Item 8.01. Other Events.

On February 4, 2009, State Street Corporation (State Street) announced that it has entered into settlements with the Securities and Exchange Commission (the SEC), the Massachusetts Attorney General and the Massachusetts Securities Division of the Office of the Secretary of State to resolve their investigations into losses incurred by and disclosures made around certain active fixed-income strategies managed by State Street Global Advisors during 2007 and earlier periods. In reaching these settlements, State Street has not admitted or denied the allegations made by the regulators.

Under the terms of the agreement with the SEC, State Street has agreed to establish a \$313 million fair fund, which includes a fine of \$50 million and disgorgement of advisory fees and interest of approximately \$8 million. Combined with the approximately \$350 million in prior client settlements, the total compensation to investors will be approximately \$663 million. Under the settlements with the Commonwealth of Massachusetts, State Street has agreed to pay \$10 million to each of the Massachusetts Secretary of State and the Massachusetts Attorney General. State Street's previously established legal reserve will fully cover the cost of the settlements.
