1. To elect the four directors named in the proxy statement, each to serve until the 2013 Annual Meeting of Stockholders and until his successor is elected and qualified, or until such director's earlier death, resignation or removal;
2. To approve amendments to our 2002 Stock Incentive Plan to increase the number of shares of our common stock subject to the 2002 Stock Incentive Plan from 9,750,000 shares to 12,750,000 shares, extend the term of the Plan and remove the ability to reprice stock options;
3. To ratify the Audit Committee's appointment of Ernst & Young LLP as the independent auditors for the Company and all of its subsidiaries for 2010; and
4. To consider and transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Stockholders of record at the close of business on March 23, 2010, the record date fixed by the Board of Directors, are entitled to notice of and to vote at the Annual Meeting. A complete list of these stockholders will be available for inspection ten days prior to the Annual Meeting at the Company's executive offices, located at 3131 Las Vegas Boulevard South, Las Vegas, Nevada 89109. On or about April 1, 2010, we mailed to our stockholders a notice containing instructions on how to access the proxy statement for our 2010 Annual Meeting and our 2009 annual report and vote online. The notice also contains instructions on how you can receive a paper copy of your annual meeting materials, including the notice of annual meeting, proxy statement and proxy card, should you wish.

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

All stockholders are cordially invited to attend the Annual Meeting in person. Stockholders of record as of the record date will be admitted to the Annual Meeting upon presentation of identification. Stockholders who own shares of the Company's common stock beneficially through a bank, broker or other nominee will be admitted to the Annual Meeting upon presentation of identification and proof of ownership or a valid proxy signed by the record holder. A recent brokerage statement or a letter from a bank or broker are examples of proof of ownership. Any other persons will be admitted at the discretion of the Company, as seating is limited.

Whether or not you plan to attend the Annual Meeting, you are encouraged to read the proxy statement and then cast your vote as promptly as possible in accordance with the instructions in the notice you received. Even if you have given your proxy, you may still vote in person if you attend the Annual Meeting and, by voting in person, change or revoke your previously delivered proxy. Please note, however, that if your shares are held of record by a broker, bank or other nominee, and you wish to vote at the meeting, you must obtain from the record holder a proxy issued in your name.

This is the first year that brokers are not permitted to vote on the election of directors without instructions from the beneficial owner. Therefore, if your shares are held in the name of your broker, bank or other nominee, your vote is especially important this year. Unless you vote your shares, your shares will not be voted in the election of directors.

PROXY STATEMENT

General Information

This proxy statement is furnished to stockholders in connection with the solicitation of proxies by the Board of Directors of Wynn Resorts, Limited (Wynn Resorts, we or the Company), for use at the Company's Annual Meeting of Stockholders on May 12, 2010 (the Annual Meeting) to be held in the Encore Theater at Wynn Las Vegas, 3131 Las Vegas Boulevard South, Las Vegas, Nevada, at 11 a.m. (local time) and at any adjournment or postponement of that meeting. Matters to be considered and acted upon at the Annual Meeting are set forth in the Notice of Annual Meeting of Stockholders accompanying this proxy statement and are more fully outlined herein. Under rules adopted by the U.S. Securities and Exchange Commission (the SEC), we are furnishing proxy materials to our stockholders via the internet, instead of mailing printed copies of those materials to each stockholder. On or about April 1, 2010, we mailed to our stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials, including our proxy statement and our annual report. The Notice of Internet Availability also instructs you as to how you may access your proxy card to vote through the internet or telephonically. This electronic access process is designed to expedite stockholders' receipt of proxy materials, lower the costs of our annual meeting and help to conserve natural resources. However, if you would prefer to receive a printed copy of our proxy materials, and a paper proxy card, please follow the instructions included in the Notice of Internet Availability. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

The Board of Directors believes that the election of the director nominees named herein, the amendment to the 2002 Stock Incentive Plan and ratification of Ernst & Young LLP are in the best interests of the Company and its stockholders and recommends a vote **FOR** each of these matters.

Revocability of Proxies

Any stockholder giving a proxy may revoke it at any time prior to its exercise at the Annual Meeting by sending a written or other transmission revoking it, or by executing and delivering another proxy bearing a later date, to the Secretary of the Company at the Company's Executive Offices located at 3131 Las Vegas Boulevard South, Las Vegas, Nevada 89109. Please note, however, that if your shares are held of record by a broker, bank or other nominee, you must contact that person if you wish to revoke previously given voting instructions. Attendance at the Annual Meeting in and of itself does not revoke a prior proxy.

Voting and Solicitation

Shares represented by duly executed and unrevoked proxies will be voted at the Annual Meeting in accordance with the specifications made therein by the stockholders. If no specification is made, shares represented by duly executed and unrevoked proxies will be voted **FOR** the election as directors of the nominees listed herein, **FOR** the approval of amendments to our 2002 Stock Incentive Plan to add additional shares, extend the term and remove the ability to reprice stock options, **FOR** the ratification of Ernst & Young LLP as the Company's independent auditors, and in the discretion of the persons voting the respective proxies with respect to any other matter that may properly come before the Annual Meeting.

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

The cost of preparing, assembling and mailing proxy materials will be borne by the Company. Directors, executive officers and other employees may also solicit proxies by mail, telephone, electronic communication or

Table of Contents

in person, but will not receive any special compensation. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending proxy materials to beneficial owners.

At the close of business on March 23, 2010, the record date for determining stockholders entitled to vote at the Annual Meeting, 123,311,373 shares of the Company's common stock, \$.01 par value, were outstanding. Each stockholder is entitled to one vote for each share of common stock held of record on that date on all matters presented at the Annual Meeting. A plurality of the votes cast in person or by proxy at the Annual Meeting is required for the election of the director nominees. Under Nevada law, shares as to which a stockholder withholds voting authority in the election of directors and broker non-votes will not be counted as voting thereon and therefore will not affect the election of the nominees receiving a plurality of the votes cast. However, those shares will be counted for purposes of determining whether there is a quorum. A broker non-vote occurs when a bank, broker or other nominee does not have authority to vote on a particular item without instructions from the beneficial owner and has not received instructions. For each other item to be acted upon at the Annual Meeting, the item will be approved if the number of votes cast in favor of the item by the stockholders entitled to vote exceeds the number of votes cast in opposition to the item. Abstentions and broker non-votes will not be counted as voting on an item and therefore will not affect the outcome of these proposals, although they are counted for purposes of determining whether there is a quorum.

PROPOSAL NO. 2

AMENDMENT TO 2002 STOCK INCENTIVE PLAN

The Company's stockholders are being asked to approve amendments to the Company's 2002 Stock Incentive Plan, as amended (the "2002 Plan") to (i) increase the maximum number of shares of the Company's common stock authorized for issuance over the term of the 2002 Plan by 3,000,000 shares from 9,750,000 shares to 12,750,000 shares; (ii) to extend the term of the plan to 2022; and (iii) to remove section 4(b)(xi) of the plan document which provides the ability to repriced stock options. This section, which would allow the Plan Administrator to reduce the exercise price of an option to the fair market value at the time of the reduction, if the fair market value of the common stock covered by the option had declined since the date it was granted, will be amended to state that the Plan Administrator will not allow such options to be repriced absent stockholder approval.

The 2002 Plan was originally adopted by the Company's board of directors in September, 2002. The amendments to the 2002 Plan described under this Proposal No. 2 were adopted by the Company's board of directors on February 26, 2010, subject to stockholder approval.

As of March 1, 2010, there were only 289,545 shares remaining available for option grants and other awards under the 2002 Plan. The Company's board of directors believes that it is necessary to increase the number of shares available for issuance under the 2002 Plan to enable the Company to continue using equity incentives to attract and retain highly qualified individuals who, by virtue of their ability and qualifications, make important contributions to the Company and that these amendments to the 2002 Plan are in the best interest of the Company. As of March 23, 2010, the fair market value of a share of the Company's common stock was \$76.33, measured as the closing sale price of the Company's common stock on that date as reported by NASDAQ Global Select Market.

Summary of 2002 Plan

The principal terms of the 2002 Plan, as proposed to be amended, are summarized below. This summary does not purport to be complete, and is subject to, and qualified by reference to, all provisions of the 2002 Plan, as proposed to be amended, a copy of which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Any capitalized term not defined in this summary shall have the same meaning given to it in the 2002 Plan.

Purpose. The purposes of the 2002 Plan are to (a) attract and retain the best available personnel for positions of substantial responsibility; (b) provide additional incentive to selected key employees, consultants and directors; and (c) promote the success of the Company's business.

Administration. The 2002 Plan is administered by the Compensation Committee. Subject to the express provisions of the 2002 Plan, the Plan Administrator has broad authority to designate recipients of awards, determine the terms and provisions of awards (including the price, expiration date, vesting schedule and terms of exercise), approve forms of award agreements, accelerate the vesting or exercisability of awards, construe and interpret the terms of the 2002 Plan, prescribe, amend and rescind rules and regulations relating to the 2002 Plan and make all other determinations it considers necessary or advisable for administering the 2002 Plan. All decisions, determinations and interpretations by the Compensation Committee regarding the 2002 Plan will be final and binding on all award holders.

Participants. Any person who is an employee, consultant or director of the Company or of any parent or subsidiary will be eligible for selection by the Plan Administrator for the grant of awards under the 2002 Plan. Options intended to qualify as incentive stock options ("ISOs") within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code") only may be granted to employees of the Company or certain subsidiaries. Although all of our 12,500 employees and 7 non-employee directors currently qualify to participate in the 2002 Plan, in practice fewer than 250 employees have received stock awards.

Table of Contents

Shares Subject to the 2002 Plan and to Awards. The 2002 Plan currently authorizes the issuance of awards of up to 9,750,000 shares of the Company's common stock, of which 289,545 shares remained available for issuance as of March 23, 2010. Of the 9,750,000 shares from the 2002 Plan, 6,265,593 shares have been issued and were outstanding (unexercised or unvested) as of March 23, 2010. The amendment to the 2002 Plan will increase the aggregate number of shares available for issuance under the 2002 Plan by 3,000,000 shares to a total of 12,750,000 shares. The following shares will become available for future grant under the 2002 Plan: (a) shares subject to options that expire or become unexercisable without being exercised in full; (b) shares surrendered pursuant to any option exchange program (which, as amended, would be subject to stockholder approval); and (c) shares subject to stock awards that are cancelled or surrendered or expire without being received in full. Shares repurchased by the Company that were issued pursuant to the exercise of an option or grant of a stock award will not be available for future grant under the 2002 Plan. The shares issued pursuant to awards granted under the 2002 Plan may be shares that are authorized and unissued or issued shares that were reacquired by the Company. Subject to certain adjustments, the aggregate number of shares subject to options granted under the 2002 Plan during any fiscal year to any one participant will not exceed 1,500,000.

