Item 1.01 Entry into a Material Definitive Agreement

On May 10, 2010, Infinity Insurance Company (the Company), a subsidiary of Infinity Property and Casualty Corporation, entered into a real estate purchase and sale agreement (the Agreement) with SG/SPV PROPERTY I, LLC (the Seller). Under the terms of the Agreement, the Company will purchase certain property (the Property) situated at or about 3760 River Run Drive, Birmingham, Alabama 35243, which includes approximately 111,602 square feet of net rentable area that the Company currently leases from the Seller, at a net purchase price of \$16,058,263. Upon execution of the Agreement, the Company provided the Seller with an earnest money deposit of \$1,692,975. Provided that Seller satisfies certain conditions set forth in the Agreement, the earnest money deposit is non-refundable.

The Property is currently subject to a mortgage. The Agreement is contingent upon certain parties, which have an interest in such mortgage, consenting to the Seller's sale of the Property to the Company. The Agreement provides that the Seller shall use all commercially reasonable efforts to obtain such consent, and the parties have no reason to believe that such consent will be withheld.

In addition to the foregoing, the Agreement contains customary representations, warranties and covenants, and remedies in the event of default by either party. The Agreement sets forth the timing of the closing, the closing requirements and the apportionment of closing and other costs between the parties, and contains additional and customary terms and conditions.

The foregoing summary is not intended to be comprehensive and is qualified in its entirety by the full text of the Agreement, a copy of which is attached hereto as Exhibit 10 and incorporated by reference as if fully set forth herein.
