**Sports Properties Acquisition Corp. Enters into Amendment to Framework Agreement**

NEW YORK, New York, January 7, 2010 Sports Properties Acquisition Corp. (NYSE Amex: HMR ) ( Sports Properties ), a public investment vehicle, announced today that Medallion Financial Corp. may purchase up to \$6 million of shares of common stock of Sports Properties pursuant to a Rule 10b5-1 purchase plan in the open market or pursuant to privately negotiated transactions with sophisticated investors prior to the date of the special meetings. Sports Properties previously announced that Medallion Financial Corp. entered into a Rule 10b5-1 purchase plan to purchase \$1 million of shares of Sports Properties common stock. Medallion Financial Corp. purchased 54,750 shares through the initial Rule 10b5-1 purchase plan.

Sports Properties also announced today that it has entered into an amendment to its previously announced Framework Agreement, dated as of November 18, 2009, between Sports Properties and Medallion Financial Corp., which sets forth the steps Sports Properties will take to continue its business as a corporation that acquires and actively manages transferable licenses that permit the operation of taxicabs in major metropolitan cities in the United States, or medallions, leases the medallions to fleet taxi operators, operates, on a selective basis, the taxicab fleets associated with those medallions and provides a range of services to and otherwise participates in the taxi industry under its proposed new name, Medallion Management, Inc. The amendment to the Framework Agreement revises two conditions to Sports Properties obligation to consummate the transactions contemplated by the Framework Agreement to reduce the amount that must be contained in Sports Properties trust account from \$100 million, after payment to stockholders who exercise conversion rights and payment to stockholders from whom Sports Properties purchases shares of common stock that it issued in its initial public offering ( IPO ), to \$50 million, after payment to stockholders who exercise conversion rights, payment to stockholders from whom Sports Properties purchases shares of common stock that it issued in its IPO ( IPO Shares ) and payment of expenses associated with the transactions contemplated by the Framework Agreement.

In connection with the amendment to the Framework Agreement, Sports Properties has filed a supplement to its definitive proxy statement dated December 31, 2009 relating to the special meetings of its stockholders and warrant holders that will take place at 10:00 a.m. Eastern time, on January 15, 2010 at the offices of Clifford Chance US LLP, 31 West 52<sup>nd</sup> Street, New York, New York. The supplement is available through the Securities and Exchange Commission s website at [www.sec.gov](http://www.sec.gov).

At the special meeting of stockholders, Sports Properties stockholders will be asked to approve (i) amendments to Sports Properties certificate of incorporation to provide that the consummation of substantially all of the transactions contemplated by the previously announced Framework Agreement will also constitute a Business Combination under the certificate of incorporation, (ii) amendments to Sports Properties certificate of incorporation to delete the provision that prohibits Sports Properties from consummating a Business Combination (as defined in Sports Properties certificate of incorporation) with any entity affiliated with any person who was a stockholder prior to Sports Properties initial public offering or its officers or directors, (iii) amendments to Sports Properties certificate of incorporation to increase the threshold regarding the maximum amount of the shares Sports Properties issued in its IPO ( IPO Shares ) that may both vote against a Business Combination and seek conversion prior to Sports Properties consummating a Business Combination from less than 30% to less than 50%, (iv) amendments to Sports Properties certificate of incorporation to remove the requirement that only holders of IPO Shares that vote against a Business Combination may convert their IPO Shares into cash, (v) the transactions contemplated by the Framework Agreement (and a related amendment to the agreement that governs Sports Properties trust account to allow for the release of funds from its trust account once the transactions contemplated by the Framework Agreement are consummated), (vi) amendments to Sports Properties certificate of incorporation to provide for its perpetual existence, (vii) amendments to Sports Properties certificate of incorporation which eliminate certain provisions applicable only to special purpose acquisition corporations and revise certain other provisions in anticipation of Sports Properties existence as an operating company and (viii) an equity incentive plan. At the special meeting of warrant holders, Sports Properties warrant holders will be asked to approve amendments to Sports Properties warrant to increase the exercise price and extend the term and, with respect to the warrants Sports Properties issued in its IPO, increase the call price and eliminate the cashless exercise feature.

### **Forward-looking statements**

This press release includes forward-looking statements within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Sports Properties' actual results may differ from its expectations, estimates and projections and, consequently, you should not rely on these forward looking statements as predictions of future events. Words such as expect, estimate, project, budget, forecast, anticipate, intend, plan, may, will, could, should, believes, predicts, potential, continue, and similar expressions are used in such forward-looking statements. These forward-looking statements include, without limitation, Sports Properties' expectations with respect to future performance, anticipated financial impacts of the proposed transactions, certificate of incorporation, the trust agreement amendments and warrant amendments and related transactions; approval of the proposed certificate of incorporation, trust agreement amendments, warrant amendments and related transactions by shareholders and warrant holders, as applicable; the satisfaction of the closing conditions to the proposed transactions, certificate of incorporation, the trust agreement amendment and warrant amendments and related transactions; and the timing of the completion of the proposed transactions, certificate of incorporation, trust agreement amendments, warrant amendments and related transactions.

These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside Sports Properties' control and difficult to predict. Factors that may cause such differences include, but are not limited to, the following: regulatory changes affecting the taxicab industry; the level of rental revenue Sports Properties achieves from its assets; the market value and the supply of, and demand for, taxicab medallions; the challenges that Sports Properties may face as a result of the current economic slow-down; the conditions in the local markets in which Sports Properties operate, as well as changes in national economic and market conditions; Sports Properties' ability to lease and acquire taxicab medallions; the level of revenue Sports Properties achieves from its fleet operations; Sports Properties' ability to enter into new leases or to renew leases with existing lessees of its taxicab medallions at favorable rates; the competitive landscape impacting the taxicab industry; Sports Properties' relationships with its lessees and their financial condition; Sports Properties' use of leverage as part of its financing strategy and its ability to make payments or to comply with any covenants under any borrowings or other debt facilities Sports Properties obtains; the growth or continuing importance of taxicabs located in the major metropolitan areas in which Sports Properties invests; the level of Sports Properties' operating expenses, including amounts it is required to pay to its management team; Sports Properties' net realized gain or loss on the sale or other disposition of taxicab medallions; and changes in interest rates that could impact the market price of Sports Properties' common stock and the cost of its borrowings. Other factors include the possibility that the transactions contemplated by the Framework Agreement do not close, including due to the failure to receive required stockholder and warrant holder approvals, or the failure to meet other closing conditions.

Sports Properties cautions that the foregoing list of factors is not exclusive. Additional information concerning these and other risk factors is contained in Sports Properties' most recent filings with the Securities and Exchange Commission (SEC). All subsequent written and oral forward-looking statements concerning Sports Properties, the Framework Agreement, the related transactions or other matters and attributable to Sports Properties or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. Sports Properties cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Sports Properties does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.