Option Awards. Subject to the terms of the 2002 Plan, the Plan Administrator is authorized to make awards of stock options (both ISOs and options that are not intended to qualify as ISOs, nonqualified stock options (NQSOs)) on such terms and conditions as the Plan Administrator determines. The Plan Administrator will establish the exercise price per share under each option, which, in the case of ISOs or NQSOs intended to qualify as performance-based compensation under Section 162(m) of the Code, will not be less than the fair market value (or 110% of the fair market value in the case of ISOs granted to employees who, at the time the ISO is granted, own stock representing more than 10% of the voting power of all classes of capital stock of the Company or any parent or subsidiary of the Company) of a share on the date the option is granted. The Plan Administrator will establish the term of each option, which in no case may exceed a period of ten (10) years from the date of grant (or five (5) years in the case of ISOs granted to employees who, at the time the ISO is granted, own stock representing more than 10% of the voting power of all classes of capital stock of the Company or any parent or subsidiary of the Company). The Plan Administrator will determine any conditions that must be satisfied before the option may be exercised. The Plan Administrator will determine the acceptable form of consideration for exercising an option, which may consist of cash, a promissory note, shares of the Company's common stock, proceeds from the sale of shares underlying the options and any other method of payment permitted by applicable laws.

Unless the Plan Administrator determines otherwise: (a) upon termination of employment other than due to death, disability or termination for cause, participants may continue to exercise their options for ninety (90) days (or until the expiration date of the option, if earlier) to the extent that they were exercisable upon the date of termination; (b) upon death or disability, participants (or their estates or beneficiaries in the case of death) may continue to exercise their options for twelve (12) months (or until the expiration date of the option, if earlier) to the extent that they were exercisable upon the date of such event; and (c) upon termination of employment for cause, all options (including any vested options) will be forfeited.

As proposed to be amended, the 2002 Plan does not permit the Plan Administrator to reduce the exercise price of an option to the fair market value at the time of the reduction if the fair market value of the common stock covered by the option has declined since the date it was granted.

Stock Awards. Subject to the terms of the 2002 Plan, the Plan Administrator is authorized to grant stock awards on such terms and conditions and subject to such restrictions, if any, as the Plan Administrator determines. The Plan Administrator may impose restrictions on stock awards and may waive the restricted period and any other terms, conditions or restrictions on the award. Unless otherwise determined by the Plan Administrator, participants holding stock awards granted under the 2002 Plan may exercise full voting rights with respect to shares underlying the stock awards during the period of restriction, and shares underlying stock awards will be entitled to receive all dividends paid with respect to those shares; provided, however, that dividends or distributions paid with respect to any unvested shares will be subject to forfeiture until the underlying shares have vested.

Amendment and Termination. The Board of Directors may amend, alter, suspend or terminate the 2002 Plan, except that the Company will obtain stockholder approval for any amendment that increases the maximum number of shares for which awards may be granted under the 2002 Plan or to the extent necessary and desirable to comply with Section 422 of the Code, NASDAQ requirements, or other applicable laws. In addition, no amendment, alteration, suspension or termination of the 2002 Plan may impair the rights of holders of outstanding awards without their consent.

Corporate Transaction. Upon a merger, reorganization or sale of substantially all of the Company's assets, the Plan Administrator may, in its discretion, do one or more of the following: (a) shorten the period during which options are exercisable (provided they remain exercisable for at least thirty (30) days following the date notice of such shortening is given to the participants); (b) accelerate the vesting schedule to which outstanding awards are subject; (c) arrange to have the surviving or successor entity or any parent entity thereof assume outstanding stock awards and options or grant replacement options with appropriate adjustments in the terms thereof; or (d) cancel outstanding awards upon payment to the participants in cash with respect to each award to the extent then exercisable or vested (including, if applicable, awards as to which the vesting schedule has been accelerated) in an amount equivalent to the excess of the then fair market value of the common stock over the exercise price of the option and, with respect to each vested stock award, the then fair market value of the stock subject to the award. Upon the Company's dissolution or liquidation, unexercised options and unvested stock awards will terminate immediately prior such event; provided, however, that the Plan Administrator may, in its discretion, accelerate the vesting of outstanding awards prior to such termination and give participants the right to exercise their options.

Adjustments. If the outstanding shares of the Company's common stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company or a successor, or for other property, through a reorganization, recapitalization, reclassification, stock combination, stock dividend, stock split, reverse stock split, spin off or other similar transaction, the Plan Administrator will make an appropriate and proportional adjustment in the: (a) maximum number and kind of shares as to which options and stock awards may be granted under the 2002 Plan; and (b) number and kind of shares subject to outstanding awards under the 2002 Plan.

Transferability. Unless the Plan Administrator determines otherwise, options may not be sold, transferred, pledged, assigned, hypothecated, transferred or otherwise disposed of by a participant other than by will or the laws of descent and distribution, and may be exercisable only by the participant during his or her lifetime. To the extent permitted by the Plan Administrator, NQSOs may be assigned pursuant to a qualified domestic relations order or to certain family members.

No Right to Company Employment. Nothing in the 2002 Plan or an award agreement will interfere with or limit in any way the right of the Company to terminate any participant's employment, service on the Board or service for the Company at any time with or without cause, nor will the 2002 Plan or an award itself confer upon any participant any right to continue his or her employment or service with the Company.

Compliance with Law. The issuance of shares pursuant to an award under the 2002 Plan will be subject to compliance with all applicable laws and approval by the Company's counsel with respect to such compliance. The Company may such impose restrictions on shares issued pursuant to awards under the 2002 Plan and request the participant to provide such assurance and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable laws.

Effective Date and Termination of the 2002 Plan. The 2002 Plan was adopted by the Board of Directors on September 10, 2002. As amended, the 2002 Plan will continue in effect for 20 years following such date, unless terminated earlier in accordance with its terms.

Federal Income Tax Treatment

The following tax discussion is a general summary as of the date of this proxy statement of the U.S. federal income tax consequences to the Company and the participants in the 2002 Plan. The discussion is intended solely for general information and does not make specific representations to any participant. The discussion does not address state, local or foreign income tax rules or other U.S. tax provisions, such as estate or gift taxes. A recipient's particular situation may be such that some variation of the basic rules is applicable to him or her. In addition, the federal income tax laws and regulations frequently have been revised and may be changed again at any time. Therefore, each recipient is urged to consult a tax advisor before exercising any award or before disposing of any shares acquired under the plan both with respect to federal income tax consequences as well as any foreign, state or local tax consequences.

Stock Options. ISOs and NQSOs are treated differently for federal income tax purposes. ISOs are intended to comply with the requirements of Section 422 of the Code. NQSOs do not comply with such requirements.

An optionee is not taxed on the grant or exercise of an ISO. The difference between the exercise price and the fair market value of the shares on the exercise date will, however, be a preference item for purposes of the alternative minimum tax. If an optionee holds the shares acquired upon exercise of an ISO until the later of two years following the option grant date and one year following exercise, the optionee's gain, if any, upon a subsequent disposition of such shares is long term capital gain. The measure of the gain is the difference between the proceeds received on disposition and the optionee's basis in the shares (which generally equals the exercise price). If an optionee disposes of stock acquired pursuant to exercise of an ISO before satisfying these holding periods, the optionee will recognize ordinary income in the year of disposition an amount equal to the excess of the fair market value of the shares at the time of exercise (or, if less, the amount realized on the disposition of the shares), over the exercise price paid for the shares, and capital gain or loss for any other difference between the sale price and the exercise price. The Company is not entitled to an income tax deduction on the grant or exercise of an ISO or on the optionee's disposition of the shares after satisfying the holding period requirement described above. If the holding periods are not satisfied, the Company will be entitled to a deduction in the year the optionee disposes of the shares in an amount equal to the ordinary income recognized by the optionee.

In order for an option to qualify for ISO tax treatment, the grant of the option must satisfy various other conditions more fully described in the Code. The Company does not guarantee that any option will qualify for ISO tax treatment even if the option is intended to qualify for such treatment. In the event an option intended to be an ISO fails to so qualify, it will be taxed as an NQSO, as described below.

An optionee is not taxed on the grant of an NQSO. On exercise, the optionee recognizes ordinary income equal to the difference between the exercise price and the fair market value of the shares acquired on the date of exercise. The Company is entitled to an income tax deduction in the year of exercise in the amount recognized by the optionee as ordinary income. The optionee's gain (or loss) on subsequent disposition of the shares is long-term capital gain (or loss) if the shares are held for at least one year following exercise, and otherwise is short-term capital gain (or loss). The Company does not receive a deduction for any such capital gain.

Stock Awards. Grantees of unvested stock awards generally do not recognize income at the time of the grant. When the award vests or is paid, grantees generally recognize ordinary income in an amount equal to the fair market value of the stock or units at such time, and the Company will receive a corresponding deduction. Dividends (if any) paid with respect to unvested stock awards generally will be taxable as ordinary income to the participant at the time the dividends are received. Grantees of vested stock awards generally are required to recognize ordinary income at the time of grant in an amount equal to the excess of the fair market value of the shares on the date the shares are granted over the purchase price (if any) paid for the shares.

Company Deduction and Section 162(m). In all the foregoing cases, the Company will be generally entitled to a deduction at the same time and in the same amount as the participant recognizes ordinary income,

Table of Contents

subject to certain limitations. Among these limitations is Section 162(m) of the Code. Certain performance-based compensation is not subject to the Section 162(m) limitation on deductibility. Stock options and stock awards can qualify for this performance-based exception if they meet the requirements set forth in Section 162(m) and the Treasury Regulations promulgated thereunder. The 2002 Plan has been drafted to allow, but not require, compliance with those performance-based criteria for stock options, but not for stock awards.

New Plan Benefits

The benefits that will be awarded or paid under the 2002 Plan are not currently determinable. Awards granted under the 2002 Plan are within the discretion of the Compensation Committee, and the Compensation Committee has not determined future awards or who might receive them.

Table of Contents**PROPOSAL NO. 3****RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS**

The Audit Committee of the Board of Directors has selected Ernst & Young LLP, a registered public accounting firm, as our independent public accountants to examine and report to our stockholders on the consolidated financial statements of our Company and its subsidiaries for the year 2010. Representatives of Ernst & Young LLP will be present at the Annual Meeting and will be given an opportunity to make a statement. They also will be available to respond to appropriate questions.

