deemed filed under that Act.

Executive Compensation/Personnel Committee

The Executive Compensation/Personnel Committee consists of Dennis L. Merrey, Chairman; Michael F. Lezzer; Jeffrey S. Powell and James B. Ryan. The Committee met seven times during 2006. See Executive Compensation - Report of the Executive Compensation Committee.

Corporate Governance and Nominating Committee

The Nominating Committee met three times during 2006. The Committee consists of the following independent directors as defined by NASDAQ rules: William R. Owens, Chairman; Robert E. Brown; Dennis L. Merrey; James B. Ryan; and Peter F. Smith. The Nominating Committee was established by resolution of the Board of Directors. Its function is to recommend to the Board candidates for nomination for election to the Board of Directors. Any shareholder who wishes to have the Committee consider a candidate should submit the name of the candidate, along with any biographical or other relevant information that the shareholder wishes the Committee to consider and the consent of such candidate evidencing his or her willingness to serve as a director, to the President of the Corporation at the address appearing on the first page of this Proxy Statement no later than November 20, 2007. All recommendations are subject to the process described below.

Description of Nominating Committee Selection Process

The Committee has the responsibility of reviewing and evaluating candidates for election or appointment to the Board of Directors. The process utilized by the Committee to recommend a candidate consists of first reviewing formal expressions of interest by interested individuals which have been communicated to the Committee. In addition, the Committee obtains input from shareholders, directors and management regarding other potential candidates who have not indicated interest in a Board position.

Utilizing the selection criteria set forth below, the Committee selects a candidate and then conducts an interview in order to further evaluate the individual. Subsequent to the interview the Committee meets to determine whether to recommend the candidate to the Board of Directors for election or appointment. The Board of Directors, exclusive of non-independent directors, either accepts or rejects the Committee recommendation.

Nominating Committee Candidate Selection Criteria

The Nominating Committee utilizes various selection criteria to evaluate a candidate for election or appointment to the Board of Directors. The criteria include but are not limited to the following minimum criteria:

1. Residency within the market area of CNB Bank.

Edgar Filing: CNB FINANCIAL CORP/PA - Form DEF 14A

2. Ability and willingness to commit time necessary to fulfill Board duties.
3. Strong interest in or familiarity with the financial services industry.
4. Successful background in a business or profession representing a constituency within the Bank's market area.
5. Character and reputation.
6. Under the Bylaws: (i) no shareholder is eligible to serve as a director who does not own at least 1,000 unencumbered shares of the Corporation's common stock; (ii) no incumbent director may be proposed for nomination to the Board of Directors without approval of 25% of the Board; and (iii) no shareholder, not an incumbent director, may be proposed for nomination to the Board of Directors without approval of two-thirds of the Board.

Directors William R. Owens and William F. Falger are ex officio members of all committees if not otherwise named, except the Audit, Nominating and Executive Compensation Committees as to Mr. Falger.

Communications With Directors

Any shareholder who wishes to communicate with the directors (or with any individual director) should send a letter to the directors as follows: ATTN: Corporate Secretary - Communication to Directors, CNB Financial Corp., PO Box 42, Clearfield, PA 16830. The Corporate Secretary will regularly forward all such correspondence to the directors.

EXECUTIVE COMPENSATION

Report of the Executive Compensation Committee

The Executive Compensation Committee is composed of four non-employee, independent directors (as defined in applicable NASDAQ Corporate Governance Rules) selected from the Board of Directors of the Corporation.

The Committee has the overall responsibility for reviewing, establishing, and administering policies which govern executive compensation programs. It determines the compensation of the chief executive officer and recommends to the Board the compensation of all other executive officers. In discharging these responsibilities, the Committee seeks to maintain a position of equity with respect to the balancing of interests of the shareholders with those of the executive officers.

At the request of the Committee, executive officers of the Corporation or Bank may be present at Committee meetings for discussion purposes. However, they have no involvement in the decisions made by the Committee, nor do they have a vote on any matters brought before the Committee. Independent, outside advisors and consultants were used from time to time by the Committee during 2006 and have been put on retainer for 2007.

Executive Compensation Discussion and Analysis

Executive Summary

This discussion and analysis describes briefly the philosophy, the strategy and the major details of the Corporation's approach to compensating key executives. The approach has been developed over several years with guidance and oversight of the Executive Compensation Committee and with the input and observations of management as well as that of compensation and benefits consultants.

Our expectation is that our senior management team should drive performance and produce above average returns for shareholders. To achieve that goal, our executive compensation approach is benchmarked, both as to pay and as to performance, and weighted heavily toward results. In return for achieving above average performance, we expect to reward our senior management with at or above average compensation and benefits.

