-

**Item 1.01 Entry into a Material Definitive Agreement.**

On August 24, 2007, Cortex Pharmaceuticals, Inc. (the Company ) entered into a placement agency agreement with JMP Securities LLC and Rodman & Renshaw, LLC (collectively, the Placement Agents ), pursuant to which the Placement Agents agreed to use their best efforts to arrange for the sale of 7,075,000 shares of the Company's common stock and warrants to purchase an additional 2,830,000 shares of the Company's common stock in a registered direct public offering. Assuming the sale of all of the shares of common stock and warrants in the offering, at the closing of the offering the Company will pay the Placement Agents a fee equal to approximately \$849,000 (6.0% of the gross proceeds from the sale of the securities) and reimburse the Placement Agents' expenses up to an aggregate of \$35,000. In addition, the Company has agreed to issue to the Placement Agents at the closing of the offering warrants to purchase up to an aggregate number of shares of common stock equal to two and one-half percent (2.5%) of the aggregate number of shares of common stock sold in the offering at an exercise price of \$3.96 per share.

On August 24, 2007, the Company and certain investors entered into individual subscription agreements, pursuant to which the Company agreed to sell an aggregate of 7,075,000 shares of its common stock and warrants to purchase an additional 2,830,000 shares of its common stock to such investors. The purchase price per share of common stock and warrant to purchase 0.40 shares of common stock is \$2.00. The warrants to purchase common stock have an exercise price of \$2.64 per share and will be exercisable in accordance with their terms at any time on or after February 29, 2008 and on or before the close of the Company's business on August 28, 2012. The net proceeds to the Company from the registered direct public offering, after deducting placement agent fees and its estimated offering expenses, and excluding the proceeds, if any, from the exercise of the warrants issued in the offering, are expected to be approximately \$13,155,853. The transaction is expected to close on August 29, 2007, subject to satisfaction of customary closing conditions, including the approval of the American Stock Exchange for the listing of the shares of common stock sold in the offering and the shares of common stock issuable upon exercise of the warrants sold in the offering.

The common stock and warrants to purchase common stock will be issued pursuant to a prospectus supplement filed with the Securities and Exchange Commission on August 24, 2007, in connection with a takedown from the Company's shelf registration statement on Form S-3 (File No. 333-138844), which became effective on November 30, 2006. A copy of the opinion of Stradling Yocca Carlson & Rauth relating to the legality of the issuance and sale of the shares of common stock and warrants in the offering is attached as Exhibit 5.1 hereto.

The foregoing summaries of the terms of the placement agency agreement, the subscription agreements and the warrants are subject to, and qualified in their entirety by, such documents attached hereto as Exhibits 1.1, 1.2 and 4.1, respectively, and are incorporated herein by reference. A copy of the press release announcing the registered direct public offering is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