As a matter of good corporate governance, the Audit Committee has determined to submit its selection of Ernst & Young LLP as the Company's independent public accountants, although this is not required under Nevada law or under the Company's Articles or By-Laws. If the stockholders do not ratify the selection of Ernst & Young LLP as the Company's independent auditors for 2010, the Audit Committee will evaluate what would be in the best interests of the Company and its stockholders and consider whether to select new independent auditors for the current year or whether to wait until the completion of the audit for the current year before changing independent auditors. Even if the stockholders ratify the selection of Ernst & Young LLP, the Audit Committee, in its discretion, may direct the appointment of a different independent public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The following table shows the fees paid or accrued by the Company for audit and other services provided by Ernst & Young LLP, the Company's independent auditor during each of the fiscal years ended December 31, 2009 and December 31, 2008:

Category	Aggregate Fees

Audit fees	\$ 1,966,022	\$ 1,442,067
Audit-related fees	20,203	20,000
Tax fees	10,170	105,810
All other fees		

Audit fees includes the aggregate fees billed for professional services rendered for the reviews of our consolidated financial statements for the quarterly periods ended March 31, June 30, and September 30, for the audit of our consolidated financial statements and the consolidated financial statements of certain of our subsidiaries for the years ended December 31, 2009 and 2008, and the audit of our internal controls over financial reporting as of December 31, 2009 and 2008. Audit fees also includes amounts billed for services provided in connection with securities offerings during 2009 and 2008 and the initial public offering on the Stock Exchange of Hong Kong Limited of shares of our subsidiary Wynn Macau Limited. Audit related fees is the aggregate fees billed for audits of the Company's defined contribution employee benefit plan. Tax fees for 2009 and 2008 includes fees for tax preparation and compliance, international tax research, planning for the Company's foreign subsidiaries, domestic tax planning and other research.

All of our independent auditor's fees were pre-approved by the Audit Committee in 2009. The Audit Committee pre-approves services either by: (1) approving a request from management describing a specific project at a specific fee or rate, or (2) by pre-approving certain types of services that would comprise the fees within each of the above categories at usual and customary rates.

This proposal will be approved if the number of votes cast in favor of the proposal by stockholders entitled to vote exceeds the number of votes cast in opposition to the proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR 2010.

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

CORPORATE GOVERNANCE

The Board of Directors has adopted Corporate Governance Guidelines that provide a framework for the governance of the Company. The Nominating and Corporate Governance Committee reviews the Guidelines annually and recommends changes as appropriate to the Board of Directors for approval. The Board of Directors has also adopted written charters for its three standing committees (Audit, Compensation, and Nominating and Corporate Governance), as well as a Code of Business Conduct and Ethics applicable to all directors, officers and employees and a Code of Ethics for the Chief Executive Officer, President and Senior Financial Officers. The Corporate Governance Guidelines, committee charters and codes of ethics are available under the heading Corporate Governance on the Company Information page of the Company's website at <http://www.wynnresorts.com>.

Director Independence

Seven of the eleven members of the Company's Board of Directors are independent under the listing standards of The NASDAQ Stock Market LLC (NASDAQ). In addition, the Company's Corporate Governance Guidelines require all independent directors to meet additional, heightened independence criteria that apply to audit committee members under the NASDAQ listing standards.

The Board of Directors has determined that the following directors are independent under the NASDAQ listing standards and that they also meet the additional, heightened independence criteria applicable to audit committee members under the NASDAQ listing standards: Messrs. Goldsmith, Irani, Miller, Moran, Shoemaker, Wayson and Zeman. Based upon information requested from each director concerning his or her background, employment and affiliations, the Board of Directors has affirmatively determined that none of the independent directors has a material relationship with the Company. In assessing independence, the Board of Directors considered all relevant facts and circumstances, including any direct or indirect relationship between the Company and the director or his or her immediate family member. None of the independent directors has any economic relationship with the Company other than receipt of his director's compensation. Additionally, all related party transactions are considered under the Company's related party policy (described in additional detail below). None of the independent directors is engaged in any related party transaction with the Company. Mr. Wynn, Mr. Okada, Elaine P. Wynn and Ms. Chen have been determined not to be independent.

Meetings of the Board of Directors

The Board of Directors met seven times during 2009. During 2009, none of the members of the Board of Directors attended fewer than 75% of the total number of meetings of the Board of Directors and meetings of the committees on which they served, except for Mr. Okada and Elaine P. Wynn. Both Mr. Okada and Elaine P. Wynn missed telephonic meetings that were called upon relatively short notice. In addition, the independent directors met in executive session, without management present, at each regular meeting of the Board of Directors. Robert Miller acts as the Presiding Director and communicates necessary matters from the executive sessions to management.

Table of Contents**Committees**

The Board of Directors currently has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. Each of these committees consists entirely of directors whom the Board of Directors has determined to be independent under the NASDAQ listing standards for audit committee members. The current membership and functions of each of the Board of Directors' committees are listed below.

The Gaming Compliance Committee is a committee comprised of Mr. Miller, Mr. Schorr and Mr. Strzemp, and its purpose is to assist the Company in maintaining the highest level of regulatory compliance. In addition, Mr. Miller serves as the Company's Compliance Director.

The Audit Committee

The Board of Directors, after review of each individual's employment experience and other relevant factors, has determined that Messrs. Shoemaker, Goldsmith, Moran, Wayson and Zeman are qualified as audit committee financial experts within the meaning of SEC regulations.

At each of its regular meetings, the Audit Committee meets with the Company's independent auditors, internal audit staff, management and legal counsel to discuss accounting principles, financial and accounting controls, the scope of the annual audit, internal controls, regulatory compliance and other matters. In addition to responsibilities discussed elsewhere in this proxy statement, the functions of the Audit Committee also include the following:

reviewing the Company's executive compensation plans in light of the Company's goals and objectives with respect to such plans and, as appropriate, recommending that the Board adopt new plans or amend the existing plans;

annually evaluating the performance of the Chief Executive Officer of the Company, overseeing the evaluation of performance of the other officers of the Company and its operating subsidiaries, and setting compensation for the Chief Executive Officer, other named executive officers, and other members of our most senior management;

reviewing and approving equity awards and supervising administrative functions pursuant to the Company's equity plans;

reviewing and recommending to the full Board the type and amount of compensation for Board and Committee service by non-management members of the Board.

In 2009, the Compensation Committee engaged Towers Perrin, an independent compensation consultant, to advise it with respect to compensation for its senior management and to evaluate benefit levels. Towers Perrin did not provide services to the Company other than with respect to advice and recommendations on executive compensation.

In early 2010, the Committee completed a review of the Company's compensation policies and practices and determined, under the guidelines recently issued by the SEC, that such policies and practices are not reasonably likely to have a material adverse effect on the Company.

The functions of the Nominating and Corporate Governance Committee include the following:

identifying and recommending to the Board of Directors individuals qualified to serve as directors of the Company;

Nominating Process. The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. To have a candidate considered by the Nominating and Corporate Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company, and the person's consent to be named as a director if selected by the Nominating and Corporate Governance Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be sent to the Corporate Secretary at 3131 Las Vegas Boulevard South, Las Vegas, Nevada 89109 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the Company's most recent Annual Meeting of Stockholders.

The Nominating and Corporate Governance Committee seeks to have the Board of Directors represent a diversity of backgrounds and experience and assesses potential nominees in light of the Board's current size and composition. The Nominating and Corporate Governance Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Directors' oversight of the business and affairs of the Company and have a reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating and Corporate Governance Committee examines a candidate's other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Corporate Governance Committee implements its policy with regards to considering diversity by annually reviewing with the Board the Board's composition as a whole and recommending, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, depth and diversity of experience, and skills and expertise required for the Board as a whole. The Committee assesses the effectiveness of this policy by periodically reviewing the Board membership criteria with the Board. This assessment enables the Board to update the skills and experience it seeks in the Board as a whole, and in individual directors, as the Company's needs evolve and change over time.

The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons meeting the criteria described above who might be available to serve on the Board of Directors. As described above, the Committee will also consider candidates recommended by stockholders.

If the Nominating and Corporate Governance Committee determines to pursue consideration of a person who has been identified as a potential candidate, the Committee may take any or all of the following steps: collect and review publicly available information regarding the person, contact the person and request information from the candidate, conduct one or more interviews with the candidate, and contact one or more references provided by the candidate or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process takes into account the person's accomplishments and qualifications, including in comparison to any other candidates that the Committee might be considering, and does not vary based on whether or not a candidate is recommended by a stockholder.

Board Leadership

Mr. Wynn, the Company's founder, serves as the Chairman and Chief Executive Officer of the Company. The Board of Directors has determined that the combination of these roles held singularly by Mr. Wynn is in the

Table of Contents

best interest of all stockholders. The Board believes that the issue of whether to combine or separate the offices of Chairman of the Board and Chief Executive Officer is part of the succession planning process and that it is in the best interests of the Company for the Board to make a determination whether to combine or separate the roles based upon the circumstances. The Board has given careful consideration to separating the roles of Chairman and Chief Executive Officer and has determined that the Company and its stockholders are best served by the current structure. Mr. Wynn's combined role promotes unified leadership and direction for the Board and executive management and allows for a single, clear focus for the Company's operational and strategic efforts.

The combined role of Mr. Wynn as both Chairman and Chief Executive Officer is balanced by the Company's governance structure, policies and controls. Seven of the eleven members of our Board of Directors satisfy the most stringent requirements of independence promulgated by the NASDAQ for audit committee members, and the Audit, Compensation, and Nominating and Corporate Governance Committees are composed entirely of independent members of the Board. This structure encourages independent and effective oversight of the Company's operations and prudent management of risk. In addition, the Company is subject to stringent regulatory requirements and oversight, combining these internal controls with third party monitoring of the Company's operations.

The independent members of the Company's Board of Directors meet separately in executive session at each regular meeting of the Board and also meet separately in executive session with each of the Company's auditors, Vice President of Internal Audit, Chief Financial Officer and General Counsel. The independent members of the Board have designated a presiding director for such sessions who is responsible for communicating to the Chief Executive Officer and senior management all concerns that arise during executive session. Governor Miller currently serves as the presiding director.

In addition, all Committee agendas and all agendas for meetings of the Board of Directors are provided in advance to all independent members of the Board. The members are encouraged to review the proposed agenda items and to add additional items of concern or interest. Members of the Board of Directors also have unimpeded access to Company management,

Mr. Wynn's compensation is established and reviewed by the entirely independent Compensation Committee of the Board. During 2009, the Committee engaged the services of an independent third party compensation consultant in its evaluation of the level of compensation and benefits of employment provided to Mr. Wynn.

Risk Oversight

The Board of Directors has an active role in overseeing and monitoring the Company's areas of risk. While the full Board has overall responsibility for risk oversight, the Board has assigned certain areas of risk primarily to designated Committees, which report back to the full Board. The Board regularly reviews information regarding the Company's risks relating to political, regulatory, construction, operations, succession planning, catastrophic events and general financial conditions. The Audit Committee is primarily responsible for the oversight of credit, related party, construction and general financial risks. The Compliance Committee primarily oversees risks relating to regulatory, security and political compliance. As discussed above, the Compensation Committee is primarily responsible for monitoring risks relating to the Company's compensation policies and practices to determine whether they create risks that may have a material adverse effect on the Company.