Objective/Rewards

The primary objective of our approach is to produce superior operating results for the Corporation by attracting, retaining and motivating key executives whose experience, expertise and ability will assure that our overall corporate objectives are met or exceeded. Achieving above average performance benefits shareholders and rewards our senior management team through incentive-based compensation.

Elements of Compensation

The Corporation uses the following elements of compensation and benefits to recruit, retain and reward its key executives:

1. Salary - We believe that a competitive salary is essential and that it should produce between 50 percent and 70 percent of a key executive's total compensation, depending upon his or her position and ability to drive performance. Using data provided by a national accounting firm, we benchmark salary and bonus generally to the median, with flexibility to adapt to the particular skills of an individual or the specific needs of the Corporation.

2. Annual Bonus - Through our 2006 Executive Incentive Plan, we offer a select group of key executives, whose efforts largely determine the achievement of corporate goals and objectives, an annual cash bonus opportunity. For each executive there are individual and group objectives, which vary among executives according to their areas of responsibility. In general, however, we set a minimum target or targets, expressed as performance in excess of the median for a peer group of similar corporations, which must be met before any bonus can be paid. The major component in the plan is Return on Average Assets (ROA). The targets established are basically the budgeted ROA and an ROA that exceeds the peer group at plus 0.10%. We compare the Corporation's performance to that of financial institutions with assets of between \$500 million and \$1 billion as contained in the Bank Holding Company Performance Report prepared by the Federal Reserve Board.

 3. Stock-Based Compensation - We believe that our key executives should be invested in the Corporation and share the risks and rewards of our other shareholders. Under the 1999 Stock Incentive Plan we had used the grant of stock options to help accomplish this objective. Because of changes in accounting rules effective in 2006, we are reconsidering whether options are the best means of proceeding and have not granted any during 2005 or 2006. Since 2005, we have used the award of restricted common stock, vesting equally in four installments, as a means of compensating key executives while making the full benefit of the award conditional upon remaining with the Corporation for the near future.

 4. Non-Qualified Deferred Compensation Plans - We think that deferred compensation plays an important role in retaining key executives, as well as helping them provide for retirement. For that reason, we provide:
 - a. Supplemental Executive Retirement Plan (SERP) - The Corporation adopted the SERP to make up, approximately, the difference between the benefit that would have been paid, using the formula in the Pension Plan and in the Savings Plan, and the benefit that can be paid under the Plans, because of Internal Revenue Service limits imposed on benefits payable or compensation covered under the such plans.

 - b. Executive Deferred Compensation Plan - Key executives can participate in the Plan, which allows them to defer up to 10% of base compensation and 100% of annual bonus until a date in the future, generally, upon termination of employment. Deferrals are deemed to be invested in Corporation common stock, and the value of a participant's account generally tracks the performance of actual common stock. The Corporation provides no inducement (match or discretionary contribution) for key executives who participate but believes that this phantom stock arrangement helps align the interest of participants with that of shareholders.

 5. Beyond the payment of dues to certain service and social organizations, executive officers do not receive any additional perquisites with the exception of vehicles provided to Messrs. Falger and Bower at the expense of the Corporation.
- Chief Executive Officer Compensation

During 2006, William F. Falger served as President and Chief Executive Officer of CNB Financial Corporation and CNB Bank. In determining Mr. Falger's base salary the Executive Compensation Committee reviewed Mr. Falger's performance relative to attainment of corporate goals and objectives such as earnings per share, return on assets and return on equity. Also in determining Mr. Falger's base salary, the Committee took into consideration a comparison of base salaries of chief executive officers of a peer group of financial institutions.

In addition to base salary, Mr. Falger is eligible to receive a cash bonus for 2006 performance all of which, \$77,860, was paid in 2007. This bonus is calculated based upon the level of earnings of the Corporation in excess of the median level of earnings achieved by all bank holding companies in the United States with assets in excess of \$500 million but less than \$1.0 billion in accordance with the 2006 Executive Incentive Plan approved in December, 2005.

Mr. Falger was granted 2,503 shares of restricted common stock under the 1999 Stock Incentive Plan. The grant will vest equally over the next four years.

The Corporation also provides to Mr. Falger the use of a vehicle as well as the payment of club dues.

