Item 8.01 Other Events

This amendment to the Current Report on Form 8-K of Fifth Third Bancorp filed with the SEC on June 18, 2008 at 7:21 AM to describe its plans to strengthen its capital position in light of continued deterioration in credit trends during the second quarter of 2008 is being filed solely for the purpose of modifying the reference to average loan growth in Exhibit 99.4. In the section of Exhibit 99.4 entitled Management Discussion of Trends Operating trends, the fourth sentence of the first paragraph is being modified as set forth below to make clear that the expected average loan growth of approximately 10 percent for the second quarter of 2008 reflects a comparison to the second quarter of 2007:

Average loans are expected to grow approximately 10 percent from the second quarter of 2007, with very strong growth in commercial balances partially offset by a slight decline in consumer loans, and average core deposits are expected to grow by approximately 3 percent.

Fifth Third Bancorp is filing Exhibit 99.4, as amended and attached hereto, in order to incorporate by reference such information into its filings made pursuant to the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended.