The Board, in consultation with management and the Company's outside auditors, has identified specific areas of risk including: regulatory compliance, legislative and political conditions, capital availability, liquidity and general financial conditions, gaming credit extension and collection, construction, catastrophic events and succession planning. The Board (as a whole and through Committees) and management have agreed upon a rubric and processes for management to identify, manage and mitigate these risks.

Table of Contents

Throughout the year, the Board and the relevant Committees receive reports from management that include information regarding major risks and exposures facing the Company and the steps management has taken to monitor and control such risks and exposures. In addition, throughout the year, the Board and the relevant Committees dedicate a portion of their meetings to review and discuss specific risk topics in greater detail.

Stockholders Communications with Directors

The Board of Directors has established a process to receive communications from stockholders. This process is described under "Corporate Governance" on the Company Information page of the Company's website at <http://www.wynnresorts.com>. Stockholders may contact any member of the Board of Directors, any committee of the Board of Directors, or one or more members of the Board of Directors by mail. Correspondence should be addressed to the appropriate individual by either name or title. All such correspondence should be sent c/o Corporate Secretary at 3131 Las Vegas Boulevard South, Las Vegas, Nevada 89109.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the purpose of assessing the nature of the communications. With the exception of advertising, promotions of a product or service, and patently offensive material, communications will be forwarded promptly to the addressee. In the case of communications addressed to more than one director, the General Counsel's office will make sufficient copies of the contents to send to each addressee.

Stockholder Meetings

It is Company policy that each of our directors is invited and encouraged to attend the Annual Meeting. All of our directors, except for Mr. Okada, attended the 2009 Annual Meeting.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are appointed by the Board of Directors each year. The members of the Compensation Committee serving in 2009, Messrs. Irani, Moran, Shoemaker and Wayson, were appointed on May 5, 2009. Mr. Goldsmith was appointed by the Board of Directors to serve on the Compensation Committee on July 31, 2009. No member of the Compensation Committee is, or was formerly, one of our officers or employees. No interlocking relationship exists between the Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any interlocking relationship existed in the past.

CODES OF ETHICS

As part of the Company's commitment to integrity, the Board of Directors has adopted a Code of Business Conduct and Ethics applicable to all directors, officers and employees of the Company and its subsidiaries. This Code is periodically reviewed by the Board of Directors and was last updated on March 6, 2009.

In addition, the Company's Chief Executive Officer, Chief Financial Officer and Treasurer, Chief Accounting Officer, Vice President of Accounting and Director of Financial Reporting, and individuals in equivalent positions at the Company's subsidiaries, must comply with an additional Code of Ethics for the Chief Executive Officer, President and Senior Financial Officers. In the event we determine to amend or waive certain provisions of this code of ethics, we will disclose such amendments or waivers on our website at <http://www.wynnresorts.com> under the heading "Corporate Governance" or as otherwise required by the NASDAQ listing standards.

COMPENSATION DISCUSSION AND ANALYSIS

Overview and Philosophy

The Compensation Committee has the responsibility for setting and implementing compensation for the executive officers named in the Summary Compensation Table below (the named executive officers). The Committee strives to provide total compensation that allows it to attract and retain superior management talent. Our executive compensation program is designed to reward the achievement of specific annual, long term and strategic goals, with the ultimate objective of creating stockholder value. Our Company's goals include the development and operation of the premier casino resort in each jurisdiction in which we operate, and the development and expansion of the Wynn brand while delivering successful operating and financial performance. The Committee regularly evaluates the Company's compensation arrangements to assess whether they are appropriately structured to enable the Company to attract and retain superior employees in key positions while rewarding achievement of financial, property development, and operating performance. To achieve these objectives, the Company's compensation includes both cash and equity based incentives.

Role of Executive Officers in Setting Compensation

The Committee sets all elements of compensation for the Chief Executive Officer and Chief Operating Officer based upon consideration of their respective contributions to the development and operating performance of the Company. Annually, the Committee reviews compensation data of those with whom we compete for talent. The Committee considers the recommendations of the Chief Executive Officer and Chief Operating Officer in establishing compensation for all other named executive officers. The Chief Executive Officer and Chief Operating Officer perform annual reviews of all of our senior management and make recommendations to the Committee. The Committee reserves the discretion to modify recommendations and makes the final decisions regarding compensation for all of our most senior management.

Setting Executive Compensation

In making compensation decisions for the named executive officers, the Compensation Committee compares each element of compensation and total compensation against compensation levels of executives in comparable positions at a peer group of companies. Additionally, the Committee considers current and long term goals for each executive and for the Company to align rewards with performance. The Committee believes that its peer companies are those companies with which the Company competes for talent and stockholder investment. While cash bonuses are considered annually, reviews of base salary and equity incentives are conducted only on a periodic basis or in response to delivery of identified value creation for Company stockholders. When considering adjustments in base salary, or awards of cash bonuses or equity incentives, the Committee reviews both total compensation of peer companies and contribution to the Company. Peer companies include gaming companies, as well as brand driven, entertainment and growth companies. In addition to peer company review, the Compensation Committee evaluates relative internal pay levels, relative levels of responsibility and correlates overall compensation levels to reward the drivers of financial and brand performance.

As discussed further below, base salaries for some of the named executive officers were adjusted in 2009 to reflect expanded responsibilities, discretionary cash bonuses were paid to reward extraordinary, measurable performance, and equity awards were granted to certain of the named executive officers in recognition of expanded responsibilities and the Committee's assessment of the level of past equity grants and desire to retain senior management.

Table of Contents**Elements of Executive Compensation**

The Company's total direct compensation for named executive officers generally includes (a) base salary, (b) discretionary bonuses, (c) annual cash incentive compensation, and (d) long term equity incentives. However, the Company has not granted equity awards to Mr. Wynn, at his election. The Compensation Committee reviews total compensation annually, along with value created from past incentives, to assess whether the Company's compensation program achieves its objectives of attracting and retaining superior management while rewarding achievement of specific property and financial performance goals. Our policy for allocating among base salary, cash bonus awards, and long term compensation does not include a specific formula or weighting, but is designed to offer what the Compensation Committee views as adequate base compensation to attract and retain personnel while providing incentives to retain superior management talent and maximize long term value for our Company and our stockholders.

When considering total compensation, the Committee uses the peer group described above as an indication of market levels of compensation, but not to target a specific relative pay level, and adjusts compensation levels to reflect the gaming industry's exhaustive regulatory requirements and other demands.

The Committee retains the discretion to adjust actual bonus amounts paid based on other factors, including corporate, property level and individual performance, as well as general macroeconomic conditions. The Committee exercised this discretion with respect to payments made for the 2009 performance year.

Base Salary. Base Salaries are established by employment contracts and reviewed and adjusted periodically if necessary due to competitive reasons or to reflect changes in responsibility or other extraordinary circumstances. To fulfill the Company's goal of attracting and retaining high-quality and experienced executives, the Company has paid base salary levels for its named executive officers that may exceed the peer group mean. Companies in the gaming business typically have total compensation packages that may be higher than their non-gaming counterparts due to certain regulatory and other extraordinary demands. The Company's rapid expansion in the last five years has required that named executive officers provide extraordinary levels of financial, development, opening and operating expertise. These efforts have resulted in industry-leading product and impressive financial performance, including returns to stockholders exceeding the industry averages. In 2009, Mr. Maddox received a salary increase in consideration of his assuming additional responsibility in connection with the public offering of the shares of Wynn Macau Limited and navigating the extremely challenging global macroeconomic conditions and related difficulties in the financial market. Additionally, Mr. Wynn, Mr. Schorr, and Ms. Sinatra continue with 15% reductions in base salary reflecting conditions imposed on other employees at Wynn Las Vegas.

Annual Incentives. Discretionary bonuses were awarded to named executive officers and certain other Company management for 2009 outside the Wynn Resorts, Limited Annual Performance-Based Incentive Plan for Executive Officers (the Incentive Plan) since the Committee determined not to establish performance targets under the Plan in light of the adverse economic conditions faced by operations. However, consistent with its historical practice under the Incentive Plan, the Compensation Committee evaluated the Company's financial and operating performance. Although operations did a superior job considering conditions beyond their control, operating income was significantly below historical levels in 2009. Value was created at the Wynn Resorts level by financial transactions led by the named executive officers. The discretionary bonuses to named executive officers in 2009 were paid in recognition of the financial success of the initial public offering of Wynn Macau, Limited shares and success in adjusting the Company's financial structure to resist the extremely difficult macroeconomic and credit market conditions of 2008 and 2009. These bonuses were awarded at the same level as in 2008, which were significantly below prior year bonuses under the Incentive Plan, except for Mr. Maddox and Ms. Sinatra in light of their significant individual efforts in timely and successfully managing the initial public offering of Wynn Macau.

Each of the Company's named executive officers is eligible to participate in the Incentive Plan. Typically, within 90 days after the commencement of that year, the Compensation Committee identifies the executive officers who will participate in the Incentive Plan for that year and establishes the performance criteria for the

Table of Contents

Incentive Plan, as well as the maximum percentage of base salary that can be paid to each participant. As provided under the Incentive Plan, named executive officer participants (other than Mr. Wynn) have a maximum annual incentive under the Plan of 200% of Base Salary, and Mr. Wynn's maximum annual incentive is 250% of his Base Salary. In light of the adverse economic conditions in 2009, the Compensation Committee did not establish targets or award annual incentives under the Incentive Plan in 2009.

Long Term Incentives The Compensation Committee has not provided annual equity grants to executives but instead uses grants under the 2002 Stock Plan to attract qualified individuals to work for the Company, and makes periodic grants to existing officers to retain superior officers and to reward extraordinary performance, as determined in the Compensation Committee's judgment. The number of options or shares of restricted stock to be granted to each executive officer is based on the individual executive's job accomplishments, tenure and future potential as well as the Compensation Committee's assessment of competitive compensation levels. In awarding long term equity incentive compensation, the Committee considers current and historical levels awarded by industry peers. Grants to named executive officers are typically made periodically with long term vesting dates. The underlying philosophy is to retain senior management for the long term, building a talent base for the Company's future growth and achievement of desired goals. In 2009, the Committee elected to award significant retention grants to its most senior officers. These grants were made in stock options as the Committee concluded that many executives in peer companies had profited from grants of restricted stock when shareholders had experienced losses in value and stock options only have value to the extent that the price of the Company's common stock increases following the grant date. The awards were determined in consideration of relative seniority, past awards and value created and long term comparative value and contribution.