2006 Executive Compensation Actions

The Committee reviewed the performance of the Chief Executive Officer and other executive officers and established their base salaries for the ensuing year. The Committee also set the performance targets utilized in the 2006 Executive Incentive Plan. In addition, the Committee reviews the non-qualified benefit plans of the executives. The other executive officers of the Corporation and/or the Bank are Joseph B. Bower, Jr. Executive Vice President and Chief Operating Officer, Mark D. Breakey, Senior Vice President and Credit Risk Manager, Donald E. Shawley, Senior Vice President and Senior Trust Officer and Richard L. Sloppy, Senior Vice President and Senior Loan Officer. The Committee reviewed the following comparison for the years shown:

Executive Salaries and bonuses as a % of Net Income	2006 - 9.6%
	2005 - 9.7%
	2004 - 9.3%
	2003 - 11.6%
	2002 - 12.2%

Employment Contracts

The Corporation has entered into Executive Employment Contracts with Messrs. Falger and Bower that extend to December 31, 2007 and automatically renew unless either party serves the other party with 90 days written notice of termination. Each contract provides for a base salary to be established annually and for increases, stock awards and bonuses as may be awarded from time to time by the Board of Directors. Each contract contains a covenant not to compete with the Corporation for three years following termination of employment and a covenant to protect the Corporation's confidential information. The contracts provide for severance pay in the event of termination without cause, whether or not a change in control has occurred or for voluntary termination under certain specified circumstances following a change in control. The executive officer will be entitled to receive a lump sum cash payment equal to 2.99 times his base salary for the year in which employment ends. An additional 2.99 times the average incentive bonus paid over the last three years would be paid to Messrs. Falger and Bower. The potential payments that would have occurred assuming a change of control event at December 31, 2006 were \$877,910 for Mr. Falger and \$517,724 for Mr. Bower.

Submitted by the Executive Compensation Committee:

Dennis L. Merrey, Chairman Michael F. Lezzer Jeffrey S. Powell James B. Ryan

Pension Plan

The Bank maintains a non-contributory pension plan called The CNB Bank Money Purchase Pension Plan. All active officers and full-time employees, 21 years of age or over, employed by the Bank for one year, are participants in the Plan. The Bank's contribution per participant is 6% of total salary plus 5.7% of salary in excess of \$94,200, but subject to a \$210,000 salary limit. The total contribution to the retirement plan for the year 2006 was \$422,000. Employees become vested after five years of service with the Bank. Directors other than active officers are not covered by any retirement plan. Retirement funds are held in trust for each employee. Benefits are determined by the employer's contribution over the years and the plan earnings. At the time of retirement, the total value is distributed in one lump sum.

Savings Plan

The CNB Bank Savings Plan is qualified under Section 401(k) of the Internal Revenue Code. Participants can elect to contribute up to 15% of their annual salary into the Plan. Under the Tax Reform Act, participants' contributions are limited to \$15,000, plus an additional \$5,000 for employees age 50 and over, and also subject to the \$220,000 compensation limit. All officers and employees of CNB Bank, including those named in the Summary Compensation Table set forth herein, are eligible to participate in the Plan. The Bank makes matching contributions dollar-for-dollar of the participant's salary deferrals up to 3% of compensation and then a fifty-cents on the dollar matching contribution on salary deferrals from 3% to 5% of compensation in the form of Corporation stock. The Bank's total contribution to the savings plan was \$242,000 for the year. All participant's contributions, at the participant's election, are invested among several mutual fund options maintained by the Bank as Trustee during 2006. The Bank's contributions to the Savings Plan in 2006 for the accounts of the officers named in the Summary Compensation Table set forth herein is included as All Other Compensation.

Stock Incentive Plan

In 1999, the Corporation's Board of Directors adopted and the stockholders approved the 1999 Stock Incentive Plan. The purpose of the Plan is to advance the development, growth and financial condition of the Corporation by providing incentives through participation in the appreciation of the capital stock in order to secure, retain and motivate personnel responsible for the operation and management of the Corporation and its subsidiaries. On February 14, 2007, the Board of Directors, upon the recommendation of the Executive Compensation Committee, granted to key officers of the Bank restricted stock shares of the Corporation Common Stock for the performance of the Corporation related to 2006. The shares will vest equally over four years for officers and three years for non employee directors. Restricted shares granted for 2006 totaled 11,929. The plan calls for immediate vesting of all unvested grants as a change of control provision. The Stock Incentive Plan does not authorize the grant of stock appreciation rights.

Supplemental Executive Retirement Plan

The Bank has adopted a non-qualified supplemental executive retirement plan (SERP) for certain executives of the Bank to compensate those executive participants in the Bank's Pension Plan and Savings Plan whose benefits are limited by Section 415 of the Code (which places a limitation on annual benefits at \$175,000 in 2006) or Section 401 (a) (17) of the Code (which places a limitation on compensation at \$220,000). The SERP provides the designated executives with retirement benefits generally equal to the difference between the benefit that would be available under the Pension Plan and Savings Plan but for the limitations imposed by Code Sections 401 (a) (17) and 415 and that which is actually funded as a result of the limitations.