Mr. Wynn, the founder, Chairman and Chief Executive Officer of the Company who owns a large percentage of the Company's outstanding stock, does not participate in the Company's equity incentive plans at his election. This differs from the chief executive officer compensation at most of the companies included in the peer group.

During 2009, the Compensation Committee made the following awards: 300,000 stock options to Mr. Maddox; 500,000 stock options to Mr. Schorr; 300,000 stock options to Ms. Chen; and 250,000 stock options to Ms. Sinatra. All of the grants awarded in 2009 will vest 10% on each anniversary of the grant date until fully vested. In addition, unless the executive is party to an employment agreement with the Company and the Company terminates the executive without cause, such awards will vest pro-rata on a monthly basis to the termination date. These long term incentive grants were made after thorough analysis of the Company's overhang of equity grants, peer group compensation with the goal of retaining and rewarding the Company's most senior and valuable management. As the Company competes for talent with the peer group, the Committee endeavors to exceed the mean long term compensation on a comparative basis.

Tax and Accounting Implications

Internal Revenue Code Section 162(m) prevents publicly traded companies from receiving a tax deduction on certain compensation paid to the chief executive officer and three other highest-paid executive officers (other than the chief financial officer) in excess of \$1,000,000 in any taxable year. The Company's policy with respect to qualifying compensation paid to its executive officers for tax deductibility purposes is that executive compensation plans will generally be designed and implemented to maximize tax deductibility. However, the Compensation Committee may elect to provide non-deductible compensation when it determines that to be advisable to achieve its compensation objectives of attracting or retaining key executives, or where achieving maximum tax deductibility would be considered disadvantageous to the best interests of the Company. In light of the Compensation Committee's determination not to operate under the Incentive Plan, most of the covered executives 2009 taxable compensation will not be deductible in excess of \$1,000,000. However, stock options granted in 2009 are designed to qualify for deductibility under 162(m) if and when exercised.

Employment Agreements

The Company typically enters into employment agreements with its executives to advance its objectives of providing for a long-term relationship with talented and experienced executives. The terms and conditions of these agreements are described in the chart following the 2009 Summary Compensation table.

Table of Contents

The employment agreements for the named executive officers provided for a minimum base salary and discretionary bonus opportunity and provide that if the executive's employment terminates for death, disability, good reason or without cause, (including after a change in control) the executive will receive a multiple (ranging from one to, in the case of Mr. Wynn, three times) of the sum of the executive's salary and imputed bonus that would be payable during the remaining term of the contract, but not less than one year, except that Mr. Wynn's payment is limited to 4 years salary and bonus in certain circumstances. The employment agreements and the terms of equity awards also provide that vesting of some or all of an executive's equity awards will accelerate upon such event. If termination occurs after a change in control, the Company also provides for a tax gross-up. The Compensation Committee has determined that these arrangements are appropriate compensation to its senior management and are necessary to retain talent at a closely controlled public company that has more limited operations and a shorter operating history than many of its peers. Additional information regarding payments under these provisions is provided under the heading Potential Payments Made Upon Termination or a Change of Control.

Executive Benefits

In addition to base salary, annual incentive compensation and long term equity incentives, the Company also provides certain of its named executive officers with a number of executive benefits. The primary executive benefits include certain health insurance coverage, life insurance premiums, discounts and complementary privileges with respect to the Company's properties which are described in the footnotes to the 2009 Summary Compensation Table. In 2009, executives also received matching contributions under the Company's 401(k) program until March 16, 2009, when the Company suspended 401(k) matches for all employees, including the named executive officers. In addition, Messrs. Wynn and Schorr have access to the Company's aircraft pursuant to time sharing agreements described in Certain Relationships and Related Transactions Aircraft Arrangements. For security purposes, the Board of Directors requires Mr. Wynn to travel on Company aircraft for both personal and business travel, and the Company provides a car and driver (and security when necessary) for his personal use. Consistent with competitive practice in Macau, Ms. Chen receives a car and driver, certain housing and living expenses and assistance with tax preparation.

CEO Compensation

Mr. Wynn is employed by the Company pursuant to an employment agreement dated October 4, 2002, amended August 6, 2004, February 1, 2007 and September 15, 2008, which has a term expiring in 2020. Mr. Wynn, a holder of approximately 8.95% of our common stock, has not received any equity awards as part of his compensation as Chief Executive Officer of the Company. Mr. Wynn currently receives a base salary of \$2,762,500 per year, and participates in the Incentive Plan. Mr. Wynn is provided with Company paid life insurance and disability policies, as well as participation in the Company's 401(k) plan. He also receives certain executive benefits described above.

REPORT OF THE COMPENSATION COMMITTEE

We have reviewed and discussed the Compensation Discussion and Analysis required by Item 402(a) of Regulation S-K with the Company's management. Based on such review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into the Company's Annual Report on Form 10-K for the year ended December 31, 2009.

- (1) The amounts set forth in these columns reflect the aggregate grant date fair value of equity awards granted in each respective year, computed in accordance with accounting standards for stock based compensation. See our Annual Report on Form 10-K for the year ended December 31, 2009, Note 14 to our Consolidated Financial Statements for assumptions used in computing fair value. The 2009 grants will vest 10% per year beginning on the first anniversary of the grant until fully vested in May 2019. The 2008 grants will fully vest in December 2016.
- (2) The following amounts for 2009 are included in All Other Compensation for Mr. Wynn:
- personal use of company aircraft of \$1,198,056 (Mr. Wynn receives no tax-gross ups relating to the value of aircraft usage that is imputed to him as compensation.);
 - executive life insurance premiums of \$29,718;
 - compensation pursuant to the Wynn Resorts, Limited Executive Medical Plan of \$60,036;
 - allocated compensation and benefits for personal use of a driver whom we employ for Mr. Wynn of \$12,806;

The following amounts for 2009 are included in All Other Compensation for Mr. Maddox:

- \$240,000 of accrued cash distributions related to unvested restricted stock. Dividends that are accrued on unvested restricted stock are reported as compensation because the value of dividends was not previously reflected in the accounting expense for these awards when they were granted, as the Company did not regularly pay dividends at that time.

The following amounts for 2009 are included in All Other Compensation for Mr. Schorr:

- personal use of Company aircraft of \$103,421 (Mr. Schorr receives no tax-gross ups relating to the value of aircraft usage that is imputed to him as compensation.);

Table of Contents

- (v) \$1,000,000 of accrued cash distributions related to unvested restricted stock. Dividends that are accrued on unvested restricted stock are reported as compensation because the value of dividends was not previously reflected in the accounting expense for these wards when they were granted, as the Company did not regularly pay dividends at that time.

The following amounts for 2009 are included in All Other Compensation for Ms. Chen:

- (i) \$50,195 attributable to housing and other living expenses in Macau;
(ii) amounts for executive life insurance and other premiums and 401k employer matching contributions of \$8,370; and
(iii) \$800,000 of accrued cash distributions related to unvested restricted stock. Dividends that are accrued on unvested restricted stock are reported as compensation because the value of dividends was not previously reflected in the accounting expense for these wards when they were granted, as the Company did not regularly pay dividends at that time.

The following amounts for 2009 are included in All Other Compensation for Ms. Sinatra:

- (i) amounts for executive life insurance and other premiums and 401k employer matching contributions of \$7,801; and
(ii) \$200,000 of accrued cash distributions related to unvested restricted stock. Dividends that are accrued on unvested restricted stock are reported as compensation because the value of dividends was not previously reflected in the accounting expense for these wards when they were granted, as the Company did not regularly pay dividends at that time.

For amounts shown as personal use of Wynn Resorts aircraft, incremental aircraft expenses were calculated by dividing the 2009 total direct (variable) flight expenses (consisting primarily of fuel, maintenance and landing fees) by the total hours the aircraft was operated during the year. The executives hourly usage was multiplied by this annual hourly rate. Any reimbursement received from the executive was applied against this amount.

Amounts shown as cash distributions accrued on unvested restricted stock are reported in the year such amounts accrue instead of the year paid, based on an SEC staff interpretation. These amounts are paid only if and when the restricted stock vests.

In 2009, each of the named executive officers received base salary in accordance with the terms of his or her employment agreement, as approved by the Compensation Committee. Key terms of the current agreements as amended are as follows:

Named Executive Officer	Contract	
	Expiration	Base Salary
Mr. Wynn	10/24/20	\$ 2,762,500
Mr. Maddox	11/30/13	\$ 1,000,000
Mr. Schorr	10/31/12	\$ 1,700,000
Ms. Chen	8/1/11	\$ 1,000,000
Ms. Sinatra	5/5/14	\$ 552,500

Each of the employment agreements provide that the executive will participate in company profit sharing and retirement plans, disability or life insurance plans, medical and/or hospitalization plans and vacation and expense reimbursement programs. In addition, the agreements provide for severance payments and benefits upon certain terminations of employment, including termination following a change-in-control, as discussed in the section below entitled Potential Payments upon Termination or Change-In-Control.

2009 OPTION EXERCISES AND STOCK VESTED

The amounts reported in the table above are based on the closing price of the Company's common stock on the date the stock award vested or the stock options were exercised. Upon vesting of the stock awards, the executive also was paid an amount equal to the dividends that had accrued on the shares prior to their vesting.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL**Payments Made Upon Termination Due to Death, Complete Disability or License Revocation**

The Company's employment agreements with its named executive officers provide that such agreements terminate automatically upon death or complete disability of the employee, as well as upon failure of the employee to obtain or maintain required gaming licenses. Upon such termination, the employee is entitled to a lump sum payment of accrued and unpaid base salary and accrued and unpaid vacation through the termination date.

Payments Made Upon Termination Without Cause at Employer's Election During the Term

The Company's employment agreements with its named executive officers provide that such agreements are terminable by the Company without cause upon notice to the employee, so long as a separation payment is paid as provided for in such contracts. Cause is defined as (i) willful destruction of property of the Company or an affiliate having a material value to the Company or such affiliate; (ii) fraud, embezzlement, theft, or comparable

Table of Contents

dishonest activity; (iii) conviction of or entering a plea of guilty or nolo contendere to any crime constituting a felony or any misdemeanor involving fraud, dishonesty or moral turpitude; (iv) breach, neglect, refusal, or failure to materially discharge duties (other than due to physical or mental illness) commensurate with title and function, or failure to comply with the lawful directions of the Company, that is not cured within 15 days after written notice thereof; (v) willful and knowing material misrepresentation to the Company or an affiliate's board of directors; (vi) willful violation of a material policy of the Company or an affiliate, which does or could result in material harm to the Company or to the Company's reputation; or (vii) material violation of a statutory or common law duty of loyalty or fiduciary duty to the Company or an affiliate.