Pre-retirement survivor benefits are provided for designated beneficiaries of participants who do not survive until retirement in an amount equal to the lump sum actuarial equivalent of the participant's accrued benefit under the SERP. Pre-retirement benefits are payable in 20 equal annual installments. The SERP is considered an unfunded plan for tax and ERISA purposes. All obligations arising under the SERP are payable from the general assets of the Bank.

COMPENSATION OF DIRECTORS

Members of the Corporation's Board of Directors who are not employees of the Corporation or a subsidiary of the Corporation are paid a monthly retainer fee of \$550 and also \$300 for attendance at each Board meeting and \$300 for attendance at each committee meeting. The Chairperson is also paid a \$600 monthly retainer fee. Members of the Bank's Board of Directors who are not employees of the Corporation or a subsidiary of the Corporation are paid \$550 for attendance at each Board meeting and \$300 for attendance at each committee meeting. Committee Chairpersons were paid \$400 for each meeting attended. The chairpersons of the Executive Compensation and Audit Committees are paid a quarterly retainer of \$500. All Bank directors are paid a \$550 monthly retainer.

Fees are reviewed annually by the Executive Compensation/Personnel Committee for recommendation to the Board. Code of Ethics

The Board of Directors of the Corporation has approved a Code of Ethics for Officers and Directors. The Code of Ethics can be found at the Bank's website, www.bankcnb.com, under the "About Us" heading.

CERTAIN TRANSACTIONS

Peter F. Smith is general counsel for the Corporation and the Bank. During the last fiscal year, the Corporation paid Mr. Smith \$60,186 for legal services. Directors and officers of the Corporation and certain business organizations and individuals associated with them have been customers of and have had normal banking transactions with CNB Bank. All such transactions have been in the ordinary course of business, on terms substantially equivalent, including interest rates and collateral, to those which prevailed in similar transactions with unrelated persons and do not involve more than the normal risk of collectability or present other unfavorable features.

From time to time, the Corporation and the Bank purchase materials or services from directors or from companies with which directors are associated. Such transactions have been at prices and terms not less favorable to the Corporation than could have been obtained from other suppliers or service providers.

DIRECTORS AND EXECUTIVES DEFERRED COMPENSATION PLAN

In 1999, the Directors approved a Directors and Executive Deferred Compensation Plan. Annually, outside directors can elect the level of participation of their director compensation to be deferred up to 100%. Executive deferrals can be elected throughout the year up to 10% of base compensation and 100% of all bonuses. All deferred compensation will be a general liability of this Corporation and Bank, respectively. This is a phantom stock plan whereby any appreciation or depreciation in each participant's account value will reflect precisely CNB Financial Corporation common stock performance including cash dividends. Deferred compensation will serve as a funding source for a trust. Investments are expected to closely match the appreciated or depreciated liability. Any variance will be adjusted by an expense or gain to the Corporation or Bank. In addition to the tax advantages to the participants, they are each additionally incented toward the general performance of the Corporation's common stock. Accounting treatment for this plan is subject to the Financial Accounting Standards Board Statement #123.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on our records and other information, we believe that all of our directors and officers complied during 2006 with the reporting requirements of section 16(a) of the Securities Exchange Act of 1934.

Independent Auditors for the Year Ended December 31, 2006. The Corporation's independent auditor for the fiscal year ended December 31, 2006 was Crowe Chizek. The Audit Committee has selected Crowe Chizek to be the independent auditor for the fiscal year ending

December 31, 2007. Representatives of Crowe Chizek are expected to be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire, including comments on the financial statements of the Corporation.

Audit Fees. The following table sets forth the aggregate fees billed to CNB Financial Corporation for the fiscal years ended December 31, 2006 and December 31, 2005 by the Corporation's independent registered public accounting firm Crowe Chizek.

	December 31,	
	2006	2005
Audit Fees	\$ 198,300	\$ 191,900
Audit-Related Fees		
Tax Fees		
All Other Fees		
	\$ 198,300	\$ 191,900

Auditor Independence. The Audit Committee of the Board believes that the non-audit services provided by Crowe Chizek are compatible with maintaining the auditor's independence. None of the time devoted by Crowe Chizek on its engagement to audit the financial statements for the year ended December 31, 2006 is attributable to work performed by persons other than full-time, permanent employees of Crowe Chizek. The Audit Committee is responsible for approving any service provided by Crowe Chizek. The audit service represented 100% of total fees approved for Crowe Chizek.