The separation payment consists of a multiple (ranging from one to, in the case of Mr. Wynn, three times) of the sum of (a) base salary through the end of the term of the agreement, but not less than 12 months (and in Mr. Wynn's case, not more than 4 years); (b) bonus for all bonus periods based upon last bonus paid pursuant to the employment agreement through the end of the term (and in Mr. Wynn's case, this is limited to a maximum of 4 years); and (c) a tax gross up in certain circumstances. In addition, the employee is entitled to health benefits coverage under the same plan or arrangement as the employee was covered immediately prior to termination. Health benefits are to be provided until the earlier of the remainder of the original term, or until the employee is covered by a plan of another employer. In addition, some of the stock option agreements and restricted stock agreements held by the named executive officers provide that unvested options and shares will vest upon termination without cause.

Payments Made Upon Termination by Employee after Change in Control for Good Reason

The Company's employment agreements with its named executive officers provide that such agreements are terminable by the employee for good reason after a change in control. A change in control is defined as (a) any person or group (other than Mr. Wynn and his affiliates) becomes the beneficial owner of more than 50% of the Company's outstanding securities; or (b) the existing directors of the Company (including those elected in the normal course and not including those elected as a result of an actual or threatened election contest) cease to constitute a majority of the Board of Directors of the Company. Good reason is defined as: (i) reduction of employee's base salary; (ii) discontinuation of employer's bonus plan without immediately replacing such bonus plan with a plan that is the substantial economic equivalent of such bonus plan, or amends such bonus plan so as to materially reduce employee's potential bonus at any given level of economic performance of employer or its successor entity; (iii) material reduction in the aggregate benefits and perquisites to employee; (iv) requirement that such employee change the location of his or her job or office by a distance of more than 25 miles; (v) reduction of responsibilities or required reporting to a person of lower rank or responsibilities; or (vi) a successor's failure to expressly assume in writing the employment agreement. Upon termination by the employee pursuant to this provision, the employee is entitled to the same amounts described under "Payments Made Upon Termination Without Cause at Employer's Election During the Term" above. In addition, if an executive's termination is deemed to occur in connection with a change in control under the Tax Code, certain executives are entitled to a tax gross up on the excise tax if the executive's benefits trigger an excise tax. Pursuant to the terms of the applicable stock option agreements and restricted stock grant agreements, some or all of the unvested options and restricted stock held by the named executive officers would immediately vest upon termination by the Company without cause or upon termination by the employee for good reason after a change in control.

Payments Made Upon Termination

The tables below reflect the amount of compensation that would become payable to each of the named executive officers under existing agreements and arrangements if the named executive's employment had terminated on December 31, 2009 given the named executive's compensation as of such date and, if applicable, based on the Company's closing stock price on that date. These benefits are in addition to benefits available prior to the occurrence of any termination of employment, including under then-exercisable stock options, and benefits generally available to all salaried employees, such as distributions under the company's 401(k) plan. In addition,

Table of Contents

in connection with any actual termination of employment, the Compensation Committee may determine to enter into an agreement or to establish an arrangement providing additional benefits or amounts, or altering the terms of benefits described below, as the Committee determines appropriate.

The actual amounts that would be paid upon a named executive officer's termination of employment can only be determined at the time of such executive's separation from the Company. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be higher or lower than reported below. Factors that could affect these amounts include the timing during the year of any such event and the Company's stock price.

Stephen A. Wynn

In the case of Mr. Wynn, the payments to be made upon Termination Without Cause at Employer's Election During the Term and Termination by Employee for Good Reason After Change in Control for Good Reason is three times the salary that would be payable during the remaining term of the contract with a limit of 4 years.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Historically, the Audit Committee of the Board of Directors has reviewed for approval or ratification all transactions between the Company and any related person, regardless of amount. In February, 2007, the Audit Committee adopted a written policy codifying its prior practice. The policy applies to transactions with any related person, which SEC rules define to include directors, director nominees, executive officers, beneficial owners of in excess of 5% of the outstanding shares of the Company's common stock, and their respective immediate family members. The policy classifies as pre-approved (a) employment of executive officers and director compensation if the compensation is required to be reported under Item 402 of the SEC's compensation disclosure requirements; (b) transactions with another company or charitable contributions if the related person's only relationship is as an employee (other than executive officer), director or beneficial owner of less than 10% of that company's or donee's shares if the aggregate amount does not exceed the greater of \$100,000 or 2% of that company's or donee's total annual revenues; (c) transactions where the related person's interest arises solely from the ownership of the Company's stock and all stockholders benefit on a pro rata basis; (d) transactions involving competitive bids; (e) regulated transactions involving services as a common carrier or public utility at rates fixed in conformity with law or governmental authority; and (f) transactions with related parties involving a bank as depository of funds, transfer agent, registrar, trustee under a trust indenture or similar services. The

Table of Contents

Committee receives notice of the occurrence of all pre-approved transactions. All other transactions with related persons are subject to approval or ratification by the Committee. In determining whether to approve or ratify a transaction, the Committee will take into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction.

The following are the material transactions or agreements between the Company and related persons. The Audit Committee has approved or ratified all of these transactions that occurred after the date of the adoption of the policy.

In addition, the Amended and Restated Stockholders Agreement amended the voting agreement provision to provide that each of Mr. Wynn, Elaine P. Wynn and Aruze agree to vote all shares of the Company held by them and subject to the terms of the Amended and Restated Stockholders Agreement in a manner so as to elect to the Company's Board of Directors each of the nominees contained on each and every slate of directors endorsed by Mr. Wynn, which slate will include, subject to certain conditions, Elaine P. Wynn and, so long as such slate results in a majority of directors at all times being candidates endorsed by Mr. Wynn, nominees approved by Aruze.

Art Gallery. Since June 2006, the Company has leased a portion of The Wynn Collection from Mr. Wynn and Elaine P. Wynn for an annual fee of one dollar (\$1). Pursuant to a lease agreement that was effective commencing July 1, 2008, the rent was \$520,000 per year for a villa suite. In March 2009, the lease was amended to add an additional unit with no change in rent due to the significant deterioration in the rental market in Las Vegas.

On March 17, 2010, Elaine P. Wynn and Wynn Las Vegas entered into an Agreement of Lease (the "New EW Lease") for the lease of a villa suite as Elaine P. Wynn's personal residence. The New EW Lease was

Pursuant to the terms of the New EW Lease, Elaine P. Wynn will pay annual rent equal to \$350,000, which amount was determined based on a third-party appraisal. The term of the lease commenced as of March 1, 2010 and runs concurrent with Mr. Wynn s employment agreement with the Company; provided that either party may terminate on 90 days notice. Pursuant to the New SW Lease, the rental value of the fairway villas will be treated as imputed income to Mr. Wynn, and will be equal to the fair market value of the accommodations provided. Certain services for, and maintenance of, the fairway villas are included in the rental.

Aircraft Arrangements. Messrs. Wynn and Schorr, the Company s Chief Operating Officer, have time-sharing agreements with Las Vegas Jet, LLC, a wholly owned indirect subsidiary of the Company, covering their personal use of Company-owned aircraft. These time-share agreements require the Company to include as taxable compensation of such executive, his and his family s share of the direct costs that the Company incurs in operating the aircraft, up to an amount determined by using the Internal Revenue Service Standard Industry Fare Level (SIFL) tables. During 2009, the following amounts were included in the executives taxable compensation pursuant to these timesharing arrangements: Mr. Wynn \$461,730 and Mr. Schorr \$103,748. Wynn s and Mr. Schorr s behalf, including costs with respect to personal use of the corporate aircraft, household employees, construction work and other personal purchases and services. Wynn Las Vegas and Wynn Macau provide a certain number of hotel rooms to TransOrbit at a wholesale net rate in which TransOrbit can sell the rooms to tour operators and travel agents as part of a travel package. The agreement with TransOrbit is at arms length and similar to other agreements with tour operators. One of Wynn Resorts directors, Mr. Okada, currently serves as Chairman of Universal.

Wynn Family Trust (referred to collectively as the Valvino members), Valvino and the Company entered into a tax indemnification agreement relating to their respective income tax liabilities from the contribution of their Valvino membership interests to the Company. If an Option expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Option Exchange Program, or if a Stock Award shall be cancelled or surrendered or expire for any reason without having been received in full, the Shares that were not purchased or received or that were cancelled will become available for future grant or sale under the Plan (unless the Plan has terminated). If the Company repurchases Shares which were issued pursuant to the exercise of an Option or grant of a Stock Award, however, those repurchased Shares will not be available for future grant under the Plan.

4. Administration of the Plan.

(a) Procedure.

(i) Composition of the Administrator. Unless the Board expressly resolves to the contrary, the Plan will be administered only by a Committee, which will then consist solely of persons appointed by the Board, each of whom are both non-employee directors within the meaning of Rule 16b-3 promulgated under the Exchange Act and outside directors within the meaning of Section 162(m) of the Code; provided, however, the failure of the Committee to be composed solely of individuals who are both non-employee directors and outside directors shall not render ineffective or void any awards or grants made by, or other actions taken by, such Committee.

(ii) Multiple Administrative Bodies. The Plan may be administered by different bodies with respect to Directors, Officers who are not Directors, and Employees and Consultants who are neither Directors nor Officers.

(b) Powers of the Administrator. Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to that Committee, the Administrator will have the authority, in its discretion:

(i) to determine the Fair Market Value of the Common Stock, in accordance with Section 2(o);

(ii) to select the Consultants, Employees or Directors to whom Options or Stock Awards may be granted;

(iii) to determine whether and to what extent Options or Stock Awards are granted, and whether Options are intended as Incentive Stock Options or Nonqualified Stock Options;

(iv) to determine the number of Shares to be covered by each Option or Stock Award granted;

(v) to approve forms of Grant Notices, Option Agreements and agreements governing Stock Awards;

(vi) to determine the terms and conditions, not inconsistent with the terms of this Plan, of any grant of Options or Stock Awards, including, but not limited to, (A) the Options exercise price, (B) the time or times when Options may be exercised or Stock Awards will be vested, which may be based on performance criteria or other reasonable conditions such as Continuous Status as an Employee, Director or Consultant, (C) any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option, Optioned Stock or Stock Award, based in each case on factors that the Administrator determines in its sole discretion, including but not limited to a requirement subjecting the Optioned Stock or Shares to (1) certain restrictions on transfer (including without limitation a prohibition on transfer for a specified period of time and/or a right of first refusal in favor of the Company), and (2) a right of repurchase in favor of the Company upon termination of the Grantee's Continuous Status as an Employee, Director or Consultant;

(vii) to accelerate the vesting or exercisability of an Option or Stock Award;

(viii) to determine the terms and restrictions applicable to Options or Stock Awards;

(ix) to modify or amend each Option or Stock Award, subject to Section 17(c);

Table of Contents

(x) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Option previously granted by the Administrator;

(xi) to institute an Option Exchange Program, but only if such Option Exchange Program has been pre-approved by the Company's stockholders;

(xii) to construe and interpret the terms of this Plan;

(xiii) to prescribe, amend, and rescind rules and regulations relating to the administration of this Plan; and

(xiv) to make all other determinations it considers necessary or advisable for administering this Plan.

(c) *Effect of Administrator's Decision.* The Administrator's decisions, determinations and interpretations will be final and binding on all holders of Options or Stock Awards. The Administrator shall not be required to exercise its authority or discretion on a uniform or nondiscriminatory basis.

5. *Eligibility.* Options granted under this Plan may be Incentive Stock Options or Nonqualified Stock Options, as determined by the Administrator at the time of grant. Nonqualified Stock Options and Stock Awards may be granted to Employees, Consultants and Directors. Incentive Stock Options may be granted only to Employees; provided, however, that Incentive Stock Options shall not be granted to Employees of a Subsidiary that is a limited liability company unless such limited liability company is wholly-owned by the Company or by a Subsidiary that is a corporation. If otherwise eligible, an Employee, Consultant or Director who has been granted an Option or a Stock Award may be granted additional Options or Stock Awards.

6. *Limitations on Grants of Incentive Stock Options.* Each Option will be designated in the Grant Notice as either an Incentive Stock Option or a Nonqualified Stock Option. However, notwithstanding such designations, if the Shares subject to an Optionee's Incentive Stock Options (granted under all plans of the Company or any Parent or Subsidiary), which become exercisable for the first time during any calendar year, have a Fair Market Value in excess of \$100,000, the Options accounting for this excess will be treated as Nonqualified Stock Options. For purposes of this Section 6, Incentive Stock Options will be taken into account in the order in which they were granted, and the Fair Market Value of the Shares will be determined as of the time of grant.

7. *Limit on Annual Grants to Individuals.* From and after such time as the Company is required to be registered pursuant to Section 12 of the Exchange Act, no Optionee may receive grants, during any fiscal year of the Company or portion thereof, of Options which, in the aggregate, cover more than 1,500,000 Shares, subject to adjustment as provided in Section 15. If an Option expires or terminates for any reason without having been exercised in full, the unpurchased shares subject to that expired or terminated Option will continue to count against the maximum numbers of shares for which Options may be granted to an Optionee during any fiscal year of the Company or portion thereof.

8. *Term of the Plan.* Subject to Section 21, this Plan will become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of the Company as described in Section 21. It will continue in effect for a term of twenty years unless terminated earlier under Section 17. Unless otherwise provided in this Plan, its termination will not affect the validity of any Option or Stock Award outstanding at the date of termination, which shall continue to be governed by the terms of this Plan as though it remained in effect.

9. *Term of Option.* The term of each Option will be stated in the Option Agreement; *provided, however*, that in no event may the term be more than ten years from the date of grant. In addition, in the case of an Incentive Stock Option granted to an Optionee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent of the voting power of all classes of capital stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option will be five years from the date of grant or any shorter term specified in the Option Agreement.

10. *Option Exercise Price and Consideration.*

(a) *Exercise Price of Incentive Stock Options.* The exercise price for Shares to be issued pursuant to exercise of an Incentive Stock Option will be determined by the Administrator provided that the per Share exercise price will be no less than 100% of the Fair Market Value per Share on the date of grant; provided, further that in the case of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent of the voting power of all classes of capital stock of the Company or any Parent or Subsidiary, the per Share exercise price will be no less than 110% of the Fair Market Value per Share on the date of grant.

(b) *Exercise Price of Nonqualified Stock Options.* In the case of a Nonqualified Stock Option, the exercise price for Shares to be issued pursuant to the exercise of any such Option will be determined by the Administrator.

(c) *Waiting Period and Exercise Dates.* At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions which must be satisfied before the Option may be exercised. Exercise of an Option may be conditioned upon performance criteria or other reasonable conditions such as Continuous Status as an Employee, Director or Consultant.

(d) *Form of Consideration.* The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. Such consideration may consist partially or entirely of:

(i) cash;

(ii) to the extent permitted by Applicable Law, a promissory note made by the Optionee in favor of the Company;

(iii) other Shares which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which an Option will be exercised;

(iv) delivery of a properly executed exercise notice together with any other documentation as the Administrator and the Optionee's broker, if applicable, require to effect an exercise of the Option and delivery to the Company of the sale or loan proceeds required to pay the exercise price; or

(v) any other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

(e) *No Repricing without Shareholder Approval.* Other than in connection with a change in the Company's capitalization (as described in Section 15), the Company may not, without the approval of shareholders, reprice any Options. For purposes of this Plan, the term reprice means reducing the exercise price of outstanding Options or canceling outstanding Options with a purchase price in excess of Fair Market Value in exchange for cash or new Options with a lower exercise price or other Stock Awards.

11. *Exercise of Option.*

(a) *Procedure for Exercise; Rights as a Shareholder.* Any Option granted hereunder will be exercisable according to the terms of the Plan and at times and under conditions determined by the Administrator and set forth in the Option Agreement; *provided, however,* that an Option may not be exercised for a fraction of a Share.

An Option will be deemed exercised when the Company receives: (i) written notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, (ii) full payment for the Shares with respect to which the Option is exercised, and (iii) all representations, indemnifications and documents reasonably requested by the Administrator. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and this Plan. Shares issued upon exercise of an Option will be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the stock certificate evidencing such Shares is issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder will exist with respect

Table of Contents

to the Optioned Stock, notwithstanding the exercise of the Option. Subject to the provisions of Sections 14, 18, and 19, the Company will issue (or cause to be issued) such stock certificate promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 15 of the Plan. Notwithstanding the foregoing, the Administrator in its discretion may require the Company to retain possession of any certificate evidencing Shares of Common Stock acquired upon exercise of an Option, if those Shares remain subject to repurchase under the provisions of the Option Agreement or any other agreement between the Company and the Optionee, or if those Shares are collateral for a loan or obligation due to the Company.

Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of this Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) *Termination of Employment or Consulting Relationship or Directorship.* If an Optionee holds exercisable Options on the date his or her Continuous Status as an Employee, Director or Consultant terminates (other than because of termination due to Cause, death or Disability), the Optionee may exercise the Options that were vested and exercisable as of the date of termination for a period of 90 days following such termination (or such other period as is set forth in the Option Agreement or determined by the Administrator). If the Optionee is not entitled to exercise his or her entire Option at the date of such termination, the Shares covered by the unexercisable portion of the Option will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator. The Administrator may determine in its sole discretion that such unexercisable portion of the Option will become exercisable at such times and on such terms as the Administrator may determine in its sole discretion. If the Optionee does not exercise an Option within the time specified above after termination, that Option will expire, and the Shares covered by it will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator.

(c) *Disability of Optionee.* If an Optionee holds exercisable Options on the date his or her Continuous Status as an Employee, Director or Consultant terminates because of Disability, the Optionee may exercise the Options that were vested and exercisable as of the date of termination for a period of 12 months following such termination (or such other period as is set forth in the Option Agreement or determined by the Administrator). If the Optionee is not entitled to exercise his or her entire Option at the date of such termination, the Shares covered by the unexercisable portion of the Option will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator. The Administrator may determine in its sole discretion that such unexercisable portion of the Option will become exercisable at such times and on such terms as the Administrator may determine in its sole discretion. If the Optionee does not exercise an Option within the time specified above after termination, that Option will expire, and the Shares covered by it will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator.

(d) *Death of Optionee.* If an Optionee holds exercisable Options on the date his or her death, the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance may exercise the Options that were vested and exercisable as of the date of death for a period of 12 months following the date of death (or such other period as is set forth in the Option Agreement or determined by the Administrator). If the Optionee is not entitled to exercise his or her entire Option at the date of death, the Shares covered by the unexercisable portion of the Option will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator. The Administrator may determine in its sole discretion that such unexercisable portion of the Option will become exercisable at such times and on such terms as the Administrator may determine in its sole discretion. If the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance does not exercise an Option within the time specified above after termination, that Option will expire, and the Shares covered by it will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator.

(e) *Termination for Cause.* If an Optionee's Continuous Status as an Employee, Director or Consultant is terminated for Cause, then all Options (including any vested Options) held by Optionee shall immediately be terminated and cancelled.

Table of Contents

(f) *Disqualifying Dispositions of Incentive Stock Options.* If Common Stock acquired upon exercise of any Incentive Stock Option is disposed of in a disposition that, under Section 422 of the Code, disqualifies the holder from the application of Section 421(a) of the Code, the holder of the Common Stock immediately before the disposition will comply with any requirements imposed by the Company in order to enable the Company to secure the related income tax deduction to which it is entitled in such event.

12. *Non-Transferability of Options.*

(a) *No Transfer.* An Option may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the foregoing, to the extent that the Administrator so authorizes at the time a Nonqualified Stock Option is granted or amended, (i) such Option may be assigned pursuant to a qualified domestic relations order as defined by the Code, and exercised by the spouse or former spouse of the Optionee who obtained such Option pursuant to such qualified domestic relations order, or (ii) such Option may be assigned, in whole or in part, during the Optionee's lifetime to one or more Family Members of the Optionee. Rights under the assigned portion may be exercised by the Family Member(s) who acquire a proprietary interest in such Option pursuant to the assignment. The terms applicable to the assigned portion shall be the same as those in effect for the Option immediately before such assignment and shall be set forth in such documents issued to the assignee as the Administrator deems appropriate.

(b) *Designation of Beneficiary.* An Optionee may file a written designation of a beneficiary who is to receive any Options that remain unexercised in the event of the Optionee's death. If a participant is married and the designated beneficiary is not the spouse, spousal consent will be required for the designation to be effective. The Optionee may change such designation of beneficiary at any time by written notice to the Administrator, subject to the above spousal consent requirement.

(c) *Effect of No Designation.* If an Optionee dies and there is no beneficiary validly designated and living at the time of the Optionee's death, the Company will deliver such Optionee's Options to the executor or administrator of his or her estate, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Options to the spouse or to any one or more dependents or relatives of the Optionee, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

(d) *Death of Spouse or Dissolution of Marriage.* If an Optionee designates his or her spouse as beneficiary, that designation will be deemed automatically revoked if the Optionee's marriage is later dissolved. Similarly, any designation of a beneficiary will be deemed automatically revoked upon the death of the beneficiary if the beneficiary predeceases the Optionee. Without limiting the generality of the preceding sentence, the interest in Options of a spouse of an Optionee who has predeceased the Optionee or (except as provided in Section 12(a) regarding qualified domestic relations orders) whose marriage has been dissolved will automatically pass to the Optionee, and will not be transferable by such spouse in any manner, including but not limited to such spouse's will, nor will any such interest pass under the laws of intestate succession.

13. *Stock Awards.*

(a) *Grant.* Subject to the express provisions and limitations of the Plan, the Administrator, in its sole and absolute discretion, may grant Stock Awards to Employees, Consultants or Directors for a number of shares of Common Stock on such terms and conditions and to such Employees, Consultants or Directors as it deems advisable and specifies in the respective grants. Subject to the limitations and restrictions set forth in the Plan, an Employee, Consultant or Director who has been granted an Option or Stock Award may, if otherwise eligible, be granted additional Options or Stock Awards if the Administrator shall so determine.

(b) *Restrictions.* The Administrator, in its sole and absolute discretion, may impose restrictions in connection with any Stock Award, including without limitation, (i) imposing a restricted period during which all

Table of Contents

or a portion of the Common Stock subject to the Stock Award may not be sold, assigned, transferred, pledged or otherwise encumbered (the **Restricted Period**), (ii) providing for a vesting schedule with respect to such Common Stock such that if a Grantee ceases to be an Employee, Consultant or Director during the Restricted Period, some or all of the shares of Common Stock subject to the Stock Award shall be immediately forfeited and returned to the Company. The Administrator may, at any time, reduce or terminate the Restricted Period. Each certificate issued in respect of shares of Common Stock pursuant to a Stock Award which is subject to restrictions shall be registered in the name of the Grantee, shall be deposited by the Grantee with the Company together with a stock power endorsed in blank and shall bear an appropriate legend summarizing the restrictions imposed with respect to such shares of Common Stock.

(c) *Rights As Shareholder.* Subject to the terms of any agreement governing a Stock Award, the Grantee of a Stock Award shall have all the rights of a shareholder with respect to the Common Stock issued pursuant to a Stock Award, including the right to vote such Shares; provided, however, that dividends or distributions paid with respect to any such Shares which have not vested shall be deposited with the Company and shall be subject to forfeiture until the underlying Shares have vested unless otherwise provided by the Administrator in its sole discretion. A Grantee shall not be entitled to interest with respect to the dividends or distributions so deposited.

14. *Withholding Taxes.* The Company will have the right to take whatever steps the Administrator deems necessary or appropriate to comply with all applicable federal, state, local, and employment tax withholding requirements, and the Company's obligations to deliver Shares upon the exercise of an Option or in connection with a Stock Award will be conditioned upon compliance with all such withholding tax requirements. Without limiting the generality of the foregoing, upon the exercise of an Option, the Company will have the right to withhold taxes from any other compensation or other amounts which it may owe to the Optionee, or to require the Optionee to pay to the Company the amount of any taxes which the Company may be required to withhold with respect to the Shares issued on such exercise. Without limiting the generality of the foregoing, the Administrator in its discretion may authorize the Grantee to satisfy all or part of any withholding tax liability by (a) having the Company withhold from the Shares which would otherwise be issued in connection with a Stock Award or on the exercise of an Option that number of Shares having a Fair Market Value, as of the date the withholding tax liability arises, equal to or less than the amount of the Company's withholding tax liability, or (b) by delivering to the Company previously-owned and unencumbered Shares of the Common Stock having a Fair Market Value, as of the date the withholding tax liability arises, equal to or less than the amount of the Company's withholding tax liability.

15. *Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.*

(a) *Changes in Capitalization.* Subject to any required action by the shareholders of the Company, if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company or a successor entity, or for other property (including without limitation, cash), through reorganization, recapitalization, reclassification, stock combination, stock dividend, stock split, reverse stock split, spin off or other similar transaction, an appropriate and proportionate adjustment will be made in the maximum number and kind of shares as to which Options and Stock Awards may be granted under this Plan. A corresponding adjustment changing the number or kind of shares allocated to Stock Awards or unexercised Options which have been granted prior to any such change will likewise be made. Any such adjustment in the outstanding Options will be made without change in the aggregate purchase price applicable to the unexercised portion of the Options but with a corresponding adjustment in the price for each share or other unit of any security covered by the Option. Such adjustment will be made by the Administrator, whose determination in that respect will be final, binding, and conclusive.

Where an adjustment under this Section 15(a) is made to an Incentive Stock Option, the adjustment will be made in a manner which will not be considered a modification under the provisions of subsection 424(h)(3) of the Code.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, to the extent that an Option had not been previously exercised or a Stock Award had not previously vested, it will

Table of Contents

terminate immediately prior to the consummation of such proposed dissolution or liquidation. In such instance, the Administrator may, in the exercise of its sole discretion, declare that any Stock Award shall become vested or any Option will terminate as of a date fixed by the Administrator and give each Optionee the right to exercise his or her Option as to all or any part of the Optioned Stock, including Shares as to which the Option would not otherwise be exercisable.

(c) *Corporate Transaction.* Upon the happening of a merger, reorganization or sale of substantially all of the assets of the Company, the Administrator, may, in its sole discretion, do one or more of the following: (i) shorten the period during which Options are exercisable (provided they remain exercisable for at least 30 days after the date notice of such shortening is given to the Optionees); (ii) accelerate any vesting schedule to which an Option or Stock Award is subject; (iii) arrange to have the surviving or successor entity or any parent entity thereof assume the Stock Awards and the Options or grant replacement options with appropriate adjustments in the option prices and adjustments in the number and kind of securities issuable upon exercise or adjustments so that the Options or their replacements represent the right to purchase the shares of stock, securities or other property (including cash) as may be issuable or payable as a result of such transaction with respect to or in exchange for the number of Shares of Common Stock purchasable and receivable upon exercise of the Options had such exercise occurred in full prior to such transaction; or (iv) cancel Options or Stock Awards upon payment to the Optionees or Grantees in cash, with respect to each Option or Stock Award to the extent then exercisable or vested (including, if applicable, any Options or Stock Awards as to which the vesting schedule has been accelerated as contemplated in clause (ii) above), of an amount that is the equivalent of the excess of the Fair Market Value of the Common Stock (at the effective time of the merger, reorganization, sale or other event) over (in the case of Options) the exercise price of the Option. The Administrator may also provide for one or more of the foregoing alternatives in any particular Option Agreement or agreement governing a Stock Award.

16. *Date of Grant.* The date of grant of an Option or Stock Award will be, for all purposes, the date as of which the Administrator makes the determination granting such Option or Stock Award, or any other, later date determined by the Administrator and specified in the Option Agreement. Notice of the determination will be provided to each Grantee within a reasonable time after the date of grant.

17. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter or suspend or terminate the Plan.

(b) *Shareholder Approval.* The Company will obtain shareholder approval of any Plan amendment that increases the number of Shares for which Options or Stock Awards may be granted, or to the extent necessary and desirable to comply with Section 422 of the Code (or any successor statute) or other Applicable Laws, or the requirements of any exchange or quotation system on which the Common Stock is listed or quoted. Such shareholder approval, if required, will be obtained in such a manner and to such a degree as is required by the Applicable Law or requirement.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan will impair the rights of a Grantee, unless mutually agreed otherwise between the Grantee and the Administrator. Any such agreement must be in writing and signed by the Grantee and the Company.

18. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares will not be issued in connection with a Stock Award or pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares will comply with all Applicable Laws, and will be further subject to the approval of counsel for the Company with respect to such compliance. Any securities delivered under the Plan will be subject to such restrictions, and the person acquiring such securities will, if requested by the Company, provide such assurances and representations

Table of Contents

to the Company as the Company may deem necessary or desirable to assure compliance with all Applicable Laws. To the extent permitted by Applicable Laws, the Plan and Options and Stock Awards granted hereunder will be deemed amended to the extent necessary to conform to such laws, rules and regulations.

(b) *Investment Representation.* As a condition to the exercise of an Option or grant of a Stock Award, the Company may require the person exercising such Option or receiving such Stock Award to represent and warrant at the time of any such exercise or receipt that the Shares are being acquired only for investment and without any present intention to sell, transfer, or distribute such Shares.

19. *Liability of Company.*

(a) *Inability to Obtain Authority.* If the Company cannot, by the exercise of commercially reasonable efforts, obtain authority from any regulatory body having jurisdiction for the sale of any Shares under this Plan, and such authority is deemed by the Company's counsel to be necessary to the lawful issuance of those Shares, the Company will be relieved of any liability for failing to issue or sell those Shares.

(b) *Grants Exceeding Allotted Shares.* If the Optioned Stock covered by an Option or Shares subject to a Stock Award exceed, as of the date of grant, the number of Shares which may be issued under the Plan without additional shareholder approval, that Option or Stock Award will be contingent with respect to such excess Shares, unless and until shareholder approval of an amendment sufficiently increasing the number of Shares subject to this Plan is timely obtained in accordance with Section 17(b).

(c) *Rights of Participants and Beneficiaries.* The Company will pay all amounts payable under this Plan only to the Grantee, or beneficiaries entitled thereto pursuant to this Plan. The Company will not be liable for the debts, contracts, or engagements of any Grantee or his or her beneficiaries, and rights to cash payments under this Plan may not be taken in execution by attachment or garnishment, or by any other legal or equitable proceeding while in the hands of the Company.

20. *Reservation of Shares.* The Company will at all times reserve and keep available for issuance a number of Shares sufficient to satisfy this Plan's requirements during its term.

21. *Shareholder Approval.* Continuance of this Plan will be subject to approval by the shareholders of the Company within 12 months before or after the date of its adoption. Such shareholder approval will be obtained in the manner and to the degree required under Applicable Laws. Options or Stock Awards may be granted but Options may not be exercised prior to shareholder approval of the Plan. If any Options or Stock Awards are so granted and shareholder approval is not obtained within 12 months of the date of adoption of this Plan by the Board, those Options or Stock Awards will terminate retroactively as of the date they were granted.

22. *Legending Stock Certificates.* In order to enforce any restrictions imposed upon Common Stock issued in connection with a Stock Award or upon exercise of an Option granted under this Plan or to which such Common Stock may be subject, the Administrator may cause a legend or legends to be placed on any certificates representing such Common Stock, which legend or legends will make appropriate reference to such restrictions, including, but not limited to, a restriction against sale of such Common Stock for any period of time as may be required by Applicable Laws. Additionally, and not by way of limitation, the Administrator may impose such restrictions on any Common Stock issued pursuant to the Plan as it may deem advisable.

23. *No Employment Rights.* Neither this Plan nor any Option or Stock Award will confer upon a Grantee any right with respect to continuing the Grantee's employment or consulting relationship with the Company, or continuing service as a Director, nor will they interfere in any way with the Grantee's right or the Company's right to terminate such employment or consulting relationship or directorship at any time, with or without cause.

24. *Governing Law.* The Plan will be governed by, and construed in accordance with the laws of the State of Nevada (without giving effect to conflicts of law principles).
